2020 Palo Alto County Fair Dates

The dates have been set for the 2020 Palo Alto County Fair so mark your calendars now! Plans are to run the fair from Thursday, July 16th through Sunday, July 19th with the pre-fair judging day for all exhibits in the Exhibits Building to be judged on Tuesday, July 14th. Horticulture will again be judged on the first day of the fair. Clothing Event judging will be held on Tuesday, July 7th. Fair clean-up will be Saturday, July 11th. Livestock entries will be due on Monday, June 29th. Any changes to this will be posted in future newsletters.

Annual 4-H Lock-In – Rescheduled From January

The annual 4-H Lock-In for all Palo Alto County 4-Hers (grades 4-12) will be held **Friday, February 28th from 7:00-midnight** at the Authur & Audrey Smith Wellness Center in Emmetsburg. Chaperones will be needed. Everyone will be responsible for his/her own transportation to and from the center. Pre-registration is required. Deadline to register will be Wednesday, February 26th. This is the lock-in that was postponed in January due to weather. If you weren't signed up before you are welcome to sign up now if this date works for you. Everyone in attendance will be required to have turned in a registration form with a parent signature prior to the event in order to participate. We prefer not to have to take registrations and payment at the door. Click [here](#) for a registration form or see enclosed registration form.

*If you were previously signed up and paid and you can make the new date work, you do not have to fill out a new registration form again – just let us know you are coming. If it will no longer work for you to attend just let us know and we will reimburse your \$12.

2020 Equine Extravaganza – March 20-22

Entries Due March 1 –

Don't miss out on this year's event! March 20-22 at Ellsworth Community College Equine Center in Iowa Falls. Quiz Bowl, Hippology, Horse Judging, Public Speaking and a whole host of "Horseless Horse" activities! Click [here](#) for all rules, details, and entry forms.

Terrarium Workshop

All Palo Alto County 4-Hers are invited to participate in a Terrarium Workshop on **Tuesday, March 10th** from 5:30-7:00 PM at the Willow Tree Garden Center in Emmetsburg. Each participant will complete a terrarium to take home. Come and learn about succulents and caring for them. Cost is \$20 and will include all materials and a snack. Pre-registration is required and due March 6th so an adequate amount of supplies can be purchased. Click [here](#) for a registration form or see enclosed registration form.

County Council Float in St. Pat's Parade

Again this year the 4-H County Council will pull their float in the St. Pat's Parade on **Saturday, March 14th**. 4-Hers who would like to walk beside the County Council float and hand out 4-H suckers are welcome and encouraged to participate. Just find us in the parade line! The parade begins at 1:30 PM. (We will do this if weather permits – please watch your email for updates.)

4-H Bowling Party

All 4-H members are invited to a 4-H Bowling Party on **Sunday evening, March 22nd** from 5:00-7:00 PM at Shamrock Lanes in Emmetsburg. Pre-registration is required—teams will be assigned on Friday before the event. Cost is \$15/ person and includes pop & pizza and 2 games of bowling. For all 4-Hers in grades 4-12—no friends, please. Prizes will be awarded. Deadline to register is March 22nd. Click [here](#) for a registration form or see enclosed registration form.

Clover Kid Lock-In

A Clover Kid Lock-In has been scheduled for all Clover Kids in the county for **Saturday, March 28th** from 7:00PM-midnight at the Smith Wellness Center. Chaperones will be needed. Everyone will be responsible for his/her own transportation to and from the center. This event is only for Clover Kid members. Cost is \$10/person. Pre-registration is required and is due March 25th. Click [here](#) for a registration form or see enclosed form.

Animal Science Roundup

All youth in 8th-12th grades are invited to apply to attend this 3-day conference all

about animal science. This runs at the same time as the Iowa 4-H Youth Conference which is scheduled from June 30-July 2 on the ISU campus in Ames. Species that you may choose from include beef, dairy cattle, swine, sheep, horse, poultry, and goat (meat and dairy). Hands-on learning from the top scientists in the country. Activities include: dissection, ration formulation, meats, reproduction, selection, careers, competitions, and more! All applications are due **April 15th** and participants will be notified by May 1st. For more information and to apply, go to: <http://www.extension.iastate.edu/4h/animalsciencero roundup>

2020 Iowa Youth Conference Interviews

All enrolled 4-Hers (grades 8-12) will be receiving information on the 2020 Iowa Youth Conference to be held June 30-July 2 on the ISU campus in Ames. We strongly encourage 4-Hers to look over the materials carefully and consider participating. Interviews with Youth Committee members will be held on **Monday evening, April 6th**, beginning at 6:30 PM. Youth who interview will earn \$75 from the Palo Alto 4-H Foundation to put towards the total cost of the conference along with making them eligible for a \$50 scholarship from the Pratt family. This truly is a great opportunity for our high school youth.

Quiz Bowl and Skillathon Competitions

The State Livestock Quiz Bowl and Skillathon Competitions are scheduled for Saturday, April 25th. Find competition information and registration on the [Iowa 4-H Livestock Quiz Bowl webpage](#). The skillathon contest is a new event for 2020 and teams may compete in both quiz bowl and skillathon. Links for rules, practice questions, resources, and promotional materials are located on the side bar of the [Iowa 4-H Livestock Quiz Bowl webpage](#). Deadline to register a team is April 15th.

New IFYE International Exchange Program Opportunity

Iowa 4-H is excited to partner with IFYE (formerly known as International 4-H Youth Exchange) to offer international exchange opportunities for 4-H alumni,

19 years or older. The IFYE foreign exchange program offers the opportunity to experience another way of life by living it; truly a "learn by doing" experience. IFYE participants join in on all aspects of family life -- sharing quiet moments, enjoying family outings, and joining community activities as well as helping with household and family chores. Iowa 4-H is currently accepting applications for both alumni who would like to travel abroad and for those interested in being a host family for young adults from other countries, for summer 2020. Check out the [Iowa 4-H website](#) for application details. Contact [Haley Jones](#) with questions.

New Iowa 4-H Poultry Breed Video Resources – Videos about different breeds of poultry were recently added to the [4-H Poultry webpage](#). Videos were provided by Ohio State University. Link to videos is located near the bottom of the 4-H Poultry webpage under "Other Resources."

State 4-H Council Announces 4-H'ers for 4-H Campaign

The State Council invites 4-H'ers from across the state to "Count Your Clovers" and help provide support for 4-H members across the state. Funds raised from this campaign provide financial aid support for young people, helps to keep costs low for the State 4-H Conference and supports the State Council's efforts. Clubs should complete the [Count your Clovers pledge form](#) and return the bottom portion to local County Extension Offices **by Friday, May 15**. Learn more about the 4-H'ers for 4-H Campaign on the [Iowa 4-H Foundation webpage](#). Let's see if all our clubs can meet the \$3/member goal! (We will recognize the club who donates the most per member at our Leaders' Appreciation & Awards Banquet in the fall.)

Identifying Animals in 4HOnline – Must be done by 11:59 PM on May 15th – No Late Entries Accepted

Again this year - we are asking 4-H exhibitors to identify their animals in 4HOnline. Remember that only animals identified can be shown at our fair. **Animals that need to be entered in 4HOnline include swine, cow/calf pairs, breeding beef (unless you already identified animal at Jan. weigh-in), sheep (breeding only), horse, dairy cattle, bottle lambs/meat goats, bucket/bottle calves, poultry, rabbits, pets, meat goats (breeding only), or dogs.**

Here is what to do to enter animals in 4HOnline:

1. Go to <https://ia.4honline.com> and login like you did when you re-enrolled in 4-H. If you have never

logged in before please call the office so we can give you a temporary password. Once in the program you will be able to reset your password to something that you can remember.

2. Once you are in the program, find your name and click "Edit". That will take you to your Personal Information Screen. On that screen near the top of the page you will see a tab titled "Animals/Livestock". Click on the tab.

3. There you will then see a drop down box and any previously entered animals listed. Select the animal you want to enter and click the "Add Animal" button.

4. Enter the information requested and click the "Save" button. **All animal IDs must be submitted no later than May 15th at 11:59 PM. At midnight the program will shut down and the only animals you will be able to add after that is rabbits and poultry. Rabbits and poultry can be added until 11:59 PM on July 1st.**

5. BEFORE LOGGING OUT REMEMBER TO CHECK YOUR ANIMAL LIST AND MAKE SURE EVERYTHING YOU THOUGHT YOU ENTERED IS ON THAT LIST! If it is coming to fair it has to be on that list!

Additional Information:

- Market Beef – all is done
- Breeding Beef – must have a tattoo (if none, put in tag #) and birthdate listed in 4HOnline by May 15th – calfhood vaccination number is not an allowable tattoo. All registered breed heifers must have breed and registration number in 4HOnline by May 15th – no "pending" will be allowed. If switching a market heifer to a breeding heifer you do NOT need to go into 4HOnline and re-identify her. HOWEVER, if you want to change her to breeding as a registered breed animal, you should re-enter her under Beef, Breeding and enter the breed, tattoo, birthdate, and registration number by May 15th. *Again for 2020 State Fair – tattoo + one of the following: registration # (if a purebred), calfhood vaccination #, or official 4-H ear tag.
- Cow/Calf Pair – You must identify in 4HOnline by May 15th – if calf is not born yet put in projected date
- Market Swine – You will need to come to the office and get your ear tags (\$1.50 each – must have the USDA symbol) first and then complete the entry online. All State Fair swine MUST have a 4-H DNA punch tag and a USDA tag, both available at the Extension Office, and be recorded into 4HOnline by May 15th.
- Dairy Cattle – You can upload .jpg photos of your animal into 4HOnline (optional). You

can also re-activate your animal(s) from last year in 4HOnline – just click each animal you want to re-activate. In 2020, the Palo Alto County Fair will not have a Dairy Cattle Show.

- Dog – Now you can upload your rabies certificate into 4HOnline. You can also upload .jpg photos of your animal and even re-activate an animal from last year – just click the animal you want to re-activate.
- Horse – You will need to upload 4 photos (front view, rear view, left side view, and right side view) to complete your entry. You can also re-activate an animal from last year by clicking on that animal.
- Market Meat Goats – Remember to verify in 4HOnline after weigh-in but before May 15th – I will send out an email about this – includes does & wethers.
- Breeding Meat Goat Does – All does MUST have a 4-H tag OR official tattoo; and birthdate in 4HOnline. Retinal images are needed for State Fair eligibility.
- Sheep – Remember to verify in 4HOnline after weigh-in but before May 15th – I will send out an email about this. All State Fair eligible sheep MUST have a 4-H tag and retinal images collected at a county weigh-in – includes market lambs, commercial ewes, and purebred ewes.
- Poultry – will be able to identify birds until July 1st in 4HOnline.
- Rabbits – will be able to identify rabbits until July 1st in 4HOnline. All rabbits must have a tattoo.
- Prospect Calves for Clay County – These, too, are to be entered in 4HOnline. Enter under the category "Beef, Feeder/Prospect Calf".
- Bucket/Bottle Animals – Use the appropriate category in 4HOnline for all bucket/bottle calves, lambs, or meat goats. Animal must have an ear tag. You can upload .jpg photos of your animal into 4HOnline (optional).

*Questions? Please call the office (712-852-2865) and let me help you! It would be a shame to put in all the work and then not be able to show!

4-H/FFA Sheep/Meat Goat Weigh-In

Weigh-in for 4-H/FFA market lambs & meat goats to be shown at the 2020 Palo Alto County Fair will be held **Saturday, April 25th**, at the fairgrounds in Emmetsburg from 9:00-10:30 AM. Exhibitors need to have their animals weighed and identified on this day. Lambs and goats are to be tagged at home prior to weigh-in. Tags are available at the Extension Office for \$1.50 each. A maximum of 30 market lambs and 10 meat goats can be weighed in.

All information recorded during the weigh-in will be recorded in 4HOnline. Exhibitors will have until midnight on May 15th to verify that all information is correct. Failure to do this means that data entered stays "as is" regardless of any mistakes made during data entry. Extension staff will not be held responsible for mistakes. After the weigh-in an email will go out explaining the verifying process.

*At this time we will also be offering to do the State Fair verification process for exhibitors who want to nominate lambs or meat goats for State Fair or Ak-Sar-Ben. This process includes weighing, tagging, and retinal imaging. If you are planning to participate in this process you must contact the Extension office and let us know by April 22nd. This will be our only site and date for State Fair verification of sheep and meat goats. Anyone who has a scheduling conflict will need to get someone else to get their animals to the weigh-in site. The cost to nominate lambs and meat goats will once again be \$5.00 per head.

Market Meat Goats – All State Fair market goats (both market does and wethers) must have retinal images collected and an official 4-H tag. Also, meat goat does can now be shown in the market class along with wethers; however, a doe can only show market or breeding, not both.

Breeding Meat Goats – All State Fair breeding goats must have either a 4-H tag or tattoo. If using a tattoo, it must follow the official guidelines: Left ear = individual animal identifier; Right ear = herd prefix. Retinal images and a recorded birthdate are also required.

Sheep – ALL State Fair sheep must have a 4-H tag and retinal images – includes market sheep, commercial breeding, and purebred breeding.

Verifying Market Lambs & Meat Goats in 4HOnline

All weigh-in information for market lambs and meat goats will be entered into 4HOnline soon after weigh-in on the 25th. If you plan to weigh in any of these animals you should also plan to go into 4HOnline and verify that all the information entered is correct. This needs to be done by midnight on May 15th. Failure to do this means that data entered stays "as is" regardless of any mistakes made during entry. Extension staff will not be held responsible for mistakes.

Directions to Verify Animals:

1. Log into 4HOnline (<https://iowa.4honline.com>) just like you did when you enrolled in 4H.

2. On the member list, click "edit" to the right of the member whose animals you want to verify.
3. Locate and click on the "Animals/Livestock" link in the upper left. All animals should be listed.
4. Click the edit button to the right of each animal to view the information for that animal. If anything listed is incorrect, please call the Extension Office at 712-852-2865 ASAP - DO NOT VERIFY. If everything looks correct, click on the box next to the statement "I verify the information above accurate".
5. Click on the "Save" button to submit your approval. When you have "verified" your information and hit save, this information can no longer be edited by Extension staff.

If you have any questions please call the Extension Office and I will try to walk you through the process.

Swine Identification for State Fair

All State Fair swine identification will happen at the county level. **ALL** State Fair swine will need a DNA punch tag and a USDA tag.

Below are the steps a 4-Her must do to identify swine for State Fair:

1. 4-H family goes to county office before May 15th and requests the # of DNA punch tags they need (one per pig), same number of USDA tags as DNA tags, a tagger, and a DNA envelope. **Both** market and breeding swine need to have DNA tags for State Fair. Cost per tag is \$10.00.
2. 4-Her returns home and tags each pig.
3. Puts DNA sample tag into large envelope for all pigs (one envelope per 4-Her).
4. Writes down both tag numbers on back of DNA envelope.
5. 4-Her and parent/guardian signs and seals the DNA envelope and returns tagger and DNA envelope to county office by noon on **May 15th**.
6. **By May 15th** – 4-Her then inputs all data for each pig into 4HOnline under Swine (not weighed in).
7. 4-Her then makes actual State Fair entry by July 1st.

FSQA/YQCA Update

All swine, beef, sheep, meat goats, dairy, rabbit, and poultry exhibitors must be certified to show at the 2020 Palo Alto County Fair. All FSQA certifications are now expired so EVERYONE will need to do the new YQCA certification. You can certify in YQCA

online by going to <https://www.extension.iastate.edu/4h/yqca> to the "YQCA Youth Login" link and signing in with your 4HOnline account. The cost to certify is \$12 and is good for one year. Contact the Extension Office if you have any questions about this. Included with this newsletter is a step-by-step instruction sheet to help you so this. **This must be completed by June 1st.**

2020 Livestock Identification Changes/Updates

Go and check out the 4-H 202 for all of your livestock information—it can be found at <https://store.extension.iastate.edu/product/194.pdf>

Beef (State Fair)

- Adding Bred & Owned Breeding Heifer Show
 - Each breed will show, then the bred/owned eligible heifers will follow in that breed
 - Angus
 - Angus (Bred/Owned)
- Heifer's registration papers MUST indicate animal was raised by 4-H member at check-in

Dog

- 2nd Dog Judge's Training – coming in February 2020

Horse – Class Change 2020

- Add Ranch Horse Walk/Trot (Grades 5-8; Grades 9-12)

Meat Goat – New Rule for 2020

- 4-H/FFA No-Fit Shows (State Fair, not Palo Alto County Fair):
 - No use of adhesives, paint, color, oils, other aerosols or powder products allowed
- Same Rule for 2020
 - No clipping or shearing in the barn; goats must come show-ready (same as sheep rule)

Sheep – New Rule for 2020

- No cable halters allowed in any sheep shows (4-H/FFA/Open)
- Pedigree Wether Dam – rule clarification – all breeds accepted. Animals must be registered, with papers presented at check-in. Only purebreds are eligible to show in purebred classes. Any percentage papered animals will show as a commercial ewe. Classification will be based off of registration papers.
- Classifying Speckle-Face/White-Face Lambs
 - 3-person committee to classify lambs at check-in

Swine – Ractopamin/Paylean Issue

- State Fair – substance will be allowed
- Residue issues and liability issues if substance is found, but is "banned" – stays in animal and facilities for considerable time
- County decision on allowing/banning the feed additive

2020 Iowa 4-H Hall of Fame

The Iowa 4-H Youth Development Program and the Iowa 4-H Foundation are sponsoring the 17th annual 4-H Hall of Fame at the Iowa State Fair to recognize volunteers and staff who have exhibited outstanding service to the 4-H program. The 4-H Hall of Fame is an opportunity for counties to have their outstanding volunteers or staff recognized at the state level.

*If you have someone you want to nominate, let Julie know! I would like to have the name no later than May 15th.

IFAA Winner's Circle Scholarships

College-bound Iowa youth active in 4-H and/or FFA livestock projects and current undergraduate students may apply for scholarships available from the Iowa Foundation for Agricultural Advancement (IFAA). Current undergraduate applications postmark deadline, April 1. Incoming freshmen applications

postmark deadline, May 1. Go to <https://ifaa.org/scholarships.php> for more information.

The Uncommon Student Award

The Herbert Hoover Uncommon Student Award is a \$10,000 scholarship program for Iowa high school juniors. The program annually identifies and honors up to 15 Iowa high school juniors who propose and then accomplish a project of their own choosing and design. Grades, test scores, essays and financial need are not evaluated.

Application deadline is March 15th. Go to <http://www.hooverpresidentialfoundation.org/uncommon-student.php> for more information.

4-H Youth in Action Awards

In January, the National 4-H Council introduced a new application season for the 4-H Youth in Action program. **From now until April 27**, youth can share their stories of developing passion, finding purpose, and inspiring others. Youth can [apply online](#) for the 4-H Youth in Action Awards for a chance to earn a \$5,000 scholarship and a trip to Washington, D.C.

Register Teams for AgOvation

There is still time to register a team for AgOvation. In this state-wide program, teens identify an issue in agriculture and then develop and present solutions. Top teams at the final event receive scholarships. For more information and to register visit the [Iowa 4-H AgOvation webpage](#).

Youth Rabbit/Cavy Workshops

At a Rabbit/Cavy Workshop, youth learn about animal care, showmanship, feeding, etc. from speakers and time will also be devoted for adults to learn more about rabbit judging. The first one will be held Sunday, March 22, at the Muscatine Ag Learning Center in Muscatine, Iowa, from 12:30 – 4:00 p.m. The second one will be held Sunday, April 26, at the Jasper County Fairgrounds in Colfax, Iowa, from 12:30 – 4:00 p.m. Find more information about the workshops on the [4-H Rabbit website](#).

4-H Rabbit Judge's Training

There will be a 4-H Rabbit Judges training Saturday, April 4, in Red Oak, Iowa from 10 a.m. – 4 p.m. This is a workshop for anyone interested in judging rabbit shows at fairs. Email [Mike Anderson](#) to **RSVP by Monday, March 30**.

Pop Tabs for Jacy Service Project

The 2019-2020 State 4-H Council wants to carry on Jacy McAlexander's legacy by continuing to collect pop tabs from around the state in his honor. Check out the [Pop Tabs for Jacy flyer](#) to find out more about Jacy's legacy and details of the program. Counties can collect pop tabs and bring them to the Youth Conference check-in on Tuesday, June 30, or choose to drop them off at the state office anytime between now and then. Families can also get them to Aliza Woodford, our State Council Representative, and she will get them to where they need to go.

New Member Pizza Party

The Palo Alto County Extension Office held a New Member Pizza Party for new 4-Hers and their parents on Sunday evening, January 19th at 5:30 PM at the Palo Alto County Extension Office. Seven new

4-Hers and their parents enjoyed pizza, pop, chips, & bars while they learned about the 4-H program and some of the opportunities 4-H has to offer. Towards the end of the meeting County Council members played games with the new members while parents took part in a question/answer session.

New members included Lily Straw, Drake Mehan, Jacob Radebaugh, Julia Swift, Myah Wise, Natalie Cadwell, and Adeline Lowman.

Cookie Sheet Magnetic Memo Board Workshop

A Cookie Sheet Magnetic Memo Board Workshop was held for all 4-H members at the Palo Alto County Extension Office on Thursday evening, January 23rd. Six 4-H members enjoyed an evening of designing a memo board using a cookie sheet, scrapbooking paper, and lots of other small items found lying around the Extension Office. They also made magnets to adhere notes to their cookie sheet. No two cookie sheets looked alike. Most participants said they plan to use this as one of their fair projects.

4-Hers attending the workshop included Jacob Radebaugh, Adeline Lowman, Katie Nelson, Peyton Fay, Drake Mehan, and Jady Joyce.

Northwest Iowa Beef Bonanza

The 2020 Northwest Iowa Beef Bonanza was held on Saturday, February 1st at the Iowa Lakes Community College in Emmetsburg. There were 22 youth and 7 accompanying adults represented from seven counties including Emmet, Kossuth, Palo Alto, Pocahontas, Clay, Buena Vista, and Plymouth. All participants and adults attended four educational sessions throughout the day.

Dr. Dan Berkland from the Sibley Vet Clinic and Stacy Geerdes, an Iowa Lakes Community College professor who teaches Animal Nutrition and Beef Production, taught the session "It's Not Just a Shot in the Dark". Participants learned about reading vaccine/medical labels and withdrawal periods. They also learned about implants and how they impact beef production. Participants even administered implants into a real cow's ear.

Beth Doran, a Beef Specialist for Iowa State University Extension and Outreach, and Sidney Riemenschneider, County Youth Coordinator in Emmet County, taught the session "The Two T's – How to Tag and Tattoo". They explained why cattle identification is needed and demonstrated how to tag and tattoo cattle properly. Participants got to use taggers and tags to properly place a tag in a cutout of a cow's ear.

Youth also attended a session titled "Beef Skill-a-thon – Test Your Knowledge" taught by Amy Powell, a 4-H Livestock Specialist for Iowa State University Extension and Outreach, along with some of help from ISU Animal Science students. Participants "tested their knowledge" on beef cuts of meat, breeds of beef, medication labels, feed samples, and beef equipment and their uses.

Lisa Berkland, 4-H Youth Field Specialist, along with Liza Zeman and Julie Naig, County Youth Coordinators in Pocahontas and Palo Alto counties, led the session "Is It Really Meat?" Participants learned some facts about the differences between ground beef and beef substitutes. Youth actually cooked 85% ground beef and Beyond Beef burgers and compared texture and taste. Participants also compared grams of fats, calories, protein, carbohydrates, sodium, and price of 85% ground beef, Beyond Beef, and the Impossible Burger.

At noon youth enjoyed a delicious beef burger grilled by Palo Alto County Cattlemen members, Bryon Hoffman, Nate Dreyer, and Eugene Ruppert, with chips, baked beans, cookie, and pop provided by Iowa Lakes Community College.

Thank you to the other sponsors who helped provide this learning experience to the local youth: Iowa State

University Extension and Outreach, Iowa Lakes Community College, Palo Alto, Emmet, and Kossuth County's Cattlemen, and Hohensee Farms.

Soenen, Josie Van Wyhe, Lillian Vanderhoff, Myah Wise, Page Witta, and Lily Swift.

Babysitting Clinic Held in Palo Alto County

On Saturday, Feb. 15th, Iowa State University Extension and Outreach in Palo Alto County along with help from the Palo Alto County Hospital offered a Babysitting Clinic for all youth in the county ages 10 and up. A total of 29 youth completed the course. All youth in attendance received a folder of take-home materials and a first aid kit. Sessions included CPR for Adults, Infants, and Toddlers and Basic First Aid – taught by Jesse Radebaugh of Ruthven – Babysitting Basics & Responsibilities, Basic Care, and Safe Play. Participants had fun with the many hands-on activities which included practicing CPR on adult and infant manikins; holding, diapering, and dressing dolls; making bottles of formula and cutting up food in small pieces; and even making slime. A special thanks to the Palo Alto County Hospital for providing an instructor and manikins for the CPR/Basic First Aid session.

Participants who were trained included Myah Burns, Gabby Buscher, Natalie Cadwell, Paige Clabaugh, Laelah Crawmer, Taryn Duus, Rory Elbert, Riley Elbert, Grace Gellerman, Tyler Hansen, Kamryn Hough, Josephine Joyce, Kenna Kajewski, Kaitlyn Kemna, Kinsley Moeller, Olivia Moen, Trevin Montag, Ali Muzik, Scarlett Olson, Jacob Radebaugh, Lauren Rouse, Shelby Schneider, Layna Schupbach, Alana
