Lego Robotics Club (PART's) – The Palo Alto Robo Techs (PART's) 4-H Club is planning to begin the new 4-H year in the month of November. Please let the office know if you are interested in joining this club. Their first meeting will be Saturday, Nov. 23rd from 8:30-11:30 AM. There will be lots of new fun learning with the new Lego EV3 kits!

Palo Alto County Extension would like to introduce our new Program/Office Coordinator, Jamie Neff, who joined our staff on October 21st. Stop in to meet her and help us welcome her to her new position!

2019 Leaders Appreciation & Awards Banquet – Nov. 10th

Plans are underway for the 2018 Leaders Appreciation & Awards Banquet to be held on **Sunday, Nov. 11th, at 5:30 PM** at the VFW in Emmetsburg. Double M Concessions & Catering will be catering the meal. Cost for attending the banquet will be \$9.00 per person with the exception of 4-H adult leaders who will eat for free. All 4-H leaders, members, committee members, and families are invited and encouraged to attend. Help us acknowledge our 4-Hers' accomplishments and show our appreciation to our adult volunteers! Reservations and payment should be made at the Extension office by noon on **Monday, Nov. 4th**. Even if no one in your family is receiving any awards we still encourage you to come and enjoy an evening of fellowship with other 4-H families and celebrate another great year of 4-H!

Beef Weigh-In – Jan. 4th

All 4-H & FFA members must weigh in their market steers, market heifers, feeder pens, and **2nd year bucket calves** for their animals to be eligible to show at county and district fairs. In order to show at the Iowa State Fair calves must also go through a state verification process (have retinal images taken).

Weigh-in will be held on **Saturday, January 4th from 1:00 to 3:00 PM**. Calves being shown only at the county or district fairs will just need to be weighed. Those calves are to be tagged at home prior to the weigh-in. Tags may be purchased at the Palo Alto

County Extension Office at a cost of \$1.50 per tag. Anyone with a scheduling conflict for the 4th will need to contact the Extension office at least one week prior to the 4th so other arrangements can be made.

To be eligible to show at the Iowa State Fair:

Anyone planning to nominate calves for State Fair should contact the Extension Office by Tuesday, Dec. 31st and let us know an exhibitor name and the # of calves to be verified. Time and location for retinal imaging will be determined after we know who is planning to nominate calves for this opportunity.

*If you have any questions regarding the weigh-in process, please contact the Extension Office at 712-852-2865 or call the beef superintendents, Brian Rouse at 712-260-7731 or Pat Vonnahme at 515-351-8983.

NOTE: Any youth who were in 3rd grade or above last year and who brought a bucket/bottle calf to the 2019 fair, we encourage you to bring your calf back to show in the 2nd year bucket calf class at the 2020 fair. Calves should be brought to this weigh-in so weights can be recorded. If anyone has questions about this class, please contact the Extension Office.

IMPORTANT REMINDER: Since everyone will be verifying weigh-in information in 4HOnline, all 4-H beef exhibitors must have an "active" status (be enrolled in 4-H) at the time of weigh-in.

Re-enroll in 4HOnline

On September 3rd 4HOnline opened to take re-enrollments in 4-H or in our Clover Kid program. Remember that re-enrollments are due Dec. 31st. Members can re-enroll online by going to <https://ia.4honline.com>. Just select "I have a profile." (because if you are re-enrolling you are already in the system) and type in your family email and your password that you used this past year. Make sure "family" is selected for the "Role". If you forgot your password you will need to check "I forgot my password." and then click "Send My Password." A new temporary password will be sent to you in your email.

Once you are logged in you will be able to edit any records, complete health forms, and sign the Code of Ethics. Remember to verify your family address, too. Make sure you go through all the screens or your enrollment will show "incomplete" instead of "pending" on the first screen. The only thing you will need to do after you have completed this process is to pay the \$20/4-H member or \$15/Clover Kid enrollment fee. Your record will stay "pending" until I make it "active", which I will do as soon as I have your payment. Remember that fees can also be paid online with a credit card. If there is anyone who feels the

payment is too much of a financial burden, please contact the Extension Office. The 4-H Foundation has set aside funds to help families with this.

If you have any questions or problems, please be sure to call 712-852-2865 or email inaig@iastate.edu and I will walk you through it.

*Blank enrollment forms will still be available at our office for those who don't have internet capabilities or prefer paper.

*We will accept NEW enrollments on paper anytime from now until May 1st. If you know of someone who needs a form, have him/her stop at the office and pick one up or let us know and we will get one in the mail for them.

Enrollment Fees for 2019/20

Enrollment fees for 4-H will stay the same for the 2019-2020 4-H year. MaxYield has agreed to continue to pay \$10 for each 4-H member so we will continue to charge \$20 per member to make our financial commitment to the State 4-H Office. **If there is a family with multiple youth who feel this is too much of a financial burden, please don't hesitate to come talk to us. We will do our best not to exclude anyone because of financial reasons.**

*** Don't forget to thank MaxYield for their contribution the next time you do business with them!**

Search for 4-H Leaders

4-H club leaders are a precious commodity for maintaining a strong 4-H program in the county. We are always looking for new leaders to start a new club, take over a current club, or just to assist current club leaders as experienced leaders move on to other opportunities and adventures. The experience of being a 4-H leader can be very rewarding and we encourage parents, relatives, and friends of 4-Hers to get involved and consider this opportunity to help keep our 4-H program alive and vibrant. We really hate to see clubs fold due to lack of leadership. Many surrounding counties are even experimenting with adding some new specialized clubs, such as photography, Lego, skateboarding, food & nutrition (cooking), horticulture (gardening), woodworking, welding, sewing, and fitness, just to name a few. If you or someone you know is interested in being a leader of a traditional club or a new specialty club, please contact the Extension Office and let us know. We are always open to new ideas for clubs but sometimes just need someone to step up and take leadership for them.

4-H Recruitment

It is not too late to invite your friends to join 4-H or visit your next 4-H club meeting. 4-Hers are encouraged to recruit new member for their club. The best way to get new members to join is by your enthusiasm and encouragement. Consider asking a friend to join. They may join any time during the year, but must enroll before May 1st to exhibit at the fair.

Remember: Being a 4-Her is not just a title that gives you the right to exhibit at the county fair. It means being an active member of an organization where learning, helping others, and building life skills is most important. Are you getting the most out of your 4-H experience???

Clarification on 4-H Club Eligibility

Our current enrollment guidelines (4H-14) state, "The target audience for club membership is 4th through 12th grade youth." Age only comes into play with home-schooled youth. Youth in K-3 are eligible for the Clover Kid program.

Pedal With Pete Bike Ride For Cerebral Palsy

For the past twenty-one years the Palo Alto County 4-H County Council has been sponsoring a bike ride to raise money for the Pedal with Pete Foundation, a philanthropic organization dedicated to raising money for the prevention and cure of cerebral palsy. On Sunday, September 15th, twenty-two riders dusted off their bikes and pedaled for a cure to raise \$937.00. Riders ranged in age from 9 to 62. A sincere thank you to all the riders who rode the route and to all the individuals/businesses who donated to this cause.

Participants who raised the most money were Mike and Neal Norland, Lex & Claire Kassel, and Aliza Woodford. Winning the youngest rider award was Liza Saxton with the oldest rider award going to Brian Bodenberger. Many fun door prizes were also handed out.

4-H Penny Carnival Held at The Palo Alto County Fairgrounds

The annual 4-H Penny Carnival was held on Sunday, October 6th, from 3:00-4:30 PM in the Exhibits Building on the Palo Alto County Fairgrounds in Emmetsburg. The cool sunny day brought out a nice crowd of 4-Hers, families, and friends to enjoy a variety of carnival-type games with drawings and prizes provided by 4-H clubs throughout the county. The 4-H County Council members provided food for a concession stand. A king and queen of the carnival were crowned from a drawing of all junior (grades 4-6) 4-H members in attendance. Ryan Girres from the

Graettinger Pirates 4-H Club and Audrey Garrelts from the 4-H Shooting Sports 4-H Club were crowned our 2019 4-H King and Queen. The Penny Carnival is a fun event held to kick off National 4-H Week – October 6-12.

This year in connection with the Penny Carnival was a 4-H Club Food Challenge. 4-H clubs were encouraged to collect non-perishable food for the Upper Des Moines food pantry. The food was then weighed and the winning club was awarded a pizza party following the carnival. This year's winning club was the 4-H Shooting Sports who collected 250 pounds of food. 4-H clubs in the county collected a total of 467.5 pounds. Thanks to all families who donated.

4-H Halloween Workshop

A 4-H Halloween Workshop was held at the Palo Alto County Extension Office on Saturday, October 12th. Five 4-H members enjoyed a day of making gross-looking food, including food for their lunch, doing some Halloween-themed science, learning to use oil pastels to do a Halloween art project, and playing a couple of Halloween games. Each participant then got to take home some snack items, their artwork, and a copy of all the recipes/experiments that they did during the workshop. Recipes included Zombie Dirt Cups, Cheesy Brain Dip, Harvest Hash Chex Mix, Mummy Hot Dogs, Spider Web Taco Dip, Pretzel Broomsticks, Apple Pie Mummy Slices, Vampire Drink, and Fanta Jack-O-Lantern Floats. Science experiments included Vanishing Ghosts, Ghost Rockets, and Foaming Jack-O-Lantern.

4-Hers attending the workshop included Isaiah Warnke, Ava Salas, Josephine Joyce, Audrey Garrelts, and Jacob Radebaugh.

*Palo Alto County Extension is always open to ideas for new workshops for youth. Please let us know what your 4-Hers are interested in learning about and/or if you know someone who would make a great

teacher/presenter. Workshops are a great way to offer new opportunities for our youth to learn!

MaxYield Cooperative Contributes Funds towards Palo Alto County 4-H Membership Dues

MaxYield Cooperative recently made a contribution of \$1470 towards the membership dues for all Palo Alto County 4-H members. The check, presented to Julie Naig, county youth coordinator, on September 6th will pay \$10 of the \$30 state dues for 4-H members in the county. This membership not only allows students to showcase and compete with their projects at the Palo Alto County Fair and Iowa State Fair, it also provides them with opportunities to participate in conferences, workshops, and community service.

"We are thrilled to continue our support of local 4-H," said Chad Meyer, MaxYield client relations/communications leader. "We want to make 4-H an affordable youth program for local families, especially families that have multiple children enrolled. Also, by paying a portion of each 4-H member's enrollment fee, we are able to continue our mission of supporting 4-H so that each member benefits."

The cooperative contributes nearly \$13,000 to 4-H in seven Iowa counties annually.

"We believe that 4-H is one of the cornerstones in developing youth and it provides an excellent foundation to build strong families. 4-H also provides a great way for young people to learn more about agriculture," Meyer said.

About MaxYield Cooperative

MaxYield Cooperative is a member-owned, diversified agricultural cooperative founded in 1915 and is headquartered in West Bend, IA. The cooperative has 25 locations and three Cenex convenience stores in Iowa. MaxYield also provides grain origination and accounting services for three

Iowa feed mills. For more information, visit MaxYield online at www.MaxYieldCoop.com and www.FromTheField.com.
