THANK YOU! THANK YOU!

There are countless people to thank when a fair comes to an end such as the Fair Board, fair superintendents, grounds crew, committee members, 4-Hers, FFA members, Clover Kids, leaders, parents, exhibit building hosts, the Kiwanis group, Cattlemen, food stand groups, ring help, community businesses, auction buyers, auctioneers, auction clerks, open class exhibitors, and I am sure I forgot some others. Even as a spectator, you play an important role in the success of a fair. Thank you and keep up the GREAT work! You really do help to “make the best better”!

Fair is not so much about winning as it is about life. Think of all the memories youth and their parents and/or grandparents make through working on fair entries together. Think of all the friendships made in the livestock barns and on the fairgrounds that without 4-H or FFA might not have been made. 4-H offers wonderful opportunities to all who give it a chance and are willing to participate. I hope everyone involved will continue their involvement and generous support as we encourage others to join so we can continue the “fair experience” for the youth in Palo Alto County.

REMEMBER: Please remember to send a thank you to the buyer(s) of your animal(s). If you received a trophy or medallion you should also send a thank you to the donor (address is on the bottom or back of the award). We need to show them what great kids our 4-Hers are and how we appreciate their support.

4-H Clothing Event Results

On Tuesday, July 10th, eleven 4-Hers competed in the county 4-H Clothing Selection/Fashion Revue/$15 Challenge Clothing Event at the Extension Office in Emmetsburg. Participants modeled outfits that they either constructed - Fashion Revue - or purchased - Clothing Selection or $15 Challenge - in front of a judge who then conducted an interview with each participant about the choices that they made in selection, construction, fit, style, color, cost, purpose, and the accessories they chose to complete the outfit. The $15 Challenge is a category that challenges participants to experience other shopping alternatives, such as garage sales, consignment stores, or retail shops such as Goodwill or Salvation Army, and not spend more than $15.00, not including shoes, accessories, or undergarments. Winners were chosen in each category. This year the event was judged by Allie Wirtz of West Bend.

The results are as follows:

2018-2019 4-H County Council

During the Palo Alto County Fair installation of the 2018-2019 4-H Youth County Council took place. New members include Koll Joyce, Matt Berkland, Kayla Welter, Cassidy Welter, Laney Montag, Mackenzie Hoffman, and Rachel Miner. They will join present members Betty Strohman, Thomas Woodford, Lauren Kenyon, Morgan Schmidt, Aliza Woodford, Lex Kassel, Maggie Nelson, Rebecca
Licht, Joe Chapman, Delaney Joyce, and Grace Olesen. I look forward to working with all of them!

Record Book Workshop

A Record Book Workshop was held at the Palo Alto County Extension Office on Tuesday, August 14th from 8:30-4:00. Seven 4-Hers came throughout the day to work on their record books and award applications. They wrote, cut, pasted, and created pages to add to their books. They worked together and gave each other ideas which made the task a little more fun. Most of the participants went home with books finished or almost finished. Those attending were Betty Strohman, Matthew Poepppe, Noah Thorsbakken, Caitlin Thorsbakken, Riley Elbert, Katie Nelson, and Maggie Nelson.

Record Keeping & Applying for Awards

With the fair over and the end of the 4-H year fast approaching it is time to think about updating your record book or record keeping system and applying for those highly deserved awards. We will again be awarding $50 to put towards a pizza party to the club that has the best percentage of its members completing some form of record keeping system. Encourage your fellow club members to help the club enjoy pizza on us!

All 4-H families should have received information in the mail about record keeping. Please read over before you begin. A couple of years ago the Youth Committee met a couple of times and discussed ways to make this process a little simpler but yet a meaningful learning experience. Members now have a little more flexibility to decide what materials are important enough to keep and how to organize them, whether it be in a 3-ring binder, file folder, or on a computer memory stick. We would still like members to complete a Yearly 4-H Summary and the Member Self-evaluation along with project records, as suggested in the “4-H Record Keeping: As Simple as 1, 2, 3!” sheet. Forms are available at our office or on our website at http://www.extension.iastate.edu/paloalto/4h.

For those members who have livestock/animals, those forms were also simplified. They are available at our office or on the above website, keep scrolling down. There is one for all market animals and one for all other animals. These are not required but are an easier way of keeping track of income and expenses than what we have used in the past. Use the market animal worksheet for market beef, market sheep, market meat goats, and market swine. Use the animal worksheet for dairy, breeding animals, poultry, rabbit, dog, horse & pony, and pets.

For members not applying for awards, please turn your record book/system to your club leader by September 15th. We will also accept them here at the office. We do keep track of everyone who turns one in and we want to strongly encourage everyone to complete something. It is part of being a responsible 4-H member. Remember, if you didn’t take any projects to the fair you can still do a record book – just write a paragraph about something you did do in 4-H and what you learned from that activity, event, project, etc.

Also enclosed in the mailing was information on applying for awards. Be sure to read the application form carefully so you know what to do. Remember that record keeping systems and the award form need to be turned into the club leader no later than September 15th. The Youth Committee will meet Thursday evening, Sept. 20th to select the awards so your leader needs this by the deadline so he/she has time to complete his/her part and get everything turned into the Extension Office. You must follow this procedure to be considered for any of the awards.

If you have any questions, please feel free to stop in or call the office at 712/852-2865. You may also email me at jnaig@iastate.edu.

Challenge for next year: Start now for next year and plan on entering your record keeping system as a fair project! That way your “system” will be almost done a month before it is actually due and you’ll get a fair premium, too! Just make sure it is up-to-date at fair time.

Community Service Club Award

Has your club completed a worthwhile community service project this year? If so, your club should apply for a Club Community Service Award. Leaders or a club officer just need to write up a one-page paper telling about their club’s project(s) and submit it
with the record books. The Youth Committee will select the award winners on Sept. 20th.

Alumni/Honorary Awards

Anyone involved in the 4-H program has the opportunity to nominate any adult for the 4-H alumni or honorary member’s award. It is an excellent way to recognize them and show appreciation for their efforts on behalf of 4-H. Many adults in the county have done some tremendous things for 4-H and their community as well as their profession. Nominations can come from an individual or club. If you would like to nominate someone, please call the Extension office by Sept. 20th.

Clarification on 4-H Club Eligibility

Our current enrollment guidelines (4H-14) state, “The target audience for club membership is 4th through 12th grade youth.” Age only comes into play with home-schooled youth. Youth in K-3 are eligible for the Clover Kid program.

Re-enroll in 4HOnline

On September 1st 4HOnline opened to take re-enrollments in 4-H or in our Clover Kid program. Remember that re-enrollments are due Dec. 31st for 4-Hers and Sept. 15th for Clover Kids in Emmetsburg, Graettinger, and Ruthven, and Oct. 15th for Clover Kids in West Bend-Mallard. Members can re-enroll online by going to https://ia.4honline.com. Just select "I have a profile." (because if you are re-enrolling you are already in the system) and type in your family email and your password that you used this past year. Make sure "family" is selected for the "Role". If you forgot your password you will need to check "I forgot my password." and then click "Send My Password." A new temporary password will be sent to you in your email.

Once you are logged in you will be able to edit any records, complete health forms, and sign the Code of Ethics. Remember to verify your family address, too. Make sure you go through all the screens or your enrollment will show "incomplete" instead of "pending" on the first screen. The only thing you will need to do after you have completed this process is to pay the $20/4-H member or $15/Clover Kid enrollment fee. Your record will stay "pending" until I make it "active", which I will do as soon as I have your payment. If there is anyone who feels the payment is too much of a financial burden, please contact the Extension Office.

*AGAIN for 2018-19 – Enrollment fees can be paid online with a credit card.

If you have any questions or problems, please be sure to call 712-852-2865 or email naig@iastate.edu and I will walk you through it.

*Blank enrollment forms will still be available at our office for those who don’t have internet capabilities.

*We will accept NEW enrollments on paper anytime from now until May 1st. If you know of someone who needs a form, have him/her stop at the office and pick one up or let us know and we will get one in the mail for them.

Enrollment Fees for 2018/19

Enrollment fees for 4-H will stay the same for the 2018-2019 4-H year. MaxYield has agreed to continue to pay $10 for each 4-H member so we will continue to charge $20 per member to make our financial commitment to the State 4-H Office. If there is a family with multiple youth who feel this is too much of a financial burden, please don’t hesitate to come talk to us. We will do our best not to exclude anyone because of financial reasons.

* Don’t forget to thank MaxYield for their contribution the next time you do business with them!

Search for 4-H Leaders

4-H club leaders are a precious commodity for maintaining a strong 4-H program in the county. We are always looking for new leaders to start a new club, take over a current club, or just to assist current club leaders as experienced leaders move on to other opportunities and adventures. The experience of being a 4-H leader can be very rewarding and we encourage parents, relatives, and friends of 4-Hers to get involved and consider this opportunity to help keep our 4-H program alive and vibrant. We really hate to see clubs fold due to lack of leadership.

Many surrounding counties are even experimenting with adding some new specialized clubs, such as photography, lego, skateboarding, food & nutrition, horticulture, woodworking, welding, sewing, and fitness, just to name a few. If you or someone you know is interested in being a leader of a traditional club or a new specialty club, please contact the Extension Office and let us know. We are always open to new ideas for clubs but sometimes just need someone to step up and take leadership with them.

Clover Kids for 2018-19

Plans are underway for another year of Clover Kids in Palo Alto County! Clover Kids is open to all youth in grades K-3.
The Ruthven/Ayrshire group will begin on Tuesday, October 2nd. Plans are to hold their meetings on the first or second Tuesday of each month – October through May, in the school lunchroom. These meetings will take place after school, running from 3:30-5:00 PM. Any changes to this will be stated on the postcard reminder enrolled members will receive before each meeting.

Meetings for the Emmetsburg groups will be held the first and second Thursdays of each month with youth being divided into two groups – a K-1 grade group and a 2-3 grade group. The K-1 grade group will meet the 1st Thursday of every month and the 2-3 grade group will meet the second Thursday of every month. Again this year we will be meeting in the downstairs Extension Office meeting room. Participants will need to get on bus #14 which will make a stop at the office. All meetings will take place after school until 5:00 PM. Any changes to this will be stated on the postcard reminder enrolled members will receive before each meeting. Participants at the Catholic School will need to make other arrangements to get to the office since bus #14 does not stop at that school.

The West Bend-Mallard group will also be beginning before winter. More details and registration forms will be coming soon. Watch the weekly Clover Connect for updates on this opportunity for youth in grades K-3.

The Graettinger group will also be beginning soon. More details and registration forms will be coming soon. Watch the weekly Clover Connect for updates on this opportunity for youth in grades K-3.

Registration flyers are or will be available for all programs at the Extension office. Re-enrollments can be done in 4HOnline (https://ia.4honline.com) or on paper forms. Cost is $15 – to be paid to the Palo Alto County Office. Remember that you must re-enroll each year to be a member.

Please contact the office if you have a child interested or know of a child who might be interested in being a part of one of the groups. Pre-registration with a completed medical release is required in advance to attending a meeting.

The meeting will be held at the Palo Alto County Extension Office in Emmetsburg beginning at 6:30 PM. Parents are encouraged to attend with their children. Program objectives include:

- To enhance the physical, cognitive, social and emotional development of youth through safe, educational, and socially acceptable involvement in a shooting related activity.

- To strengthen families through life-long recreational activities.

Disciplines being offered this year will include rifle, shotgun, and archery. The shotgun discipline has an age requirement of 11 years of age. Youth will be asked to pick one discipline and stick with it for one year. For more information contact the Palo Alto County Extension Office at 712-852-2865.

Remember: Being a 4-Her is not just a title that gives you the right to exhibit at the county fair. It means being an active member of an organization where learning, helping others, and building life skills is most important. Are you getting the most out of your 4-H experience???

PEDAL WITH PETE

Bike Ride for Cerebral Palsy

The 4-H Youth County Council is again organizing a bike ride to raise money for research for cerebral palsy. They would like to challenge ALL 4-Hers and their families to collect donations using the brochure included with this newsletter, dust off their bikes, and ride for this worthwhile cause.

The ride will take place Sunday afternoon, September 16, 2018. The ride will begin from the Palo Alto County Fairgrounds at 2:00 PM. Registration will be from 1:30 to 2:00 PM. Participants will be asked to ride on a designated route but will be able to ride as many of the miles as they would like. The complete
route is 11 miles. Support vehicles will be available throughout the route.

All proceeds will go to the Pedal With Pete Foundation.

Refreshments will be served and prizes awarded after the completion of the ride. Come and join in on the fun!!!

Palo Alto County will begin National 4-H Week with our annual Penny Carnival on Sunday, October 7th, from 3:00-4:30 PM at the 4-H Exhibits Building at the fairgrounds in Emmetsburg. Bring your family and friends and have fun in the carnival type activities provided by the county 4-H clubs. The youth county council members will again provide concessions.

Here are some ideas you and your 4-H club can do to help celebrate National 4-H Week:

- Submit articles to your local newspaper or 4-H newsletter on "Why 4-H is important to you". Make it a club project.
- Make posters to put up in your local school and other community places.
- Deliver cookies or fruit to local 4-H supporters as a special "thank you". The Extension office can supply you with a list of supporters.
- Decorate a store window.
- Invite prospective members and parents to a meeting or special "fun" club event.
- Have a social hour after Sunday church services and serve rolls and juice.
- Visit 4th grade classrooms and invite students to join 4-H.

Whatever you can do to promote 4-H in school and throughout the community would help make our 4-H program even stronger. Let them know you're out there!

ATTENTION!!! We would like all 4-H members to proudly wear their 4-H T-shirts to school on Wednesday, October 10th. Join together and make a statement!!! Maybe you'll recruit some new members!

National 4-H Week
