On Friday evening, June 5th, approximately 50 4-Hers and their families enjoyed a beautiful evening of fishing, kayaking, and rocket launching at Salton Park on Silver Lake. The evening also included a light lunch of grilled hot dogs, chips, cookies, and pop. Special thanks to Pocahontas Conservation for supplying the fishing poles and kayaks.

On Wednesday, June 17th, 42 4-Hers in grades 4-6 from Palo Alto, Emmet, Pocahontas, and Calhoun counties attended the 2015 Quad County 4-H Junior Trip to Omaha, NE. Participants went by charter bus and visited the Henry Doorly Zoo, the Union Pacific Railroad Museum, Louis & Clark National Historic Trail Visitor Center, and the Mormon Trail Center. The group also enjoyed a special cupcake from CupCake Omaha.

On Thursday, June 25th, 22 4-Hers attended the Storage Crate Workshop and made storage crate seats. We held a morning and afternoon session. Participants learned how to sand wood and some simple upholstery skills. The project even included some simple sewing. We hope you will see them at the Palo Alto County Fair!
