GENERAL RULES AND REGULATIONS

1. Entries are open to any boy or girl who is a member of a Plymouth County 4-H Club and/or FFA. All 4-H & FFA members will be required to read and sign a “Code of Ethics” form.

2. 4-H members who have completed grades 4 to 12 (or that equivalent) and FFA member who have completed grades 9-12, during the school year prior to the fair, may exhibit at the Plymouth County Fair. 4-H exhibiting eligibility at the 2021 State Fair will include 4-H’ers who have completed 5th through 12th grade (or that equivalent).

3. Members must attend three of their enrolled club business meetings per year. (Community service projects, club parties, camps, workshops, or additional animal practice sessions are not counted as a club meeting unless a club business meeting is also a part of the event.) Members must also participate in at least one club event in the club they are enrolled in during the year. This would include activities such as bowling party, caroling, community service project, club tour, achievement show, or field trip. If a business meeting is conducted with the event it can only count as one, not both a meeting and a club event. Members will not be allowed to transfer clubs within the county after February 28. They must remain in the club they enrolled in (been active in) at the start of the 4-H year following February 28.

4. When young people are members of both 4-H and FFA, they shall plan and manage separate projects, and/or supervised agricultural experience (SAE) programs. Individuals may have the same area of experience in 4-H and FFA/SAE; however individuals shall not identify or nominate, manage, keep records on, or exhibit the same plants or animals, etc. in both organizations.

5. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa. Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class.

6. Texting or use of a cellular device while in the exhibiting area/ring is prohibited.

7. Fair premium money cannot be withheld for disciplinary action against a 4-H member or the 4-H Club.

8. If there is an error on your Premium Check, you are to contact the Extension Office.

9. 4-H and FFA entries in all livestock divisions, 4-H Exhibit Building, and Communications divisions will receive premiums as follows: Blue - $3.00; Red - $2.00; White - $1.00.

10. The Fairboard and the Extension Office are not responsible for damage or loss of exhibits, personal property, or accidents to livestock or individuals.

11. No sleeping overnight at the fairgrounds.

12. Alcohol is prohibited on the Fairgrounds during the fair.

13. The Board reserves the right to rule on questions not covered in this book. Livestock superintendents along with Extension staff reserve the right to make an individual ruling on livestock show procedures.

14. Direct criticism or interference with the judge, fair officials, show coordinators, superintendents, volunteers, staff, or other exhibitors before, during or after the competitive event is prohibited. Parents shall not enter the show ring during the event unless it involves the health and safety of the exhibitor. In furtherance of their official duty, all judges, fair officials, superintendents, volunteers, staff, and show coordinators shall be treated with courtesy, cooperation, and respect. No exhibitor or parent shall direct abusive or threatening conduct toward them. If this rule is broken the parent will be asked to leave the fairgrounds and the exhibitor will be disqualified from the rest of that show. If the confrontation continues, the exhibitor may be disqualified from the fair and asked to leave the fairgrounds and forfeit all premiums. This will be determined by Extension staff, Extension Council and Fairboard.
INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS (IAFE)
NATIONAL CODE OF SHOW RING ETHICS

Adopted by the Plymouth County Fairboard January 8, 2004

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.

2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.

3. I will treat all people and animals with respect. I will provide appropriate care for animals.

4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violative drug residue.

6. If any animal requires medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.

7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.

9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

11. I am responsible for my exhibit and I will not allow others to violate this code disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.

12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use. I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated.

I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in its premium book.
2021 HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK, POULTRY AND BIRDS AT A COUNTY 4H/FFA FAIR EXHIBITION

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESSES OR ANY OTHER CONTAGIOUS OR INFECTIONOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA FAIR, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Swine are required to be inspected either before being unloaded or before leaving a designated isolation and inspection area (prior to mixing with any other pigs). All animals moving from out of state into an Iowa county 4H/FFA fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age coming in from out of state used for rodeos, recreational events, shows and exhibitions.

**SWINE**

All swine must originate from a herd or area not under quarantine and must be individually identified. All swine are required to have individual official identification. All 4-H and FFA tags bearing the US shield are official identification tags.

**Swine originating outside of Iowa.** All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and show individual official identification on test report. Electronic identification will not be considered official identification for exhibition purposes.

**Swine exhibition requirements.** "Swine exhibition" means an exhibit, demonstration, show, or competition involving an event on the state fairgrounds, a county fair, or other exhibition event. The sponsor of the exhibition must retain an Iowa licensed veterinarian to supervise the health of the swine at the exhibition location. The sponsor must electronically file the approved registration form and obtain approval from the state veterinarian at least 30 days before the event. The registration form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; and the date of the planned exhibition. Sales of swine will not be allowed unless the event has been registered and received approval from the state veterinarian 30 days prior to the event.

**Swine exhibition report required.** The sponsor of the swine exhibition shall electronically submit to the department the approved report form within five business days after the conclusion of the exhibition. The form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; the date that the exhibition occurred; the name, address and telephone number of the owner of the swine; and the address and telephone number of the premises from which the swine was moved after the exhibition if such premises is a different premises.
SHEEP AND GOATS

All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678) or another official Scrapie tag. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678), another official Scrapie tag, or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG; 1-866-873-2824). Wethers less than 18 months of age are required to have an individual identification and a scrapie tag may be used, but a scrapie tag is not required.

POULTRY AND BIRDS

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B) Please note: Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.

However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot high solid partition.

DOGS AND CATS

All dogs and cats exhibited must have a current rabies vaccination certificate.

FARM DEER

Accredited veterinarians must be approved to administer tuberculosis tests on Cervidae.

"Cervidae" means all animals belonging to the cervidae family, and “CWD susceptible cervidae” means whitetail deer, blacktail deer, mule deer, red deer, elk and moose. Native Iowa Cervidae may be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection that lists individual official identification.

All Cervidae must have been part of the herd of origin for at least one year or were natural additions, or must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. Cervidae originating from a herd with a diagnosis, signs, epidemiological evidence, or area under quarantine for chronic wasting disease may not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:

“All Cervidae on this certificate have been part of the herd of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year."

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.

Jeff Kaisand, D.V.M., State Veterinarian
Iowa Department of Agriculture and Land Stewardship
1. All livestock must be owned by exhibitor or in partnership with parents or legal guardian and must be a bona fide 4-H or FFA project. Horses and ponies are eligible projects under a satisfactory management (lease) agreement instead of ownership. Breeding classes or purebred animals require a pedigree with registration in the name of the member or show a logical farm name relationship to the member.

2. All livestock I.D.’s must be completed through 4-H online (paper copy for FFA members) by the appropriate deadline. All fair livestock entries must be submitted in Fair Entry by Friday, July 16, 2021.

3. All sheep, swine, beef and poultry projects will be subject to a spot checked following the identification deadline. If any of the 4-H’ers animals are not found during the spot checks a no tolerance policy will be enforced. If you have ten hogs, lambs, beef or poultry identified and only seven are located at your farm, you will not show that species at the 2021 Plymouth County Fair. You will not be given any warnings! All 4-H’ers have signed a code of ethics form that states they will care for their own projects to the best of their ability.

4. If a 4-H’er lives at a different location than their livestock is housed they will need to have that address approved and on file with the Extension and Outreach Office. In this situation, the project needs to be within close proximity for the 4-H’ers to easily care for that animal on a daily basis. For example, if Johnny 4-H’er lives in town and his sheep are kept at his Grandpa’s place six miles out of town on the farm, then Grandpa’s address will need to be on approved and on file. It is not reasonable for the project to be 40 miles away at a friend’s farm. The 4-H’er needs to be the one in charge of that project and the primary care giver of that project as they have signed on in the Code of Ethics. These situations must be pre-approved by the 4-H & Youth Committee. This is done by submitting your housing request to the Extension and Outreach Office prior to the ID deadline.

5. Recommended dress for livestock exhibitors is dark pants or jeans with a white shirt or blouse or traditional Fair T-shirt.

6. All livestock must comply with State Health Regulations.

7. Animals that are excused from the show for health reasons by the fair veterinarian are not eligible to return to the fair for that show. Animals coming into the county from across the state line must provide health papers at entry time. If 4-H or FFA exhibitors remove animals after entry without permission or without fair veterinarian’s approval, the exhibitor will not be eligible to exhibit in that species the following year.

8. Stall and pens will be reserved for the exhibitors in sections for each local club or chapter. Stall assignments will be made in advance and will remain the same until exhibits arrive on grounds Wednesday. Stall assignments will be posted at 1:00 p.m. on Monday. No tack will be unloaded during clean-up time and no stalls set until after assignments are posted at 1:00 p.m.

9. Re-weigh opportunity to meet minimum weight is subject to each department superintendent’s discretion.

10. All animals must be shown by the exhibitor. Exception will be made in case of sickness, in case the exhibitor is showing another animal in the same class or owner is unavoidably absent from the county. Exhibitors must secure permission from the Extension and Outreach Office in order to have another Plymouth County 4-H or FFA member show his or her animals.

*Only youth enrolled in 4-H (completed grades 4-12) or FFA (completed grades 9-12) in Plymouth County may assist in showing an additional animal an exhibitor may have in the same class.
11. No member will be eligible to show who does not take the entire charge and care of the project in the show ring except in the case of illness or for some reason approved by the superintendent.

12. Any unruly animal (livestock or pet) will be sent home if the Superintendent, Fair Board, and Official Fair Veterinarian determine this is necessary.

13. Any artificial means (surgical and non-surgical) of removing or remedying physical defects of conformation in animals exhibited will be considered as fraud and deception. Non-surgical practices would include such practices as lifting or filling under the skin. All animals giving evidence of such treatment, will be barred from exhibition.

14. Each exhibitor is to furnish his own feed, hay, and bedding with the exception of beef and dairy. In that case, no outside bedding may be brought in. All bedding will be provided for beef and dairy cows by the Fairboard. A stalling fee of $10 per animal will be charge to members when entry is made. This fee is non-fundable. All other exhibitors may bring their own bedding, but it needs to be wood shavings or wood chips. No straw is allowed in any livestock barn.

15. Exhibitors must have stalls cleaned and manure placed at the end of the barn by 9:30 a.m. each morning.

16. All pens will be cleaned before the animals are released.

17. All livestock buildings closed to exhibitors from midnight to 5:00 a.m. No one is allowed in the barns during this time.

18. **No 4-H/FFA livestock exhibits will be released until 8:00 a.m. Monday, August 2.**

19. Showmanship classes for rabbit, sheep, meat goat, dairy, beef, swine, poultry, and cat will be divided into junior, intermediate, and senior levels. There will be a top two selected in each level. The junior division will be for exhibitors who have completed grades 4—6. The intermediate division will be for exhibitors who have completed grades 7—9. The senior division will be for exhibitors who have completed grades 10—12. No pre-sign up is required. Exhibitors just need to go to the show ring when showmanship classes are called.

20. Champion ribbons will be presented in those divisions where the judge thinks there is a suitable champion. Red or white ribbon animals are not eligible for Champion or Reserve Champion designation.

21. Livestock ribbon auction will be held on Monday according to the program schedule. The exhibitors must sign up by Saturday at 3:00 p.m. for one rabbit, poultry, meat goat, dairy goat, dairy cow, lamb, beef, or swine.

22. No butt fans or fans in alleyways/aisles will be allowed. All fans must be hung. They must all face the same direction in the new livestock building.

23. No trailer parking outside of the livestock buildings during 4-H/FFA shows. Trailers should remain in the trailer parking lot near Archies with the exception of open shows.

24. All beef, sheep, swine, and goats MAY be subject to chemical testing and analysis of saliva, urine, blood, other excretions or tissues to determine whether a substance or drug has been introduced to interfere with the testing procedure if the Iowa State Extension and Outreach Plymouth County Office deems reason to. Positive tests will result in immediate disqualification of the animal, forfeiture of ribbons, trophies, premiums, and ribbon auction. The testing procedure is on file at the Fair Office and will be reviewed with the exhibitor before the test is performed. A re-test may be done at the exhibitor’s expense. Information on this re-test policy is on file in the Fair Office.

25. Each exhibitor with beef, sheep, swine, and goats will complete and Iowa 4-H Animal Care and Management Disclosure Statement and turn in at check-in at the fair.
HERDSMANSHP

Exhibitors are expected to keep their stall and barn presentable at all times. To encourage this, cash awards are offered to the clubs which keep all their stalls in neatest order throughout the Fair.

A special committee will observe the barns on Wednesday beginning at 6:00 p.m. and Thursday, Friday, Saturday, and Sunday between 10:00 a.m. to 8:00 p.m.

3. Appearance of animals—Animals are clean and free of manure, watered and feed regularly. (5 pts)

Based on daily scores, prizes will be awarded to the top club in each species. The club with the highest overall score in each individual species will be awarded a cash prize of $20 for that species. FFA Members will be required to follow the same guidelines as 4-H members, completing the same entry process, goal sheet, and entry tag. Exhibits entered by FFA members cannot be considered to compete at the Iowa State Fair in the 4-H Building, meaning they cannot receive a grand or reserve champion ribbon.

All exhibitors are responsible to read and comply with the Iowa State Fair 4-H General Exhibit Rules, 4-H General Rules and Regulations, and all 4-H department exhibit class rules and regulations.

4-H Clubs are strongly encouraged to have exhibits evaluated at a local achievement show. Achievement shows will help the 4-H member decide current classes, goals and give an opportunity to experience conference judging before the fair.

1. 4-H’ers who have completed 4th grade through 12th grade (or that equivalent) in 2021 are eligible to exhibit at the Plymouth County Fair. 4-H’ers who have completed 5th grade through 12th grade (or that equivalent) in 2021 are eligible to exhibit at the Iowa State Fair. Exception: Group exhibits from an entire club may include 4th grade members.

2. Eligible exhibits are an outgrowth of work done as a planned part of the 4-H’ers participation in 4-H projects or programs during the current 4-H year. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program. Exhibitors must read and sign a “Code of Ethics” form that is included in the enrollment process.

3. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa. See also “4-H Department General Rules & Regulations”. Exhibits previously entered in a FFAAG Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class.

4. Exhibits that do not comply with the class description, size guidelines, copyright restrictions, safety and approved methods will be disqualified and not put on public display.

5. If the exhibitor chooses a display to illustrate what was learned:
   • Posters may not exceed 24” x 36” in size.

2. Judging is based on fit, color, style, suitability, quality and construction features, stage presentation, required care, and cost comparison.
3. There is no consideration in the judging on the amount spent, only in the process of record keeping and reflection on the cost of the individual items as a part of the process.
4. Outfits may be purchased at a department store, boutique, online store, sidewalk sales, retail shops or mall stores. Outfits may also be purchased at garage sales or other secondhand venues with a total price of over $15. 4. Fifteen dollars is the purchase price limit including tax. However, some secondhand stores and venues do not typically charge sales tax.

A garage sale receipt can be a piece of paper with the name of the location such as “Jane Doe garage sale”, date, amount paid, and signature of person selling at the garage sale. If the outfit was free at a garage sale, “free” can be listed on the report form and on the receipt. Failure to provide receipts will be reflected in the evaluation.
