Meeting: 2nd Monday of the month, 6-8 pm location varies, Des Moines

Grades: 4th-12th

About: We are a fairly new club based primarily on the southside of Des Moines. Our members are currently 4th through 8th graders with a wide range of interests and project areas. We hold meetings each month with an agenda and program, and also do several community service projects each year. We are eagerly learning and growing together. We look forward to getting to know our 4-H'ers and their families, and making some great memories together!

History: We started our club in September 2021 with the desire to bring the 4-H experience to Des Moines' south side, with an open invitation to kids from around the city as well. We have been active with monthly meetings, field trips and tours at local places, and community service projects.
