

## Polk County 4-H Advisory Board: Goals

The goals of the Polk County 4-H Advisory Board are to be used as a manner to fulfill the Board's purpose. If it is found that not all goals are helping to accomplish the purpose, or that more goals may be needed, this document is subject to change. All actions and decision made should be an attempt at achieving a goal.

- To provide guidance and assistance as needed, to Polk County 4-H staff in reaching their goal that all youth in Polk County have access to enriching experiences directly provided from the Polk County Extension office, as well as identify additional local and national experiences
- To utilize Board funds to enhance the 4-H experience of Polk County youth, in a uniform, non-discriminatory manner
- To promote the 4-H program throughout Polk County to increase the number of youth served, as well as help the 4-H program reach parity.
- To assist with Polk County fair duties as requested by Extension Staff and have members of the 4-H Advisory Board present at the entirety of the Fair.
