

Agritourism Destination Safety and Health Best Practices Workshop

Join the Visit Iowa Farms Program and other Iowa State University experts for a **FREE** one-day workshop to learn safety and health best practices for agritourism destinations to keep the public and employees safe when on your farm!

Topics Include:

- Food Safety Best Practices: Food, Farm, and Consumer
- Understanding Legal Risks in Agritourism
- Public Play Area Safety
- Pesticide Safety for Agritourism Destinations
- Protecting Animals and Humans from Biosecurity Risks
- Farm Emergency Preparedness and Planning

Two participants will be randomly selected to receive a \$300 stipend at each workshop to use toward an agritourism related safety improvement.

**See rules at <http://bit.ly/participantstipendrules>.

Workshop will start at 8:15 a.m. and conclude at 4:30 p.m. Workshop is **FREE** and includes lunch, refreshments, and materials. Register by emailing your name, farm name, and telephone number to visitiowafarms@iastate.edu or by phone at 515-294-9483.

This Agritourism Destination Safety and Health Best Practices Workshop was supported, in part, by grant number U54 OH007548 from CDC-NIOSH. Its contents are solely the responsibility of the authors and do not necessarily represent the views of the CDC, NIOSH, or the Great Plains Center for Agricultural Health.

Supported, in part, by  NORTH CENTRAL SARE Sustainable Agriculture Research & Education
