

# What is a TIC Champion?

Individuals within organizations, agencies, businesses and programs who:

- Have comprehensive education/training about trauma-informed care including both knowledge and skills;
- Provide support and influence the integration of trauma-informed care within their organization or area of work; and
- Engage in collaborative dialogue, learning and doing together to create a Healing Quad Cities

# We need Champions...

- At every service level
- At every stage of career
- In every organizational type
- Who have formal leadership
- Who have informal leadership
- Who have diverse experiences and backgrounds
- Who have a passion for understanding trauma and doing something about it!

# What will Champions do?

- 1) Be an active participant in the TIC Consortium meetings
  - 2) Get comprehensive training in TIC
  - 3) Be an active voice for TIC in your organization, using the information and skills you learned
  - 4) Pick a “project” to make your agency, service area, department, or classroom more Trauma Informed. (If you serve residents of Scott County, you can receive professional coaching to help you!)
  - 5) Tell us about your progress so we can measure the collective impact the TIC movement has in our community!
