

# **Raising Credit Smart Kids**

**Grades 1-6**

*Raising Credit Smart Kids* is a curriculum supplement that is meant to reinforce lessons about credit. This supplement contains many games and activities developed for students to better understand the concept of credit, credit-related terms, how it is used, as well as the benefits and consequences of credit. A pre-test and post-test for students are also included in the curriculum supplement.

## **Each game clearly describes:**

Materials needed

Players needed

Directions

Master copies (if applicable)

## **Games include:**

Credit Snap

Credit Memory

Bankruptcy Bob

Debt Free

Banko

Credit Concentration

Bank-Rupt-See

Mall of Credit

***Raising Credit Smart Kids* can be borrowed for one month.**
