Information	Program Description
Kindergarten-6th Grade	Working as a team is an essential skill for students in any group. From the classroom, to sports teams, to after school groups, these skills are necessary for students in order to learn the skills necessary for success in later life. These 22 activities are designed to teach students how to work with their peers to accomplish a group task.
Curriculum Format	Each lesson can be presented in 45-60 minutes. Teaching Guide with complete instructions is provided. Teaching Kit with materials needed to present lessons is provided. User may need to provide standard classroom supplies (pencils, scissors, glue). If a lesson requires perishable items (e.g. milk), user is responsible for these purchases.

This curriculum is an active, hands-on opportunity for students to practice their teamwork skills by working together on group games and problem solving challenges. There are 4-5 activities for each day, for a total of six, 45-60 minutes sessions.

This institution is an equal opportunity provider. For the full non-discrimination statement or accommodation inquiries, go to www.extension.iastate.edu/diversity/ext.
