Kids Making Cents of Money
Grades 3-8

**Description:** Kids Making Cents of Money is a computer-based learning tool that helps kids become financially responsible adults.

**Format:** Students learn to set goals, find a savings buddy and develop their own savings diary to help track how well they are doing. Students can also play "The Money Game" to test their money sense.

**Cost:** Kids Making Cents of Money can be borrowed for one month or purchased for $7.50.
