OBJECTIVES FOR 4-H FAIR EXHIBITS

For youth, to provide:

- a setting that encourages 4-H'ers to further demonstrate, learn, and apply practical and university researched methods of production, management and/or marketing of their 4-H accomplishments.
- continuing life-skill development of 4-H'ers in the areas of self-concept, communication, decision making, learning how to learn, coping with change, citizenship and leadership.
- an opportunity for 4-H'ers to measure their progress and skills against individual goals and accepted standards.
- an opportunity for 4-H'ers to gain personal satisfaction, meet new people, share ideas and learn to work cooperatively with others.

For the public:

- to convey an updated comprehensive image of Iowa's youth and the 4-H program.
- to provide a showcase for accomplishments of 4-H'ers.
- to stimulate interest and learn new ideas from the variety of 4-H projects and experiences available.
- to help potential 4-H families consider getting involved in 4-H.

RULES FOR ALL EXHIBITORS:

Rules and regulations of Iowa State University Scott County Extension and the Scott County Extension Staff will govern eligibility of all 4-H exhibits and exhibitors. Rules and regulations of the Vocational Agriculture Department and the Future Farmers of America will govern the eligibility of the FFA exhibits and exhibitors, except grade requirements.

4-H & FFA both follow a Memorandum of Understanding between the State Department of Education and the State 4-H office.

1. Entries in the classes listed in the 4H/FFA supplement to the Mississippi Valley Fair are open to all Scott County 4-H/FFA members who have just completed 4th through 12th grade.
2. All exhibitors must be enrolled in 4-H/FFA. Exhibits must be the work of the exhibitor and the product of the current year's project.
3. FFA members are allowed to exhibit in classes that are an outgrowth of their FFA educational experience.
All livestock classes, livestock judging and hay judging. All classes included in "Agriculture and Natural Resources" category. All classes included in "Science, Engineering and Technology" category. All photography classes with Ag subject. All Horticulture classes. Any additional classes sponsored by organizations or groups that invite FFA participation (e.g. Pork Producer's Double Crust Apple Pie Contest.)
4. Exhibitors must follow Iowa Youth Code of Ethics available online.
5. There will be NO smoking, alcohol, or drugs allowed in 4-H barns or facilities at the Fair. Any 4-H or FFA member involved in this illegal behavior will lose all premiums.
6. For safety of animals and people no 4-H or FFA member may stay on the fairgrounds overnight.
7. 4-H and FFA members may make entries in corresponding MVF open classes by completing proper open class entry and paying entry fee. These are obtained at the Mississippi Valley Fair office. Non-livestock exhibits may not be the same items as those exhibited in 4-H.
8. All exhibits will be open for public viewing according to the schedule. All exhibits are to remain on display for the time indicated.
9. Every effort will be made to ensure the safety of animals and articles entered for exhibition after their arrival and placement. However, neither the MVF management nor the Extension Office will be responsible for any loss, injury or damage. Members are encouraged to label all pieces of non-livestock projects with name, club, and class number.
10. In the event that a rule infringement is observed, a formal complaint may be filed at the fair 4-H office. This complaint must be in writing and be accompanied by \$50. If the complaint is determined unfounded by the show superintendent and Extension Staff, the \$50 will be forfeited. Those who have filed complaints that have been verified will be refunded their \$50. This cost will increase to \$250 if drug testing is requested. The Extension Staff and the department superintendent will determine further action.
11. If any exhibitor fails to cooperate and follow the rules, the Extension Staff reserves the right to remove his/her exhibit from competition and take any disciplinary action deemed necessary.
12. An exhibit which has been erroneously entered may, at the discretion of the department superintendent, be transferred to its proper class, prior to judging. A judge may also move an exhibit to a more appropriate class if deemed necessary.
13. If a member has exhibits in two divisions with overlapping shows, he/she should contact the superintendent of both divisions to work out substitutions.
14. No overnight parking on grounds prior to fair and all vehicles/ motorhomes must be moved daily during the fair. (Per Mississippi Valley Fairboard)

RIBBON AWARDS AND PREMIUMS:

Entries will be judged in blue, red and white ribbon groups. Blue — meets or exceeds standards; red — does not meet all standards; white — needs improvement. In addition, Champion and Reserve Champion placings may also be awarded. The judge reserves the right to refuse to place exhibits in Champion and Reserve rank if, in the opinion of the judge, the entry is not worthy of such placing. Exhibits must have a blue placing before being chosen for Champion or Reserve Champion. In non-livestock classes there will be a maximum of: one Champion and Reserve Champion in all classes. Dog classes follow different rules.

All awards (including donated trophies) are subject to Extension Staff jurisdiction. Extension Staff will decide any conflict concerning awards.

Premiums will be awarded to the individual exhibitor based on the blue, red and white placings of exhibits. No additional premiums are awarded for champion or reserve champion ratings.

RULES FOR ANIMAL EXHIBITS

Also see rules for all Exhibitors

1. All livestock exhibited must comply with the Iowa Health Requirements of Livestock, Poultry and Birds at a county 4-H/FFA fair. This form is available on-line at www.extension.iastate.edu/scott. An individual Certificate of Veterinary Inspection dated within last 30 days will be required on animals including dogs exhibited at County 4-H/FFA Fair, except sheep, poultry and rabbits. Sheep Certificates of Veterinary Inspection must be dated within 14 days of exhibition. Rabbits do not need certificate but must be inspected when unloaded or shortly thereafter by the appointed fair veterinarian, judge or representative. Poultry does not need health certificates but must be inspected before entering fair show building. Any birds not appearing clean and free of parasites or any other symptoms of poor health will be sent home. Please read important poultry Pollorum Typhoid rules in the poultry section of this book.
 - a. All sexually intact sheep must be identified with an individual Scrapie Flock of Origin identification tag and this number must be listed on the Certificate of Veterinary Inspection.
 - b. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official registered tattoo, and this number must be listed on the Certificate of Veterinary Inspection. The Certificate of Veterinary Inspection must also include a statement certifying the herd's participation in the Scrapie program.
 - c. Check for YQCA rules in your livestock area.
 - d. Any exhibitors with animals found to have unsafe drugs in their system will be disqualified and banned from showing for two years.
2. All animals and birds must be owned by the member or in partnership with a family member. Horses have special ownership rules. Refer to publication 4-H 202—Iowa 4-H Animal and Poultry Identification, Weighing, and Exhibition Requirements for County, State and Interstate Show.
3. All animals except poultry, rabbit, and first year bucket calf must be identified in 4hOnline by May 15th in order to be eligible to show at the county fair.
4. Animal entries for fair classes must be entered online with fair entry on or before July 1.
5. All 4-H exhibitors must wear a Scott County 4-H green t-shirt while showing at the fair. Horse arm bands for sale in the office. The above attire must be worn to be eligible for showmanship. FFA members should wear appropriate FFA attire. Note rabbit, horse, poultry, livestock sale, and dairy divisions for special attire required. Club T-shirts are **not** appropriate show ring attire.
6. No one will be allowed in the show ring except officials and exhibitors during the judging.
7. First and second place winners (must be a blue ribbon) in each individual class are eligible for champion and reserve champion. Judges have the right to not award champion or reserve.
8. Animals entered in purebred classes must be registered. Papers must be available upon request by the superintendent. Any name will be accepted on purebred livestock registration papers as long as evidence can be shown that the 4-H member has logical relationship to the name on the registration paper.
9. **No entry fees will be collected. Stall and pens must be allotted on a per head basis.**
10. All animals to be exhibited in 4-H/FFA classes must be stalled/penned with 4-H and FFA livestock at all times. When entering an animal in open class, members are encouraged to fill out open class forms, indicating that exhibit will also be shown in 4-H/FFA so an open class pen or stall will not be reserved. All exhibitors are expected to groom and care for their own animals. The following individuals are allowed to assist in grooming: family members (parents, grandparents, brothers, sisters, aunts, uncles or cousins). Any 4-H/FFA member may also assist with grooming, this person must be a current member who has completed 4-12 grade.
11. In case of sickness, a need to attend a funeral, or having exhibits in conflicting shows, an exhibitor may select another current exhibitor to show his or her project. This must be done in writing from a parent naming the exhibitor and the substitute exhibitor. This must be presented to the superintendent of the show before show starts. If this is not done the project will not be judged. The substitute is not eligible for showmanship.
12. For the safety of the general public and all exhibitors, no fans will be allowed in or above the aisles in all animal barns.
13. Superintendents, supervisors, livestock volunteers and staff assume no liability for the exhibits or outcome of livestock shows.
14. Once you win showmanship in your age division, you cannot win again in your age division or move up to the next age division until you are at the correct grade level to move up. The dog and horse show have different showmanship rules.
15. All exhibits must remain in place until posted release time in fairbook or released by the fair veterinarian or the superintendent of that department. 4-H staff must be informed. Any violations will result in premiums being forfeited and not being eligible to show the next year in that project.

Mississippi Valley Fair 4-H Supplement—Animal Projects

16. Trailers must be moved to trailer lot after unloading.
17. Animals may not be out of barns from 10pm to 5am each day. Exhibitors may check animals up until midnight but must then be out of barns until 5am.
18. No painting hooves allowed in barns or on concrete, violation of this rule will result in disqualification and exhibitor will pay for any damages in result of paint on concrete.
19. Any inhumane animal practices will result in immediate disqualification.
20. All staff and Livestock Committee decisions are final.

BUCKET CALF (BEEF & DAIRY) For Junior & Intermediate Age Members

SuperintendentsMeghan Bonefas
Erin Vander Heiden

All Bucket Calf exhibitors MUST have a current YQCA certification before July 1.

Purposes:

1. To design a cattle project to fit the physical and maturity level of junior and intermediate 4-H members.
2. To teach proper management skills such as health care, nutritional needs and environmental needs of newborn cattle.
3. To teach basic beef management skills without a large financial investment.
4. To teach basic record keeping and communication skills
5. To provide a better understanding of the cattle industry.

Bottle/Bucket Calf Rules

1. Clubs are encouraged to decorate their area of the barn. Participating clubs will be judged on attractiveness and ability to educate the public about 4-H. Ribbons will be awarded.
2. Project is open to all junior (grades 4-6) and intermediate (grades 7-8) 4-H members.
3. Calves must be in possession of the youth within four (4) weeks of birth. Any newborn or orphan calf (bull, steer, or female) calved between January 1st and June 1st can be part of this project. Calves will be tagged with a 4-H ear tag at the fair. Any number of calves may be utilized for this project, but only one calf (one per dairy, one per beef) may be brought to the fair for exhibition in the Bucket Calf show. **Purebred and/or high grade dairy calves, including high grade dark calves can be entered in Dairy Bucket Calf classes. Any crossbred must have primarily dairy characteristics to show in this class.**
4. Beef Bucket Calves may return next year in the Market Steer/Heifer Bucket Calf 2nd year class (#1206) in the Market Beef division or the Breeding Beef Bucket Calf 2nd Year class (#1005) in the Breeding Beef division. Second year Bucket/Bottle Calves will count toward the maximum number of cattle allowed per exhibitor for market beef and breeding beef. Market animals should also be entered in classes 1400 or 1220 in Market Beef.
5. Dairy Bucket Calves may return next year in the Dairy Bucket Calf 2nd Year Class (#2028).
6. Calves must be bucket or bottle fed. No nursing permitted. No bucket calves with horns will be allowed to be exhibited at the fair.
7. Exhibitor is to follow "rules for Exhibitor" in fairbook.
8. Grooming of calf should include washing and brushing. Show stick and clipping are optional.
9. Beef exhibitors are to wear jeans and a Scott County 4-H green t-shirt. Dairy exhibitors are to wear white pants and Scott County 4-H green t-shirt.
10. All calves will be shown on rope halter.
11. Bedding will be provided.
12. Bucket calves do not need to have ID.

The project will be evaluated on the following:

Written records and photos	175
Oral interview (Parents may listen, may not speak to judge)	225
General health	100
Showmanship (cleanliness of calf, correct attire, Ability to handle animal, and exhibitor's demeanor)	<u>100</u>
Total possible points	600

No trophy will be awarded for a score less than 385

General Rules For Animal Exhibits

- All bucket calves must have a Certificate of Veterinary Inspection (Health Certificate) in order to exhibit at fair. Superintendent will review these at check in.
- Calves must be entered in classes on <https://faireentry.com/Fair/SignIn/13932>

Judging will be based on:

What a member has learned and knowledge of:

1. Care and management of raising the calf;
2. Showing a calf;
3. General health, condition and management of the calf;
4. Accurate and complete records of the project.

To be included in the Bucket Calf Project Journal (folder):

- Answers to Bucket Calf Project sheet questions and a story of information about what they did and learned. (Members are encouraged to keep a journal or diary during the project to keep track of information needed to answer the questions.)
- Completed Cost of Raising Bottle/Bucket Calves record sheet.
- Photos of member and calf at various stages of the project.
- Quality and conformation of the calf will not be considered in the Bucket/Bottle Calf program during the first year. Members need to calculate and understand the Daily Rate of Gain of calves for the fair interview. This will be calculated after weigh-in at fair.

Please remember:

1. Keep records on all Bucket Calves the member owns, not just the calf to be shown at fair.
2. Complete forms as completely as possible.
3. Some items will not be filled in until fair.

Exhibitors must make fair entries by July 1st, however they may select the animals to be shown up to fair arrival day. This also applies to carcass entries.
4. If you plan to show two steers at the fair, please enter the class number twice on your fair entry form.
5. Weight classes will be established so that approximately an equal number of calves will be in each class. Weight classes are determined by superintendent/supervisors after weigh-in at the fair. Divisions for Market Beef Crossbreds will be Light-weight, Medium-weight and Heavy-weight.
6. Animals may not show in both breed and weight classes. Breed steers will be required to have a breeding certificate or registration papers seen before fair weigh-in is over. Exhibitors must enter the appropriate breed steer class on the fair entry form and tell supervisors at fair weigh-in that they will show a breed steer. Breed class must have at least two entries. If a breed class has less than two entries those steers will be placed in an All Other Breeds Class. This rule does not apply to the Market Heifer division.
7. A minimum weight limit of 900 lbs. has been established for market steers or heifers to qualify for championship honors. Animals below this weight will show in separate classes and will not be eligible to sell.
8. In Market Beef – No animals with horns will be allowed to be exhibited at the fair.
9. All market cattle must have a rate of gain of at least 2.4 lbs/day for steers and 2.2 lbs/day for heifers to be eligible for a blue rating or any champion award. **No reweighs at check in scales will be made. After animals leaves the measuring chute, no re-measurements will be made.**
10. **All Champion and Reserve Champion Market animals of each division will be weighted following its class. NO WATER BETWEEN CLASS AND WEIGHING. A weighback system will be implemented. There will be a 5% allowance from the actual fair weight. Any animal outside that allowance will be disqualified. All market beef animals are subject to be selected. The first and second place in each class will automatically be reweighted following the placement of their respective classes.**
11. Immediately after the Market Beef show has completed the Grand Champion and Reserve Grand Champion will report to the scale for a weigh back. **NO WATER BETWEEN CLASS AND WEIGHING.**
12. Only 4-H tags will be allowed in the ear at fair. All other tags will be cut out a weigh-in at the fair. It is preferred that they be removed prior to arrival at the fair.
13. Produce class – a market steer from the member's former 4-H/FFA project:
 - a. Must have been weighed in and identified in December.
 - b. Produce steer will be shown in produce steer class first and then respective breed class.
 - c. Must be from exhibitor herd, dam must be in exhibitor name.
 - d. Must be accompanied by registration papers.
 - e. Do not enter produce steer in Breeding Beef Division.
14. Bedding will be provided.
15. All exhibitors are expected to groom and care for their own animals. The following individuals are allowed to assist in grooming: family members (parents, grandparents, brothers, sisters, aunts, uncles or cousins). Any Iowa 4-H/FFA member may also assist with grooming, this person must be a current member who has completed 4-12 grade.

Following the selection of our champion crossbred market steer, before the selection of our grand champion market beef we will parade the reserve champions of each breed prior to the selection of the grand champion. All reserve breed animals must be present.

The Scott County Fair is participating in a program to reduce the financial burden for dark cutting beef. This program applies to all beef cattle participating in the carcass contest.

Mississippi Valley Fair 4-H Supplement—Animal Projects

1. The dark cutter assessment rate will be \$.50 cwt of the final live weight. For example, a 1,200 lb steer would have \$6.00 deducted from the check for dark cutter assessment.
2. The fee will be assessed on all cattle with the pool of money being divided in early September and adjustment checks mailed to each 4-H'er with a dark cutter carcass.
3. Final dark cutter fund adjustments will be decided by the committee after the number of head, the amount of the discount and if there are any non-management condemnations to evaluate.

Market Beef Showmanship

While showing Market Beef, exhibitors will be judged for the neatest appearance (Scott County 4-H green t-shirt) while in the ring, and the best job of fitting and showing their animal. Some exhibitors will be chosen to come back at the close of the judging to compete for the Market Beef Showmanship award. Exhibitors must show their own animals. Once you win showmanship in your age division, you cannot win again in your age division or move up to the next age division until you are at the correct grade level to move up. Previous winners include:

Registration papers, signed lease or statement from local vet that she/he has treated this animal for this family for more than six (6) months prior to show date are required.
7. Foals, ponies, horses, mini-mules, standard mules, and burros of any breed are acceptable for this project.
8. Exhibitors may nominate five (5) animals on the Livestock ID form; of those, a max. of 2 may be leased. She/he may show no more than three (3) animals at the fair. Animal can be identified by more than one 4-H member (immediate sibling or step-sibling only), but cannot be identified as 4-H under one sibling and FFA under another sibling. Leased animals are eligible. One entry per exhibitor, per grade class is allowed. You must indicate on the entry form if this is a shared project.

Grand Champion Equine Of Halter

ALL equine Champion and Reserve winners compete

SHOWMANSHIP

Showmanship is strongly encouraged but not required. It is judged on the Showman and their ability to maneuver the equine through a precise pattern.

Horse and Pony Showmanship: See guidelines in "A Guide for 4-H Equine Shows in Iowa." Showmanship classes are open to all participants and are split by age/grade division within 4-H. Signup is done in advance along with all other classes. Patterns for the class will be provided by the judge and posted at the judges booth. Exhibitors are requested to be familiar with their required pattern before entering the ring to compete.

POULTRY

Superintendents Dan & Nancy Urmie

Note: Poultry does not need Health Certificates but must be inspected when unloaded or shortly thereafter by the appointed fair veterinarian, judge or representative. Birds indicating symptoms of disease, emaciation, or pendulous crops will be disqualified and sent home.

NEW REGULATIONS

All poultry exhibitors MUST have a current YQCA certification before July 1.

No birds under 30 days as of show day are eligible to show in any class.

We encourage you to bring your own sawdust.

All birds must be worthy of the ribbon.

The following regulations pertain to Poultry and Birds of any species including egg, meat, chickens and turkeys, wild and domestic waterfowl, game birds and exhibition birds of any kind.

All birds must have a Pollorum Typhoid negative test no more than 90 days prior to arrival at fair. This must be done by an authorized tester.

This Pollorum Typhoid test must be done prior to fair. No testing at fair. For a list of testers, call the Extension Office.

Only the exhibitor, Judge or Poultry staff are allowed to handle birds during Judging. NO EXCEPTIONS

1. All poultry exhibitors must wear the Scott County 4-H green t-shirt while showing at the fair. FFA members should wear appropriate FFA attire. Pants of appropriate attire in either blue or black will be worn, with no holes, tears, low riders, cut offs, or shorts allowed. Special consideration may be shown for conflicting attire during shows occurring at the same time or shows requiring special attire.
2. No For Sale Signs May Be Posted On Cages.
3. Entries in market poultry classes will be judged according to the USDA Production and Marketing Standards of Quality for live poultry. The factors will be health, feathering, conformation (breast, back, legs, and thighs) fleshing and fat covering.
4. Entries in the production poultry classes will be judged on the basis of uniformity, maturity, development (handling, qualities, pigmentation, molt) and general conformation to breed characteristics.
5. Each exhibitor is limited to one pen per class in Pullet Growing, Laying Flock and Market Birds. A pen consists of two birds of the same sex. Birds will be weighed at the fair. Overweight and underweight birds will be put into proper classes.

Mississippi Valley Fair 4-H Supplement—Animal Projects

6. All decisions of the judges are final.
7. In the chicken classes, exhibitors may enter only one bird per breed in each class. The number of entries in each class is unlimited as long as each bird is a different breed.
8. In the showbird classes, exhibitors may bring one male and one female bird of each breed in each class. The number of entries in each class is unlimited as long as each bird is a different breed.
9. Only market birds, production and hobbyist showbirds may be de-beaked, de-winged and de-toed.
10. Exhibitors are responsible for providing daily food and water to birds.
11. Only Champion or Reserve Champion market birds are allowed in the livestock sale. NO entries in egg, pullet growing, laying flock, chicken or show bird classes allowed.
12. It is recommended that all birds exhibited be sold after release from the show and not returned to the flock. (Check health requirement.)
13. All birds for Market Bird classes must be hatched during the current year.
14. Best of Show Exhibitor must be present during judging of class.

Terms: Pullet—female chicken hatched after January 1 of current year
Hen—female chicken hatched prior to January 1 of current year

Poultry Showmanship

Everyone will compete for showmanship. Exhibitors must show their own animals. Showmanship criteria includes:

Mississippi Valley Fair 4-H Supplement—Animal Projects

- general conduct of exhibitor
- appearance of exhibitor (Scott County 4-H green t-shirt)
- grooming and presentation of animal
- attitude of exhibitor (helpfulness to judge and others)
- cleanliness of cage/carrier
- knowledge of poultry raising

Once you win showmanship in your age division, you cannot win again in your age division or move up to the next age division until you are at the correct grade level to move up. Previous winners include:

RABBIT

Superintendents Carol Klindt

Please note General Rules for Exhibitors, Rules for Animal Exhibits, Iowa Health Requirements and Show Ring Ethics and Livestock Sale rules.

Note: Rabbits do not need Health Certificates but must be inspected when unloaded or shortly thereafter by the appointed fair veterinarian, judge or representative. Rabbits indicating symptoms of disease will be disqualified.

1. All rabbit exhibitors MUST have a current YQCA certification before July 1.
2. All rabbits (except litters) must have legible, permanent tattoo in left ear before arrival at the fair.
3. Exhibitors are allowed to show 20 rabbits in regular classes of junior and senior bucks, does, and breeding pens. In addition, exhibitors are allowed to show one doe and litter per breed, two meat pens and two single fryers. If two or more animals are entered in a class, please list this class number for as many animals you are bringing.
4. A purebred rabbit is any rabbit that meets the standards of the American Rabbit Breeders Association. A crossbred rabbit is any rabbit that does not meet these standards.
5. "Senior" applies to an animal over 6 months of age on August 1st of current year. 6—8 Bucks and Does are between 6 and 8 months of age. Junior is a rabbit under 6 months of age.
6. Each member must show his/her own rabbits. If a helper is needed, that helper must be a 4-H member. Only exhibitors, superintendents, supervisors, helpers and judges will be allowed in the show area during judging.
7. No hats, show coats or shorts may be worn when showing rabbits. It is required that exhibitors wear Scott County 4-H green T-shirt and long pants to protect from scratches. Belts are also recommended. Long sleeves may be worn under Scott County 4-H T-shirts as desired.
8. 4-H members cooping rabbits will be responsible for supervision of those rabbits after completion of the show, so the public will not harm or move rabbits.
9. Rabbits shown as meat pens and fryers cannot be shown as Jr. Does and Bucks in other breed classes.

SHEEP

Superintendents Nicole Roth

Please note General Rules, Rules for Animal Exhibits, Iowa Health Requirements and Show Ring Ethics and Livestock Sale rules.

New Rule: All Sheep must be tagged and Market Lambs weighted on August 3, 2020 with all ear tags and weights recorded and on file at the Extension Office.

1. All sheep exhibitors MUST have a current YQCA certification before July 1.
2. All entries must be docked.
3. All sheep must be washed and slick shorn prior to show date. Slick shorn is defined as being shorn completely to the hide within five days of the show date. The wool may be left from the rear hocks down and the front knees down plus the wool cap defined as from the ears and poll forward. **It is ok to clip or trim but absolutely no slick sheering on grounds.** Exception of wool breeds.
4. No horns will be allowed with the exception of Purebred Breeding Sheep.
5. An animal may be shown in only one division: Market, Commercial Breeding or Purebred Breeding. Registration papers must be available at the fair for purebreds. Purebreds may not be shown in commercial classes.
6. Exhibitors may show one or two Market pairs and up to four individual Market Lambs. Members must show at least one individual from each pair.
7. Exhibitors may have two entries in every class with the following exceptions: Market Lamb classes up to 4 individual Market Lambs; Commercial Ewe classes, one pair of ewe lambs and one pair of yearling ewes in each division.
8. If a member wishes to have two entries or more in a class, the class number must be entered in the fair entry form each time.
9. All Market and Commercial Breeding Lambs will be weighed at the fair in case classes need to be divided. The class will be split by weight.
10. No striking or lifting the front legs from the ground will be permitted. The judge will be informed of this rule. One warning will be given, after that members will be disqualified from the show.
11. **New Rule: No halters will be allowed on lambs in the show ring.**
12. The following classifications apply:

Mississippi Valley Fair 4-H Supplement—Animal Projects

- Individual Market Lamb—wether or ewe lamb (no rams) born January 1st or after of current year. May be either grade or purebred (Purebreds will show by breeds.)
 - Pair of Market Lambs—two wethers, two ewes or a combination of two as described above.
 - Commercial Breeding Division—crossbred, non-registered.
 - Purebred Breeding & Purebred Market Lamb Division—must be registered in proper registry association with certificates available at check in.
 - Ewe Lamb—born January 1st, or after, of current year, no permanent teeth.
 - Yearling Ewe—born in previous year, showing only the first permanent teeth.
 - Ram Lamb—born January 1st or after of current year, no permanent teeth.
 - Breeding Ewe (only for purebred classes) - ewe 2-4 years old who has lambed
13. All sexually intact sheep of any age meaning yearling ewes, ewe lambs, and rams must comply with the Scrapie Identification rules that went into effect November 19, 2001. Ewes and rams must have an official USDA scrapie ear tag in their ear before they unload at the fairgrounds and this number must be listed on the Certificate of Veterinary Inspection.
14. Market and commercial lambs will be shown in the following categories:
- White Face/Cross
 - Speckled Face/Cross
 - Black Faced

4-H Market Lambs will be divided into divisions by face, ear and leg color: black and all other. Depending upon entry numbers, divisions may also be determined at weigh-in. The speckled face division for both market and breeding lambs must have speckles on TWO of the three areas: face, ears and legs. Color must be at least 1/3 of that area. The face will include the top of the poll down to the nose. Leg wool and wool caps are not considered part of the 1/3 coloring; hair color only is allowed. This judgement will be made at the scale. Within face color category lambs will be divided into weight divisions.

If there are questions about classes, decision will be made by the superintendent for market and commercial sheep.

Market Lamb—classes will be divided at fair based on categories listed in #13.

SWINE

Superintendents Drew Geurink & Nick Bangert

Please note General Rules, Rules for Animal Exhibits, Iowa Health Requirements and Show Ring Ethics and Livestock Sale rules.

1. All swine exhibitors MUST have a current YQCA certification before July 1.
2. Ear-notching for identification is required for all market animals by May 15th. The Iowa State University system must be used.
3. Pigs must be ID'ed online on or before May 15th.
4. Pigs competing in this division may be purebred or crossbred. All pigs must be born on Jan 1 or later.
5. All pigs in the market and gilt division must weigh at least 225 pounds at fair date in order to show for championship and be eligible for carcass.
6. Entry is July 1st for classes to be shown, but members may wait until fair time to choose which animals they will bring, as long as they identified them in 4hOnline by May 15th.
7. Due to packer demands and concerns, it is strongly recommended that pigs are not clipped. Hair should not be shorter than 1/2 inch. **Reminder: NO** clipping on the fairgrounds.
8. This show is non-terminal and hogs will be returned to the farm.
9. A minimum live weight of 225 pounds is required to be eligible for champion or reserve. Except the Purebred Breeding Gilts.
10. If there are 3 or more purebred gilts or purebred barrows of one purebred breed entered, the swine committee will establish a separate class for that breed. This will be determined during the weigh-in process on Thursday evening of the fair.
11. All swine should must have a State Fair tag (available from the 4-H office) and/or A Green 4-H USDA tag (available from 4-H office) prior to the May 15th ID deadline and the tag numbers must be listed on the health papers. No tagging will be allowed on the Fairgrounds. Failure to comply with this rule will result in not being able to show.
12. **All swine will be vet checked on trailer prior to unloading. Vet check will be from 12pm to 3pm on Thursday, August 6, 2020. Must have health papers dated 7 days prior to arrival in hand. No showing off trailer.**
13. **All hogs must be on the fairgrounds by 3 p.m. Thursday afternoon. Check in will begin at approximately 4 p.m.**

LIVESTOCK SALE FOR MARKET ANIMALS

On Sunday morning, August 9th at 10 a.m., there will be a ribbon auction for market animals including beef, beef carcass, swine, meat goat, sheep, poultry and rabbits. Any member who participates in the ribbon sale is only selling the ribbon and not the animal. Members may take their animals in the ring, but will not sell the animal, only the ribbon. If members are planning to show the animal at State Fair, they may not take animals in the ring as anything going to State Fair may not go through a sale ring, regardless of if it is sold or not.

Sale registry will be Tuesday through Saturday 2:30pm at the 4-H Fair office when the office is open.

All 4-H members participating in the Sale must wear a Scott County 4-H green T-shirt. All FFA members should wear appropriate FFA attire. All shirts must be tucked in. Pants will be blue or black jeans with no holes or tears. Cutoffs, shorts or sandals are not allowed.

In the event that a 4-H or FFA member is not dressed according to the guidelines, another 4-H or FFA member will present the ribbon in the sale ring.

The member will pay a \$10 fee per unit sold. The money will not be refunded if the entry is removed from the sale. A portion of this money is used to express public recognition to fair donors and livestock buyers in newspaper advertising. The sale order will be done by computer shuffle. Numbers will be posted that same afternoon. Late registrations will NOT be accepted.

4-H/FFA Participants in the Livestock Auction will receive checks from livestock sales through the mail in the days following the sale.

Members need to provide a specific entry number to sign up for the sale.
