**All Static, Photography, Communications and Fashion entries are due in FairEntry on July 24<sup>th</sup> at 11:59 p.m.**

Publicity Photo: Photograph used for posted results (online, social media) with exhibitor in 4-H/FFA shirt (or plain white shirt) and their exhibit

How to Upload to FairEntry: [PDF](#) or [VIDEO](#)

How to upload your video to YouTube: [PDF](#) or [VIDEO](#)

Try to take your photographs in a well-lit area to avoid shadows and glares. Make sure that the photograph does not cut off part of your exhibit. Avoid distracting backgrounds in your photographs and videos.

**\*\*Photos may also be copied and pasted into your write up. You will not be required to upload the photos individually if you have included the required photos in your write-up document. (Optional: You may also add additional photos to your write-up document).**

Some classes have an optional extra document that can be used to enter your exhibit if it is a report, written music, creative story, etc. This can also be used to upload the digital file of any document you may have put on a poster/educational display.

**Please be sure that the first page of your write-up includes your name, club, leader's name, division, class, and a short description of your entry. A [Static Exhibit Write-Up Template](#) is available.**
