

4-H Exhibit Goal Sheet

Intermediate and Senior 4-H'ers are required, and Junior 4-H'ers are encouraged (required for Iowa State Fair), to have a well-organized, brief, written explanation of each exhibit which answers the three questions below. Written explanation should also include use and understanding of elements of design and art principles where appropriate. Most exhibit classes have specific guidelines and requirements that will be included in the judging process. Members are highly encouraged to go to: <http://www.extension.iastate.edu/4h/page/exhibit-tip-sheets> to find information about judging criteria for exhibits that they create from their 4-H project learning.

1. What did you plan to learn or do? (What was your goal(s)?)

2. What steps did you take to learn or to do this?

3. What were the most important things you learned?
