MAY 15th ANIMAL ID DEADLINE (THIS INCLUDES CLOVER KIDS)

As many of you know, Iowa 4-H extended the May 15th animal ID deadline to June 1st. If you have not yet ID'd your animals, there is still time. After June 1st, there will be no exceptions made for late identification.

FAIR ENTRY (INCLUDES CLOVER KIDS)

On June 1st Fair Entry will open! Entry deadline will be June 15th. The link and help sheet will be sent out on June 1st. We'll also do a ZOOM on Thursday, June 4th at 7PM for anyone that wants to learn more about the Fair Entry process. The Zoom link is: <https://iastate.zoom.us/j/92402785149?pwd=T0lvSVBPMXh6RGU3eGtMU2s1NXcrZz09> You will be required to identify yourself prior to entering the Zoom room. Once the meeting has started, no new guests will be allowed to join. We do this to ensure everyone's safety.

I will go through the Fair Entry process and then open it up for questions. Please join me, if you're able.

IOWA STATE FAIR LIVESTOCK EXHIBITORS

Iowa State Fair Livestock entries are due NO LATER than July 1st. Entry opens June 1st, HOWEVER, at this time Iowa 4-H livestock specialist Mike Anderson is asking exhibitors to wait to enter livestock until a decision has been made by the Iowa State Fair as to the status of the 2020 fair. Once a decision has been made, all 4-H'ers will receive notification along with the link to enter exhibits.

FAIR BOOKS!

Missing your fair book? Your wait is OVER! An abbreviated version for 4-H and FFA exhibitors is available on our website at: www.extension.iastate.edu/shelby/4h. As with so many other events during this time, we are unsure of the schedule for the 2020 Shelby County Fair. As soon as it has been decided, we'll let you all know!

GARDENING TO GIVE

Pledge your hands to larger service by growing a garden with Iowa State University Extension and Outreach and Iowa 4-H Youth Development. Weekly challenges and learning information will come to your inbox after registering. 1 in 9 people struggle with hunger every day across the state of Iowa. That is the statistic when there isn't a pandemic, which has more than doubled considering COVID-19. Consider growing a garden for yourself and to share with those in need.
