Superintendents -Tasha Winterfeld [dtwint@mtcnet.net](mailto:dtwint@mtcnet.net); Andrea Wenande [andreawenande@gmail.com](mailto:andreawenande@gmail.com); Emily Van Schepen [erwinther@gmail.com](mailto:erwinther@gmail.com)

Horses will be exhibited at the Sioux County Youth Fair in Sioux Center on Monday morning and Wednesday evening of the fair. **Horses may arrive on Sunday after 12:00 p.m but must be on the grounds by 8:00 a.m. Monday.** Check-in is on the East side of the Horse Barn. The horse you are choosing to be stalled for the week needs to stay Monday night. **(This may be subject to change)**

One show horse (exhibited the current year) per exhibitor will remain on the fairgrounds in the horse barn until Thursday night of the fair and the livestock release time. Exhibitors choosing not to house their horses at the fair will forfeit their right to exhibit at the Sioux County Youth Fair the following year.

1. At the time of show entry one horse will be identified as the horse that will remain on the fairgrounds. Exhibitors showing two horses MAY stall both horses if space allows. The Monday check-in horse does NOT need to be the horse that stays if you have two horses. Ex. You show Horse A on Monday, so that horse is at check-in and stays Monday and Tuesday. You show Horse B on Wednesday, Horse A can go home and Horse B can stay on the fairgrounds. You may also have one horse stay the entire fair and the other just be shown from the trailer.
2. Horse projects may leave the fairgrounds starting Thursday night at 9:00 p.m. and must be off the fairgrounds by 7:00 am on Friday morning. An appointment to have stalls checked by superintendents needs to be set up between 9:00 p.m. and 11:00 p.m. on Thursday or from 7:00 a.m. until 10:00 a.m. on Friday morning.
3. Each exhibitor may enter two horses maximum. Additional horses may be identified by the **May 15** deadline but only two may be entered. Horses not identified cannot be entered or exhibited - no exceptions allowed.
4. Proper identification will be completed in 4HOnline by **May 15**.
5. All classes must be specified in FairEntry at <https://sioux.fairentry.com> by the June 15 deadline to be eligible to show at the Sioux County Youth Fair. **NO LATE ENTRIES PERMITTED.**
6. Official Iowa 4-H Regulations Pertaining to County, State, and Interstate Shows for Horses (4-H 106C)
  - a) Identify a maximum of 5 horses total per 4-H member.
    1. Of those 5, maximum of two may be leased.
    2. No leasing of halter horses (for the Iowa State Fair).
    3. Leased\* horses must have a [completed lease form, 4H 106C](#), uploaded into 4HOnline by June 1.
  - b) Animals can be identified by more than one 4-H member (immediate sibling or step-sibling only) but cannot be identified as 4-H by one sibling and FFA by another sibling and cannot be entered or shown by both exhibitors. One showman per horse for the entire fair.
  - c) 4-H'ers can identify horses in 4-H and FFA as long as they are DIFFERENT horses. Example, horse A and B in 4-H and horse C and D in FFA.
  - d) Iowa State Fair exhibitors will still have to choose to show in either the 4-H horse show OR the FFA horse show, not both; but they could show FFA at county and then 4-H at state fair (with different horses).
  - e) The horse's name, sex, height, age and color markings are all required for identification. Photos need to be uploaded into 4HOnline for identification purposes at the Sioux County Fair. \*4-H animal projects are required to be in the personal possession and regular care of the 4-H member who owns/leases them. Under certain circumstances, animals can be physically housed at a nearby location and within a reasonable distance of the 4-H'ers place of residence, but the 4-H member must take an active role in the daily care of the project animal(s). 4-H county and/or state staff reserve the right to acquire housing location addresses at the beginning of the 4-H project year and make location visits as deemed necessary to ensure involvement of the 4-H member.
  - f) Horses to be exhibited in confirmation (halter) classes must be owned by the 4-H'er or in partnership with a family member.
7. Each exhibitor is responsible for the control of his own animal. Immediate family is allowed to assist the exhibitor with fitting and control. No professional trainers will be allowed to help control or fit the horses at the fair. Only 4- H exhibitors can warm-up or ride 4-H horses before, during and after the 4-H show.

Trainers and parents are not allowed to ride the exhibit horse. Parents and responsible siblings are however, allowed to ground exercise, - NOT RIDE- family member horses during exercise times following the 4-H horse show at the discretion of the superintendents. No coaching is allowed from the rail: exhibitors may be disqualified from classes at the judge's discretion. Riding and hand exercising is only allowed in the arena. Exercise times will be posted in the horse barn on the first day of fair.

8. Superintendents will determine if a horse is unsafe to show.
9. Exhibitors are allowed to enter only one pony or horse per class.
10. Ponies and horses will be divided as follows: Ponies - 14.1 hands and under; Horses - 14.1 hands and over.
11. NO substituting of horses will be allowed during the show. The exhibitor must ride the horse they identified at check-in as their game or pleasure horse for the appropriate class.
12. There will be strict enforcement of the "enter on" and "exit off" policy with no one leaving the show ring following each class until they have dismounted in timed events only. Performance classes may ride in and ride out.\
13. No two-year-old or older stallions will be allowed in any class.
14. Dress for the 4-H/FFA Horse Show: TIMED EVENTS MUST include: **current 4-H shirt, dark blue riding style jeans, belt, boots, and helmet**. PERFORMANCE CLASSES (showmanship, all pleasure classes, horsemanship classes, and trail) require a solid color, plain front button or snap long-sleeved, collared shirt of any color (including white), **dark blue jeans, belt, helmet**. The following is prohibited: personalized logos or embroidery, zippers, sheer or lace fabric, embellishments, or bling of any kind, including, but not limited to, sequins, rhinestones, chains, etc. Shirts must be tucked in.
15. Spurs are permissible. Spurs must be dull and the rowels free moving.
16. Chaps, ball caps, tank tops ARE NOT to be worn.
17. Riders are allowed to wear knee and leg protection at their own discretion. (Timed Events)
18. Grade definitions for all horse division's exhibitors: grade as of September 15 (previous school year) Juniors - 4<sup>th</sup> through 6<sup>th</sup> grades; Intermediates - 7<sup>th</sup> through 9<sup>th</sup> grades Seniors - 10<sup>th</sup> through 12<sup>th</sup> grades

**There will be no limit to the number of classes entered by an exhibitor, with the exception Western Pleasure and Ranch Horse Pleasure or Horsemanship and Ranch Riding, an exhibitor can only show one of these two classes with the same horse.**

A Junior, Intermediate, and Senior High Point Pleasure Horse and a Junior, Intermediate, and Senior High Point Games horse will be recognized for those exhibitors entering with only ONE horse for each type of classes entered. Class Points will be scored as follows: Purple - 5 points, Lavender - 4 points, Blue - 3 points, Red - 2 points and White - 1 point. Ties will be broken by a question/answer session with the judge. If no purple or lavender ribbons are awarded in a class, the maximum number of points awarded to a rider will be 3 points, regardless of placement in the class. **An Overall High Point Exhibitor will be recognized. This is awarded to the exhibitor with the most points of the two days of showing.**

To find descriptions of each class please check the [Iowa Horse 4-H Rules and Regulations](#).

## Official Iowa 4-H Regulations Pertaining to County, State, and Interstate Shows for Sheep (4-H106D) Ownership

1. All animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must be either in the 4-H member's name or show a logical family relationship.
2. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.
3. Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refused a bid or says "No Sale."

## Identification

1. All sheep must be tagged with an official USDA ear tag (retinal images required for Iowa State Fair) by **May 15**.
2. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.
3. All sheep must be in the possession of the 4-H'er by **May 15**.
4. All sheep must be identified on 4-H Online by **May 15**.
5. All sheep must be entered in FairEntry at <https://sioux.fairentry.com> by **June 15 to be eligible to show at the Sioux County Youth Fair. NO LATE ENTRIES PERMITTED.**

## General Sheep Division Rules

1. Every animal will be checked by designated veterinarian before entering the Sheep Barn on day of check-in.
2. No muzzles are allowed.
3. All sheep must be penned in assigned pens.
4. No icing of lambs allowed. Only tap water may be sprayed or applied to the lambs No ice allowed in buckets or blankets.
5. No abusive handling including slapping or excessive modification of lambs will be allowed.
6. No drenching allowed. Some of these products are not labeled for animal use.
7. Health concerns regarding dehydration of lambs should be referred to the fair vet.
8. No coloring agents or paint on any sheep.

## Market Lambs

1. An exhibitor may exhibit a maximum of eight (8) market lambs, in any combination.
2. An exhibitor may exhibit a maximum of two (2) pens of two and/or a maximum of four (4) individual market lambs. Individuals may be taken from a pen of TWO.
3. All market lambs must be weighed on the first Saturday of May at the fairgrounds from 9:00 to 11:30 a.m. Lambs need to be tagged before this date (\$1.50 per tag if purchased at the extension office) or the exhibitor will be charged an additional fee for tags and the application of the tag. Fee for ear tag if purchased at weigh-in will be \$2.00 per tag per lamb, paid at the scale. No tag, no weight, no entry for the Sioux County Youth Fair. A suggested beginning weight would be 55 to 80 pounds. The recommended birthdate for market lambs is after January 1 of the current year.
4. Lambs shown in market classes may not be shown in breeding classes.
5. Market lambs should have been sheared over the entire body with a regular comb. No fleece length required but a #1 pelt is desired for resale.
6. Buck or wether lambs with incomplete castrations or pushups will not be allowed to show.
7. Market sheep will be weighed on Monday of fair week for classes. All lambs will be weighed without blankets or covers.
8. Lambs will be classed the day of check-in at the discretion of the superintendents. If there are speckled or white face lambs, there will be a class for them. Speckled face lambs will require a pronounced amount of speckling with the judgment made by the superintendents as follows:

The speckled face division for both market and breeding lambs must have speckles on two of the three areas: face, ears, and legs. Color must be at least 1/3 of that area. The face will include the top of the poll down to the nose (see picture). Leg wool and wool caps are not considered part of the 1/3 coloring; hair color only is allowed. Judgment will be made at the scale. If a protest of the decision is made, a committee of three will review the decision.

9. Average daily rate of gain (ROG) will be calculated on individual market lambs. The exhibitors of the top ten rate of gain lambs will be announced and recognized at the show (between the individual classes and the pens) as the "Rate of Gain Class."
10. The top two rate of gain lambs will be considered Grand and Reserve Grand Champion of Gain Lambs. "ROG Champions" are placed in the regular sheep classes. They will only be eligible to compete for champion if they win their respective class.

**Sheep exhibitors in violation of any of these rules will be barred from the current or following year's show depending on which is appropriate. Information regarding preparing and showing lambs is available at the extension office.**

#### **Sheep Showmanship**

*Showmanship classes will be **optional** for all sheep exhibitors. It is recommended that sheep being used for showmanship be less than a year old.*

Class 25001	Senior Showmanship
Class 25002	Intermediate Showmanship
Class 25003	Junior Showmanship

#### **Purebred/ Commercial Breeding Sheep**

**Ewe Classes-** *animals born after January 1 of the current year. Animals being shown in purebred classes must have registration papers. Registration papers must be in the 4-Her's name or show a logical family relationship. Only purebred ewes are eligible to show in purebred classes. Any percentage or advantage papered ewes will show as a commercial ewe*

Class 25101	Commercial Ewe- White Face
Class 25102	Commercial Ewe- Black Face
Class 25103	Commercial Ewe- White-breed Influence/ Speckled Face
Class 25104	Purebred Ewe- Southdown
Class 25105	Purebred Ewe- Dorset
Class 25106	Purebred Ewe- Hampshire
Class 25107	Purebred Ewe-Suffolk
Class 25108	Purebred Ewe- All Other Breeds

**Yearling Ewe Classes-** *animals born between September 1 (2 years prior) and December 31 of the previous year (Ex: for 2023 Fair- September 1, 2021 and December 31, 2022)*

Class 25109	Commercial Yearling Ewe- White Face
Class 25110	Commercial Yearling Ewe- Black Face
Class 25111	Commercial Yearling Ewe- Speckle Face
Class 25112	Purebred Yearling Ewe- Southdown
Class 25113	Purebred Yearling Ewe- Hampshire
Class 25114	Purebred Yearling Ewe- Suffolk
Class 25115	Purebred Yearling Ewe- All Other Breeds

**Bottle Lamb Classes-** *Any orphan or newborn lamb, ewe or wether, lambed between January 1 and May 1 of the current project year, and in possession of the showing participant within 2 weeks of birth.*

Class 25201	Bottle Lamb
-------------	-------------

1. Any 4-H exhibitor in Sioux County may enter.
2. Any orphan or newborn lamb, ewe or wether, lambed between January 1 and May 1 of current project year,

and in possession of the showing participant within 2 weeks of birth. **Bottle lambs do NOT need to be at weigh-ins.**

3. **An exhibitor may identify up to three animals but is limited to only one exhibit** at the county fair. It is recommended for the welfare of the lambs that ideally they be raised in groups of 2-3 head. This allows lambs the opportunity to interact with each other in a more natural production environment.
4. A project record is to be kept throughout the project showing the exhibitor feeding, caring for and working with the animal. **The project records will be shown at the participant interviews held during the Sioux County Youth Fair. Records are due at Project check-in and weigh-in on Monday.**
5. All exhibitor must wear a 4-H Club t-Shirt while showing in the ring.
6. All lambs re to be halter broke and shown at halter. All junior exhibitors may have an adult or senior 4-H'er in the show ring with them.
7. The Bottle Lamb class is to be fun for the exhibitor and also a learning experience. The exhibitor will be asked to attempt the following:
  - a. Showmanship
    - i. Will be asked to set the lamb
    - ii. Will be asked to move the lamb about the ring
    - iii. Keep the lamb between themselves and the judge
  - b. Project Book and interview - Record keeping outline provided by the extension office.
    - i. Basic questions on the exhibitor's lamb project
    - ii. How they cared for the lamb.
8. All exhibitors will receive a blue, red or white ribbon for their efforts and participation. No class champions will be named.
9. Lambs will be released at the same time as all other livestock on Thursday.
10. Following the fair, the lamb can be kept by the exhibitor or sold as a market lamb

---

**The same rules required of "Sheep" exhibited at the Sioux County Youth Fair will be required to be followed for exhibitors of bottle/newborn lambs which include:**

---

1. The lambs will be checked by a veterinarian, just like all livestock to be shown at the county fair. All lambs must be free of any contagious or infectious conditions.
2. To be exhibited, all ewes must have official Scrapie Flock ID tags from the state. (1-866-873-2724). Wethers do not need the official Flock ID tag.

#### **Advanced Feeder Lamb Project**

Class 25301 - **Advanced Feeder Lambs** *One pen is made up of three lambs. Limit of one pen per exhibitor.*

1. Each 4-H'er may tag and weigh 3 lambs for an advanced feeder lamb. Tags are available at the extension office. The weigh-in date will be considered the starting point for the project and that weight will be considered the beginning weight. The lambs must be weighed on a certified scale and weight tickets with ear tag numbers must be signed by the scale technician or whoever is running the scale. **Generally, the project will begin on the county market lamb weigh-in date in the spring which is the first Saturday in May.** The date could be earlier but no later.
2. There will be a limit of one pen entered per exhibitor, but this will not affect the number of purebred or other market lamb projects entered. The pen will be kept separate from other livestock for accurate feed records.
3. The beginning value of the project will be based on the purchase price of the lambs for the week the project begins, NOT the purchase price of the lambs.
4. Superintendents will determine points, **points will be awarded in the following areas: records/management, rate of gain, personal interview, and live placement of pen.**
5. The Market Animal Worksheet (for Juniors) will be the input sheet for the project (available online or from the extension office). Feed and treatment records will be recorded for each two-week period of the project. The 4-H'er will record the applicable data and will mail **a copy of the worksheet** to the superintendents once a month. The records will be evaluated by the superintendents and then returned to the member. All inputs are kept on this sheet. This requires prompt mailing of the form. Members should send **a copy of the worksheet by the 2<sup>nd</sup> Wednesday in June** and the final worksheet should be completed after **check-in at the fair. Please have**

**the final worksheet to the Sheep Superintendents by Noon on Monday of the fair.**

6. Grain costs for feed will be based on the local market price for the reporting period.
7. Superintendents will make management checks during the feeding period. One check will be announced and one unannounced. Superintendents will be evaluating cleanliness of water, feed bunk management and the feeding system (how feed is measured and weighed). During the announced visit, the superintendent will visit with the 4-H'er and discuss the project with him/her.
8. **At fair time the pens will be judged on live placement of the pens and personal interviews with the sheep judge. The judge will personally interview with each 4Her, with emphasis on the records and overall knowledge of their project.**

The evaluation of the project will include:

- |                          |                            |           |
|--------------------------|----------------------------|-----------|
| <input type="checkbox"/> | <b>Rate of Gain</b>        | 30 points |
| <input type="checkbox"/> | <b>Live Placement</b>      | 30 points |
| <input type="checkbox"/> | Personal Interview         | 30 points |
| <input type="checkbox"/> | Records/ <b>Management</b> | 30 points |

**Total possible points 120 Points**

**Market Sheep Classes-** *Animals being shown in purebred classes must have registration papers. Registration papers must be in the 4-Her's name or show a logical family relationship. Only purebred animals are eligible to show in purebred classes.*

Class 25302	Market Individual- White Face <i>Maximum of 4 entries per exhibitor</i>
Class 25303	Market Individual- White-breed Influence/ Speckle Face
Class 25304	Market Individual- Black Face
Class 25305	Purebred Market Individual- Southdown
Class 25306	Purebred Market Individual- Dorset
Class 25307	Purebred Market Individual- Hampshire
Class 25308	Purebred Market Individual – Suffolk
Class 25309	Purebred Market Individual- All Other Breeds
Class 25310	Pair of Lambs <i>Maximum of two entries per exhibitor</i>

**Commercial Leased Lamb Classes-** *These animals are eligible for the county fair only,*

Class 25601	<b>Commercial Ewe Leased Lamb</b> <i>animal born after January 1 of the current year</i>
Class 25602	<b>Commercial Yearling Ewe Leased Lamb</b> <i>animal born between September 1, two years prior and December 31 of the previous year [Ex: for 2023 Fair- Sep. 1, 2021 and Dec. 31, 2022]</i>
Class 25501	<b>Exhibitor's Flock Class</b> - <i>Exhibitors will choose one market lamb/one commercial breeding ewe/one yearling ewe lamb from their 4-H flock to exhibit in an Exhibitor Flock Class. The three lambs will be judged on uniformity and conformation. One Exhibitor Flock entry per exhibitor. This class will be a lead class. The three lambs MUST have been exhibited at the current fair to be eligible for this class. No additional lambs may be brought and exhibited for this class only.</i>

## Regulations pertaining to County, State and Interstate Dairy and Dairy Goat Shows (4-H106A) Ownership.

All animals must be owned by the 4-H'er or in partnership with a family member and identified to an individual 4-H'er. When registration papers are involved, the papers must either be in the 4-H'ers name or show a logical family relationship. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.

## Identification

Dairy animals must be identified in 4HOnline by **May 15** by photo, freeze brand, tattoo or state 4-H ear tag. The calfhood vaccination tattoo is not acceptable identification. For animals registered with a respective breed association, use that number as identification and report it on 4HOnline. Also record the animals breed, birthdate and identification as a grade or registered animal.

All Dairy animals must be entered in FairEntry at <https://sioux.fairentry.com> by June 15 to be eligible to show at the Sioux County Youth Fair. **NO LATE ENTERIES ARE PERMITTED.**

## Dairy Cows:

1. Registered or grade dairy animals may be shown.
2. Animals will be exhibited by breeds if numbers merit. (As decided by the superintendent)
3. If there are not enough animals in a Jr. or Sr. class within a breed, superintendents reserve the right to combine.
4. Exhibitors may enter one animal per class. If the superintendents choose to combine classes resulting in an exhibitor having two animals in the same class, both animals may be shown. The second animal will need to be shown by a current Sioux County 4-H'er or FFA member.
5. IF age of the animal is in question, the superintendents reserve the right to mouth any animal to place it in the appropriate class.
6. Showmanship is open to all members exhibiting dairy. Exhibitors will be judged on the appearance of the animal and appearance or merits of the exhibitor.
7. 2<sup>nd</sup> year Dairy Bottle/bucket calves must be designated at fair entry time as either 2<sup>nd</sup> Yr. Dairy BBC or as appropriate age division for dairy and show as same.
8. Families are asked to provide their own watering tanks or water buckets
9. Dairy must be stalled in assigned stalls at all times during the fair.
10. Release of mature LACTATING cows (classes 21134-21145) will be allowed, following the 4-H Dairy Show if the actual temperatures or heat index is above 90°. The fair vet, extension staff, extension council and 4-H committee will make that decision the day of the dairy show and it will be announced in the show ring before the end of the show.
11. Early release of animals (other than those stated in #10) will be allowed ONLY for the animal health concerns and AFTER recommendation from the fair vet and permission from the 4-H committee, superintendents, fair board and extension staff.

# Meat Goat Division Rules

Superintendents: Mike Harman (712) 439-2837 [harmanfarms93@gmail.com](mailto:harmanfarms93@gmail.com)

## Official Iowa 4-H Regulations Pertaining to County, State and Interstate Shows for Meat Goats (4-H106G) Ownership

1. All animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must either be in the 4-H'ers name or show a logical family connection.
2. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for the current 4-H year.
3. Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refuses a bid or says "No Sale".

## Identification

1. All meat goat animals (wethers AND does) MUST have a 4-H tag in place and must have retinal images to be eligible to exhibit at the Iowa State Fair.
2. All animals must be identified in 4-H Online by **May 15** with a maximum of eighteen (18) goats identified per exhibitor.
3. All goats must be entered into FairEntry at <https://sioux.fairentry.com> by June 15 to be eligible to show at the Sioux County Youth Fair. NO LATE ENTRIES PERMITTED.
4. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.
5. All meat goat animals must be in the possession of the 4-H'er by May 15.

## Show Rules

1. Goats must follow identification rules set forth by the Scrapie Program (all sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official registered tattoo and flock number must be listed with the scrapie program.)
2. All goats must be identified by Registration tattoo or 4-H tag. At fair time tattoos must be well healed and match up exactly with the identification on 4-H Online.
3. Registered or Grade goats may be shown. Base date for determining age will be the date of the show.
4. Any exhibitor may exhibit a maximum of eight (8) goats total in the Meat Goat Divisions with no more than two head in any one class, with the maximum of four (4) exhibited in the Market Goat Class.
5. If two animals are shown in the same class, another current 4-H member or FFA member must show the second animal (see General Livestock Rules #14)
6. Information regarding choosing, preparing and showing your goat is available at the extension office.

**Show Order:** Breeding Meat Goats, Market Goats.

## Breeding Meat Goat Rules

1. Junior does are any animal less than 1 year of age with their milk teeth intact.
2. A breeding meat goat cannot be shown in a market goat class
3. \*Best of Pair Breeding Meat Goats will be any two does of the same age. The age of the pair should be within 3 months of each other. All pairs will be shown in their respective divisions (i.e. Junior, Yearling, or Senior), the top pair from each division will compete for Over All Champion and Reserve Champion Pair of Breeding Meat Goats. Pairs will be judged on how uniform they are to each other. Does that are part of the pairs are required to show in their respective breeding meat goat class. A pair must be entered under the exhibitor's name and shown by that exhibitor in the breeding class (i.e. Jane and Sally are sisters and both have a 6-9 month old doe. They would not be allowed to combine these two does to show in the Pairs Class. If Jane had two 6-9 month old does, then she could show in the Pairs Class.) Breeding Pairs may be split into age appropriated classes depending on the number of pairs entered; this will be decided after check-in and left to the discretion of the goat superintendent
4. Breeding meat goats do not have to be disbudded or dehorned; it will be left to the discretion of the exhibitor.

## Official Iowa 4-H Regulations Pertaining to County, State, and Interstate Shows for Swine (4-H106F)

Swine ID Limits: Exhibitors may identify a maximum of 40 head for the Iowa State Fair. See county limits in General Swine Rules #1 below.

### Ownership

1. All the animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must be either in the 4-H'ers name or show a logical family relationship. Animals changing ownership after being identified as a 4-H project are ineligible to be exhibited as 4-H animals for that 4-H years. All swine must be in the possession of the 4-H'er.
2. Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refused a bid or says "No Sale."

### Iowa State Fair Identification

All swine must be tagged with the official state fair DNA 4-H ear tag, **ear notched**, and a DNA sample collected. DNA samples must be submitted to the county Extension office **before noon on May 29**. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

### Deadline

All swine must be identified in 4-H Online by **May 15** to be eligible for the Iowa State Fair and for County Fairs. All swine must be entered in FairEntry at <https://sioux.fairentry.com> by **June 15** to be eligible to show at the Sioux County Fair. **No late entries will be allowed.**

### General Swine Rules

1. Members may enter a maximum of 20 pigs in any combination of pens of three, individuals (breeding or market) and derby pigs for the Sioux County Youth Fair.
  - a. Exhibitors having more than one animal in the same class will be asked to find another current 4-H/FFA member to show one of their animals. No bumping to a heavier weight class will be allowed.
  - b. Exhibitors who bring more than 8 pigs should plan on penning pigs together in the barn.
2. Derby swine must be identified by ear tag number as derby swine on in the ID form at Derby Swine weigh-ins. These animals may be shown as Market Individuals if they are not shown as Derby Swine.
3. Entries may be purebred, crossbred, or grade pigs. Either barrows or gilts fed for market, or breeding gilts, with a recommended farrowing date after January 1 of the current year.
4. All swine must be tagged and identified in 4H Online by **May 15**. All youth must thoroughly complete the ID including: ear notches (if used) tags, sex, color markings, birth date of all swine and photo (optional). (4-H online identification will be used for verification at ANY 4-H show).
5. Exhibitor's list ear tag numbers of each pen and individual on the entry cards provided at the fair at the time of check-in and weigh-in. No switching will be done after the entry cards are checked in and the pigs are weighed.
6. Individuals will be shown in either a barrow or gilt class.
7. Swine Exhibition Report forms will be mailed to all Swine Exhibitors between June 17 and June 28. These forms need to be filled out with the physical address of where the animals were housed before the fair and then the physical address of where the animals are going after they leave the fair grounds. It also needs to include the ear tag **NUMBERS, i.e. the WHOLE 15 digit number- 840248456123125 and DNA1234**). These forms must be turned in at Swine Check-in on **Monday, July 11**. Exhibitors are requested to stay at check-in until an Extension Staff member can check the form.
8. Animals will be weighed in Monday morning of the fair at the Swine Barn. Exhibitors will be required to bring their weight slips to the multipurpose building to check in their animals no later than 1 hour after weigh in ends.
9. Every animal will be required to be checked by the designated veterinarian on the trailer before weighing or checking in.
10. There will be no marketing of hogs from the fairgrounds. All animals must be marketed by the individual.

11. Exhibitors will be required to present registration papers on purebred pigs to show them in a purebred class.

#### Swine Derby Class

1. All Derby entries must be weighed individually between April 2 and April 9 (or as designated by superintendent) at a county designated weigh-in site. Strict bio-security measures will be used for disease control.
2. Each exhibitor may weigh in up to six entries in the Derby contest. Pigs entered in the derby may be identified for the market show.
3. All Derby hogs will be shown as individuals. Gilts and barrows will be shown in the same class. Classes will be split for the derby show based on the beginning fair weight of each entry.
4. The same hogs may not show in the market and derby show. Each individual may exhibit a maximum of two derby hogs. If an exhibitor shows two derby entries, they may also exhibit two individuals in the live show.
5. The Champion Live Derby hog will be determined by the judge based on physical appearance and Daily Rate of Gain.
6. The Overall Derby Champion will be determined by placing the entries on lean gain per day on test. This will be calculated by using the ultrasound information at the fair in comparison to the total pounds gained by the entry. Awards will be given to the top ten places.

#### Carcass Only Swine Contest

1. We will again be allowing a Carcass Only Swine Contest for individuals that want to enter one of their animals for scanning. Derby pigs are not eligible for this class. The first three places will be awarded.
2. Exhibitors wishing to enter this contest must sign up on FairEntry by June 15 **but it is not necessary to specify which animal will be entered at that time**. The individual animal will be entered into the system at Check-in.

# Beef Division Rules

Superintendents- Brad Johnson 712-541-0763, Brent Oolman 712-395-0051, Garret Englin 712-441-5587  
Advanced Cattle Feeder- Eric Ochsendorf 712-348-2582

All Beef Classes (except First Year Feeder Calves and Cow/Calf pairs) must be weighed and in place between **7:00 and 11:00 a.m. on Monday of the fair.**

- Commercial Breeding Heifer projects must be weighed, and will be classed by weight
- Registered Heifers do not have to be weighed but need papers to show in breed classes. If registration papers are not available, they will show in crossbred class.
- All beef exhibitors MUST check in at the scale

Feeder Calf & Cow-Calf exhibits will be shown on **Wednesday, July 13 before the Bottle Bucket calves. Exhibits must be weighed and checked Wednesday morning starting at 7:30 a.m.**

Each exhibitor is eligible to enter and exhibit three feeder-calf projects each year. This means: three feeder-calves; three breeding heifers or market beef in second year feeder-calf classes (must have been exhibited at fair by the SAME INDIVIDUAL as calves the previous year); three market beef and three breeding heifers.

## General Beef Rules

1. Tie outs are available - requests must be made on FairEntry by June 15 - animals are to remain in their respective stalls or designated tie out.
2. All animals must be entered into FairEntry at <https://sioux.fairentry.com> by June 15. **NO LATE ENTRIES ALLOWED.**
3. Superintendents will reserve the right to designate areas for grooming chutes based on traffic flow and safety in the building.
4. Fans are limited on ONE per animal.

## First year Bottle/Bucket Calf

Superintendent:

1. Any 4-H'er is eligible to participate
2. Any newborn or orphan calf (steer or heifer) that was calved between March 1 and **May 15** of the current year may be shown in the first year bottle/bucket calf (BBC) class. First year bottle/bucket calves must be in possession two weeks after birth; tagged (USDA ear tag) and identified on 4-H Online by **May 15.**
3. The exhibitor may identify and show a maximum of 2 animals in the First Year Bottle/Bucket Calf class. They will be shown as Steer Calves or Heifer Calves
4. **The calf cannot be nursing a cow; they must be bottle or bucket fed.**
5. Calves will be shown at halter.
6. Exhibitors will complete the **Bucket Bottle Calf Report** of their exhibit, **due at the extension office the Wednesday before the fair.**
7. Evaluations/Interviews will be scheduled the day for the day of the show. Each exhibitor will meet with the judge for a 5 minute evaluation/interview per animal.
8. Evaluation for the First Year Bottle/Bucket Calf will be based on:
  - a) What the exhibitor has learned about care and raising of calf.
  - b) General health, condition, and management of the calf.
  - c) Exhibitor's knowledge of the project
  - d) Exhibitor's Bucket Bottle Calf Report
  - e) At the Show - Cleanliness and proper showing (halter placement, etc.) of the calf (there will be no clipping).
  - f) Conformation or quality of the calf WILL NOT be considered since purchase should not be on this basis\*.
9. Exhibitors are encouraged to keep the animals for breeding or market classes the following year.
10. Ribbons will be awarded to all 4-H'ers based on the evident care and health of the animal as well as the exhibitors record keeping.
11. Participants in the Bottle/Bucket Calf class will be eligible to go through the Ribbon Premium Auction.
12. Should class breaks be necessary, they will be determined by weight and posted by 8:00 a.m. Wednesday.
13. Bottle/Bucket Calf class will begin around **1:00 p.m. on Wednesday, July 14, following the 4-H/FFA Beef show.**
14. **Calves MUST be vaccinated** at least one (1) month before coming to the fair with IBR, BVD Types 1-2, BRSV and PI3. A booster may be given 3 to 4 weeks later. Other vaccinations that are suggested could include:

Clostridium, Haemophilis, Pasturella, Salmonella and Mycoplasma.

\*Evidence of severe blemishes, deformities, injuries or ill health will result in disqualification and the animals will not be allowed to remain on the fair grounds. Determination will be made by the fair vet, superintendents, and extension staff.

## **Second Year Bottle/Bucket Calf**

### **Guidelines**

1. All Bottle/Bucket Calf projects exhibited the previous year in the First Year Bottle/Bucket Calf class are eligible,
2. All Second Year Bottle/Bucket Calves must be weighed at the market beef weigh-in or before February 1 of the current year, excluding breeding heifers and dairy heifers. No bulls are to be shown as 2<sup>nd</sup> Yr. BBC.
3. Calf must remain in the care of the 4-H'er from the beginning of the project until fair time.
4. The exhibitor may identify up to two Second Year BBC.
5. Calves will be exhibited in their own class at the fair: Second Year Bottle/Bucket Calf beef steers, Second Year Bottle/Bucket Calf beef heifers, Second Year Bottle/Bucket Calf Holstein steers will be incorporated into the beef show; Second Year Bottle/Bucket Calf dairy steers will show in the dairy market steer class. Second Year Bottle/Bucket Calf Dairy BREEDING heifers should be shown in their age-appropriate class in the dairy show. Second Year Bottle/Bucket Calf Dairy MARKET heifers may be a separate class if enough entries to warrant (not both). Dairy Market beef will be awarded class champions at conclusion of dairy steer classes. They will not be in contention for overall Market Champion.
6. Placement will be based on show ring evaluation and exhibitor's record keeping.
7. Ribbon placement will be awarded after each class.
8. Division winners will be eligible to compete for grand champion.
9. Exhibitors of Second Year Bottle/Bucket Calf will show the animal in only one class, either as a Second Year Bottle/Bucket Calf or in the appropriate age class in the Dairy show or corresponding class as market beef or breeding beef.
10. Second Year Bottle/Bucket Calf projects will be eligible for Beef Rate of Gain.

## **Advanced Feeder Cattle Project**

1. A member entering this project shall have only one entry consisting of three to five steers or heifers purchased and weighed between September 30 and **February 1**. Purebred, grade or crossbred cattle may be shown in the class. Pens must be kept separate from other livestock on the farm.
2. Special stall cards will be used having this information: Cost of cattle per 100 pounds; Weight when purchased; Total first cost of cattle; Average daily gain; Total feed costs per calf; Average weight at fair time; Feed costs per 100 pounds of gain to break even.
3. Purchase price of the animals will be determined on the date the project begins (when weigh slips, ID's and record keeping is received by **Eric Ochsendorf, AFC Superintendent, eochsendorf@landolakes.com**. If the actual animal purchase date is different than the beginning project start date - the beginning purchase price will be established and approved by the AFC superintendents as the average market price on that project start date (as of 2012).
4. Members of a family may enter more than one Advanced Feeder Cattle project as a single exhibit, thus paying a single-entry fee, receiving one ribbon but all members get to go through the ribbon auction.
5. Members can have more than 3 animals in your project, but a maximum of 3 animals per project can be housed at the fair.
6. Exhibitors must keep accurate feed records. All commodity type feed stuffs (corn, hay, etc.) will be standardized and priced monthly. The corn price will be the monthly average in price at the Hull Coop. The participants will still report all their prices. Use these [AFC REPORTS](#).
7. Judges will appraise pens at the appointed weigh-in times at Tri-State Livestock for market acceptability and price. Each animal will be weighed and judged individually. Youth will be on hand to record weights, quality and yield grade information. This information will be kept by the youth and used to calculate profitability of the pen.
8. Close outs will be calculated by youth participants on Monday at 4:00 p.m. (allow 1 ½ to 2 hours). All AFC participants are required to be present. Adults will be available to assist in this process.
9. A new marketing option will be available to participants whose pen is ready to market before the fair. These cattle may be sold early. However, carcass data is required for final evaluation of the project.
10. Exhibitors of those pens NOT exhibited at the fair will NOT be allowed to go through the ribbon premium auction unless they have other beef projects at the fair.  
Plaques, ribbon award and premiums will be given based on total points:

30 points for management  
30 points for market acceptability  
30 points for records  
50 points for economy of grain  
60 points for \$ invested per \$ returned  
**Total points available - 200**

11. Project superintendents will make determination of points.
12. Exhibitor will be responsible for marketing and selling their project.

### **Market Beef**

Official Iowa 4-H Regulations pertaining to County, State and Interstate Shows for Market Beef Project (4-H106Bi)

#### **Ownership**

1. All animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must be either in the 4-H'ers name or show a logical family relationship.
2. 4-H'ers need registration papers to be eligible to exhibit in the following 4-H Market Steer Breed divisions of the Iowa State Fair: Angus, Belgian Blue, Brangus, Charolais, Chianina, Limousin, Main-Anjou, Red Angus, Shorthorn, and South Devon. Exhibitors of Simmental market steers must have a performance pedigree. Gelbvieh must have an official breeder affidavit. Herfords must have a steer certificate.
3. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.
4. Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner, or if the owner refused a bid or says "No Sale".

#### **Identification**

1. All market beef animals must be weighed and tagged with the official 4-H ear tag by February 1.
2. For State Fair eligibility market beef animals must have retinal images collected at an approved verification site by January 15. To be eligible to participate in any 4-H market steer breed division at the Iowa State Fair, the sire's name, registration number and the breed must be recorded on the Verification form. The tattoo must be included on the form for Angus, Belgian Blue, Brangus, Charolais, Chianina, Gelbvieh, Herford, Limousin, Main-Anjou, Red Angus, Simmental, Shorthorn and South Devon. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

#### **Deadline**

All market beef animals must be in the possession of the 4-H'er and weighed at state established verification sites by February 1. All animals must be entered into FairEntry at <https://sioux.fairentry.com> by June 15 to be eligible to show at the Sioux County Youth Fair. **NO LATE ENTRIES WILL BE ALLOWED.**

3. Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refused a bid or says "No Sale".

#### **Identification**

1. Tattoos are required for ALL PURBRED and COMMERCIAL breeding beef.
  - Plus one of the following:
    - Registration # (if a purebred/breed) or
    - Calfhood Vaccination Number or
    - Official 4-H Ear Tag
2. For purebred heifers the tattoo must match the tattoo on the registration papers.
3. Feeder calves are required to have ear tags.
4. The animal birthdate must also be listed.
5. Animals identified as a 4-H project cannot also be identified or exhibited as an FFA project.
6. A 4-H'er cannot identify a heifer as both a market heifer and a breeding heifer. Designation must be made

by June 15. All breeding animals must be in the possession of the 4-H'er, identified with an ear tattoo and identified in 4-H Online by **May 15**.

All breeding animals must be entered into FairEntry at <https://sioux.fairentry.com> by June 15 to be eligible to show at the Sioux County Youth Fair. **NO LATE ENTRIES WILL BE ALLOWED.**

1. Members may weigh and identify up to six market beef by February 1 of the current year. Animals must be weighed on county weigh-in date to be eligible for rate of gain. Weigh-ins will take place at the K&D Feedlot (2818 390<sup>th</sup> St. Sioux Center) from 8:00 a.m. to 11:00 a.m. ALL market beef exhibitors are asked to have their animals at THIS weigh in date and location - Iowa State Fair verification will take place at this weigh-in as well. If the 4-H or FFA member cannot be present - they must make other arrangements to have their animals at this weigh-in and sign any waivers required by out-of-county shows.

### **County Weigh Dates**

**2024 Saturday, January 6**

**2025 Saturday, January 4**

**2026 Saturday, January 3**

2. Purebred, grade or crossbred steers or heifers may be shown. All livestock intended for breeding purposes will be barred from the market class. Each calf must show in the class assigned by the superintendent.
3. Superintendents reserve the right to combine breeding classes if there is a minimum of entries in certain breeds.
4. Breeding heifer projects must be identified by **May 15** by tattoo or 4-H ear tag
5. All heifers to be eligible shall be born between **September 1, 2019 and December 31, 2020**
  - a) Purebred breeding will be shown by birthday. Registration papers required.
  - b) Commercial breeding beef will be shown by weight.
5. Not more than three market beef (heifers and/or steers) may be exhibited by one exhibitor. This does not include feeder calf and/or advanced feeder projects
6. Second year feeder calves shown in the second year classes will be shown as one of the following: Market Steers, Market Heifers, Breeding Heifers (Order of showing and further breakdown of classes is at the discretion of the superintendents.)
7. Market calves will be shown in classes divided by weight at fair time only.
8. Market beef exhibitors placing in the top 5 rate of gain (ROG) will be recognized with blue ribbons and with #1 as Champion ROG and #2 as Reserve Champion ROG. These participants will be announced between the Breeding Beef and Market Beef Show. "ROG Champions" are placed in regular beef classes. They will only be eligible to compete for champion if they win their respective class.
9. There will be no ribbon discount for animals not reaching the minimum rate of gain.
10. Showmanship classes will be assigned depending on the number of participants to ensure a proper number of exhibitors in the show ring to allow for the best showing experience.

### **Beef Rate of Gain**

County weigh-in starting weights and final weights on arrival at the show will be used in figuring the rate of gain on entries in this department. Only those animals weighed at the official 4-H weigh-in on the designated scale are eligible for rate of gain competition. The top 5 places will be awarded purple and blue awards. Only animals with a starting weigh registered in the rate of gain contest will be entered. Rate of gain is a part of all market beef projects. Rate of gain information will be available for the judge's use. Final weight will be taken at check in at the fair.

### **First Year Feeder Calf Project**

1. Junior Feeder Calves are recommended to be born after January 1 of the current year and Senior Feeder Calves are recommended to be born between September 1 and December 31 of prior the year. Calves must be identified either by tattoo or ear tagged using tags available at the county extension office. Up to six (6) calves may be identified and listed in 4-H Online by **May 15**. Birthdate must be included in the identification.
2. Each exhibitor is eligible to enter and exhibit any three of the six Junior or Senior feeder calves identified. (This number is a total number of feeder calves, whether only Junior Feeder Calves, only Senior Feeder Calves or a combination of Junior & Senior Feeder Calves. Three feeder calves total.) No bulls will be shown in the

second year classes. Calves (market animals) shown the first year must be weighed in by **February 1** deadline the following year and designated if they will be eligible for second year class only or regular market class only. Breeding heifer exhibitors will indicate this on their identification.

3. First year calf projects will be shown as:
  - Male or Steer Calves
  - Heifer Calves  
(Order of showing and breakdown of classes by weight or age is left to the discretion of the superintendents.)
4. First year feeder calf projects must be weighed from 7:30 a.m. to 9:00 a.m. on Wednesday July 12<sup>th</sup>.
5. All members who exhibit first year calf projects are encouraged to exhibit in the project the following year.

### **Cow/Calf**

1. It is recommended calves be born after January 1 of the current year. Cows must be tattooed or ear tagged and identified on 4-H Online by **May 15**. Birthdate must be included.
2. Calves must be ear tagged with 4-H ear tags or tattoos and identified on 4-H Online by **May 15**. Birthdate must be included.
3. Cows must have been shown previously in the Breeding Heifer classes to be entered in the Cow/Calf class.
4. Classes will be split between first calf heifers and mature cows.
5. Cows and calves must be shown at halter. Project member must lead cow; a current Sioux County 4-H member or FFA member must assist with the calf.
6. Each member may enter up to two cow/calf pairs.
7. Cow/calf entries must be in place by 10:00 a.m. on Saturday before the fair. They will be released immediately after the show.

- Cock (or Rooster): Shall be a male bird hatched prior to January 1 of the current year.
- Pullet: Shall be a female bird hatched after January 1 of the current year.
- Hen: Shall be a female bird hatched prior to January 1 of the current year.
- Broiler: Chickens being raised sole for butcher, 3.5-6lbs. (must be entered in Broiler pen of 3 class)
- Roaster: Chickens being raised solely for butcher 7 lbs. and over (must be entered in Roaster pen of 3 class)
- Egg Contest: 1 dozen eggs matched as closely as possible.
- Individual: Shall consist of 1 chicken, duck, goose, turkey or "other" poultry as listed below, male or female of any age unless otherwise stated.
- Pen of Three, **Broiler or Roasters**: Shall consist of 3 cockerels or 3 pullets as evenly matched as possible. Shown only in the broiler or roaster class.

Sizes: Standard or Bantam. Bantams - Diminutive size in a distinct breed or miniatures of a large (standard) breed, often 1/4<sup>th</sup> - 1/5<sup>th</sup> the size of the standard size bird.

## Poultry Guidelines:

1. All poultry needs to be identified **individually** on 4-H Online by **May 15**.
2. All poultry needs to be entered on FairEntry at <https://sioux.fairentry.com> by June 15. **NO LATE ENTRIES WILL BE ACCEPTED**
3. An exhibitor is limited to entering 20 entries.
4. An individual bird cannot be a part of a multiple pen and must be penned separately.
5. Check-in for Poultry will take place on **Monday, July 10 from 8:00 to 10:00 a.m. at the Poultry barn**. Check-in procedure will include checking class entries and a health check by check-in assistants. **NO** changes will be made to the class list after Saturday check-in. Superintendents will assist with classing entries as needed.
6. Any poultry found to be in ill health shall be disqualified and shall be removed from the premises immediately.
7. All poultry exhibited must come from JS Pullorum-typhoid clean or equivalent flocks or have a negative Pullorum- Typhoid test within 90 days of exhibition. The test must have been performed by an authorized tester. Evidence of an origination from "clean" flock or of a negative test must be presented at check-in
8. All poultry must be washed and groomed before check-in at the fair.
9. Exhibitors are responsible for proper care, watering and feeding of their poultry and cleaning pens until livestock release on Thursday.

## Broiler & Roaster Poultry Project Guidelines

Purpose: To provide an opportunity for young people to experience the fun and challenge of raising poultry strictly for meat production and to gain an understanding of the financial and care aspects through a hands-on project.

### Entries:

Each exhibitor will be allowed to enter up to two pens of three broiler/roasters, for a maximum total of 6 birds (No individual entries). The number of pens entered in this project IS included in the total number of entries allowed to be entered in the fair.

### Obtaining the birds:

- **Families will be responsible for ordering and purchasing their own Broiler & Roaster project birds.**
- **Chicks will be straight-run Cornish-Rock cross and will need to be vaccinated for Marek's Disease.**

### Project details:

- The beginning weight of all birds shall be considered 0 pounds.
- Once home, the contest broilers must be kept separate from other birds owned by the exhibitor unless running free-range.
- All birds must be clean when checked in at the fair.

### Evaluations:

Birds will be judged on the market acceptability and uniformity of the pen. All entries will receive ribbons and champions will be presented.

Poster: All poultry exhibitors are encouraged to enter an educational poster for judging on Friday during the static judging or simply to be on display in the poultry barn (not judged) to help inform the public about our poultry projects.

- Each exhibitor may submit a singer poster 28"x22" which depicts their broiler/roaster project management. Following judging on Monday, posters will be hung in the poultry barn. Entrants are reminded that posters will be judged on content, readability (from a distance - use good sized print and don't cram too much on the poster) and overall appearance.

### **Egg Class Guidelines**

1. Eggs must be produced by a 4-H'er's own flock but does not have to come from a bird that is exhibited at the fair.
2. **In order to exhibit in this division, 4-H/FFA members must have another poultry entry.**
3. A photo of the student with their flock must accompany their entry.
4. Entry cards are to be obtained at the poultry barn upon check-in and must be attached to the entry
5. An entry consists of a carton of one dozen of the same kind of eggs (standard and bantam chicken eggs ONLY). A 4-H'er may enter up to 2 cartons in clean (used is fine) cardboard egg cartons. The 4-H'ers name must be printed on the spine of the carton.
6. Eggs may be all white, all brown or all pastels. If necessary, eggs will be divided into these classes.
7. Due to non-refrigeration at the fair, all entries are deemed inedible and in the interest of consumer safety shall not be returned to the owner and shall be destroyed at the end of the fair.
8. Judging will be done on external qualities.

### **Egg Judging**

External Judging Consists of

- o Cartoning: All domes (broad eds) up
- o Size: Uniform
- o Color: Even, uniform. Plain eggs, no shading. In mottled or speckled eggs these are even and regular
- o Shell texture: Free from lines or bulges, no rough or porous parts, no lime pimples, no lines or cracks
- o Shape: Good dome- dome more curved than bottom but bottom should not be pointed. Length of the egg greater than the width

# Rabbit Division Rules

Superintendent- Stacey Schmidt [sschmidt8285@gmail.com](mailto:sschmidt8285@gmail.com) (605)-310-1200; Brent Hooyer [brent.hooyer@gmail.com](mailto:brent.hooyer@gmail.com)

All general rules and regulations in front of Fair Book apply in this department.

1. Rabbits must be identified in 4-H Online by **May 15. No late entries will be allowed**
2. All rabbits must be entered in FairEntry at <https://sioux.fairentry.com> by June 15. A fee of \$1 per rabbit will be payable online. NO LATE ENTRIES ACCEPTED.
3. Each exhibitor will be assigned cages for his/her rabbits.
4. Check-in for ALL rabbits will take place on **Saturday, July 9 from 9:00 to 10:30 a.m.** at Kaemingk Hall. Rabbits checked in on **Saturday** MUST be cared for properly by the exhibitor until they are released on Thursday. Check-in procedure will include checking class entries and a health check by check-in assistants. NO changes will be made to the class list after **Saturday** check-in. **If you need assistance with rabbit care during the weekend, contact a superintendent.**
5. Animals must be disease free. Any animals found with any disease(s) will not be allowed to remain in or around the Rabbit Building. The sick animal MUST be taken home.
6. Veterinarian checks will be required of all animals, but it is still the responsibility of the showman to ensure the health of their animals. Judges can still disqualify animals that are deemed unhealthy during the show.
7. Rabbits will be shown by breeds if there are a minimum of three exhibitors and a minimum of 5 rabbits per breed. These classes will be listed in the Rabbit Show Program prior to the Rabbit Show on Monday
8. Limitations: Exhibitors are limited to ten (10) rabbit entries
9. Ribbons will be awarded in this department. Each exhibit will be placed in a blue, red or white award group and placed numerically within the class with the number one position receiving a purple ribbon and number two receiving a light purple ribbon.
10. To participate in showmanship classes, 4-H and FFA members must be exhibiting rabbits at the current fair and show their own rabbit in the showmanship class. There is no entry fee for rabbit showmanship. Judging will be done according to the following guidelines:
  - Exhibitor - appearance, attitude, interest
  - Animal - condition, cleanliness, grooming/nails
  - Presentation - posing, knowledge, control of animalThe judge will award Junior, Intermediate and Senior. Champion, Reserve Champion and 3<sup>rd</sup> place showmanship ribbons. The top senior showman will participate in the Super Showmanship contest on Thursday.

1. Meat pens will consist of three rabbits - all the same breed and variety.
2. Rabbits do not have to come from the same litter.
3. Rabbits cannot be born before **May 2, 2023** (10 weeks old or younger) and each rabbit cannot weigh over five pounds.
4. All rabbits must be weighed in the presence of the judge. If any one rabbit in the pen weighs more than the maximum weight, the entire pen is and disqualified.
5. Exhibitors may show two meat pens.

Champion and Reserve Champion Individual Market Rabbit  
Champion and Reserve Champion Pen of 3 Market Rabbits

Standard Bred Rabbits (Commercial - Six Class rule applies)

Examples of six Class rabbits are listed at the end of this section. Six-class rabbits are divided into the following six classes:

- Senior bucks, born on or before **November 11, 2022** (over 8 months old)
- Senior does, born on or before **November 11, 2022** (over 8 months old)
- Intermediate bucks, born after **November 11, 2022 but before January 11, 2023** (6 to 8 months old)
- Intermediate does, born after **November 11, 2022 but before January 11, 2023** (6 to 8 months old)
- Junior bucks born on or after **January 11, 2023 and before June 1, 2023** (under six months old)
- Junior does, born on or after **January 11, 2023 and before June 1, 2023** (under 6 months old)

Ages are based on the rabbit's age on the date of the rabbit show.

1. Entries in these divisions (commercial and fancy) are limited to purebred rabbits of American Rabbit Breeders' association (A.R.B.A.) recognized breeds and varieties.
2. Rabbits will be judged following the current A.R.B.A. standards and rules.
3. Rabbit should be placed in their class based on the age of the rabbit. Use show date as date to determine age for class entry.

Breeds for Commercial Classes include: American, Angora (Giant), Beveren, Californian, Champagne Dargent, Checkered Giant, Chinchilla (American), Chinchilla Giant, Cinnamon, Creme Dargent, Flemish Giant, Hotot, Lop (English) Lop (French) New Zealand, Palomino, Satin, Silver Fox

**Champion and Reserve Champion Commercial Rabbit**

Standard Bred Rabbits (Fancy- Four Class Rule applies)

Examples of four class rabbits are listed at the end of this section. Four-class rabbits are divided into the following four classes:

- Senior bucks, born on or before **January 16, 2023** (six months old and older)
  - Senior does, born on or before **January 16, 2023** (six months old and older);
  - Junior bucks, born on or after **January 17, 2023** and before **June 1, 2023** (under six months);
  - Junior does, born on or after **January 17, 2023** and before **June 1, 2023** (under six months). Ages are based on the rabbit's age on the date of the rabbit show.
1. Entries in these divisions (commercial and fancy) are limited to the purebred rabbits of AR.BA recognized breeds and varieties.
  2. Rabbits will be judged following the current AR.BA standards and rules.
  3. Rabbits should be placed in their class based on the age of the rabbit. Use show date as date to determine age for class entry.

## Pet Division Rules

1. Any member enrolled in a pet project (birds, cats, fish, dogs, gerbils, guinea pigs, hamsters, mice and rats, etc.) may enter. (Dogs and cats should include a copy of their rabies vaccination in their care booklet.)
2. A member can have more than one entry in this class but all pets must be part of their 4-H project work.
3. Included with each pet should be a project booklet, written by the 4-H member, telling of the care and feeding of the pet. (Pet Goal Sheets are available online.)
4. All pets must be identified on 4-H Online by **May 15**
5. All pets must be entered in FairEntry at <https://sioux.fairentry.com> by June 15. **NO LATE ENTRIES ACCEPTED.**

Information you may want to include in your project booklet:

- Your goals and what you did learn
  - Daily care and responsibilities
  - Special care - veterinarian or other
  - Why you chose this pet
  - How your pet fits into your family's lifestyle
  - What you enjoy most about your pet
  - What are the biggest challenges with your pet
  - Would you recommend this pet to others - why and why not
6. Pictures may also be included. In some cases, it will be acceptable to enter only the care booklet, a decision to be made by the 4-H member. Care booklets should be turned into the fair office by **5:00 p.m. Monday** of the fair for evaluation prior to pet judging.
  7. Entries will not remain on the fairgrounds but will be present only for the time of the pet show.
