General county fair rules and regulations

1. Exhibitors must be in the 4th – 12th grade and members of a 4-H or an FFA chapter within the county and subject to all club, county and chapter rules and regulations.
2. All exhibits must be 4-H or FFA projects of the current 4-H year.
3. All livestock projects must be identified in 4-H Online by May 15. FFA Members must have paper identifications to the Extension Office by May 15
4. All livestock exhibits must be entered in Fair Entry online entry program by June 15. All FFA members must have paper entries and payment at the Extension office by the end of business day June 15. All static exhibits, **communications, clothing event and working exhibits must be entered** in Fair Entry online entry program by Thursday, July 6. **Registration opens May 1 at <http://sioux.fairentry.com>.**
5. A 4-H'er or FFA member may exhibit at the fair the one consecutive summer following high school graduation. Exhibitors must have completed the 4th grad to be eligible to exhibit in any competitive show.
6. All care will be exercised to insure safety of exhibits after arrival; however, the show management will not be responsible for any loss or damage that might occur.
7. Decisions regarding interpretation, application or questions regarding failure to follow rules are to be decided by representation from the extension council, extension staff, 4-H Youth committee, appropriate superintendents, fair board and fair vet (if needed).
8. Static and livestock exhibitors must exhibit their own project unless the 4-H Committee approves a substitute showman. Substitute showmen are granted for extreme cases such as serious injury or illness at the time of the show preventing the 4-H'er from attending, involvement in another Sioux County Youth Fair activity with a non-flexible schedule at which their presence is mandatory, family crisis or emergency. Participation in school or school activities, family or church activities, will not be considered. Absentee showman forms may be obtained from the Extension Office. These forms must be filled out completely and approved in advance before showing.
9. **All Static exhibits will remain in place until 3:00 p.m. Sunday. Livestock exhibits may release from 9:00 p.m. – midnight on Saturday but may also release from 3:00 p.m. until 7:00 p.m. All animals must be removed by 7:00 a.m. Monday July 17. All static exhibits must be removed by 7:00 a.m. Monday July 17**

General Livestock Rules

- All 4-H and FFA animals must be in the member's care from the time the animal becomes the project until exhibit time. (Care is defined as feeding, grooming and training.)
- Age of Exhibitors: To be eligible for the Sioux County Youth Fair a 4-H'er must have completed the 4th grade. To be eligible for state or interstate show (including Iowa State Fair and AKSARBEN) a 4-H'er must have completed 5th grad prior to the event. A 4-H'er becomes ineligible to exhibit beyond the county level upon completion of the calendar year of high school graduation. Note: In the event that a 4-H'er has dropped out of high school, the 4-H'er is eligible to exhibit livestock only through the calendar year that his/her class graduated.
- The 4-H/FFA exhibitor must OWN all livestock.** When registration papers are involved, the papers must either be in the 4-H/FFA member's name or show a logical family relationship. "Family" definition" father, step-father, mother, step-mother, legal guardian, siblings or step-siblings, grandparents or step-grandparents. 4-H/FFA members need registration papers to be eligible to exhibit in the breed divisions at the Iowa State Fair. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H/FFA animals for the current 4-H year. (Official Iowa 4-H rules are printed in the general rules for each species. Summary of Livestock Show Requirements can be found at <http://www.extension.iastate.edu/4hfiles/agriculture/2016StateHealthRequirements.pdf>)
- Two part requirements for enter livestock:**
 - All FAIR ENTRIES are to be entered online at FairEntry.com, <http://sioux.fairentry.com>. Entries and payment can be made on this website for 4-H members. FFA members will still need to submit paper entry forms to the Extension and Outreach office. Entries are due on June 15. No entries will be possible after June 15. No entry fee refunds will be made in any division. Exhibits will be paced in classes according to entry classification. No paper entries will be accepted from 4-H members.
 - All LIVESTOCK MUST BE IDENTIFIED by May 15 of the current year. All 4-H animals must be identified in 4-H Online and FFA members must have their animal identification forms on file at the Extension and Outreach Office to be eligible to enter ANY 4-H livestock show, including out of county shows such as: Iowa State Fair, AKSARBEN, Clay County Fair and any other district or state shows. It is the exhibitor's responsibility to check specific identification and entry rules for EACH livestock show.
 - A check will be made of all of the livestock divisions for the purpose of maintaining correct livestock identification.
 - LIVESTOCK NOT CORRESPONDING WITH THE IDENTIFICATION ON THE PROJECT IDENTIFICATION FORM WILL BE REMOVED FROM THE FAIR GROUNDS.
- Exhibitors with livestock that is NOT housed on the exhibitors premise (or home address) are required to complete a Project Location Form on FairEntry due June 15.
 - Random livestock identification checks will be made yearly.
 - Livestock NOT found on the designated site will NOT be eligible to show at the fair.
 - Livestock location changes should be reported to the Extension and Outreach office to avoid penalties.
- The superintendent reserves the right to limit project numbers when stalling space is filled. Superintendents will assign stalls and pens.
- Grooming chutes for livestock will be put in designated areas.
- Exhibitors will bring any feed, hay bedding or equipment needed.
- Exhibitors are responsible for daily care, feeding and watering of their animals until livestock is released.
- No unshielded fans (blades or belts) are allowed on the fairgrounds.
- Responsibility for grooming animals for show is primarily the responsibility of the exhibitor.
 - In keeping with this fact, if assistance is needed it should be aimed at helping the 4-H'er learn new skills and the following will be enforced: clipping, trimming, grooming (excluding washing and blowing) at the fair shall be done only by the exhibitor or a family member of the exhibitor.
 - "Family" definition: father, step-father, mother, step-mother, legal guardian, siblings or step-siblings, grandparents or step-grandparents) or a current Iowa 4-H or FFA member.
 - If a violation is reported Extension and Outreach staff will meet with appropriated superintendents and 4-H Committee members to act on these issues on a case by case basis. Action taken (including

withholding of ribbon premium money and barring from current or next year's show) will be based upon cooperation with the guideline.

12. 4-H'ers' working with an Extension approved and appointed mentor for specific livestock species, for the purpose of learning about a new livestock project, may have reasonable assistance with clipping, grooming and showing before the fair, accept advice during the fair, but not in the show ring, unless it is a pre-approved safety reason.
13. Any artificial means of removing or remedying physical defects or conformation in all species of animals exhibited will be considered fraud and deception. Hair color cannot be altered. Evidence of such treatment will result in the animal being barred from the current show or the exhibitor barred from showing the following year as is appropriate.
14. In the case of species divided into class by weight, and an exhibitor having more than one animal in the same class, the exhibitor may choose to have another current Sioux County 4-H'er or FFA member show the animal for them OR choose to show the heavier of the two animals in the next heavier weight class.
15. Dress code for all 4-H and FFA livestock exhibitors will be the 4-H/FFA T-shirt for the current year, appropriate jeans or pants of any color and appropriate footwear. Sandals, tennis shoes and shorts are discouraged when exhibiting livestock for safety reasons.
16. All 4-H/FFA swine, sheep, beef, dairy, dairy goat, meat goat, rabbit, and poultry exhibitors must be certified through the Food Safety and Quality Assurance (FSQA) program.

2017 Health Requirements for Exhibit of Livestock and Birds at Local 4-H and FFA Exhibitions

1. Any evidence of warts, ringworm, foot rot, pink eye, mites, draining abscesses or any other contagious or infectious condition will eliminate animals from show
2. No individual Certificate of Veterinary Inspection will be required on animals, small animals (rabbits) or poultry exhibited at a County Fair, 4-H and/or FFA Exhibition, but must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Each show must have an official veterinarian.
3. Quarantined animals or animals from quarantined herds cannot be exhibited.
4. Swine exhibitors at local or county fairs that do not require a Certificate of Veterinary Inspection, must sign and present an owner affidavit that the animals being exhibited did not originate from a quarantined herd and to the best of their knowledge, swine dysentery has not been in evidence in their herd for the past 12 months. Affidavits will be turned in to the Extension office by June 15.
5. FSQA certification is required for all food producing livestock exhibitors. Evidence of certification must be submitted to the extension office by June 15.
6. Stage V Counties (at the time of printing in 2012 all swine originating in Iowa and Sioux County are Stage V) do NOT need to show proof of a negative herd test for Pseudo rabies. Swine originating outside of Iowa must submit a Certificate of Veterinary Inspection indicating they are from a pseudorabies free herd.
7. All reproductively intact sheep (ewes, rams) must have an individual Scrapie Flock of Origin identification tag before being shown or sold. All reproductively intact goats (does, bucks) must be identified with an individual Scrapie Flock of Origin identification tag or by an official USDA registered tattoo before being shown or sold. This includes feeder animals, market animals or breeding animals. 4-H'ers who purchase ewe lambs should be sure they are tagged by the original owner and that an Owner's Statement with flock information is provided.
8. All dogs and cats exhibited must have a current rabies vaccination certificate. EVIDENCE OF VACCINATION MUST BE SUBMITTED TO THE EXTENSION OFFICE BY JUNE 15.
9. All poultry (including pigeons) exhibited must come from US Pullorum-Typhoid clean or equivalent flocks, or have a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must be performed by an authorized tester. A distance of 10 or more feet and/or an 8-foot high solid partition must separate "Market classes" of poultry from all other poultry.
10. The official fair veterinarians must approve the use of any drug used during the fair. This includes tranquilizers, medications and more. To get approval, a form (available at the extension office or fair office) must be completed by the exhibitor and signed by the official fair veterinarian. Failure to get approval for administration of any drug will disqualify the animal in question from the respective show and livestock sale. Ribbon Auction money will also be withheld.
11. By entering an animal in this fair, exhibitors give consent to the management of the Sioux County Youth Fair to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal(s) either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent(s) and/or guardian to prove otherwise. If test results are negative or show no

evidence of inappropriate action, expenses will be paid by the Extension Office. If results indicate inappropriate or illegal handling of the animal, all expenses will be paid by the 4-H'er and/or the family or legal guardian.

12. Positive tests, except for residues which are within FDA tolerance levels, will result in immediate disqualification of the animal, forfeiture of ribbons, plaques, premiums and sale prices. Extension staff, fair board, 4-H Committee, appropriate superintendents and the fair vet will make the decision whether or not the exhibitor of that animal and the exhibitor's family may be barred from participation in future Sioux County Youth Fairs. A re-test may be done at the exhibitor's expense. **THE USE OF ILLEGAL DRUGS AND THE PRESENCE OF DRUG RESIDUE ABOVE LEGAL TOLERANCE LEVELS IS PROHIBITED.** Exhibitors may not use food or beverage products that may contain stimulants such as caffeine.

13. Protests – Disciplinary Action.

- a) Participants (going forward participants include any and all participants in any and all events described in this Fair Book) hereby acknowledge that they are voluntarily agreeing to participate in said event.
- b) Participants hereby expressly acknowledge in a knowing and informed manner that the participant has no constitutional or statutory right to participate or compete and that the participant shall abide by and is subject to all rules and procedures applicable to the event entered as stated in this Fair Book.
- c) Participants acknowledge the following as an express condition of their voluntary decision to participate.
- d) The protest procedures and remedies set out in this section of the Fair Book are the exclusive procedures and remedies concerning any protest, discipline or complaint regarding any action of the Sioux County Youth Fair arising in any way from participation.
- e) Participants expressly acknowledge and expressly agree that they will have the burden of going forward and the burden of proof concerning the establishment of the grounds for any protest, discipline or complaint brought under the provisions of this fair book.
- f) Participants shall have 24 hours from the conclusion of the show involving the class in question to file any protests, challenges of disciplinary action or complaints brought under the provisions of this fair book which involve any issue other than the results of the drug testing.
- g) Participants shall have 10 days following the receipt of testing results to file any protests, challenges of disciplinary action or complaints brought under the provisions of this fair book involving the results of drug testing.
- h) Protests, challenges of disciplinary action or complaints filed pursuant to this paragraph shall be in writing using the Sioux County Youth Fair Official Protest Form and shall be filed with the Sioux County Extension Council, Extension staff or 4H Youth Committee.

16. THE DECISION OF THE OFFICIAL FAIR VETERINARIAN WILL BE FINAL.

General Livestock Showmanship

Showmanship refers to the exhibitor's:

- Personal appearance (proper show attire) cleanliness, attitude interest
 - Presentation of the animal – leading, posting, response to directions, use of equipment
 - Preparation of the animal – condition, cleanliness, grooming/clipping.
1. To be eligible for premiums, the owner, except in cases of sickness or injury, must show all livestock, or where the club member has two exhibits in the same class, in which case another Sioux County 4-H/FFA Exhibitor may help.
 - Substitute showman application forms are available online (www.extension.iastate.edu/sioux/page/all-4-h-forms-including-enrollment-forms-fair-and-record-keeping) and at the extension office. And must be completed and submitted to the extension staff or 4-H Committee prior to the show for a substitute showman to be eligible to participate in any 4-H show (livestock or static)
 2. If an animal is unmanageable in the ring, the superintendents and/or fair vet will make a decision whether the animal may continue to be exhibited.
 3. Exhibitor numbers are issued from the fair office for exhibitor identification
 4. Exhibitors may use animals of immediate family members in showmanship classes, but each animal may only be used in one regular showmanship class.
 5. An animal may be shown ONCE by ONE individual in any showmanship show.
 6. **Anyone wanting to participate in a showmanship class for ALL species must sign up on FairEntry by June 15 to be able to participate. This allows superintendents to prepare for classes that have a large number of participants and insures a fair and safe showing experience.**
 7. Showmanship will take place at the beginning of each livestock show (except dog, horse and beef) and show order will be Senior, Intermediate, and Junior. Inexperienced and younger showmen are encouraged to watch the senior showmanship class and listen to the judge's comments for helpful advice.

Super Showmanship Contest

1. The top two senior showmen from each species (horse, dairy, sheep, beef, swine, dairy goat and meat goat, rabbit and poultry) will be expected to participate in the Super Showmanship Contest held on the Friday of the fair at 3:00 p.m. (or immediately following the Bottle/Bucket Calf Show) in the Farm Bureau Show Ring.
2. Any top two showmen choosing not to participate, unless excused by the 4-H Committee (as per substitute showman exceptions) will be listed in the last spots in the ribbon auction.
3. If a senior showman is excused from participating, the third place senior will be asked to fill that position, until all positions are filled for each species.
4. Exhibitors who place in the top two in more than one species will begin showing in the species in which they placed highest. If they placed equally in more than one species, the exhibitor will be allowed to choose which species they will be showing.
5. In the event that an exhibitor qualified in more than one species, substitution will follow that same pattern as stated in rule #3.
6. Super Showmen will bring their own animal in the ring (with the exception of swine – superintendents will choose these animals). If exhibitors have more than one animal in their species, it should be the animal that was shown originally for showmanship, unless there are extenuating circumstances. If so, they need permission from a superintendent to substitute another of their own animals.
7. Animals should be washed (not groomed) and ready to show one half hour prior to the contest.

Champion and Reserve Champion Super Showmanship

Livestock Ribbon Auction

Every exhibitor will go through the premium ribbon auction once.

1. **The Ribbon Auction will be held on Monday July 17, 9:00 a.m. in the Multi-Purpose building.** Livestock Ribbon Auction would include the following species: Beef (Cow/calf, Market, Breeding Bottle/bucket calf, Feeder calf, Advanced Cattle Feeders); Swine (pens, individuals and derby); Sheep (Breeding, Market, Advanced Lamb Feeders, Bottle Lamb); Dairy, Meat Goats and Dairy Goats, Poultry, Horse, Super Showman.

Sale would begin with the Parade of Champions – CHAMPIONS only from each species – in the following order EACH year – Beef, Swine, Sheep, Dairy, Meat Goat, Dairy Goat, Rabbit, Poultry, Horse (Parade of Champion Horse will include: Champion Senior Showman, Champion Intermediate Showman, Champion Junior Showman, Champion High Point Horse Senior Division, Champion High Point Horse Intermediate Division, Champion High Point Horse Junior Division) Junior, Intermediate and Senior Individual Livestock Judging and Super Showmanship.

State Fair Static Exhibitors will be recognized following the Parade of Livestock Champions. State Fair exhibits will receive additional premium money. The money will be distributed equally per exhibits from a fund created for this purpose. 4-H'ers with one or more state fair static exhibits will have the opportunity to be recognized during the Ribbon Auction on Thursday night of the fair. Immediately following the Parade of Livestock Champions, they will be presented and recognized for their state qualifying work. Those 4-H'ers who are present at the Ribbon Auction will qualify for their share of the static premium fund (per state fair exhibit, not state fair exhibitor). Those who choose not to be present at the Ribbon Auction will not be eligible for the additional premium money.

Ribbon Auction Order:

- 2017 the sale will 4-H'ers with the last name beginning with T through Z, then A-S.
 - 2018 the sale will begin with A through Z.
 - 2019 the sale will begin with G, running through Z, then A-F.
2. Exhibitor expectations and rules:
 - NO ribbon auction premium will be paid to exhibitors who remove livestock or static exhibits before Saturday night release time. (All species/all exhibits)
 - 4-H'ers not participating in the Ribbon Auction should notify the fair office by noon on Friday.
 - Individuals wishing to participate in the Ribbon Auction must be present unless a substitute "seller" has been registered at the fair office by noon on Friday. A substitute Showman form will be available from the fair office
 - Exhibitors MUST be ready to go through the ribbon auction at their assigned time or forfeit their premium money.
 3. Load out times will be posted for each species of market animals.
 4. Media and buyers will have names of livestock exhibitors and their parents prior to Monday's Ribbon Auction.

Herdsmanship

All clubs exhibiting livestock will be evaluated. All animal areas will be evaluated including rabbits and poultry who will receive a "flat rate" score for the day that will reflect on all participating clubs. Each of the species will be evaluated separately with the daily scores posted in the fair office. A total composite score will be posted by the fair office. Herdsmanship will be scored Monday – Thursday with NO FREE PASS on show days.

Herdsmanship is the responsibility of the exhibitor NOT the leaders or parents.

The fair is a PUBLIC showcase of what 4-H'er's do and learn.

Scoring will include observation or YOUTH talking to and explaining their project work to fair visitors.

Daily visits will be made to the barns with points awarded to the clubs in the following areas:

1. Animals will be clean with stalls and pens showing evidence of having been tended to throughout the day (4 points).
2. Equipment, grooming tack, and feed area clean and neatly arranged (4 points).
 - a) Cords and grooming equipment NOT cluttering the alley.
 - b) Fork, broom, feed, show boxes, watering equipment neatly stored when not in use.
3. **Stall cards in place and ribbon placement stickers placed after show. (sticker available at the fair office) (5 points).**

4. Appropriate and hospitable behavior to be shown by exhibitors at all times.(5 points)
 - a) Proper courtesy and conduct shown by exhibitors while interacting with the public and other exhibitors at ALL times and in ALL places.
 - b) Exhibitors, not the adults, doing the Herdsmanship.
5. Exhibitors share of the alley kept clean (3 points).
 - a) NO camping out in the barns, ONLY essential equipment is allowed in the barns. NO couches, refrigerators, cooking equipment, picnic tables. Large coolers only.

Total possible points – 20 points.

Points will be tallied and the top 3 clubs awarded prize money and the Traveling Wheel Barrow and Pitchfork Award to be placed in the Multi-purpose building recognizing the prior year winning club. Prize Money will be as follows: 1st - \$75, 2nd - \$50, 3rd - \$25. Preferential penning will be awarded to the winning club.

Champion Senior, Intermediate, and Junior Livestock Judging Contest

Horse Division Rules

Superintendents – LeAnn Englin leannenglin@hotmail.com; Tasha Winterfield dtwint@mtcnet.net; Tracy Jacobsma tjacobsma@moc-fv.k12.ia.us

Horses will be exhibited at the Sioux County Youth Fair Grounds in Sioux Center on Monday of the fair. Horse check-in will be from 5-7 p.m. Tuesday, July 11 or by 7:30 a.m. Wednesday a.m. Judging will begin at 9:00 a.m.

1. One show horse (exhibited the current year) per exhibitor will remain on the fairgrounds in the horse barn until **Saturday night** of the fair and the livestock release time. Exhibitors choosing not to house their horses at the fair will forfeit their right to exhibit at the Sioux County Youth Fair the following year.
2. At the time of show entry one horse will be identified as the horse that will remain on the fairgrounds.
3. Each exhibitor may enter two horses maximum. Additional horses may be identified by the May 15 deadline but only two may be entered. Horses not identified cannot be entered or exhibited – no exceptions allowed.
4. Proper identification will be completed in 4-H Online by May 15.
5. **All classes must be specified in FairEntry at <http://sioux.fairentry.com> by the June 15 deadline to be eligible to show at the Sioux County Youth Fair. NO LATE ENTRIES PERMITTED.**
6. **Official Iowa 4-H Regulations Pertaining to County, State, and Interstate Shows for Horses (4-H 106C)**
 - a) Identify a maximum of 5 horses total per 4-H'er
 1. Of those 5, maximum of two may be leased.
 2. No leasing of halter horses (for the Iowa State Fair).
 3. Leased horses must have a completed lease form in 4-H Online
 - b) Each horse may only be identified by ONE 4-H'er unless there are more 4-H'ers in a family than horses – for example, 4-H'er A and B could both ID horse X.
 - c) 4-H'ers can identify horses in 4-H and FFA as long as they are DIFFERENT horses. Example, horse A and B in 4-H and horse C and D in FFA.
 - d) Iowa State Fair exhibitors will still have to choose to show in either the 4-H horse show OR the FFA horse show, not both; but they could show FFA at county and then 4-H at state fair (with different horses).
 - e) The horse's name, sex, height, age and color markings are all required for identification.
 - f) If a family includes more 4-H'ers than horses, more than one 4-H'er may identify a horse; however, in this situation a 4-H'er cannot identify more than one horse. Animals identified as part of a 4-H project cannot be identified or exhibited as an FFA Project.
7. **Ownership**
 - a) To exhibit in classes in which the primary emphasis of evaluation is the skill level of the 4-H'er, ownership is not required; however, the 4-H'er must take an active role in the care of the animal (including feeding, cleaning, training, health care, farrier care, exercising, etc.).
 - b) Horses to be exhibited in conformation (halter) classes must be owned by the 4-H'er or in partnership with a family member.
 - c) Leased horses may be shown in showmanship and riding or driving classes. If the horse is leased, include a signed lease agreement in 4-H Online.
 - d) If a 4-H'er leases a horse, that horse shall be the only riding horse the 4-H'er may identify as a 4-H project horse.
8. Each exhibitor is responsible for the control of his own animal. Immediate family is allowed to assist the exhibitor with fitting and control. No professional trainers will be allowed to help control or fit the horses at the fair.
9. Superintendents will determine if a horse is unsafe to show.
10. An individual horse or pony may be entered and shown only once in any like class.
11. Exhibitors are allowed to enter only one pony or horse per class.
12. Ponies and horses will be divided as follows: Ponies – 14.1 hands and under; Horses – 14.1 hands and over.
13. NO substituting of horses will be allowed during the show. The exhibitor must ride the horse they identified at check-in as their game or pleasure horse for the appropriate class.
14. There will be strict enforcement of the “enter on” and “exit off” policy with no one leaving the show ring following each class until they have dismounted.
15. No two-year-old or older stallions will be allowed in any class.
16. **Exercise times will be Tuesday-Saturday evening, 8-9:30 p.m.; as well as before 9 a.m. Wednesday-Saturday.**
17. **Dress for the 4-H/FFA Horse Show MUST include: current 4-H shirt, denim riding style jeans, belt, and boots.**
English Riding classes require a helmet. Showmanship (non-riding class) requires a Western hat.
18. **Helmets are REQUIRED for all classes for all riders. “Every ride, every time.”**
19. Grade definitions for all horse division's exhibitors: grade as of September 15 (previous school year)
 - Juniors – 4th through 6th grades; Intermediates – 7th through 9th grades
 - Seniors – 10th through 12th grades

All exhibitors must enter the age appropriate Showmanship class (31100, 31101, 31102). There will be no limit to the number of classes entered by an exhibitor, with the exception of Pleasure classes. Exhibitors may compete in

only one of pleasure classes, 2&3 year old Western Pleasure, Western Pleasure, Ranch Horse Pleasure, and Walk/Trot.

A Junior, Intermediate and Senior High Point Pleasure Horse and a Junior, Intermediate and Senior High Point Games horse will be recognized for those exhibitors entering with only ONE horse for each type of classes entered. Class Points will be scored as follows: Purple – 5 points, Lavender – 4 points, Blue – 3 points, Red – 2 points and White – 1 point. Ties will be broken by a question/answer session with the judge. If no purple or lavender ribbons are awarded in a class, the maximum number of points awarded to a rider will be 3 points, regardless of placement in the class.

Trail Classes will be judged in a separate area with a separate judge.

Horse Classes

- Class 31101** Senior Showmanship – a halter class judged on the ability of the 4-H'er to command his/her horse on a lead. This is judged on accuracy of responses to commands. This class is based on a predetermined pattern designated by the judge.
- Class 31102** Intermediate Showmanship
- Class 31103** Junior Showmanship
- Class 31201** Senior Walk/Trot – a riding class that focuses on beginning balance on a horse at two gaits. This is judged on the rider's ability to communicate with the horse as well as their balance and seating.
- Class 31202** Intermediate Walk/Trot
- Class 31203** Junior Walk/Trot
- Class 31302** Senior Western Pleasure – a riding class judged on the ability of the rider to command the horse's gait at a walk, trot, extended trot and lope. This is judged on the accuracy of the gait and the balance of the rider. This class is run along the rail.
- Class 31305** Intermediate Western Pleasure
- Class 31308** Junior Western Pleasure
- Class 31301** Senior 2 & 3 year-old Horse Western Pleasure (this horse cannot be used in any other Western Pleasure class, depending on the number of entries, superintendents have the option for all ages to compete as one class.
- Class 31304** Intermediate 2 & 3 year-old Horse Western Pleasure
- Class 31307** Junior 2 & 3 year-old Horse Western Pleasure
- Class 31303** Senior Ranch Horse Pleasure – a riding class judged on the ability of the rider to command the horse's gait at a walk, trot, extended trot, and lope. This is judged on the accuracy of the gait and balance of the rider. This class is run along the rail.
- Class 31306** Intermediate Ranch Horse Pleasure
- Class 31309** Junior Ranch Horse Pleasure
- Class 31310** Pony Western Pleasure
- Class 31311** Senior English Pleasure – a riding class judged on the ability of the rider to command the horse's gait at a walk, trot, extended trot and lope. This is judged on the accuracy of the gait and the balance of the rider. This class is run along the rail. **This is a premium only, non-points class.**
- Class 31312** Intermediate English Pleasure
- Class 31313** Junior English Pleasure
- Class 31601** Senior Horsemanship – a riding class judged on the ability of the rider and the horse to communicate. This class is judged primarily on the speed and accuracy with which the horse takes the commands from the rider. This class is based on a predetermined pattern designated by the judge.
- Class 31602** Intermediate Horsemanship
- Class 31603** Junior Horsemanship
- Class 31604** Pony Horsemanship

- Class 31605** Senior Reining – Reining is a judged event designed to show the athletic ability of a ranch type horse in the confines of a show arena. In reining competition, exhibitors are required to run one of several approved patterns. Each pattern includes small, slow circles; large, fast circles; flying lead changes; rollbacks over the hocks; a series of 360 degree spins done in place; and the exciting sliding stops that are hallmark of the reining horse.
- Class 31606** Intermediate Reining
Class 31607 Junior Reining
- Class 31701** Senior Egg in Spoon – a riding class judged on the rider’s ability to maintain a smoother ride – smooth enough to balance a raw egg on the end of a plastic spoon. The horses take various gaits as the riders try to adjust their balance on the move. Riders are eliminated when they drop the egg.
- Class 31702** Intermediate Egg in Spoon
Class 31703 Junior Egg in Spoon
- Class 31704** Senior Keyhole – a gaming class where the horse and rider leave the time line, running straight down the arena, spinning around inside a rope circle or maneuvering between four poles making a “keyhole” before spinning around, then returning down the arena to the time line. This class is judged on time with five second penalties from knocking over poles and stepping out of the circle. Broken patterns cause disqualification.
- Class 31705** Intermediate Keyhole
Class 31706 Junior Keyhole
- Class 31707** Senior Poles – a gaming class where the horse and rider leave the time line, running straight down the arena next to a long line of poles. After turning the corner around the farthest pole, the rider weaves around the remaining poles until they circle the last one, returning back through the poles in the opposite weaving pattern. After weaving the last pole, the horse and rider sprint back across the time line. This class is judged on time with five second penalties for each knocked down pole. Broken patterns cause disqualification.
- Class 31708** Intermediate Poles
Class 31709 Junior Poles
- Class 31710** Senior Barrels – a gaming class where the horse and rider leave the time line, running a clover leaf pattern around three barrels placed in a triangular shape. The rider must cross his/her path as the horse exits each barrel area, or the pattern is broken and the ride disqualified. The course is complete as the horse crosses the time line. This class is judged on time with five second penalties for knocking over barrels.
- Class 31711** Intermediate Barrels
Class 31712 Junior Barrels
- Class 31713** Senior Flags – a gaming class where the horse and rider leave the time line running an oval path around the rail of the arena. The object is to pull a flag from the nearest barrel and stick it into the farthest barrel, then returning across the time line. This class is judged on time with disqualification for knocked over barrels, sand buckets, missed flags and broken patterns.
- Class 31714** Intermediate Flags
Class 31715 Junior Flags
- Class 31901** Senior Trail Class – a riding class around a series of obstacles. This is judged on the cooperation of the rider and horse to successfully manipulate obstacles. This class is based on a predetermined pattern designated by the judge.
- Class 31902** Intermediate Trail Class
Class 31903 Junior Trail Class

Parade of Champions will include Champion Senior Showman, Champion Intermediate Showman, Champion Junior Showman, **Champion High Point Horse Senior Division Pleasure, Champion High Point Horse Intermediate Division Pleasure, Champion High Point Horse Junior Division Pleasure, Champion High Point Horse Senior Division Games, Champion High Point Horse Intermediate Division Games and Champion High Point Horse Junior Division Games.** (Clarification: The showman champions will be the champions of just the showmanship class. The high point champions will be the exhibitors who show one horse and get the highest total points in each classification.)

The three lambs MUST have been exhibited at the current fair to be eligible for this class. No additional lambs may be brought and exhibited for this class only. Basic record keeping will be available from the extension office and is required. Record keeping must be submitted at weigh-in/check-in time and will be returned to the exhibitor after the fair.

Champion and Reserve Champion Breeding Ewe
Champion and Reserve Champion Yearling Ewe

Market Lambs

1. An exhibitor may exhibit a maximum of eight (8) market lambs, in any combination.
2. An exhibitor may exhibit a maximum of two (2) pens of two and/or a maximum of four (4) individual market lambs. Individuals may be taken from a pen of TWO.
3. All market lambs must be weighed on the first Saturday of May at the fairgrounds from 9 a.m. to noon. Lambs need to be tagged before this date (\$1.50 per tag if purchased at the extension office) or the exhibitor will be charged an additional fee for tags and the application of the tag. Fee for ear tag if purchased at weigh-in will be \$2.00 per tag per lamb, paid at the scale. No tag, no weight, no entry for the Sioux County Youth Fair. A suggested beginning weight would be 55 to 80 pounds. The recommended birthdate for market lambs is after January 1 of the current year.
4. Lambs shown in market classes may not be shown in breeding classes.
5. Market lambs should have been sheared over the entire body with a regular comb. No fleece length required but a #1 pelt is desired for resale.
6. Buck or wether lambs with incomplete castrations or pushups will not be allowed to show.
7. Market sheep will be weighed on Monday of fair week for classes. All lambs will be weighed without blankets or covers.

8. Lambs will be classed the day of check-in at the discretion of the superintendents. If there are speckled or white face lambs, there will be a class for them. Speckled face lambs will require a pronounced amount of speckling with the judgment made by the superintendents as follows:

The speckled face division for both market and breeding lambs must have speckles on two of the three areas: face, ears and legs. Color must be at least 1/3 of that area. The face will include the top of the poll down to the nose (see picture). Leg wool and wool caps are not considered part of the 1/3 coloring; hair color only is allowed. Judgment will be made at the scale. If a protest of the decision is made, a committee of three will review the decision.

9. Average daily rate of gain (ROG) will be calculated on individual market lambs. The exhibitors of the top ten rate of gain lambs will be announced and recognized at the show (between the individual classes and the pens) as the "Rate of Gain Class"
10. The top two rate of gain lambs will be considered Grand and Reserve Grand Champion of Gain Lambs. "ROG Champions" are placed in the regular sheep classes. They will only be eligible to compete for champion if they win their respective class.

Market Sheep Classes

Class 25290 Pair of Lambs (maximum of two entries)
Champion and Reserve Champion Pair of Market Lambs

Class 25201 Market Individuals – White Face (maximum of four entries)

Class 25202 Market Individuals – Speckle Face

Class 25203 Market Individuals – Black Face

(Black Faced, White Faced, and Speckled Face Champions
if numbers merit – as determined by superintendents)

Champion Rate of Gain Lamb
Champion Senior, Intermediate and Junior Sheep Showman

Class 25230 Advanced Feeder Lambs

Advanced Feeder Lamb Project

1. Each 4-H'er may tag and weigh 3-5 lambs for an advanced lamb feeder pen. Tags are available at the extension office. The weigh-in date will be considered the starting point for the project and that weight will be considered the beginning weight. The lambs must be weighed on a certified scale and weight tickets with ear tag numbers must be signed by the scale technician or whoever is running the scale. Generally the project will begin on the county market lamb weigh-in date in the spring which is the first Saturday in May. The date could be earlier but no later.
2. There will be a limit of one pen entered per exhibitor but this will not affect the number of purebred or other market lamb projects entered. The pen will be kept separate from other livestock for accurate feed records.
3. The beginning value of the project will be based on the purchase price of the lambs for the week the project begins, NOT the purchase price of the lambs.
4. **Superintendents will determine points, points will be awarded on cost, rate of gain, profitability and management.**
5. The Market Animal Worksheet (for Juniors) will be the input sheet for the project (available online or from the extension office). Feed and treatment records will be recorded for each two week period of the project. The 4-H'er will record the applicable data and will mail the forms to the superintendents once a month. The records will be evaluated by the superintendents and then returned to the member. All inputs are kept on this sheet. This requires prompt mailing of the form. Members should send the forms the 2nd Wednesday in June and the Wednesday prior to the fair. In each case the forms will be returned to the member for further record keeping. The feed records will be turned in at the weigh-in at the fair to the sheep superintendents.
6. Grain costs for feed will be based on the local market price for the reporting period.
7. Superintendents will make management checks during the feeding period. One check will be announced and one unannounced. Superintendents will be evaluating cleanliness of water, feed bunk management and the feeding system (how feed is measured and weighed). During the announced visit, the superintendent will visit with the 4-H'er and discuss the project with him/her.
8. At fair time the pens will be appraised for market acceptability and market price. An order buyer will be retained to evaluate the projects for a live carcass evaluation to determine market acceptability.

The evaluation of the project will include:

- Management 30 points
- Market Acceptability 30 points
- Return per \$1.00 invested 30 points
- Records 30 points

Total possible points 120 Points

Champion and Reserve Champion Advanced Feeder Lamb Project

Class 25300 Bottle Lamb Class

Bottle Lamb Class

1. Any 4-H exhibitor in Sioux County may enter.
2. Any orphan or newborn lamb, ewe or wether, lambled between January 1 and May 1 of current project year, and in possession of the showing participant within 2 weeks of birth. **Bottle lambs do NOT need to be at weigh-ins.**
3. **An exhibitor may identify up to three animals**, but is limited to **only one exhibit** at the county fair. It is recommended for the welfare of the lambs that ideally they be raised in groups of 2-3 head. This allows lambs the opportunity to interact with each other in a more natural production environment.
4. A project record is to be kept throughout the project showing the exhibitor feeding, caring for and working with the animal. **The project records will be shown at the participant interviews held during the Sioux County Youth Fair. Records are due at Project check-in and weigh-in on Monday.**
5. All exhibitor must wear a 4-H Club t-Shirt while showing in the ring.
6. All lambs re to be halter broke and shown at halter. All junior exhibitors may have an adult or senior 4-H'er in the show ring with them.
7. The Bottle Lamb class is to be fun for the exhibitor and also a learning experience. The exhibitor will be asked to attempt the following:
 - a. Showmanship
 - i. Will be asked to set the lamb
 - ii. Will be asked to move the lamb about the ring
 - iii. Keep the lamb between themselves and the judge
 - b. Project Book and interview – Record keeping outline provided by the extension office.
 - i. Basic questions on the exhibitor's lamb project
 - ii. How they cared for the lamb.
8. All exhibitors will receive a blue, red or white ribbon for their efforts and participation. No class champions will be named.
9. Lambs will be released at the same time as all other livestock on Thursday.
10. Following the fair, the lamb can be kept by the exhibitor or sold as a market lamb

The same rules required of "Sheep" exhibited at the Sioux County Youth Fair will be required to be followed for exhibitors of bottle/newborn lambs which include:

1. The lambs will be checked by a veterinarian, just like all livestock to be shown at the county fair. All lambs must be free of any contagious or infectious conditions.
2. All ewes to be exhibited must have official Scrapie Flock ID tags from the state. (1-866-873-2724) Wethers do not need the official Flock ID tag.

Dairy Division Rules

Superintendents – Emily Kurtzelben, emily.kurtzelben@gmail.com, 712-441-4831, Alan Dykshorn, abdyks@mtcnet.net – 712-441-0686

Regulations pertaining to County, State and Interstate Dairy and Dairy Goat Shows (4-H106A) Ownership.

All animals must be owned by the 4-H'er or in partnership with a family member and identified to an individual 4-H'er. When registration papers are involved the papers must either be in the 4-H'ers name or show a logical family relationship. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.

Identification

Dairy animals must be identified in 4-H Online by May 15 by photo, freeze brand, tattoo or state 4-H ear tag. The calfhood vaccination tattoo is not acceptable identification. For animals registered with a respective breed association, use that number as identification and report it on 4-H Online. Also record the animals breed, birthdate and identification as a grade or registered animal.

All Dairy animals must be entered in FairEntry at <http://sioux.fairentry.com> by June 15 to be eligible to show at the Sioux County Youth Fair. NO LATE ENTERIES ARE PERMITTED.

Dairy Cows:

1. Registered or grade dairy animals may be shown.
2. Animals will be exhibited by breeds, if numbers merit. (as decided by the superintendent)
3. If there are not enough animals in a junior or senior class within a breed, the superintendents reserve the right to combine classes.
4. Exhibitors may enter one animal per class. If the superintendents choose to combine classes resulting in an exhibitor having two animals in the same class, both animals may be shown. The second animal will need to be shown by a current Sioux County 4-H'er or FFA member.
5. IF age of the animal is in question, the superintendents reserve the right to mouth any animal to place it in the appropriate class.
6. Showmanship is open to all members exhibiting dairy. Exhibitors will be judged on the appearance of the animal and appearance or merits of the exhibitor.
7. 2nd year Dairy Bottle/bucket calves must be designated at fair entry time as either 2nd Yr. Dairy BBC or as appropriate age division for dairy and show as same.
8. Families are asked to provide their own watering tanks or water buckets
9. Dairy must be stalled in assigned stalls at all times during the fair.
10. Release of mature LACTATING cows (classes 21134-21145) will be allowed, following the 4-H Dairy Show if the actual temperatures or heat index is above 90°. The fair vet, extension staff, extension council and 4-H committee will make that decision the day of the dairy show and it will be announced in the show ring before the end of the show.
11. Early release of animals (other than those stated in #10) will be allowed ONLY for the animal health concerns and AFTER recommendation from the fair vet and permission from the 4-H committee, superintendents, fair board and extension staff.

6. Information regarding choosing, preparing and showing your goat is available at the extension office.

Show Order: Breeding Meat Goats, Market Goats.

Breeding Meat Goat Rules

1. Junior does are any animal less than 1 year of age with their milk teeth intact.
2. A breeding meat goat cannot be shown in a market goat class
3. *Best of Pair Breeding Meat Goats will be any two does of the same age. The age of the pair should be within 3 months of each other. All pairs will be shown in their respective divisions (i.e. Junior, Yearling, or Senior), the top pair from each division will compete for Over All Champion and Reserve Champion Pair of Breeding Meat Goats. Pairs will be judged on how uniform they are to each other. Does that are part of the pairs are required to show in their respective breeding meat goat class. A pair must be entered under the exhibitors name and shown by that exhibitor in the breeding class (i.e. Jane and Sally are sisters and both have a 6-9 month old doe. They would not be allowed to combine these two does to show in the Pairs Class. If Jane had two 6-9 month old does, then she could show in the Pairs Class.) Breeding Pairs may be split into age appropriated classes depending on the number of pairs entered; this will be decided after check-in and left to the discretion of the goat superintendent
4. Breeding meat goats do not have to be disbudded or dehorned, it will be left to the discretion of the exhibitor.

Ownership

1. All the animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must be either in the 4-H'ers name or show a logical family relationship. Animals changing ownership after being identified as a 4-H project are ineligible to be exhibited as 4-H animals for that 4-H years. All swine must be in the possession of the 4-H'er.
2. Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refused a bid or says "No Sale."

Iowa State Fair Identification

All swine must be tagged with the official state fair 4-H ear tag, ear notched and a DNA sample collected. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

Deadline

All swine must be identified in 4-H Online by May 15 to be eligible for the Iowa State Fair, and for county fairs by. All swine must be entered in FairEntry at <http://sioux.fairentry.com> by June 15 to be eligible to show at the Sioux County Fair.

General Swine Rules

1. Members may identify and ear tag a maximum of 20 pigs for market swine (an additional 6 pigs if ear tagged for derby swine and an additional 6 pigs for breeding gilts).
2. Exhibitors may enter two pens of three, **4 market individuals, any combination of crossbred and purebred, 2** breeding gilts and an additional two pigs may be entered ONLY as derby pigs. The total number of individuals that may be show is 8 (only if two are derby). The total number of pigs allowed to be shown is 12 pigs.
3. Derby swine must be identified by ear tag number as derby swine on in the ID form at Derby Swine weigh-ins.
4. Entries may be purebred, crossbred, or grade pigs. Either barrows or gilts fed for market, or breeding gilts, with a recommended farrowing date after January 1 of the current year.
5. All swine must be tagged and identified in 4-H Online by May 15. All youth must thoroughly complete the ID form including: ear notches (if used) tags, sex, color markings and birth date of all swine. (4-H online identification will be used for verification at ANY 4-H show).
6. Exhibitor's list ear tag numbers of each pen and individual on the form provided at the fair at the time of check-in and weigh-in. No switching will be done after the form is turned in and the pigs are weighed. All swine will be tattooed at weigh-in time.
7. Exhibitors may show in any combination of two market pens of three and up to twelve animals are allowed to be shown at the fair. (see #2) Eight individuals – two must market individuals must show in the second pen of three to equal 12.
8. Individuals will be shown in either a barrow or gilt class.
9. Exhibitors will be asked to sign up for showmanship by noon Tuesday so we can get an idea to set up showmanship classes and print them in the program. Showmanship will take place first for the swine show.
- 10. There will be no marketing of hogs from the fairgrounds. All animals must be marketed by the individual.**
- 11. All exhibitors will still be required to fill out the form of the PHYSICAL address of the FARM that the animals are going to, not just the address of the exhibitor.**
12. Exhibitors will be required to present registration papers on purebred pigs to show them in a purebred class.

Swine Derby Class

1. All Derby entries must be weighed individually between April 2 and April 9 (or as designated by superintendent) at a county designated weigh-in site. Strict bio-security measures will be used for disease control.
2. Each exhibitor may weigh in up to six entries in the Derby contest. Pigs entered in the derby may not be identified for the market show or vice versa.
3. All Derby hogs will be shown as individuals. Gilts and barrows will be shown in the same class. Classes will be split for the derby show based on the beginning fair weight of each entry.
4. Each exhibitor may show up to 12 total hogs at the fair. The same hogs may not show in the market and derby show. Each individual may exhibit a maximum of two derby hogs. If an exhibitor shows two derby entries, they may also exhibit two individuals in the live show.

5. The Champion Live Derby hog will be determined by the judge based on physical appearance and Daily Rate of Gain.
6. The Overall Derby Champion will be determined by placing the entries on lean gain per day on test. This will be calculated by using the ultrasound information at the fair in comparison to the total pounds gained by the entry. Awards will be given to the top ten places.

All Beef Classes (except 1st year feeder calves and cow/calf pairs) must be weighed and in place between 7:00 and 11:00 a.m. on Monday of the fair.

- Commercial Breeding Heifer projects have to be weighed, and will be classed by weight
- Registered Heifers do not have to be weighed, but need papers to show in breed classes. If registration papers are not available, they will show in crossbred class.
- All beef exhibitors MUST check in at the scale

Each exhibitor is eligible to enter and exhibit three feeder-calf projects each year. This means: three calves **born after January 1** the year of the show; three breeding heifers or market beef in second year feeder-calf classes (must have been exhibited at fair by the SAME INDIVIDUAL as calves the previous year); three market beef and three breeding heifers.

General Beef Rules

1. Tie outs are available – requests must be made on FairEntry by June 15 – animals are to remain in their respective stalls or designated tie out.
2. All animals must be entered into FairEntry at <http://sioux.fairentry.com> by June 15. NO LATE ENTRIES ALLOWED.
3. One grooming chute per 2 animals will be allowed. Exhibitors must request a chute tag in FairEntry. Tags will be mailed to exhibitors prior to the show and must be on the chute at all times during the fair.
4. Superintendents will reserve the right to designate areas for grooming chutes based on traffic flow and safety in the building.
5. Fans are limited on ONE per animal.

1st year Bottle/bucket Calf

Superintendent: Keri Oostra (712) 441-1115, kerioostra@hotmail.com

1. Any 4-H'er is eligible to participate
2. Any newborn or orphan calf (steer or heifer) that was calved between March 1 and May 15 of the current year may be shown in the first year bottle/bucket calf (BBC) class. The animal may be purchased.
3. First year bottle/bucket calves must be in possession two weeks after birth; tagged (4-H ear tag) and identified on 4-H Online by May 15.
4. The exhibitor may identify and show a maximum of 2 animals in the 1st Yr. BBC. They will be shown as:
 - Male or Steer Calves
 - Heifer Calves
5. The calf must be a BBC, not a sucking calf.
6. Calves will be shown at halter.
7. Exhibitors will complete a report of their exhibit, due at the extension office the Wednesday before the fair.
8. **Evaluation for the 1st Yr. BBC will be based on:**
 - a) What exhibitor has learned about care and raising of calf.
 - b) Cleanliness and proper showing (halter placement, etc.) of the calf (there will be no clipping).
 - c) General health, condition and management of the calf.
 - d) Exhibitor's knowledge of the project
 - e) Conformation or quality of the calf WILL NOT be considered since purchase should not be on this basis*.
9. Exhibitors are encouraged to keep the animals for breeding or market classes the following year.
10. Ribbons will be awarded to all 4-H'ers based on the evident care and health of the animal as well as the exhibitors record keeping.
11. Participants in the BBC class will be eligible to go through the Ribbon Premium Auction.
12. Should class breaks be necessary, they will be determined by weight and posted by 8:00 a.m. Monday of the fair.
13. **Calves MUST be vaccinated** at least one (1) month before coming to the fair with IBR, BVD Types 1-2, BRSV and PI3. A booster may be given 3 to 4 weeks later. Other vaccinations that are suggested could include: Clostridium, Haemophilis, Pasturella, Salmonella and Mycoplasma.

*Evidence of severe blemishes, deformities, injuries or ill health will result in disqualification and the animals will not be allowed to remain on the fair grounds. Determination will be made by the fair vet, superintendents and extension staff.

2nd Year Bottle/Bucket Calf guidelines

1. All BBC projects exhibited the previous year in the 1st Year BBC class are eligible,
2. All 2nd Year BBC must be weighed at the market beef weigh-in or before February 1 of the current year, excluding breeding heifers and dairy heifers. No bulls are to be shown as 2nd Yr. BBC.
3. Feed records must be kept from Market Beef Weigh-in Date until the Wednesday before the fair when they are due at the extension office (regardless of whether or not they need to be at the market beef weigh-in). These forms will be returned to the 4-H'er and may be added to their 4-H record keeping for the current year.
4. Calf must remain in the care of the 4-H'er from the beginning of the project until fair time.
5. The exhibitor may identify up to two 2nd Yr. BBC.
6. Calves will be exhibited in their own class at the fair: 2nd Year BBC beef steers, 2nd Year BBC beef heifers, 2nd Year BBC; Holstein steers will be incorporated into the beef show; 2nd Year BBC dairy steers will show in the dairy market steer class. 2nd Year BBC Dairy BREEDING heifers should be shown in their age appropriate class in the dairy show. 2nd Year BBC Dairy MARKET heifers may be a separate class if enough entries to warrant (not both). Dairy Market beef will be awarded class champions at conclusion of dairy steer classes. They will not be in contention for overall Market Champion.
7. Exhibitors will complete a report of their exhibit, which will be due at the extension office on Wednesday before the fair. Forms will be available at the Market Beef weigh-in, at the extension office or online at <http://www.extension.iastate.edu/sioux/sites/www.extension.iastate.edu/files/sioux/1stYearBBCReportStory.pdf>
8. Placement will be based on show ring evaluation and exhibitor's record keeping.
9. Ribbon placement will be awarded after each class.
10. Division winners will be eligible to compete for grand champion.
11. Exhibitors of 2nd Year BBC will show the animal in only one class, either as a 2nd Year BBC or in the appropriate age class in the Dairy show or corresponding class as market beef or breeding beef.
12. 2nd Year BBC will be eligible for Beef ROG.

Advanced Cattle Feeder Project – Craig Moss, Superintendent

1. A member entering this project shall have only one entry consisting of three to five steers or heifers purchased and weighed between September 30 and March 1. Purebred, grade or crossbred cattle may be shown in the class. Pens must be kept separate from other livestock on the farm.
2. Special stall cards will be used having this information: Cost of cattle per 100 pounds; Weight when purchased; Total first cost of cattle; Average daily gain; Total feed costs per calf; Average weight at fair time; Feed costs per 100 pounds of gain to break even.
3. **Purchase price of the animals will be determined on the date the project begins (when weigh slips, ID's and record keeping is received by Craig Moss, AFC Superintendent, to 3172 320th St. Hull, IA 51239). If the actual animal purchase date is different than the beginning project start date – the beginning purchase price will be established and approved by the AFC superintendents as the average market price on that project start date (as of 2012).**
4. Members of a family may enter more than one Advanced Cattle Feeder project as a single exhibit, thus paying a single entry fee, receiving one ribbon but all members get to go through the ribbon auction.
5. Exhibitors must keep accurate feed records. All commodity type feed stuffs (corn, hay, etc.) will be standardized and priced monthly. The corn price will be the monthly average in price at the Farmers' Cooperative Society, Sioux Center. The participants will still report all of their prices.
6. Judges will appraise pens at the appointed weigh-in times at Tri-State Livestock for market acceptability and price. Each animal will be weighed and judged individually. Youth will be on hand to record weights, quality and yield grade information. This information will be kept by the youth and used to calculate profitability of the pen.
7. Close outs will be calculated by youth participants on Monday at 4:00 p.m. (allow 1 ½ to 2 hours). All AFC participants are required to be present. Adults will be available to assist in this process.
8. A new marketing option will be available to participants whose pen is ready to market before the fair. These cattle may be sold early. However, carcass data is required for final evaluation of the project.
9. Exhibitors of those pens NOT exhibited at the fair will NOT be allowed to go through the ribbon premium auction, unless they have other beef projects at the fair.

Plaques, ribbon award and premiums will be given based on total points:

30 points for management
30 points for market acceptability
30 points for records
50 points for economy of grain
60 points for \$ invested per \$ returned
Total points available – 200

10. Project superintendents will make determination of points.
11. Exhibitor will be responsible for marketing and selling their project.

Breeding Heifers and Market Beef

Official Iowa 4-H Regulations pertaining to County, State and Interstate Shows for Market Beef Project (4-H106Bi) Ownership

1. All animals must be owned by and identified to the individual 4-H'er. When registration papers are involved, the papers must be either in the 4-H'ers name or show a logical family relationship.
2. 4-H'ers need registration papers to be eligible to exhibit in the following 4-H Market Steer Breed divisions of the Iowa State Fair: Angus, Belgian Blue, Brangus, Charolais, Chianina, Limousin, Main-Anjou, Red Angus, Shorthorn, and South Devon. Exhibitors of Simmental market steers must have a performance pedigree. Gelbvieh must have an official breeder affidavit. Herfords must have a steer certificate.
3. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.
4. Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner, or if the owner refused a bid or says "No Sale".

Identification

1. All market beef animals must be weighed and tagged with the official 4-H ear tag by February 1.
2. For State Fair eligibility market beef animals must have retinal images collected at an approved verification site by January 15. To be eligible to participate in any 4-H market steer breed division at the Iowa State Fair, the sire's name, registration number and the breed must be recorded on the Verification form. The tattoo must be included on the form for Angus, Belgian Blue, Brangus, Charolais, Chianina, Gelbvieh, Herford, Limousin, Main-Anjou, Red Angus, Simmental, Shorthorn and South Devon. Animals identified as part of a 4-H project cannot also be identified or exhibited as an FFA project.

Deadline

All market beef animals must be in the possession of the 4-H'er and weighed at state established verification sites by February 1. All animals must be entered into FairEntry at <http://sioux.fairentry.com> by June 15 to be eligible to show at the Sioux County Youth Fair. NO LATE ENTRIES WILL BE ALLOWED.

Official Iowa 4-H Regulations pertaining to County, State and Interstate shows for Breeding Beef Projects (4-H 106B)

Ownership

1. All animals must be owned by and identified to the individual 4-H'er. When registration papers are involved (i.e. purebred beef heifer) the papers must be either in the 4-H'ers name or show a logical family relationship.
2. Animals changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.
3. Animals offered for sale in an auction are considered to have changed ownership even though bought back by the original owner or if the owner refused a bid or says "No Sale".

Identification

1. Tattoos are required for ALL PURBRED and COMMERCIAL beef heifers.
2. For purebred heifers the tattoo must match the tattoo on the registration papers.
3. The calfhood vaccination tattoo is not acceptable identification.
4. Feeder calves are required to have ear tags.
5. The animal birthdate must also be listed.
6. Animals identified as a 4-H project cannot also be identified or exhibited as an FFA project.
7. A 4-H'er cannot identify a heifer as both a market heifer and a breeding heifer. Designation must be made by June 15.

Deadline

All breeding animals must be in the possession of the 4-H'er, identified with an ear tattoo and identified in 4-H Online by May 15.

All breeding animals must be entered into FairEntry at <http://sioux.fairentry.com> by June 15 to be eligible to show at the Sioux County Youth Fair. NO LATE ENTRIES WILL BE ALLOWED.

1. Members may weigh and identify up to six market beef by February 1 of the current year. Animals must be weighed on county weigh-in date to be eligible for rate of gain. Weigh-ins will take place at the K&D Feedlot (2818 390th St. Sioux Center) from 8:00 a.m. to 11:00 a.m. ALL market beef exhibitors are asked to have their animals at THIS weigh in date and location – Iowa State Fair and AKSARBEN verification will take place at this weigh-in as well. If the 4-H or FFA member cannot be present – they must make other arrangements to have their animals at this weigh-in and sign any waivers required by out-of-county shows.

County Weigh Dates

2017 Saturday, January 7

2018 Saturday, January 6

2019 Saturday, January 5

2. Purebred, grade or crossbred steers or heifers may be shown. All livestock intended for breeding purposes will be barred from the market class. Each calf must show in the class assigned by the superintendent.
3. Superintendents reserve the right to combine breeding classes if there is a minimum of entries in certain breeds.
4. Breeding heifer projects must be identified by May 15 by tattoo or 4-H ear tag
5. All heifers to be eligible shall be born between September 1, 2014 and December 31, 2015
 - a) Purebred breeding will be shown by birthday. Registration papers required.
 - b) Commercial breeding beef will be shown by weight.
6. Not more than three market beef (heifers and/or steers) may be exhibited by one exhibitor. This does not include feeder calf and/or advanced feeder projects
7. 2nd year feeder calves shown in the second year classes will be shown as one of the following: Market Steers, Market Heifers, Breeding Heifers (Order of showing and further breakdown of classes is at the discretion of the superintendents.)
8. Market calves will be shown in classes divided by weight at fair time only.
9. Market beef exhibitors placing in the top 5 rate of gain (ROG) will be recognized with blue ribbons and with #1 as Champion ROG and #2 as Reserve Champion ROG. These participants will be announced between the Breeding Beef and Market Beef Show. "ROG Champions" are placed in regular beef classes. They will only be eligible to compete for champion if they win their respective class.
10. There will be no ribbon discount for animals not reaching the minimum rate of gain.
11. Beef exhibitors must sign up for showmanship by Monday noon to be eligible to participate. Showmanship classes will be assigned depending on the number of participants to insure a proper number of exhibitors in the show ring to allow for the best showing experience,
12. Beef showmanship will take place PRIOR to the Bottle/ Bucket Calf show at 7:30 a.m. Showmanship will be a "blow and go show" with animals washed and dried, not groomed and fitted. Exhibitors showing any beef animals are eligible to participate in beef showmanship. Exhibitors showing ONLY in the Saturday beef show are allowed to bring their animal for the Tuesday beef showmanship class or show an animal owned, identified and exhibited in the current 4-H year, by a family member or current Sioux County 4-H member. An animal may be shown ONCE by ONE individual for any showmanship show.

Beef Rate of Gain

County weigh-in starting weights and final weights on arrival at the show will be used in figuring the rate of gain on entries in this department. Only those animals weighed at the official 4-H weigh-in on the designated scale are eligible for rate of gain competition. The top 5 places will be awarded purple and blue awards. Only animals with a starting weigh registered in the rate of gain contest will be entered. Rate of gain is a part of all market beef projects. Rate of gain information will be available for the judge's use. Final weight will be taken on arrival Monday of the fair.

1st Year Feeder Calf Project

1. It is recommended calves are to be born after January 1 of the current year. Calves must be identified either by tattoo or ear tagged using tags available at the county extension office. - Egg Contest: 1 dozen eggs matched as closely as possible.
- Individual: Shall consist of 1 chicken, duck, goose, turkey or “other” poultry as listed below, male or female of any age unless otherwise stated.
- Pen of Three, Broiler/Roasters: Shall consist of 3 cockerels or 3 pullets as evenly matched as possible. Shown only in the broiler/roaster class.

Sizes: Standard or Bantam. Bantams – Diminutive size in a distinct breed or miniatures of a large (standard) breed, often 1/4th -1/5th the size of the standard size bird.

Poultry Guidelines:

1. All poultry needs to be identified **individually** on 4-H Online by May 15
2. **All poultry needs to be entered on FairEntry at <http://sioux.fairentry.com> by June 15. NO LATE ENTRIES WILL BE ACCEPTED**
3. An exhibitor is limited to entering 10 entries.
4. An individual bird cannot be a part of a multiple pen and must be penned separately.
5. **Check-in for Poultry will take place on Monday, from 5:00 p.m. to 8:00 p.m. at the Sheep and Goat Barn.** Check-in procedure will include checking class entries and a health check by check-in assistants. NO changes will be made to the class list after Monday check-in. Superintendents will assist with classing entries as needed.
6. Any poultry found to be in ill health shall be disqualified and shall be removed from the premises immediately.
7. All poultry exhibited must come from JS Pullorum-typhoid clean or equivalent flocks or have a negative Pullorum-Typhoid test within 90 days of exhibition. The test must have been performed by an authorized tester. Evidence of an origination from “clean” flock or of a negative test must be presented at check-in
8. All poultry must be washed and groomed before check-in at the fair.
9. Exhibitors are responsible for proper care, watering and feeding of their poultry and cleaning pens until livestock release on Thursday.

Broiler/Roaster Poultry Project Guidelines

Purpose:

To provide an opportunity for young people to experience the fun and challenge of raising poultry strictly for meat production and to gain an understanding of the financial and care aspects through a hands-on project.

Incentive to enter the Broiler Project: Sponsored by Mike and Mary Moeller, Orange City

Any 4-H'er entering the poultry project area for the FIRST time and specifically also enter the Broiler Project is eligible to receive a gallon waterer and poultry feeder for their project.

Entries:

Each exhibitor will be allowed to enter up to two pens of three broiler/roasters, for a maximum total of 6 birds (No individual entries). The number of pens entered in this project IS included in the total number of entries allowed to be entered in the fair.

Obtaining the birds:

- A minimum of 10 chickens must be ordered in the name of the individual exhibitor or family. Siblings from the same family may choose out of their family's 10 (or more) birds received. Orders must be made with the extension office by April 1 **Chicks will arrive the week of May 15.**
- Chicks will be straight-run Cornish-Rock cross. Chicks will be vaccinated for Marek's Disease before they arrive.
- Entrants will receive notice of the pick-up day and time. Distribution will be done at a site to be announced each year in the 4-H Newsletter. Exhibitors must supply their own means of transporting chickens home from the distribution point. Birds must be paid for before they are taken from the distribution site.

- Distribution order will be done by drawing numbers. The lowest number will draw their choice of five birds first, then the next entrant will draw five and so on until the birds are distributed.

Project details:

- The beginning weight of all birds shall be considered 0 pounds. All birds shall have a stated number of days in the project which will be announced at distribution of the chicks.
- Once home, the contest broilers must be kept separate from other birds owned by the exhibitor unless running free-range.
- All birds must be clean when checked in at the fair.

Evaluations:

Birds will be judged on the market acceptability and uniformity of the pen. All entries will receive ribbons and champions will be presented.

Poster: All poultry exhibitors are encouraged to enter an educational poster for judging on Saturday during the static judging or simply to be on display in the poultry barn (not judged) to help inform the public about our poultry projects.

- Each exhibitor may submit a singer poster 28"x22" which depicts their broiler/roaster project management. Following judging on Saturday, posters will be hung in the poultry barn. Entrants are reminded that posters will be judged on content, readability (from a distance – use good sized print and don't cram too much on the poster) and overall appearance.

Egg Class Guidelines

1. Eggs must be produced by a 4-H'er's own flock
2. A phot of the student with their flock must accompany their entry card
3. Entry cards are to be obtained at the poultry barn upon check-in and must be attached to the entry
4. An entry consist of a carton of one dozen of the same kind of eggs (standard and bantam chicken eggs ONLY). A 4-H'er may enter up to 2 cartons in clean (used is fine) cardboard egg cartons. The 4-H'ers name must be printed on the spine of the carton.
5. Eggs may be all white, all brown or all pastels. If necessary, eggs will be divided into these classes.
6. Due to non-refrigeration at the fair, all entries are deemed inedible and in the interest of consumer safety shall not be returned to the owner and shall be destroyed at the end of the fair.
7. Judging will be done on external qualities.

EGG JUDGING – Sioux County 4-H Youth Fair

External Judging consists of:

Cartoning: All domes (broad ends) up.

1. Any member enrolled in a pet project (birds, cats, fish, dogs, gerbils, guinea pigs, hamsters, mice and rats, etc.) may enter. (Dogs and cats should include a copy of their rabies vaccination in their care booklet.)
2. A member can have more than one entry in this class but all pets must be part of their 4-H project work.
3. Included with each pet should be a project booklet, written by the 4-H member, telling of the care and feeding of the pet. (Pet Goal Sheets are available online at <http://www.extension.iastate.edu/sioux/page/all-4-h-forms-including-enrollment-forms-fair-and-record-keeping>)
4. All pets must be enrolled in 4-H Online by May 15
5. All pets must be entered in FairEntry at <http://sioux.fairentry.com> by June 15. NO LATE ENTRIES ACCEPTED.

Information you may want to include in your project booklet:

- Your goals and what you did learn
 - Daily care and responsibilities
 - Special care – veterinarian or other
 - Why you chose this pet
 - How your pet fits into your family's life style
 - What you enjoy most about your pet
 - What are the biggest challenges with your pet
 - Would you recommend this pet to others – why and why not
6. Pictures may also be included. In some cases, it will be acceptable to enter only the care booklet, a decision to be made by the 4-H member. Care booklets should be turned into the fair office by 5:00 p.m. Monday of the fair for evaluation prior to pet judging.
 7. Entries will not remain on the fairgrounds, but will be present only for the time of the pet show.

Official 4-H Regulations Pertaining to County, State and Interstate Shows for Dogs (4-H106e)

Ownership

1. Dogs must be individually or family owned for handling classes.
2. In dog obedience classes when the 4-H'er is the trainer, ownership of the animal is not required; however, the 4-H'er should take an active role in the care and training of the dog.
3. When registration papers are involved, the papers must either be in the 4-H'ers name or show a logical family relationship. (This applies only in handling classes.)
4. Dogs changing ownership after being identified as a project are ineligible to be exhibited as 4-H animals for that 4-H year.

Identification

1. Dogs must be identified by name, rabies vaccination number and information about training.
2. Animals identified as a part of a 4-H project cannot also be identified as an FFA Project.

Deadline

Dogs must be identified in 4-H Online and in the 4-H'ers possession by May 15

All dogs must be entered in FairEntry at <http://sioux.fairentry.com> by June 15. NO LATE ENTRIES ALLOWED

1. Mixed and purebred dogs are allowed. Age 5 months and up
2. Exhibitors and each dog must attend 7 of the 9 scheduled classes to be eligible to show at the Sioux County Youth Fair.
3. Dogs may be entered in the pet division as well as dog obedience.
4. Current certification of vaccinations needed, including rabies. This is an absolute MUST to participate in the scheduled project classes. Bring documentation to the first class session.
5. Dogs are to be exhibited by the 4-H'er.
6. The dog originally enrolled must be the dog shown. No substituting of dogs.
7. A 4-H'er may show more than one dog with each dog being in a different obedience class. (No dog may be exhibited in more than one obedience class.)
8. Any female dog in season may not be exhibited or attend obedience class.
9. All dogs must be signed up for obedience class to be in handling class. Handling class entry is optional.
10. Any handler and dog that received blue ribbon in a previous class are encouraged to advance to the next class. (exception – 2 years allowed in Pre-Novice B)
11. Superintendents reserve the right to advise advanced handlers as to class participation.
12. The trainer, or superintendents, reserve the right to excuse any dog that shows aggressive behavior during the classes and at the show.
13. Entries will not remain on the fairgrounds, but rather must be present only for the show. All dogs must be on leash or crated while waiting for their class to be called.
14. Exhibitor Conduct – Exhibitors shall not strike dogs nor use any other unnecessarily harsh physical means of disciplining dogs. The exhibitor shall be ready with the dog when their class is called. Each exhibitor is expected to act in a sportsman-like manner at all times.
15. Exhibitors are reminded to bring necessary equipment to provide adequate care for their dogs during waiting periods. (Water or food)
16. Blue, Red and White ribbons will be awarded. All age groups and all classes will compete together.
17. Check-in time 7:30 a.m., Tuesday July 11. Dogs not identified with proper ID on 4-H Online will NOT be allowed to show.

Rally Obedience Objectives, Description and Guidelines

Objective: Rally offers both the dogs and handlers an experience that is fun and energizing. It provides a variety of exercises that are a continuation of exercises already learned in obedience class. Rally-O encourages a strong team bond between handler and dog. The main objective of rally is to produce dogs that have been trained to behave in the home, in public places, and in the presence of other dogs, in a manner that will reflect positively on the sport of rally at all times and under all conditions.

Dog Obedience Division:

Class 30101 Pre-Novice A

- First year of training for dog AND handler

Class 30102 Pre-Novice B

- Dog and/or handler must have completed one year of pre-novice training – exhibitor may enter this class for a maximum of two years.

Class 30103 Novice

- Dog and handler that have successfully completed a pre-novice.
- Dog must be off leash at least part of the time.

Class 30104 Graduate Novice

- Dog and handler must have successfully completed novice.
- Dog must be off leash all of the time.

Champion and Reserve Champion Dog Obedience

Description: AKC Rally is the new dog sport that is taking the nation by storm. The canine team moves at their own pace, Rally was designed with the traditional pet owner in mind, but can still be very challenging for those who enjoy higher levels of competition.

A rally course includes 10 to 20 stations depending on the level. These stations are variations on obedience exercises. Scoring is not as rigorous as traditional obedience. Communication between handler and dog is encouraged and perfect heel position is not required, but there should be a sense of teamwork between the dog and handler. Unlimited communication between handler and dog is encouraged and not penalized.

Rally Ring:

- Ring size 40 x 50; adjusted slightly as needed (at least for Rally Novice).
- Floor covered with mats.

Rally Novice – For student/dog team that have completed a minimum one year of obedience.

Rally O – Option to add Rally Advanced and Rally Excellent as entries dictate. The rules for this event would closely follow AKC Rally rules, adjusting for the 4-H setting.

Dog Rally Division

Class 30301 Rally Novice

- For student/dog team that have completed a minimum one year of obedience

Class 30302 Rally Advanced

Class 30303 Rally Excellent

Dog Agility Division:

1. All first and second year exhibitors must enter and exhibit their dog in obedience class in order to participate in the agility division.
2. Third year or beyond exhibitors must enter and exhibit their dog in an obedience and/or rally class in order to participate in the agility division.
3. Scoring for all agility classes will be based on performance and course time.
4. The exhibitor is limited to one entry per class.
5. Agility classes will use a variety of equipment which may include any of the following: 12' dog walk, 9' A-frame, 12' teeter, single jumps, double jumps, triple jumps, weave poles, panel jumps, board jump, pipe tunnel, closed tunnel, pause table and tire jump.
6. Any dog who has received an agility title should be shown in classes 30306 or above.

Class 30304 Beginners Agility A

For dogs and exhibitors in their first year of dog agility training. Dogs will follow a course on leash.

Class 30305 Beginners Agility B

For dogs in their second year of agility training or for exhibitors that have trained a dog in agility before, but this is the first year for the dog.

Class 30306 Novice Agility

Hot Sheets and Tip Sheets for Project Areas are very helpful for preparing your project and understanding what the judge is looking for. They are available online at:

Hot Sheets: <http://www.extension.iastate.edu/4h/page/4-h-project-hot-sheets>

- Hot Sheets give great ideas for projects as well as lists of resources and suggestions for communication, citizenship and service for each project area.

Tip Sheets: <http://www.extension.iastate.edu/4h/page/exhibit-tip-sheets>

- Tip sheets provide information about what the judge is looking for in specific project areas. Special goal sheets are available for these project areas that will help remind you to include this information.

General Exhibit Rules

1. 4-H'ers who have completed 4th grade through 12th grade (or that equivalent) are eligible to exhibit at the Sioux County Youth Fair. Exhibitors in 6th -12th are eligible for static project work to qualify for the Iowa State Fair. 4th – 6th grade are eligible for Junior Merit recognition.
2. Eligible exhibits are an outgrowth of work done as a planned part of the 4-H'er participation in 4-H projects or programs **during the current 4-H year**. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program. Group entries will receive one ribbon and one premium.
3. **Check-in for Static, Communications, Working exhibits and Clothing Event will be Monday, July 10 from 5:00 p.m. – 8:00 p.m. Food entries must be checked in on Monday evening by bringing your goal sheet and write up. The food entry itself can be brought in on Tuesday for judging. If an exhibitor is missing a goal sheet or write-up, they will have the opportunity to bring it in judging day. The purpose of this is to make things a bit less hectic and stressful for the exhibitors on judging day.**
4. All exhibits **including communication, working exhibits and clothing event** must be entered in FairEntry at <http://sioux.fairentry.com> by July 6, 2016. All exhibits will require a printed exhibit card to record results and premiums. You MAY change the class on up to 3 exhibits the day of check in but all exhibits must be pre-entered by the deadline. **All exhibits must have an adequate description. Examples of adequate descriptions include: "Apple pie" "Photo of baby with flowers" "refinished chest of drawers" "flower arrangement containing roses" "red dress". Examples of inadequate descriptions include but are not limited to: "Photo" "Hmm" "X" "Food" "wood project" "flowers" and so on. Entries with inadequate descriptions will be rejected and you will have the opportunity to fix the description. If the description is inadequate the final night of sign up, we will accept the entry but the project will not be considered for State Fair or be able to be awarded a Jr. Merit ribbon.**
5. Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class.
6. Exhibits that do not comply with the description, size guidelines, copyright restrictions, safety and approved methods will be judged but are disqualified and not put on public display.
7. If the exhibitor chooses a display to illustrate what was learned:
 - a) Posters may not exceed 24" x 36" in size.
 - b) Chart boards, graph boards, project presentation boards, model displays, etc. may not exceed 48" x 48" in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
 - c) Display boxes may not exceed 28" x 22" in height or width and 12" in depth.
8. Endangered and threatened plants and animals (including insects) or songbird feathers and nests may NOT be used in any exhibit.
9. Copyrighted materials and designs may not be used in an exhibit that is presented as original work by the exhibitor. Exhibitors must include permission from the copyright holder/owner when using copyrighted materials. Exhibitors must give proper credit to the original source of all materials/designs used in exhibits. (See also special rules for Visual Arts and general copyright information for 4-H'ers.)
10. The 4-H'er's goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, workmanship and techniques, and general appearance and design. Exhibitors will receive written evaluation comments on the exhibits and a blue, red, or white Iowa State Fair exhibitor's ribbon. Refer to exhibit class evaluation rubrics for detailed evaluation criteria in each class. Rubrics are located on each 4-H project page at www.extension.iastate.edu/4h/ .
11. A goal sheet with a written explanation, audio recording or video recording is to be included as part of each exhibit. The exhibitor should respond briefly to the following questions about the exhibit:
 - a) What did you plan to learn or do? (What was your exhibit goal(s)?)
 - b) What steps did you take to learn to do this?
 - c) What were the most important things you learned?

- d) What other ideas do you have for this project area?
- e) List your expenses and/or profits in this project
- f) List the sources you used for your project (i.e. books, magazines, people, internet, projects you've seen, craft stores and more)
- g) Goal sheets are available online at <http://www.extension.iastate.edu/sioux/page/all-4-h-forms-including-enrollment-forms-fair-and-record-keeping>

Project specific goal sheets include:

- Child Development
- Personal Development
- Woodworking
- Original Art
- Safety and Shooting Sports
- Citizenship
- Horticulture/Houseplants
- Health

***Check for additional requirements in exhibit classes for food and nutrition, photography, and visual art classes.

12. All judges' decisions are final.

13. No entry fee is required.

14. All exhibits must remain until 3:00 p.m. on Sunday, July 16.

They will be judged not only on the condition of the plant, but also on the container (does it complement the plant, is it in proper perspective to the size and height of the plant, etc.) and also the growth record (new shoots, etc.).

Sub-Class 002 – Blooming House Plants -several varieties in this category might include: violets, begonias, peace lilies, geraniums, gloxinias, etc. Entry must be in bloom at the time of judging. Judging will include the blossoms, foliage, container and care record.

Sub-Class 003 – Succulents -members of the cactus family. Since cacti require very little care; this category requires that entrant must group several cacti in a dish garden adding colored stones, and/or novelties. Entry will be judged on arrangement of dish garden and condition of cacti.

Sub-Class 004 – Mixed Plants - arrangements using a mixture of foliage and succulents and appropriate accents. Entry must include plants that grow well together, using the same light and water conditions. Entry will be judged on plant conditions, arrangement and choice of container.

Sub-Class 005 – Propagated Potted Plant – plant started from a leaf or stem cutting. Identify, label and outline the procedure used in propagating.

Sub-Class 006 – Terrarium – must include container, soil, charcoal, moss, plants and cover – may contain other decorative items. Start EARLY to allow time for plants to form roots.

Terrarium Evaluation based on

- Plant selection
- Quality
- Suitability of container and design

Sub-Class 007 - Houseplant in Hanging Containers - container should not be more than 10" deep. Maximum length of container and plant should not exceed 4 feet.

Hanging Container Evaluation will be based on

- appropriateness of container
- hanger to plant relationship
- plants well established
- exhibit includes information about both common and botanical names as well as light and moisture requirements for all plants in the exhibit

Sub-Class 008 – Plant Care Comparison – a display showing some aspect of indoor gardening – such as:

- effect of light on plants
- effect of fertilizer
- effect of different soil mixtures on plant growth

All exhibits must be entered into FairEntry at <http://sioux.fairentry.com> by Thursday July 6. All exhibits require a printed exhibit card to record results and premiums. **All exhibits will be checked in on Monday, July 10 between 5:00 and 8:00 p.m.**

1. Only one poster per 4-H'er may be entered.
2. All posters must be designed on, or affixed to, standard poster board or foam core board—size minimum of 14" x 20" or maximum of 15" x 22". Posters may be vertical or horizontal. Posters may be any medium: watercolor, ink, crayon, acrylic, charcoal, oils, and collage.
3. Posters **cannot** be 3-dimensional. Materials used to make the poster may **not** extend more than 1/8 inch above the poster or foam core board.
4. Each poster **must** have the completed Poster Exhibit Entry Form attached to the back.
5. Posters **cannot** use copyrighted material or exact copies of other promotional designs, such as the Iowa 4-H Youth Conference theme logo.
6. 4-H'ers may include the 4-H clover in the poster.
7. The themes for "Communicating Through 4-H Posters" are:
 - a. 4-H is . . . (open to 4-H'er's interpretation)
 - b. Join 4-H
 - c. **2017 Iowa 4-H Youth Conference theme – Start Your Future Here**
 - d. **2017 Iowa State Fair theme – Nothing Compares**

Communication Event entry participants and presentation descriptions must be entered into FairEntry by July 6.

(Ed Pres, STF, Ext. Speaking and WE)

1. Presentations may be on any topic. The topic should determine the length, but Intermediate and Senior presentations should not exceed twenty minutes. Junior presentations should not exceed fifteen minutes.
2. Point of Emphasis: Introduction, Body, Summary/Conclusion. Educational presentation participants are expected to include all three of these in their presentation.

Ask for the 4-H Communications resources, including the new "Express Yourself" 4-H CCS units. Also available are the Communication Hot Sheets and Tip Sheets. Comments from a communication judge are: remember the importance of an Introduction (use a catch phrase or ask a question), Body, and Summary/Conclusion (repeat important information, or state, "this is what I want you to know/remember, the most important thing...") in speeches, demonstrations, and presentations. Following your presentation, ask, "Are there any questions?" If someone does ask a question, repeat the question so the audience (judge) can hear it. Then answer the question the best you can. If you can't answer it, or don't know the answer, just say that. Don't try to make something up. It is helpful to include an information poster to help reinforce your main points. You **MUST** remember to site your source, whether that is a person, book, internet web page or a combination of sources.

Speeches will be evaluated using the following criteria:

- (1) Content related to topic
- (2) Knowledge of the subject
- (3) Organization of material
- (4) Power of expression
- (5) Voice
- (6) Stage presence
- (7) General effect
- (8) Response to questions

3. Presenters are expected to comply with all copyright/trademark regulations. Copyrighted material may not be distributed without permission.
4. Use of sanitary and safe procedures and methods is always important, particularly if food samples are available to the audience.
5. The composition of your educational presenters can be individual or any combination of junior, intermediate and senior 4-H'ers. A team consisting of youth that are of mixed ages must be entered in the class of the oldest team member.
5. Educational presentations prepared for school activities or competitions are eligible. Be sure to revise them, if necessary, to be appropriate for a fair setting.
6. Participants in Educational Presentations are invited to give their presentation at the Tuesday evening Awards program. 4-H'ers wishing to do so should contact the Fair Office.
7. A maximum of six presentations may be chosen to advance to competition at the Iowa State Fair. Junior participants in this department must be in the 5th or 6th grade to participate at the State Fair.

8. A maximum of two Junior and/or Intermediate presentations may be chosen to compete at the Clay County Fair.
