Log into 4H Online: http://iowa.4honline.com

Enter your email address and the password you created when you re-enrolled.

This will take you to the Member List which includes your family members enrolled in 4H.

Click “Edit” to the right of the member listed. You will then be sent to that member’s Personal Information Screen.

On this screen, there will be a 5th dot that will say Animals. Click on the word Animals to go to your Animal ID screen.

You will then see a drop down box and any previously entered animals listed in a manner similar to the picture.

Select the animal you want to enter and click the add button (hidden in photo by drop down).

This will take you to the corresponding entry screen for your animal as depicted below and on the following page. Note that in some selections will activate extra entry fields (Example: selecting Registered will in some cases show a Breed drop down box.)

Note: Youth will not be able to enter Market weigh-in animals (beef, sheep, & swine). Please refer to the Livestock Verification Help sheet for more information on this process.
Enter the information requested and click the save button. **All animal ID’s must be submitted no later than May 15th, 11:59 p.m.**
