

# Exploring the Treasures of 4-H Day Camp

Saturday, August 29<sup>th</sup>, 2009

Domanique introduces herself and talks about what she likes to do

Now it's Toby's turn to introduce himself and talk about his interests.

Kolton & Noah experiment with their pennies in the Shine, Shine, Shine activity

Scarlett, Casey, Domanique, Emily, and Emily show the results of their penny experiment.

Madison, Maggie, Claudia, Caressa, and Claire show us their shiny penny.

Hemal, Austin, & Toby with the  
experiment results
