

Fremont County

August 2010

Greetings Fremont County!

August 2010 Newsletter

Congratulations on a great 2010 fair!

The 2010 Fremont County Fair is over and what a success it was! We had a great turnout of guests and we can't wait to see what next year's fair will hold for us. I hope you all had a great time and enjoyed the summer weather. Thank you to all of the volunteers, staff, and 4-H families who helped make this possible. Good luck next year and keep the great work up in this upcoming year.

Sincerely,

Andrea Rexroth, Anne Chambers,
Heidi Lowthorp and Emily Aistrophe

Record Book Deadline

Don't forget to complete those record books. The deadline to turn in your records books to the extension office will be Sept. 15 at 5 p.m. Those who complete and turn theirs in on time will be eligible for a record book t-shirt and record book awards. Remember that part of being able to go on the CWF trip to Washington D.C. involves complete and on-time record books for three years prior to the trip in 2012.

A few record book tips....

Remember to be **NEAT** and **ORGANIZED** as much as possible when completing your record book. Use a computer or typewriter if one is available; it is so much easier for us to read. If you are handwriting your record book, do your best not to scribble or cross out words. Instead use white out or start over. Also make sure to watch punctuation, spelling, etc. A great way to be organized is to use tab dividers, this will really help in the judging process.

Don't forget to say THANK YOU!

Don't forget to write those thank you notes. I know it's not the most fun thing, but when someone gets a thank you card it is really uplifting. A lot of people around southwest Iowa put a lot of hard work, dedication, and support into your 4-H program and now it's your turn to thank them for all they have done. Even if you can't send a thank you card, make sure to call them up or when you see them on the street let them know how much their hard work, dedication, and support really means to you.

Things to write thank you cards for....

FAIRBOARD AWARDS!!!

Congratulations to William Green (Washington P.E.P.) and Jordan Laughlin (W.M.P.)! Each were awarded \$50 by the Fair Board in the 4-H exhibitor drawing.

What should a record book consist of?

Don't fret if you don't know, I have helped you out....just look down below.

Record Book Covers- Some clubs provide these, others do not. If your club doesn't come on down to the Extension Office and we will hook you up with one for \$2.75. Remember! You must have a cover!

Cover Sheet- This sheet will include a picture of you, your name, club, age, and grade level

Table of Contents- Once again with this table of contents it is so much easier to judge, and it helps with future reference for yourself and 4-H'ers you might mentor in the future. Personalize it, make it fun. Don't worry with page numbers, we don't need them. Just list things in order in the way they will be found. Remember to list projects out by what they are and how many years you have participated in that project area.

Yearly 4-H Summary- This should consist of your activities in 4-H this past year. Also make sure to include other things such as; home, school, and community activities. These are available on the Web or at the Extension Office.

Personal Goal Record- With this, you should list your overall goals for the 4-H year. Goals for individual projects should be listed in your 4-H Project Records.

4-H Project Records- You will need to complete one project record for each project you are enrolled in-regardless of whether or not you took an entry to fair. There are 3 levels; Basic (junior members), Experienced (intermediate members), and Advanced (senior members). Once again, these are available on the web or at the Extension Office. You may include a fair write-up behind the project record form.

Project Worksheets- Many projects have a worksheet that you will complete and in-

clude in the above forms. These need to go behind the project record forms. Once again, these are available on the web or at the Extension Office.

Project Related Pictures- Get creative with this! Show your personality! The best thing about judging record books is seeing pictures of you working on/with your projects.

4-H Story- This is a requirement and it should not be a repeat of your 4-H yearly summary. Your story should sum up your year's accomplishments, new things you tried in 4-H, clubs, activities, community service, future plans, what 4-H has taught you. Anything that you feel should be in your story you should put in. Once again get creative.

Supporting Materials- This item includes club minutes, newspaper articles, etc. We ask that you do not put ribbons, receipts, or letters in your supporting materials.

Record Keeping Self Evaluation- Remember to be honest with yourself as you complete this!

Previous Year's Records- Make sure to have your current year on top! Also, make sure to turn in all materials, especially if you have more than one book.

National 4-H Week

This is our time to shine! Try and recruit as many new members as possible, even if they can't join your club. Give presentations at school to 4th, 5th, and 6th grade kids. Tell them all of the things you get out of 4-H, all of the different activities you can participate in, the EXTREMELY AWESOME camps you are able to attend. Do an activity with them that they could do for a project in 4-H (they always love activities). Tell them all about our amazing, fun, cool, exciting, enjoyable county and county fair. This year's National 4-H Week falls on October 4th-10th, so let's get

out in our community and show them what 4-H in Fremont County is all about.

It's time to "Set the Stage" at the Iowa State Fair

Do you and your family need just a quick vacation or a fun outing? Well why not head to Des Moines to experience the 2010 Iowa State Fair. The Iowa State Fair starts up on August 12th and goes till the 22nd. They offer many free entertainments and a lot of fun activities for every age. I encourage you all to try and make it up there. You can experience a huge carnival, sit in on the Bill Riley Talent Show, try basically any food on a stick, meet new friends, or even support our 2010 Fremont County Fair Queen as she competes in the Iowa State Fair Queen Competition. Whatever floats your boat, go out and set the stage at the Iowa State Fair.
