2012 Livestock Fair Book
2012 HEALTH REQUIREMENTS FOR THE EXHIBITION OF LIVESTOCK, POULTRY AND BIRDS AT STATE FAIR, DISTRICT SHOWS AND EXHIBITIONS

SECTION 1 - GENERAL

A. All animals, poultry and birds intended for exhibition within the State of Iowa will be considered underquarantine and not eligible for showing until the owner or agent presents a CERTIFICATE OF VETERINARY INSPECTION, stating the animals, poultry or birds are apparently free from symptoms of infectious or communicable diseases as determined on clinical inspection by an accredited veterinarian within 30 days (14 days for sheep) prior to date of entry to exhibition grounds.

B. INDIVIDUAL CERTIFICATES OF VETERINARY INSPECTION WILL NOT BE REQUIRED in certain classes, if the division superintendent has made prior arrangements with the official fair veterinarian to have all animals and/or birds inspected on arrival and prior to exhibition.

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESES, OR ANY OTHER CONTAGIOUS DISEASE WILL ELIMINATE THE ANIMAL FROM THE SHOW.

CONSULT YOUR STATE AND/OR COUNTY FAIR BOOK FOR ADDITIONAL OR SUPPLEMENTAL REGULATIONS.

SECTION 2 – BREEDING CATTLE

TUBERCULOSIS (Iowa is Class Free):

Cattle originating from an accredited-free state or zone may be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection that lists official individual identification. Cattle from a herd or area under quarantine for tuberculosis may not be exhibited. Cattle from a state or zone which is not an accredited-free state or zone must meet the following requirements:

1. An individual animal test conducted within 60 days of the exhibition, or

2. Originate from a tuberculosis accredited-free herd, with the accredited herd number and date of last test listed on the Certificate of Veterinary Inspection.

BRUCELLOSIS (Iowa is Class Free):

A. Native Iowa cattle originating from a herd not under quarantine can be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection, showing official individual identification, including an USDA approved alphanumeric tag, calfhood vaccination tag or purebred registry tattoo.

B. Cattle originating outside the state must meet one of the following requirements:

1. Originate from Brucellosis Class "Free" states, when accompanied by a Certificate of Veterinary Inspection and showing individual official identification, or
2. Official vaccinates under 24 months (beef), 20 months (dairy), when accompanied by a Certificate of 
Veterinary Inspection, showing official calfhood vaccination and individual official identification, or 

3. Animals of any age originating from a herd not under quarantine when accompanied by a Certificate of 
Veterinary Inspection, showing a report of a negative brucellosis test conducted within 30 days prior to 
opening date of exhibition and individual official identification, or 

4. Originate from a certified brucellosis free herd, accompanied by a Certificate of Veterinary Inspection, 
showing individual official identity, herd number, and date of last test, or 

5. Calves under 6 months of age when accompanied by a Certificate of Veterinary Inspection, showing 
individual official identification. 

NOTES: 
1. All brucellosis tests must have been confirmed by a State-Federal Laboratory. 
2. All nurse cows which accompany calves to be exhibited must meet above health requirements. 
3. All cattle and bison originating from states not officially classified as brucellosis or tuberculosis free must 
obtain a pre-entry permit from the Iowa State Veterinarian’s Office. (515.281.5547) 

SECTION 3 - MARKET BEEF CATTLE 
Steers and beef- type heifers exhibited in market classes must be accompanied by a Certificate of Veterinary Inspection, 
showing individual identification for each animal and originate from a herd not under quarantine. 

SECTION 4 - SWINE 

GENERAL: 
1. All swine must be individually identified on a Certificate of Veterinary Inspection and originate from herds or areas not 
under quarantine. Plastic tags issued by 4-H officials can be substituted for an official metal test tag, when an additional 
identification (ear notch) is also recorded on the test chart and Certificate of Veterinary Inspection. All identification is to be 
recorded on the pseudorabies test chart and the Certificate of Veterinary Inspection. 

BRUCELLOSIS (Iowa is Class Free): 
1. Native Iowa Swine--No brucellosis test required for exhibition purposes. 
2. Swine from Out of State--All breeding swine six months of age and older must either: 
   A. Originate from a Brucellosis "Free" state; or 
   B. Originate from a brucellosis validated herd with herd certification number and date of last test listed on the 
Certificate of Veterinary Inspection; or 
   C. Have a negative brucellosis test conducted within 60 days prior to show and confirmed by a state-federal 
laboratory. 

1) AUJESZKY’S DISEASE (PSEUDORABIES) - ALL SWINE (Iowa is Stage V) 
1. Native Iowa swine. Native Iowa swine originating from a Stage 4 or lower status county must present a test record 
and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies 
within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), 
regardless of the status of the herd, and that lists the individual official identification. Native Iowa swine 
originating from a Stage 5 status county must present a Certificate of Veterinary Inspection listing individual

2012 Iowa Exhibition Regulations
official identification. No pseudorabies testing requirements prior to the exhibition will be necessary for native Iowa swine originating from Stage 5 counties. Electronic identification will not be considered official identification for exhibition purposes.

2. Swine originating outside Iowa. All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and that lists the individual official identification. Electronic identification will not be considered official identification for exhibition purposes.

SECTION 5 - SHEEP AND GOATS

1. All animals must be individually identified on a Certificate of Veterinary Inspection and originate from herds or areas not under quarantine. The Certificate of Veterinary Inspection for sheep will require clinical inspection by an accredited veterinarian within 14 days (30 days for goats) prior to date of entry to exhibition grounds.

2. A. All sexually intact sheep must be identified with an individual Scrapie Flock of Origin identification tag and this number must be listed on the Certificate of Veterinary Inspection. Tag number listed on Certificate of Veterinary Inspection must include the flock identification number and the individual animal number—Ex. 001A0000-0000

B. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG), and the complete ear tag number (Ex. 001A0000-0000) or complete ear tattoo number must be listed on the Certificate of Veterinary Inspection. The Certificate of Veterinary Inspection must also include a statement certifying the herd’s participation in the Scrapie program.

If you use tattoos instead of scrapie tags:

- Complete numbers from both ears (or complete tail or flank numbers) must be listed on the Certificate of Veterinary Inspection.
- Herd tattoo prefix must be registered with USDA by calling 1-866-USDA-TAG (1-866-873-2824).
- A statement must be included on the Certificate of Veterinary Inspection indicating that the herd participates in the scrapie program, and listing the official tattoo registered to the herd.

3. Any evidence of club lamb fungus, ringworm, draining abscesses, foot rot, sore mouth, or any other contagious disease will eliminate the animal from the show.

4. Goats originating from outside of the state exhibiting at a state or district show and considered for sale at the exhibition must originate from a state certified brucellosis free herd, or the animal(s) exhibited must have a negative brucellosis test performed within 90 days of the exhibition. In addition, they must originate from a herd having a whole-herd negative Tuberculosis test within the last twelve months, or the animal(s) exhibited must have a record of a negative tuberculous test performed within 90 days of exhibition. Brucellosis and tuberculosis class “free” state status for bovines is not recognized for goats moving into Iowa.

Goats originating from outside of the state exhibiting at a state or district show and returning to the premises of origin are exempt from testing requirements if the certificate of veterinary inspection meets all general requirements, identification requirements and has the following statement written by the licensed accredited veterinarian on the certificate of veterinary inspection: “The goat(s) listed are for exhibition only and not for resale.”

SECTION 6 - HORSES AND MULES

All horses shall be accompanied by a Certificate of Veterinary Inspection with individual identification, or a description of the individual animal. These requirements apply to all horses entering the fairgrounds.

Native Iowa horses and mules can be exhibited when accompanied by an individual Certificate of Veterinary Inspection listing a description of the individual animals.

All equine originating from outside the state shall be accompanied by a Certificate of Veterinary Inspection listing a description
of the individual animals; and indicating that each animal six months of age and older in the shipment has had a negative official equine infectious anemia test within twelve months of importation. The testing laboratory, accession number, and date of test must appear on the Certificate of Veterinary Inspection, or a copy of the Coggins (EIA) test paper must be presented.

SECTION 7 - POULTRY AND BIRDS

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B)

SECTION 8 - DOGS AND CATS

All dogs and cats exhibited must have a current rabies vaccination certificate. (SEE GENERAL SECTION 1.B)

SECTION 9 - FARM DEER

Accredited veterinarians must be approved to administer tuberculosis tests on Cervidae.

"Cervidae" means all animals belonging to the cervidae family, and "CWD susceptible cervidae" means whitetail deer, blacktail deer, mule deer, red deer, elk and moose.

1. Native Iowa cervidae. Native Iowa cervidae may be exhibited from a herd not under quarantine without additional testing for brucellosis or tuberculosis. Native Iowa cervidae may be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection that lists individual official identification.

   A. All CWD susceptible cervidae must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. Cervidae originating from a herd with a diagnosis, signs, or epidemiological evidence or an area under quarantine for chronic wasting disease shall not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:

      "All Cervidae on this certificate originate from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year."

   B. Other cervidae. For all other cervidae, the following statement must appear on the Certificate of Veterinary Inspection:

      "All Cervidae on this certificate have been part of the herd of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year."

2. Cervidae originating outside Iowa. Cervidae originating outside Iowa must obtain an entry permit from the State Veterinarian's Office prior to import into Iowa. Cervidae originating outside Iowa which are six months of age or over must originate from a herd not under quarantine and be tested negative for Tuberculosis (TB) within 90 days of exhibition by the Single Cervical Tuberculin (SCT) test (Cervidae), or originate from an Accredited Herd (Cervidae), or originate from a Qualified Herd (Cervidae), with test dates shown on the Certificate of Veterinary Inspection. Herd status and SCT test are according to USDA Tuberculosis Eradication in Cervidae Uniform Methods and Rules effective January 22, 1999.

Cervidae originating outside Iowa which are six months of age or over must also be tested negative for Brucellosis within 90 days of exhibition, or originate from a Certified-Brucellosis Free Cervid Herd, or a Cervid Class Free Status State (Brucellosis). This negative status must be determined by Brucellosis tests approved for cattle and bison and tested in a cooperative state-federal laboratory.

   A. All CWD susceptible cervidae must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. The originating herd must have achieved a CWD status equal to completion of three years in an approved CWD
monitored program, and the CWD herd number and enrollment date must be listed on the Certificate of Veterinary Inspection. Cervidae originating from a herd with a diagnosis, signs, or epidemiological evidence or an area under quarantine for chronic wasting disease shall not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:

“All Cervidae on this certificate originate from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year.”

B. Other cervidae. For all other cervidae, the following statement must appear on the Certificate of Veterinary Inspection:

“All Cervidae on this certificate have been part of the herd of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year.”

SECTION 10 – RABBITS AND OTHER SPECIES

(SEE GENERAL SECTION 1.B)

THE VETERINARY INSPECTOR IN CHARGE SHALL ORDER ANY ANIMALS, POULTRY OR BIRDS, WHEN FOUND TO BE INFECTED WITH ANY CONTAGIOUS OR INFECTIOUS DISEASES, TO BE REMOVED FROM THE FAIR OR EXHIBITION.

The Hancock County Fair Board takes this opportunity to invite everyone in the county to "YOUR FAIR". The success of the District Fair is made possible through your continued support and interest in our youth—the leaders of tomorrow. We welcome everyone who is interested in our 4-H and FFA members as well as the many commercial exhibitors. The Fair Board hopes town and rural people will attend the fair to see what our young people have been learning with their clothing, home furnishings, foods, livestock and other project areas throughout the year. In addition, the many commercial exhibitors welcome you to visit their displays during the District Fair.

General Rules and Regulations

1. No one will be permitted to drive around the fair buildings except to unload. All vehicles must be parked in the lot south of the fair buildings or other designated areas. Livestock trailers are to be parked in the race track pit area. All cars and trucks must be moved to the parking lot after unloading. Bicycles, mopeds, and motorcycles are to be parked near the entrance gate.

2. The Fair Board reserves the right to interpret these rules and arbitrarily settle all matters, questions and differences in regard thereto or otherwise arising out of, connected with, or incident to the Fair.

3. Under no circumstances will anyone or firm be allowed to place advertising matter upon buildings, fences or other places on the grounds, except by special permission of the Fair Board. Nor will anyone be permitted to distribute any advertising at any point outside the space assigned to them.

4. All decorations shall be “flame proof” or approved by the fire prevention bureau. All tents shall be “flame proof” and owners shall have proof of the same.

5. Exhibits will be an outgrowth of the members’ work in 4-H or FFA.

6. No animals shall be permitted around the food stands.

7. No animals (including dogs and cats) are allowed in the exhibit buildings.

8. A six foot (6’) alleyway must be maintained in the cattle barn for safety purposes. Exhibitors of animals found with drug or illegal drug residues will forfeit any and all premium on animal. The exhibitor will reimburse any and all buyers for losses. The Fair Board reserves the right to deny the exhibitor from showing at a future Hancock County District Fair.

Judges and Judging

1. Every judge is asked to read the Hancock County District Fair Rules and Special Rules of the Dept. he/she is to serve.

2. Every judge shall report to the Superintendent any exhibitor or exhibitors who in any way, whether by person or agents, interferes with the judging or shows disrespect toward the judge. The superintendent may demand an apology from such exhibitor and the Fair Board may withhold any or all premiums.

3. Each judge and any person acting as clerk to the judge must use special care to see that the award is properly recorded.

Any decision as to soundness of any animal made by the official veterinarian and the judges shall be final.

Hancock County District Fair Rules

1. The Hancock County District Fair is open to all youth who are 4-H members of Hancock County 4-H clubs or to FFA members whose chapter (school district) includes a portion of Hancock County. FFA member must be enrolled under the supervision of an Ag Education Instructor and in good standing with the chapter. FFA member eligibility is governed by National FFA rules. 4-H and FFA exhibitors from surrounding counties (Worth, Cerro Gordo, Franklin, Wright, Humboldt, Kos-suth and Winnebago) may enter livestock exhibits. See specific department for entry fee, class information, entry and release times.

2. 4-H Livestock Identification Forms of a member’s livestock projects must be on file at the County Extension Office by May 15 to be eligible for exhibition. This shall include exhibits for swine, sheep, dairy, beef breeding heifers, horses and dogs. Identification forms for cats, meat rabbits, poultry and other pets are due June 15.

3. FFA livestock projects will be identified on a form provided by the Fair Board and filed with the County Extension Office by May 15.
4. All 4-H and FFA market beef identification forms must be filed with the County Extension Office by February 1 to be eligible to show.

5. All livestock shipped under the marketing plan provided by the Fair will be at the owner’s risk. The Fair Board and its management will use all diligence to insure safety of stock or articles intended for exhibition, after their arrival and placement on the grounds, but under no circumstance will it be responsible for any loss, injury or damage done to, occasioned by, arising from any animal or article on exhibition or shipment, and the exhibitor shall indemnify the Fair Board and its management of all legal or other proceedings.

6. Swine, Lambs and Sheep entry time will be on Wednesday. Beef, Dairy Goat, Dairy, Bucket/Bottle Calf, Horses and Poultry exhibits will enter on Thursday. Rabbit exhibits will enter on Friday. Pet, Cat and Dog entry is on the day of their show. Refer to the Dept. or Fair Schedule for specific entry times. No unauthorized livestock exhibits should be brought prior to the assigned time.

7. All exhibits will be released at 5:30 p.m., Sunday, except entries to be consigned to livestock auction on Monday. Early removal of any exhibit will result in forfeiture of premium for that project and may affect eligibility to show at future fairs.

8. All stalls and pens will be provided. Only hanging fans are to be used. Grooming chutes will not be allowed in buildings, except with Fair Board approval. No washing of swine exhibits after 8:00 a.m. on day of their show.

9. Members must furnish their own feed and bedding and all necessary equipment for feeding and watering.

10. All animals must be exhibited in the class entered.

11. All animals should be shown by the owner, if possible.

12. No animal will be awarded a premium unless brought properly into the show ring when its class is called. All livestock will be placed according to purple, blue, red, and white ribbon groups.

13. All cattle must be broke to lead for show in the halter classes.

14. The judge may use his/her own discretion in awarding ribbons as the animals or articles may deserve. A Grand and Reserve Grand Champion will be selected from the purple ribbon group provided there are animals to merit the award.

15. Rules and regulations of the Fair Board and the 4-H program will govern any disputed points in all entries.

16. All exhibitors must stay with their market beef, swine, and sheep until they are loaded in trucks after the auction.

17. Livestock premiums will be withheld if the exhibitor removes his/her project prior to the designated release time or if the exhibitor is not available when his/her project is being loaded in a truck after the auction.

18. Members auctioning poultry and rabbit exhibits are to provide box(es) to contain the animals.

19. Livestock premiums will be mailed to each exhibitor as soon as possible and all premium checks must be cashed within 90 days of being received.

20. Each exhibitor must clean out his/her stall when the fair is completed. Clean-out must meet the approval of the superintendent of the division. The Fair Board may refuse to pay the premium to an exhibitor who does not stay and clean up his/her stall.

21. Clean-out of stalls and pens is not to occur until after the Production Livestock Project Auction on Monday.

22. Manure must be deposited at the designated areas.

23. 4-H and FFA exhibitors are allowed to stay at the fairgrounds overnight in campers in the designated camping area. Watchmen will be present during the night to oversee livestock barns.

24. FFA members must have their record books up to date and checked by their advisor. In turn, the advisor is to have completed members names turned in to the Extension Office by September 15th to receive record completion premium.

25. Entry forms and other information will be available by mid-June.

26. Each department is responsible for cleaning up the show ring following their show.

27. No dogs are allowed off leash except during the dog judging.

28. No entry fees will be refunded.

29. Late entries (after July 1) will be accepted after a late fee of $25 is collected per exhibitor.

30. Transportation to and from Des Moines of large and/or fragile projects chosen for the Iowa State Fair is up to the exhibitor.

31. Exhibits which do not comply with size guidelines, copyright, and safety procedures will not be accepted for entry, evaluation or display at the Iowa State Fair.

32. All exhibitors and a parent or guardian must sign a copy of the Iowa Youth Code of Ethics.

Please note Health Requirements have changed to comply with the state of Iowa District Fair health rules. A veterinarian will be on site to examine livestock exhibits as they are being unloaded or penned.
Hancock County Fair Queen Contest
Rules and Regulations
1. Contestants must be a resident of Hancock County.
2. Winners will be announced at 6:00 p.m., Wednesday, and will compete in the Iowa State Fair Queen Contest.
3. Rules regarding entry, age requirements, etc., may be obtained from any Fair Board member or the Hancock County Extension Office. Requirements will be published by July 1.
   1st prize: $150.00  2nd prize: $75.00

Production Livestock Auction
An auction of production type livestock or selected ribbons where applicable will be held at the Fairgrounds on Monday at 8:45 a.m.
1. Members must notify the Fair Office staff at entry time which projects will be offered for auction, giving kind of project, ear-tag identification number and/or other specific information. Champion winners must include ribbon placement when signing up for auction. Champion ribbon winners may not all be sold first at auction. The order of sale will be determined by department and auction sign-up information.
2. Three (3) percent of the sale price will be deducted for advertising, trucking expense and promotion of the auction.
3. It is recommended exhibitors wear a T-shirt, shirt or blouse and jeans for the auction.
4. Livestock pens are not to be cleaned out prior to the end of the auction. Please abide by this rule.
5. Dairy exhibitors may bring the highest placed ribbon and a dairy animal into the ring for a special ribbon auction.
6. Exhibits not eligible to be sold at auction include: Market Beef Pen of Three, Bucket/Bottle Calf exhibits and any Feeder classes involving beef or sheep. An estimated price/bid for the Pen of Three will be available (if possible) by Sunday. Only 3 hogs per exhibitor will be offered for auction, any additional hogs will be sold at the going market price.
7. Rabbit and poultry exhibitors will be allowed to enter the auction ring up to four times. The member may only sell one exhibited entry each time. This includes Grand or Reserve Champions.
8. Livestock should be relatively clean for auction.
9. Livestock projects must have been judged to be eligible for auction. NO EXCEPTIONS.

Herdsmanship Award
A $50 cash award will be provided to the top club or chapter judged according to the criteria listed below. This award will be given for each of the following species: beef, horse, swine and sheep. Judging may occur 2 or 3 times per day.

1. The Open Class is for youth who have completed grades K-3rd.
2. Any newborn or orphan dairy or beef calf (steer or heifer) calved between March 15 and May 1 of the current year. Must be in possession of the participant within two weeks of birth; ear tagged and identified on a 4-H livestock identification form by May 15. All participants must obtain the identification form from the Hancock County Extension Office.
3. Calf must be bucket or bottle fed. No nursing permitted.
4. Any participant may identify two (2) animals, and exhibit one (1) at the county fair. The calf is not eligible to be sold at the Fair Auction. Eligible animals can be shown only in the Open Bucket/Bottle Calf Show—see Fair Schedule for date and time.
5. Calves will be shown at halter. Calves may be divided into classes depending on number of entries at discretion of superintendents.
6. Judging will be based on:
   a. What the member has learned about the care and raising of the calf.
   b. The fitting and showing of the calf (only washing and brushing, no clipping) with emphasis on what member has learned.
   c. General health, conditions and management of the calf and 4-H’ers knowledge of this area.
   d. Conformation or quality of the calf will not be considered since purchase should not be on that basis.
7. See Health requirements in Hancock County Fairbook.
8. Third grade (3rd) participants may keep animals for dairy, breeding or market beef 4-H project the following year.
