

Youth and 4-H

Basic 4-H Project Record

Year: 2018

Name: Leah Feltz County: Hamilton

Age: 32 Grade: 26th Years in 4-H: 1

Project area: Science, Engineering, & Technology: Woodworking

Years enrolled in this project, including this year: 1

Beginning of the year For this project I would like to learn or do:

If you took this item to fair, think of the goal you wrote and use that to help write this.
(Below are the 3 things that must be reflected in your goal. Older 4-H'ers will need more in depth Action, Result, Timetable info.)

Action: I want to learn how to

Result: build a birdhouse

Timetable: by June of 2018.

Goal: I want to learn how to build a birdhouse by June of 2018.

***So what you wanted to learn could be: "I want to learn new skills like using a table saw so that I can build a birdhouse"

During the year For this project I did these things:

- I worked with my older brother to begin learning some of the skills he's learned in his years of participating in woodworking
- My club built birdhouses for the Iowa Blue Bird Project
- I helped some boards for my dad while he finished a project for my mom

During the year My favorite part of this project was:

- I like to work hard and see the outcome as I go so woodworking is really fun for me.

During the year	This is what I learned in this project:
<ul style="list-style-type: none"> I learned that measuring is way more important than getting a straight cut! I worried about a straight cut with the saw so much that I missed my measurement by 2 inches and wasted a piece of wood! 	

During the year	List recognition you received in the project. (Examples: ribbons, certificates, your name in the paper, etc.)
<ul style="list-style-type: none"> I received a Red Ribbon and some good advice on how to grow my skills for next year. My club received a certificate from the Iowa Blue Birds association 	

During the year	Attach pictures, clippings, fair exhibit write-ups, project worksheets, or additional pages related to this project.
------------------------	--

End of the year	Self-evaluation: Rate yourself on this project experience. Check (x) the appropriate column for each line below.
------------------------	---

	Great	Good	Okay
What I did:	X		
How I feel about this project:	X		
I shared with someone else what I did or learned:	X		

End of the year	Next year in this 4-H project, I would like to:
<ul style="list-style-type: none"> I would like to take what I learned this year and grow from it. I am hoping to build a birdhouse next year that is more sturdy than my exhibit this year and maybe look into some new finishing techniques to use. 	

Information on this form may be adapted or modified for use with computer, video tape, or audio tape.

Prepared by 1995-1997 Record Keeping Club Task Force Subcommittee; Melva L. Berkland, Extension Communication Specialist; Donna Fincham, Composition Consultant, Creative Services, Instructional Technology Center; and Lonna Nachtigal, Illustrator.
