NON 4-H / FFA COMPETITION

Pie Auction, Cute Baby Contest, Fine Arts, Scrambles & Open Shows-Rules can either be found at http://www bremercountyfair.com. Scramble forms are online on the Bremer County Fair website.

COMPETITION RULES

IOWA YOUTH CODE OF ETHICS

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violate drug residue.
6. If any animal requires medical treatment while at fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian, by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the book of the fair exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair/exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use. I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in its fair book.

14. Ownership – All animals and birds must be owned by the 4-H'er, or in partnership with a family member, and identified to an individual 4-H'er. When registration papers are involved (e.g. purebred beef heifer) the papers must be in the 4-H'er name or show a logical family relationship. In classes where the primary emphasis of evaluation is the skill level of the 4-H'er, ownership of the animal is not required; however, the 4-H'er should take an active role in the care of the animal (e.g. horse classes, and the dog obedience classes when the 4-H'er is the trainer). Animals in this category still must be identified on the appropriate form. If a family includes more 4-H'ers than horses, more than one 4-H'er may identify a horse; however, in this situation a 4-H'er cannot identify more than one horse.

15. All 4-H exhibitors, parents/guardians must read and e-sign the Code of Ethics on 4HOnline.com and all FFA exhibitors must turn in form with Bremer County Fair entry form by June 15th in order to exhibit at current year fairs.

16. Failure to abide by the Code of Ethics at the Bremer County Fair will result in a 2-year suspension from showing livestock in Bremer County, AND, the violation will be reported to the IAFE and the Association of Iowa Fairs which will result in exhibitor being prohibited from all livestock shows in the US and Canada.

**Bremer County Fair Rules**

1. Grade for exhibiting at the Bremer County Fair (these are based on the 2015-2016 school year) is:
   - Junior - 4, 5 & 6th grade
   - Intermediate - 7 & 8th grade
   - Senior - 9, 10, 11 & 12th grade
   - Clover Kids-youth who have been exposed to the 4-H experience in grades K-3.

2. In order to enter an exhibit an animal or crop project at the Bremer County Fair, a 4-H'er/FFA must be enrolled in that general project by May 15, 2016. All livestock must be identified on a Livestock Identification form (FFA) or in 4-H Online (4-H) by May 15, 2016. FFA eligibility for enrollment and other non-livestock project identification is determined by the vocational agriculture instructor of the respective chapters. There will be no exceptions.

3. Entries will be required for Static (non-livestock) projects by July 15th in FairEntry.com. Entries fees will be paid when you check in, but you will only pay for the projects you bring. Swine entries and payments are required by July 15th in FairEntry.com. All other animal (including pets) and crop must complete on or by June 15th in FairEntry.com. Payment must be in the Extension office by June 15th.

4. There will be a limit of two entries per class by any exhibitor unless there is an exception stated under department rules.

5. 4-H exhibiting eligibility at the 2016 Iowa State Fair will include: 4-Hers who have completed 5th grade through 12th grade (or that equivalent).

6. 4-H and FFA exhibits must be the result of project work and outgrowth of work done to accomplish goals carried out during the current 4-H and FFA year. Exhibits done in school or partly in school are acceptable. A 4-Her should set a goal(s) that can be accomplished by both a classroom assignment and an outgrowth of a 4-H project goal. The intent is that a pre-determined goal has been set. The 4-Her must realize that the evaluation criteria and exhibit guidelines for each opportunity will be different and should prepare accordingly.

7. Each youth must show his/her own exhibits/livestock except in the case of sickness, injury, or military service. If more than one livestock entry is in the same class, he/she may substitute another 4-H or FFA member, holding membership in a Bremer County 4-H or FFA club, to show his/her animal/project. The substitute must be approved by the superintendent before the show. Members not present for conference judging cannot receive higher ribbon rating than considered for state.

8. All exhibits are on public display and are to be kept in a neat and orderly manner at all times. The Fair Board reserves the right to release any exhibit to other fairs or exhibitions provided the exhibitor gives 30 days' notice.

9. All entries/livestock should be on the grounds when designated and must be in place until the designated release time. This includes no tear down of stalls and signs. Entries removed early forfeit the premiums, ribbons, and plaques. Exhibitors who remove entries before the designated release will not be eligible to show in the next year's fair unless specifically authorized by the Bremer County 4-H/Youth Committee and the Bremer County Fair Board.
10. The Fair Board reserves the right to pro-rate premiums.
11. The decisions of the judges will be final in every instance. Exhibits which do not comply with Rules 9, 10, 11, and 12 will not be accepted for Entry, Evaluation, or Display at the Iowa State Fair.
12. Any project entered in the Bremer County Fair shall not have been shown in any other 4-H or FFA county show, excluding open shows.
13. The Bremer County Fair Board will not consider a protest, complaint or appeal based upon the statement that judge or judges are incompetent. When a protest is made as to the eligibility of an animal or article to compete in any class, it must be made in writing and filed with the Fair Board President before noon of the day following the one on which the class was shown or in the case of drug testing within 24 hours following receipt of the results, accompanied by a $100 cash deposit. The deposit will be forfeited if the protest is not sustained. All expenses of proof must be paid by the party filing the protest. This money will not be refunded.
14. TAMPERING AND/OR MISREPRESENTATION as to breeding, age, ownership and any other irregularity in showing will be considered fraud and deception. For more information about the process for filing a protest, see the fair board president. To maintain a high degree of confidence and integrity in the livestock shows, the Bremer County Fair Board reserves the right to disqualify any animal fitted in an unethical manner and the exhibitor and the exhibitors' assistants who fitted the animal involved. Unethical fitting shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development; dyeing or coloring hair; adding artificial tail heads, switches, polls, hair and heels; as well as any attempt to change the conformation and degree of firmness by administration of fluids internally or externally in a liquid or solid state. The use of Clenbuterol and other illegal drugs is prohibited. All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing of an animal will be barred from exhibiting or showing at the Bremer County Fair according to the Code of Ethics.
15. All decisions of the Fair Board are final. Youth found breaking the Code of Ethics outside of a 4-H/FFA exhibition show during the Bremer County Fair may be asked to leave and forfeit awards and premiums by the Bremer County Fair General Manager.

Specific Livestock/Crop Rules

16. Stalls, pens, or exhibition space will be assigned to all exhibitors by the superintendent.
17. FFA members beyond fair after their graduation year can no longer exhibit at the fair or help fit other 4-H/FFA member's animals unless they are an immediate family member.
18. Any artificial means of removing or remedying physical defects of conformation in animals exhibited will be considered as fraud and deception. No unnatural means of providing an animal feed, water or other fluid (i.e. stomach pump, drench guns, or IV) will be allowed. Painting, dyeing and use of color agents on animals are not allowed. Projects which show evidence of this will not be permitted into the show ring. If a color or coloring agent rubs off an animal rubbed with either a towel or hand, that animal will be disqualified. Transparent grooming material may only be used, including on hooves. All animals giving evidence of such treatment will be barred from exhibition at the Bremer County Fair.
19. No drugs or medication of any kind may be administered except by the order of a licensed veterinarian. All animals are subject to drug testing. All animals giving evidence of being medicated without prior approval will be barred from exhibition.
20. All exhibits must meet state health requirements as stated elsewhere in this booklet. A veterinarian will check animals at the fair.
21. Animals that have become injured or sick on the fairgrounds during the fair must have the superintendent of that department and fair manager permission to be removed from fairgrounds. The superintendent and fair manager may require a veterinary inspection.
22. While exhibiting animals, exhibitors should appear clean and presentable at all times. The dress should be a clean white or light colored shirt or blouse or 4-H/FFA t-shirt and dark colored jeans or slacks. Sturdy leather shoes or boots are preferred. The exception is: All dairy exhibitors must wear white pants and white shirt. Proper dress is considered to be part of the showmanship judging criteria. All horse exhibitors must wear a 4-H/FFA arm band.
23. Hay may not be stored above alleys or animals. Arrangements should be made to bring additional hay during the fair. Limited tack space will be provided.
24. The superintendent may divide or combine any class he/she feels is too large or small for proper judging. Breeding classes are to be divided by age and market classes by weight.

25. All classes within each division will be judged in numerical order by class number, except when the superintendent deems it necessary to change.

26. See also specific rules listed under each department.

27. For public safety: all fans must have protective screen and safe wiring; no fans allowed in aisles; NO BUTT FANS, only overhead hanging fans allowed in front half of stalling area; one fan per exhibit.

28. Exhibitors must be prepared to have Livestock ID checked by superintendent at time of check in.

29. Common bedding material will be provided for beef, swine, horse, sheep, goat, and dairy barns in an effort to minimize manure removal expense. Wood product bedding material will be used in the barns and straw is not allowed.

30. All livestock exhibitors must perform barn duty and are responsible for prompt removal of manure from the stalls during and at the end of the fair.

*Immediate family members include guardian, siblings, parents, grandparents, and/or step parents.

Specific Non-Livestock Rules

31. All exhibitors must be enrolled in an active 4-H club or be a member of an active FFA chapter. Each exhibit must be the work of a 4-H or FFA member during the current 4-H/FFA year. The articles may have been made for use by someone other than the exhibitor. FFA members may exhibit only in the following Departments: ANIMALS; AGRICULTURE AND NATURAL RESOURCES; CREATIVE ARTS – Photography; and SCIENCE, ENGINEERING & TECHNOLOGY – Mechanics, Woodworking, and Science, Engineering & Technology, and must follow rules listed for those Departments. FFA exhibits are not eligible to be selected for State Fair. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA divisions or vice-versa. See also "4-H Department General Rules and Regulations". Exhibits previously entered in an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class.

32. Exhibit classes are broad categories. To plan exhibits, 4-Hers are encouraged to use project guides and manuals and program materials to determine goals and learning experiences. Some project manuals include specific exhibit suggestions and procedures. An exhibit can represent a part of or all that has been learned in a project or program. The County Extension Office has more information on exhibiting.

33. Eligible exhibits are an outgrowth of 4-Hers participation in the selected project or program. Exhibits can be done by an individual or group. Exhibits might be, but are not limited to, an actual product, poster, display box, report, notebook, model, video tape, audio cassette, etc. (Note: If video tape is to be part of exhibit, notify extension office.) Evaluation criteria will include demonstrated learning, quality of work and techniques and general appearance and design.

34. A written explanation or video tape is to be included as part of each exhibit. The exhibitor should respond briefly to the following questions about the exhibit:
   a. What did you plan to learn or do? (What was your exhibit goal(s)?)
   b. What steps did you take to learn or do this?
   c. What were the most important things you learned as you worked towards your goal(s)?
   Also include in write-up steps used to make exhibit, where purchased, where you got ideas for exhibit from, etc. The information requested should be well organized and brief.

35. Each item in an exhibit must be securely labeled, including the name of the county, club name, class number, and exhibitor’s name. Labels should be placed on the back of posters, note books, and/or cards, on the bottom of jars, and in an inconspicuous place on all other items. A completed entry tag should be securely fastened to the main item in each exhibit on or near the upper right corner or in an easily seen location.

36. If the exhibitor chooses a display to illustrate what was learned, the following maximum size guidelines apply:
   a. Posters may not exceed 24” x 36” in size.
   b. Chart boards, graph boards, project presentation boards, model displays, etc., may not exceed 48” x 48” in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
   c. Display boxes recommended size is 28” x 22” in height or width and 12” in depth. Exception: see 10503: Communication Posters
37. Conference judging is used for all judging with the exception of dog, sheep, dairy, goat, beef, horse, rabbit, poultry and swine. Exhibitors have the opportunity to talk with the judge regarding their exhibit. Parents are asked not to participate in the discussion. All judging will take place from 10:00 a.m. - 2:30 p.m., Sunday July 24th. Clubs are assigned times for judging. Leaders and parents are welcome to observe the conference; however, the conference is between the judge and the exhibitor only.

38. Due to security, we discourage 4-Hers from sending items that have special meaning and historical value as the exhibit or part of an exhibit. The Bremer County Fair and Bremer County Extension will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement but will not be responsible for damage or loss by fire, theft, etc.

39. Duplication of copyright material or design should not be used in a 4-H exhibit that is presented as original artwork by the exhibitor. A copyright design cannot be displayed in a public setting (fair) without the permission being granted from the owner of the copyright. When permission has been granted by the owner of the copyright, the exhibit will be displayed and labeled appropriately. Those without permission cannot be displayed. To learn how to cite Pinterest, call the Bremer County Extension Office at 319-882-4275.

40. Endangered and threatened plants and animals (includes insects) should NOT be used in any exhibit. Wildflowers taken from parks should NOT be used. It is illegal to possess songbird feathers or nests. Game animals “legally taken”, such as pheasant goose, duck, or quail are acceptable. Purple loosestrife (Lythrum salicaria) is a plant that should not be planted in gardens. It has the potential of becoming noxious in Iowa. Other dried established noxious weeds are acceptable to use in exhibits.

41. All items will be displayed in the 4-H building in the club booths. Release time for exhibits in the blue building is Sunday, July 31st, from 7-9:00 a.m. exhibits may not be removed before hand.

42. For projects exhibited by a group, each member should pay the entry fee and will receive the designated premium.

43. A maximum of one (1) Best of Show rosette ribbon will be awarded in each of the following exhibit categories:
   • Animals, Ag & Natural Resources Creative Arts
   • Family & Consumer Sciences Personal Development
   • Science, Mechanical, Engineering & Technology

   The selection will be made from 4-H/FFA State Fair exhibits. The judges within each of the exhibit categories will collectively determine the winner in their respective areas. The Best of Show ribbon will signify the highest quality. The judges’ decision will be final. Best of Show ribbons are sponsored by Tri-Rivers Trendsetters 4-H Club.

44. All exhibitors selected to advance to State Fair should check with Extension personnel to receive information on preparing the exhibit for State Fair. State Fair entries will be chosen from 4-H projects. All FFA entries participating at state fair must be made prior to July 1st through the chapters FFA Advisor.

45. The Extension Office reserves the right not to provide transportation of State Fair exhibits to the State Fairgrounds if dimensions are greater than 16” x 16” x 32” and/or transportation is limited.

46. Exhibits selected for State Fair must be brought to the Extension Office the week of August 1 to 5th. Food and Nutrition exhibits may be brought to the Extension Office between 8 and 9 a.m. on Tuesday, August 9th. Extension staff will be bringing exhibits back to the office on Monday, August 22, and will be available for pick-up after Tuesday, August 23.

HEALTH REQUIREMENTS

For Exhibition of Livestock, Poultry and Birds at a County 4H/FFA Fair:

Any evidence of Warts, Ringworm, Foot Rot, Pink Eye, Draining Abscesses or any other contagious or infectious condition will eliminate the animal from the show. No individual Certificate of Veterinary Inspection will be required on animals or poultry exhibited at County 4-H/FFA Fair, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Each show must have an official veterinarian. Quarantined animals or animals from quarantined herds cannot be exhibited.

Swine

Swine exhibitors at county fairs that do not require a Certificate of Veterinary Inspection, must sign and present an owner affidavit that the animals being exhibited did not originate from a quarantined herd and to the best of their knowledge; swine dysentery has not been in evidence in their herd for the past 12 months. The site the swine originate from must have a
current monitored status in order for the swine to be transported to the fair-grounds (statistical testing completed within the last 12 months or originate from a site in Stage III or higher area).

Poultry and Birds
All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. However, “Market Classes” of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. “Market Classes” of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot high solid partition.

Dogs and Cats
All dogs and cats exhibited must have a current rabies vaccination certificate.

Sheep and Goats
All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official registered tattoo. Call IDALS at 866-USDA-TAG.

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL

HERDSMANSHP CONTEST
Qualified judges will inspect the club exhibits in each club. Species included in the Herdsmanship Contest are: Beef, Dairy, Horse, Swine and Sheep. This contest will start when a species is entered, and end when they are released. Exhibits will be scored on the following basis:
- Condition and cleanliness of all exhibits
- Neatness, cleanliness, courtesy and actions by club members
- Cleanliness of stalls and alleys
- Methods of keeping feed and equipment
Certificates will be awarded at the annual 4-H Banquet to the 4-H Club or FFA Chapter with outstanding herdsmanship at the fair. The names will be added to the plaques to be displayed in the Bremer County Extension Office.

SHOWMANSHIP CONTEST
1. Beef, dairy, dairy goats, swine, sheep, horse, rabbits and poultry exhibitors will be considered in showmanship contests in their respective divisions.
2. Contestants may exhibit the animal of their choice in the contest, but it must be their own animal and have been shown in regular classes at the current year Bremer County Fair.
3. While exhibiting animals, exhibitors should appear clean and presentable at all times. The dress should be a clean white or light colored shirt or blouse or 4-H/FFA T-shirt and dark colored jeans or slacks. Sturdy leather shoes or boots are preferred. Exception: dairy exhibitors are required to wear white pants and white shirt.
4. In each project (sheep, beef, etc.) there will be 3 divisions Junior: 4, 5, 6th Grade; Intermediate: 7, 8th Grade; Senior: 9, 10, 11, 12th Grade.
5. Members must participate in their respective division. Seniors will show first, Intermediates, second and juniors, last.
