A Letter from Lexy

The 2020 Page County Fair theme is *STRIVE FOR GOLD!*

Together we will move FORWARD!

I want everyone to know that at this time, no decision has been made concerning the Page County Fair. I am working with the Page County Fair Board, Page County Extension Council, Page County Public Health and ISU to work out how our fair will look. That being said, it will be different from past years due to the COVID-19 situation that is ever changing. We are working on how to have our events and follow safety precautions to keep everyone safe. We hope to have an official announcement by June 20th. We are going to have to work together and do what we can to provide the best learning opportunities for our 4-Her's. Some of these events may be virtual and some may still be face to face with judges, I am working relentlessly on a plan of how to best represent our 4-Her's and to have a safe environment for all.
