Join in a 7-week program on the history and current opportunities for conservation in Iowa highlighting Iowa’s landform, forests, prairies, wetlands and rivers within our area. The program pairs in-person demonstrations and discussions led by local conservation leaders and educators paired with online, self-paced lessons from Iowa State University experts.

The cost for this program is $125 and includes all materials and refreshments. The fees for service will be used to offset direct expenses and to support the Agriculture & Natural Resources County Extension Program.

All classes are from 6:00—9:00 pm

May 21—Introductions • Camp Wanoki, Fort Dodge
May 28—Setting the Stage: Land, Water, and Conservation in Iowa • Tim Smith Farm, Eagle Grove
