This is not a school district publication. It is being distributed through the school district as a community service of the district to inform you of other community activities or services available.

Registration: Closes April 3rd! Go to http://tinyurl.com/AMSSciFair and fill out the form with your child’s name, grade level, school, number of adults attending, and two potential project ideas to sign up!

Disclaimer: This publication is being provided only to inform you of other community activities and opportunities. Parental supervision is required. Participants must be willing to sign a waiver upon arrival. Dangerous or risky projects (open flames, electricity risks, etc.) are subject to ISU AMS’s approval and potential disqualification. Transportation to and from the event is the responsibility of the legal guardian.
