Melea Licht - 712-210-3481

Children in kindergarten through third grade, participate in hands-on activities designed to build lots of different life skills!

Examples include:

- Explore science with simple experiments
- Strengthen motor skills through art
- Learn and Play cooperative games
- Communicate ideas
- Care for their community as a team
- Exhibit at the county fair
- And much, much more!

Can you find the way to the clover?
