May 18, Program: Kim Bogenschutz, IDNR, Aquatic invasive species

Annual Dues are now due

ADDRESS: SCMGA, P.O. Box 164, Ames, IA 50010

The President's Row

I thought spring had finally arrived and here we are on Mother's Day with freeze and frost warnings. But I'm thankful we didn't get the foot of snow that parts of Maine received this last week.

I hope everyone's gardens are coming along nicely. We have had some cool and down right cold days. But come this summer we'll be sweating in 90-degree temperatures with high humid. As we say "It's Iowa!"

We will have our May meeting by Zoom. On Monday, May 18, either click on this link or type it in: <https://us02web.zoom.us/j/85097327853> Then follow the prompts. You will want to agree to computer audio and video. During the meeting I can mute you during the presentation or you can mute yourself, if you wish. Also, you have options of a gallery view which allows you to see everyone or speaker view where you only see the speaker. I like to use speaker view when there is a presenter and gallery view during the meeting time. You can switch back and forth. If you need to call in on a phone, here is the phone number: +1 312 626 6799 US (Chicago) and meeting number 850 9732 7853. If you have any questions, please contact me. **(You will need to download zoom to your computer if you don't already have it.)**

Our speaker for our May meeting is Kim Bogenschutz from the Iowa DNR. The subject is Invasive Aquatic wildlife.

Reiman Gardens is having an online plant sale May 9 – May 17. Shop online here:

It will be good to see everyone's faces on Monday. It will be a shorter meeting than usual. Have fun in the gardens,

Darla Ewalt

Opportunities for Service and Education Service

- 🌻 Volunteer to give a **presentation** at the SCMGA meetings
- 🌻 Volunteer to help with the downtown SCMGA gardens Ldsage@msn.com
- 🌻 SCMGA has approximately **20 Hosta ‘Dancing Queen’ (2020 Hosta of the Year)** that were intended for the spring plant sale. These large, in-ground plants are available for \$16 each. Contact Donald drlewis@iastate.edu to arrange a time to pick out the one(s) you want.

Plants that don't sell by June 1 will be held for a small plant sale later in the year. We are looking for volunteer plant-sitters to care for the plants 'til the sale. They currently reside with Jackie Runyan but need more space to grow. We would love to have these Hostas potted and ready to sell! Please contact Jackie or Donald to make a purchase or adopt some or all of our plants.

Education

The Siouxland Garden Show has been cancelled so they are offering their educational sessions virtually and FREE. The sessions, offered Fridays through May too, will count toward

continuing education hours. Visit www.siouxlandgardenshow.org/speakers to explore the digital sessions.

(The sessions that have already aired are available for a limited time on the website so check it out)
