Camping and Overnight Policy
Superintendents: Jeff Thiessen and Diane Kupka
The campground is operated by the Tama County Fair Association.

1. All those camping on the fairgrounds must have camping registration form and fee into the Extension office by May 15 (late fee will be issued after this date). This is for all those with electrical hookups, tents, and non-electrical campers/trailers. The fee will reserve your assigned campsite that you occupied at the 2019 fair.

2. Lot assignments and camper parking times will be mailed out the first week of July. Camper parking will be the Sunday before the fair starts. Electricity for campers will not be available until the start of the fair (Monday at 3:00 p.m.)

3. Who may stay overnight Tuesday, Wednesday, Thursday, Friday, or Saturday?
   a. 4-H and FFA members exhibiting at the fair
   b. 4-H and FFA Parents and children grade 3 and under
   c. Minor non 4-H and FFA youth, if chaperoned by a 4-H or FFA parent
   d. Extension staff members & approved leaders
   e. Night watchmen and other security officials

4. Curfew Policy: All persons, except night watchmen, staying on fairgrounds overnight must be on the fairground by 11:30 p.m. and in bed by 12:00 a.m. (midnight). Livestock barns will be open at 5:00 a.m. and close down by 11:00 p.m. Some lights will be left on in the barns for safety purposes.

5. All approved chaperones, parents and youth staying overnight must be wearing an overnight bracelet at all times. Overnight bracelets are required for:
   a. Any exhibitor who plans to stay overnight. Exhibitors will be issued an overnight bracelet by their adult (21 and over) chaperone after presenting him or her with a permission slip signed by parents. Permission slips can be picked up at the fair office. A different overnight bracelet will be issued for each night.
   b. 4-H parents and leaders approved as chaperones by the fair board officers and extension staff will need to complete a permission slip as well for emergency purposes.

6. No chaperone may be responsible for more than 10 individuals.
7. No overnight bracelets will be issued directly to youth. These bracelets will ONLY be issued before 6:00 p.m. ABSOLUTELY NO OVERNIGHT BRACELETS ISSUED AFTER 6:00 P.M.! Please plan ahead to avoid problems with getting parent signatures.

Anyone violating these rules will have their parent/guardian called and be requested to leave the fairgrounds. All overnight privileges will be revoked for the remainder of the fair.
Tama County Fair Queen Contest
Superintendent: Deb Kupka

Rules and Regulations
1. Each contestant must be female and at least 16 years of age and not more than 21 years of age on August 13, the first day of the 2020 Iowa State Fair.

2. Contestants must never have been married or have had children.

3. A County Fair Queen must reside in the county she represents or an adjoining county if the majority of her activities are in the county she represents. If a fair represents more than one county, the winning contestant must reside in one of the participating counties.

4. Each contestant must be an active member of at least one service organization in her community such as a church group, Girl Scouts, 4-H, etc. (Eligibility is not limited to 4-H membership.)

5. Each entrant in the State Fair Pageant must be selected from a competitive queen contest at her county fair. If an Iowa county does not have a contest, it may sanction another queen contest in their county such as the “Official County Fair Queen Contest.” The winner is then eligible to compete at the Iowa State Fair. Only contests sponsored by county fairs who are members of the Association of Iowa Fairs will be eligible to complete at the state level.

6. Only winners as indicated under Rule 5 are eligible to represent counties at the state pageant. In the event the county queen is unable to participate, alternates will be considered in order of selection.

7. No professional models (one who has had ongoing employment in which modeling was the primary part of the job) are eligible to compete in the State Pageant.

8. The county fair queen will be selected from qualified candidates in competitive contest. The contest will be judged in three distinct areas as follows: 1/3 beauty and poise, 1/3 community involvement and leadership and 1/3 personality.

9. Once a person has competed at the Iowa State Fair or has won at the Tama County Fair Queen contest, she is not eligible to compete again.
10. Application forms are available in the Extension Office or by calling Deb Kupka and requesting a form. The completed application must be postmarked no later than June 1, 2020.

11. The winner of the county fair contest must be willing to proceed to the Iowa State Fair queen contest, a three-day competition in August. If the Tama County Fair Queen should win the competition, she would be required to stay for the completion of the Iowa State Fair.

12. In case of sickness or extreme emergency, the Tama County Queen runner-up will attend the Iowa State Fair Competition as an alternate.

13. There will be a preliminary workshop to discuss what is to be expected the day of judging and to talk about clothing to be worn, poise, etiquette, etc. This date has not been set but all candidates will be notified and are expected to attend, as pictures will be taken.

14. The day and time for judging the candidates will be the Sunday prior to fair and the candidates will be notified after the committee receives their application.

15. The winner of the Tama County Fair Queen will be announced on Tuesday evening at the Tama County Fair.

16. After being crowned Tama County Fair Queen, she will be expected to be at the fair each day to make appearances and hand out ribbons for the various shows, and any other activities that the fair queen committee asks her to participate in. The Queen may ask the Princess to step in to hand out ribbons for at least one show, especially if the current queen is exhibiting in that show.

17. In addition to her role at the 2020 Tama County Fair, the Queen will host the 2021 Fair Queen Workshop in June and attend the 2021 Tama County Fair to present awards/ribbons at shows prior to the New Fair Queen Crowning and return to Co-MC the 2022 Tama County Fair Queen Coronation ceremony.
Tama County Fair Scholarship

The Tama County Livestock and Fair Association “Tama County Fair Scholarship” was established to recognize outstanding high school students who participate in the Tama County Fair through either 4-H or FFA programs.

Two scholarships will be provided annually provided minimal requirements* are met. The scholarship will be presented during the Tama County Fair. Winning essays may be read at the presentation. Awards will be provided to winners following successful completion of their first semester of college. **This year’s scholarships will be $500 each.**

To be eligible for the scholarship you must

* actively participate at the Tama County Fair
* be a graduating senior
* plan to enroll in college

The selection committee will consider the following criteria for selection:

* essay describing the impact of the Tama County Fair on your life
* exhibits, performances, participation at the Tama County Fair
* letters of reference. Must be signed and sealed in an envelope from the referring party. References shouldn’t be an immediate family member (i.e. mother, father, brother, sister)
* extra curricular and community activities
* community service/volunteerism

**The application deadline is June 15, 2020.** Applications must be postmarked by this date to be considered on time. Applications must submit all required items of the application in one envelope. Applications must be typed or computer generated.

Applications are available at the Extension Office. Mail applications to Tama County Fair Secretary, PO Box 243, Toledo, Iowa 52342
Pee Wee Wranglers
Sponsored by Tama County Cattlemen

Make entries by contacting Jason Lekin at 641-751-4227 two weeks before fair. Calves will be exhibited on Friday at 4:00 p.m.

Anyone in Pre-school to 3rd grade may participate – May be a Clover Kid, but do not have to be enrolled as a Tama County Clover Kid.

This is an opportunity to show bottle calves born between January 1 and June 30, 2020.

**All bottle calves must be identified in 4honline by June 1, 2020. This includes a farm tag and photo.

All bottle calves must be checked in on Tuesday morning with the other cattle. The calf must be inspected by the fair veterinarian at check in and must remain on the fairgrounds until all animals are released on Sunday.

More than one child in the same family (meeting the requirements) may show the same calf. Do not have to own the calf to participate.

Costumes of child and calf are encouraged, but not mandatory.

Judging is based on short interview and appearance of calf and child.

This is for fun, so be creative and have a good time. Same health requirements as 4-H bottle calves apply.
IOWA YOUTH CODE OF ETHICS

This is the Iowa Youth Code of Ethics. If you are enrolled in 4-H in Iowa, you and your parent/guardian signed it when you enrolled in 4-H this year. This is the same Code of Ethics used at the Iowa State Fair for all livestock exhibitors. This is a reminder of what you agreed to when you enrolled in 4-H.

Youth are expected to be sincere, honest, and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club, and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the Code of Ethics or allows another person (adult or peer) to talk them into violating the Code of Ethics agrees to forfeit all prizes, awards, and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:
1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.

2. All exhibits will be a true representation of my work. Any attempt to take credit for other’s work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.

3. I will treat all people and animals with respect. I will provide appropriate care for animals.

4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.

5. All food animals that may be harvested immediately following the show shall be safe for consumers and shall have met all withdrawal times for all medications, and be free of volatile drug residue.

6. If any animal requires medical treatment while at the fair or exhibition, only the Official Fair Veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.

7. My animal’s appearance or performance shall not be altered by any means, including medications, external applications, and surgical
procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.

8. I will follow all ownership and possession rules and, if requested will provide the necessary documentation.

9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the Premium Book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.

10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.

11. I am responsible for my exhibit and I will not allow others to violate this Code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by management of this fair or exhibition for any violation of this Code of Ethics and any other rules of completion of the fair or exhibition without recourse against the fair or exhibition.

12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.

13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.
4-H and FFA Project Department Rules

1. Fair entries must be received at the Tama County Extension Office or postmarked by Monday, June 15, 2020. NO LATE ENTRIES WILL BE ACCEPTED.

2. Due to the current 2020 events, all dates are subject to change. Please read your monthly newsletter and emails for updates and possible changes.

3. Accommodations As part of its mission to serve all Iowans, Iowa State University Extension and Outreach will provide reasonable accommodations to its “policies, practices, or procedures” when the accommodations are necessary to provide equal access to programming to participants with a qualifying disability. The process has the following five stages: (1) completion of the Reasonable Accommodation Request and Healthcare Provider Disability Documentation forms, (2) participants and parents are sent an agenda for the eligibility team meeting, (3) the eligibility meeting is conducted, (4) a determination letter is sent to participants, (5) possible reassessment for future events. The goal of this process is to understand the participant's limitations and to provide reasonable accommodations for all events throughout the Extension and Outreach system during that period without filling out additional requests. To begin the process, please contact your County Youth Coordinator for the Reasonable Accommodation Request and Healthcare Provider Disability Documentation forms.

4. Failure to abide by ALL rules may disqualify the exhibitor for one year and will result in forfeiting any prizes, premiums, and banners/trophy (championships) for all livestock and non-livestock exhibits. All exhibits will be judged and receive written/oral comments and ribbons only.

5. The Tama County Fair is open only to boys or girls who are members of Tama County 4-H Clubs or FFA chapters, unless otherwise specified.

6. To be eligible to show, exhibitors in 4-H and FFA must be in the 4th grade by Sept. 15, 2019. Youth are eligible to show at the Tama County Fair through the summer immediately following their high school graduation. A member becomes ineligible to exhibit at the county level upon completion of a calendar year after high school graduation. (For example, an FFA member graduating in 2020 may show that summer (2020) but may not show in 2021.)
7. Clover Kids are youth enrolled in Tama County Clover Kids for the current year in grades K-3rd. Clover Kids may exhibit in non-livestock areas and the following livestock areas: bottle lamb, bottle beef, bottle goat, pets, poultry, and rabbits. Please be sure to make an entry in the Clover Kid Classes.

8. Exhibitors in 4-H classes are not eligible to exhibit in a similar department of the FFA Classes or vice-versa. With the following exceptions:

**BEEF** - 4-H members who exhibit 4-H market beef but do not exhibit in the 4-H breeding Beef classes, may, if eligible, exhibit in the FFA breeding classes. Likewise, 4-H members who exhibit in the 4-H breeding classes but not in 4-H market classes may, if eligible exhibit in the FFA market animal classes.

**SHEEP** - 4-H members who exhibit Breeding Sheep in 4-H classes may, if eligible, exhibit Market Lambs in FFA classes or vice versa. However, 4-H members are not permitted to show Breeding Sheep in both 4-H and FFA classes even though the young person may have separate breed for 4-H and FFA. 4-H members are not permitted to show Market Lambs in both 4-H and FFA classes.

**SWINE** - Exhibitors in the 4-H Market Swine classes are not eligible to exhibit in the FFA Market Swine classes or vice versa.

**RABBITS** - Exhibitors in the 4-H Rabbit Department are not eligible to exhibit in the FFA Rabbit Department or vice versa.

**HORSES** - Exhibitors in the 4-H Horse Department are not eligible to exhibit in the FFA Horse Department or vice versa.

**DAIRY** - Animals entered in the Youth Dairy Show are limited to those identified in either 4-H or FFA, but not both.

Any 4-H or FFA youth exhibiting at the Tama County Fair may **not** show in the same department in another 4-H or FFA County Fair class or show. You could show FFA market beef at the Grundy County Fair and 4-H breeding beef at Tama County Fair or vice versa. This would be similar for all species.
9. Projects made in school are discouraged, but may be brought to the fair under the following conditions:
   * when the member planned ahead to combine the 4-H/FFA project with a school project
   * when your 4-H/FFA project has very similar learning experience to the requirements of your school class, or
   * when the project can meet your goals in both 4-H/FFA and your school class

10. The member must have done the work on the project, decided what was going to be made, and completed the project in the current 4-H/FFA year (since Oct. 2019). Articles made by parents, teachers, or anyone other than the members themselves are not acceptable as 4-H projects.

11. Entry fees for both livestock and non-livestock projects will be $1 per entry. Clover Kids do not pay an entry fee and do not receive a premium.

12. A substitute show person is permitted for medical reasons or other commitments at the Tama County Fair.

13. If a member has two livestock projects to be shown in the same class at the same time, a substitute show person (which must be a 4-H or FFA member of club age who is residing in Tama County) may be used to show another member’s animal. These arrangements must be made with the superintendent in charge of that committee.

14. The Tama County Livestock and Fair Association and the 4-H Fair Board, or anyone sponsoring the County Fair, shall not be responsible or shall not be liable for any accidents that may happen during the Fair; nor shall they be responsible for any damage, loss, or stolen property, including livestock death losses.

15. NO DOGS are allowed on the fairgrounds except for those entered for the dog show. These dogs may only be at the fair during the dog show.

16. Tobacco Products, Beer and Liquor are prohibited on fairgrounds. Anyone found with beer or liquor or using tobacco will be removed from the fairgrounds for duration of the fair.

    4-H/FFA members are not allowed to smoke or chew tobacco on the fairgrounds. Since this is a Junior Achievement Show for youth, the fair board has voted unanimously to enforce these rules.
17. All exhibitors **must** wear a 4-H or FFA shirt or a shirt with a 4-H or FFA emblem while having their exhibit(s) judged (both non-livestock and livestock judging). Full length slacks or jeans shall be worn by beef, sheep, swine, horse, rabbit, poultry, and goat and dairy exhibitors. White slacks or trousers are also appropriate for dairy exhibitors. Hard-soled shoes are preferred when showing large animals.

Remember it is always important to look your best. Please dress in clean, neat and appropriate clothing for each event.

18. Clubs violating supervision assignments in Rogers and Klinefelter exhibit buildings will be assessed a fine.

19. If only one entry is exhibited in any class, the judge has the right to determine whether it is a blue, red, or white ribbon exhibit. There must be at least three entries in a class or division in order to receive a trophy.

20. All exhibits and livestock will be released upon announcement of the Fair Board President. No livestock is to be loaded until released by the Fair Board President.

21. Entries are not to be removed from the fairgrounds until permission is given by the superintendent in charge of the department and the President of the Fair Board, with veterinarian consultation if necessary. Entries removed without permission will be assessed a $50 fine and you will be UNABLE to exhibit the following year. Do not bring any exhibit that is too valuable or too delicate to be left at the fair.

22. Any protest must be filed with the Fair Board. Individuals doing the protesting must deposit $25 with the committee. Protests must be made in writing and signed by the one who protests. Decisions of the Fair Board Executive Committee will be final.

23. The Tama County Fair is a Junior Achievement Show. Exhibitors are expected to show respect for the judges, superintendents, and assistants at all times. This also applies to parents. Members or parents who do not act with sportsmanlike conduct will be asked to leave the show.

24. Shaving Cream Fights are prohibited anywhere on fairgrounds.

25. Curfew Policy: All persons, except night watchmen, staying on fairgrounds overnight must be on the fairground by 11:30 p.m. and in bed by 12:00 a.m. (midnight). Livestock barns
will be open at 5:00 a.m. and close down by 11:00 p.m. Some lights will be left on in the barns for safety purposes.

26. No recreational vehicles (ATVs, Gators, Rangers, etc) unless permitted by the Tama County Livestock & Fair Association are allowed on the fairgrounds. No bikes are allowed on the fairgrounds.

27. Clubs/chapters that are scheduled for daily trash duty must have an adult that is 21 years or older driving the vehicle. Members are not to be riding in the bed of the truck or sitting on the tailgate.

28. Conference judging is an evaluation of a 4-H, Clover Kid or FFA member’s exhibit by a judge in conference with the member. It provides for a one-on-one communication between the exhibitor and evaluator. It is a means of emphasizing the 4-H child-centered philosophy. Conference judging will be available for all exhibits except livestock. Exhibitors are invited to talk with the judge at the time their exhibit is entered at the fair. (See schedule in front of fair book.) Conference judging is to be between the member and judge, not between the judge and leader or parents. Parents and leaders may observe the conference judging but are requested not to actually participate.

29. All divisions of the Tama County Fair are subject to the above stated rules.
Premium Money

Premium money will be paid on all exhibits on a blue, red, white ribbon basis and pro-rated on a 4-3-2 relationship. We will not know the amount each ribbon will be worth until fair time, when we will divide the money allotted with the number of entries we actually have exhibited to determine the value of a unit.

Livestock and non-livestock will all be treated equally. **Clover Kids are not eligible for premium money.**

Herdsmanship

The Tama County Fair Association will recognize 4-H/FFA clubs who do the best job of keeping stalls or pens clean, orderly and attractive; with well-groomed and cared for livestock. Scores will be posted in the fair office daily. Herdsmanship will be judged according to the following:

1. **Cleanliness of alleys and stalls or pens**
   - Bedding adequate, bright, dry, clean and in place. Animals securely tied or penned. Manure hauled out and deposited in proper place. Alleys clean, free of equipment, feed and bedding.
2. **Arrangement of the exhibit**
   - Exhibits lined up in attractive manner. Big, objectionable boxes out of the way. Hay and bedding neat and orderly. Feed boxes, blocking chutes and miscellaneous gear in area provided.
3. **Appearance of animals.** Animals clean and brushed.
4. **Stall cards.** Readable from alley, completely filled out and neatly displayed.

Herdsmanship will be judged twice a day by the species superintendent. Species will not be judged if exhibiting at that time. Ratings will be done by a P (purple= 3), B (blue= 2), or R (red= 1). Each species will be judged separately.
Club Booths

1. Exhibits will be arranged by club booths. Each club will be assigned a particular area and will be allowed to decorate in any way desired. It is recommended that the club name appear in large letters somewhere in the booth. All of the club’s non-livestock exhibits will be shown together. All exhibits selected for the Iowa State Fair will be displayed together. If an exhibit is too large for a booth, adjustments will be made by the Extension Office, club leader and exhibitor. All booths must be completed by Wednesday at 11:00 a.m.

2. Awards will be given to the top 3 clubs judged who have the most attractive displays. Clover Kid booths are not judged, however, judges will provide those booths with comments and recognition.

3. The theme for club booths is: “Strive For Gold”

Club Booths will be judged on:

1. Appearance: neat, clean and attractive
2. Identification: club name is obvious
3. Theme: theme is followed
4. Activities: display of the club activities
5. Resources: effectively uses club resources

Times allowed for Club Booth Decorating:

Saturday, July 11 after Fair Clean-up is completed (as determined by the Fair Board president), all clubs will have a total of 2 hours to work on their club booth.

Due to judging being held in the Roger’s Building Monday evening, there is to be no working on club booths until after 7:00 p.m. Doors will close at 9:00 p.m. Judged items may be placed in the booth, but no working allowed.

Clubs will have all day on Tuesday to finish their booths.
Livestock Show Policies

1. A member must own his project individually or in partnership with their parent or guardian.

2. All exhibitors must furnish their own feed, hay, bedding, feed boxes, trough, etc.

3. Beef and dairy exhibitors must use the wood chips that are in the barns or provide their own wood shavings. Sheep, horse, and swine exhibitors must use wood shavings for bedding. A penalty will be assessed if the additional bedding is not removed.

   *Tama County Livestock and Fair Association will have a supply of wood shavings available for purchase at the fair office.

4. All other livestock exhibitors who fail to remove bedding from their pens before leaving the fair may have a penalty assessed.

5. Exhibitors shall be responsible for keeping their part of the barns cleaned throughout the fair.

6. All livestock exhibitors must, upon entering their livestock on the fairgrounds, go to the Fair Livestock Office and pick up an **Exhibitor Number**. The exhibitors **must** wear the number, pinned to their back or shoulder whenever in the show ring. An exhibitor will wear the same number for all livestock classes. If an exhibitor has two animals, pens, etc. in the same class, another number is needed for that exhibitor that is helping. **Bring your own way to attach your number.**

7. All beef, sheep, swine, horse, rabbit, poultry, goat and dairy exhibitors must wear full length pants or jeans and white shirt or 4-H or FFA T-shirts or 4-H club T-shirts. Dairy exhibitors may wear all white and female dairy exhibitors may wear skirts. Hard soled shoes are preferred when showing large animals. It is suggested that exhibitors wear a belt and not wear hats or caps in the show ring. Horse exhibitors are expected to wear proper attire (See horse department).

8. It is the intent that the 4-H /FFA member takes responsibility for feeding and caring for and grooming his/her own animal, especially during the time the animals are at the fair. All grooming of livestock, including clipping, trimming and
blocking (all species) must be clearly done by the exhibitor. If assistance is needed, it should be aimed at helping the exhibitor learn new skills and be done with only minimal assistance from a family member, current fellow Tama County 4-H/FFA Exhibitor who is also participating at this year’s Tama County Fair, Tama County 4-H Leader, FFA Advisor or Volunteer. And, the member exhibiting the animal must be present and involved in the fitting process at any time the animal is being fitted during the fair. However, under no circumstances will fair management attempt to prevent others from offering verbal advice and suggestions as long as the individuals providing such DOES NOT physically help groom the animal. This rule will be strictly enforced and any exhibitor violating it will have their animal in question eliminated from competition and they will not be eligible for any livestock awards or premiums, including championships and showmanship, and possible future exhibitor disqualification.

9. In addition, Tama County Fair and Tama County Extension Service personnel reserve the right to request identification from any individual(s) grooming any animal(s).

10. Anyone wishing to report unauthorized people grooming animals must follow the Protest Procedure as outlined in rule number 21 under the 4-H and FFA Project Department Rules.

11. Failure to abide by ALL rules will disqualify the exhibitor for one year and will result in forfeiting any prizes, premiums, and trophies. (championships)

12. Any and all moving of stall cards assignments by anyone other than the superintendent, will be subject to the removal of the exhibit or project animals.

13. Superintendents have permission to change stalling/pens during the fair as needed.

14. Livestock superintendents, in consultation with the fair veterinarian, may excuse animals from the fair which are deemed unfit for exhibition.

15. All 4-H and FFA Beef, Dairy Cattle, Dairy Goat, Meat Goat, Poultry, Rabbit, Sheep, Bottle goat/lamb/beef and Swine Exhibitors must be certified through the Youth for the Quality Care of Animals (YQCA) by June 15, 2020.

16. There shall be no generators in the livestock areas.
Showmanship

1. Any 4-H or FFA member enrolled in one of the livestock projects is eligible to participate in the showmanship class for that project.

2. The junior division is for those exhibitors who are 13 and under as of the day of the show. The senior division is for those exhibitors who are 14 and over as of the day of the show.

3. Members wishing to compete in showmanship should bring their animal to the show ring when the class is called for. **No previous sign-up is necessary, it is a non-entry class.**

4. Exhibitors may exhibit any animal of their choice in Showmanship classes, **but it must be their own** animal that has been or will be shown in regular classes.

5. Any exhibitors who have won the junior or senior showmanship class with a particular project may not show in that Showmanship class again until they are in another age group. (See previous showmanship winners following these rules). Example: If 4-H’ers or FFA members win junior showmanship in swine when they are 12, they are not eligible to show in swine showmanship again until they are 14. However, if they carry more than one livestock project, they may show in other showmanship classes besides swine.

6. No premium money is awarded to showmanship classes. The champion junior and senior show person in each livestock division will receive a trophy or belt buckle. All other participants will receive participation ribbons.

7. Members are expected to groom their own animals; if a member needs assistance, a family member, another 4-H’er and/or a Tama County 4-H volunteer leader. The 4-H’er must be actively involved in the grooming of the animal.

8. Judging will be done according to the following guidelines:
   
   - **Exhibitor:** appearance, attitude, interest
   - **Animal:** condition, cleanliness, grooming/clipping
   - **Presentation:** leading, posing, response to directions and use of equipment
   - **Questions:** response to judge’s questions
Heath Requirements for Exhibition
Of Livestock, Poultry and Birds

Please visit the following website:
For detailed health requirements see “Health Requirements for Exhibition of Livestock, Poultry and Birds at the Local 4-H/FFA County Fair”.

1. **Swine must be inspected by an accredited veterinarian and have a Certificate of Veterinary Inspection (CVI; or health papers) issued within 7 days of the show.** Swine will be checked at the fair by the fair veterinarian prior to swine being allowed to leave the trailer. Health papers will be inspected at that time.

2. **No other animals will need a Certificate of Veterinary Inspection.** All animals will be inspected by the fair veterinarian upon arrival on the Tama County Fairgrounds.

3. **All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks.**

4. **Any evidence of warts, ringworm, foot rot, pink eye, draining abscesses or any other contagious or infectious conditions will disqualify the animal from the show.**

5. **All dogs and cats** exhibited must have a current rabies vaccination certificate. Please show this to the superintendent.

6. **The decision of the official show veterinarians will be final.**

Division I: Beef

Superintendent: Doug Bruene

1. General project department rules & livestock show policies apply to this division.

2. Exhibitors must certified through the Youth for the Quality Care of Animals (YQCA) by June 15, 2020.

3. All exhibitors must complete the Animal Care and Management Drug Disclosure Statement (Drug Affidavit) and present at check-in.

4. The Fair does not allow surgical or any other alterations to the animals, such as the use of permanent dyes, paints, or other coloring agents to alter the animals original color pattern. Transparent grooming materials only may be used. Exhibitors can use colored grooming aids on hooves only. Adding artificial aides such as tail head or tail fins, switches, polls, use of hemp hair, removed hair, or other hair-like materials, and heels added to the animal's body will not be allowed. Beef projects which show evidence of this will not be permitted into the show ring. If a color or coloring agent rubs off an animal rubbed with either a towel or hand, that animal will be disqualified. After a class has been placed in the show ring, officials reserve the right to re-inspect animals for color or sharp practices. If such is found, the animal will be barred from further championship competition and forfeit all premium money.

5. Fans will be directed only with the direction of the wind with a limit of one fan per four head of cattle exhibited. Butt fans are not to be used because they blow dirt on the exhibitors on the opposite side. All fans should be properly screened to prevent injuries.

6. All exhibitors must tie calves in the barns with a neck rope in addition to a halter.

7. All cattle must remain in the fenced in area.

Section A: Market Beef

Rules

1. All 4-H and FFA Market Beef and Dairy Beef entering Section A must have been ear tagged and nose printed to comply with state and county rules, and have been weighed.
during December 2019. The weights must have been recorded on identification forms and verified on 4honline by February 1, 2020. An exhibitor may identify six market animals.

2. Purebred and crossbred calves may be shown in this division.

3. All calves should weigh no less than 850 lbs. on the fair scale on entry day of the fair (no re-weighs). Calves will not be weighed without an approved ear tag upon arrival.

4. Classes will be divided following weigh-in.

5. A show program will be made to include order of show, breed, weight, rate of gain, and exhibitor's name and number.

6. Exhibitors (4-H or FFA) cannot show more than five individuals in Section A even if they are a member of both 4-H and FFA.

7. All classes of Market Beef will be established on the basis of fair weights. All breeds will be shown together. Market heifers will be shown separately from steers. Cattle will be broken into classes of 10 or less.

8. Market Heifers need to be weighed in by December 2019. If you want to change your market heifer to a breeding heifer, it must be changed by May 15.

9. This division will have two groups of market beef. Group 1 will be called the 4-H and FFA “Open” class. Group 2 will be called the “TAMCO” (Tama County Born and Raised) class. Group 1 will include calves purchased outside Tama County. The calves in Group 2 must have been born and raised in Tama County. Market heifers can be shown only in Group 1.

10. In order to be eligible for a purple ribbon, a calf must have had a minimum rate of gain of 2.2 lbs./day for steers or 2.0 for heifers.

11. Dairy Steers will be shown in the market beef show, but in a class of their own and shown at halter like beef animals. They will not compete for overall champion.

12. Dairy Steers will have their own rate of gain contest, and no minimum rate of gain.

13. The Champion and Reserve Open Steers, Champion and Reserve Tamco Steers and the Champion and Reserve Market Heifers will compete for the Overall Champion.
Classes

**Group 1**

Class 101B1  Open Market Steers (all breeds)

Class 101A1  Market Heifer (all breeds)

**Group 2**

Class 101B2  Tamco Steer

Class 101B5  Dairy Market Steers

Champion and Reserve Champion banner, if there are three or more entries

The Fair Association will give a banner to the exhibitor of the calf with highest rate of gain.

*Tama County Cattlemen’s Association* will provide awards for top TAMCO steer and Rate of Gain.

**Section B: Foundation Beef Herd (Breeding Heifers)**

**Rules**

2. Purebred and crossbred heifers intended for breeding are eligible to show. Market beef projects are NOT eligible.

3. Beef heifers must have been tattooed and have another form of identification (calfhood vaccination, registration number or official 4-H tag) entered in 4honline by June 1. Members may identify a maximum of ten heifers. Only those animals identified in 4honline are allowed to be on the fairgrounds.

4. All tattoos must be well healed – no fresh ink. Tattoos must be easily readable.

5. **Three** heifers may be shown per exhibitor.

6. Entries in purebred classes – When registration papers are involved, the paper must be in the member’s name or show a logical family relationship. For specific breed registration requirements, refer to Iowa Junior Beef Breeds rules as many beef breed associations require registration papers.
solely in the individual’s name. Registration papers showing the tattoo number must be brought to the fair.

7. All breeding heifer classes must include three or more animals. If there are less than three in one of these classes, they will show in the other breeds class regardless of breed.

8. No more than 10 animals will show in a class.

9. The Tamco Breeding Heifer class includes calves born and raised in Tama County. Tamco Paperwork must be completed and turned into the Extension Office by June 1.

10. The Champion and Reserve Champion in each breed will compete for Grand and Reserve Grand Champion Beef Heifer.

*Only if needed at fair. Special breeds will be at the decision of beef committee.

**Section D: Advanced Cow/Calf Project Rules**

1. A cow may only participate in this class one year. The cow does not have to have been identified or shown at the Tama County Fair as a heifer. The cow must be identified on 4honline by June 1. The calf must also be identified in 4honline with an ear tag (with number or name).
2. Cows and calves will be brought into the show-ring together, both animals will be judged.
3. These animals cannot be shown in other beef divisions.
4. Only one entry per exhibitor may be shown in this section.
5. Animals in this section may be brought and taken home on the day of the show. The exhibitor must notify the superintendent which cows they will be bringing on entry day.

6. All breeds will compete in one class. Sections C and D will compete for Champion Cow/Calf.

Class 101F1 Advanced Cow Calf

Section E: Herd Builder Class

Rules

1. These animals will be conference judged on the farm prior to the Tama County Fair. All entries will be notified of the date and schedule of judging. Results will be presented at the fair during the beef show. The member’s whole cow/calf enterprise will be evaluated in this contest (i.e. some members may have one pair and others may have multiple)

2. The project record sheet (will be provided) must be complete in regards to feed and all other expenses. Complete records include: purchase price or starting appraised price, feed records, vaccinations/treatments, appraised sale price, and a final profit figure.

3. Cattle will not be displayed at the county fair. In their place, each exhibitor is to create a poster that will be displayed at the fair. This poster must include exhibitor’s name, club and age and how many years in the project. Also include your goal and what was learned. Exhibitor may add extra information and pictures as desired. Content and neatness of poster will be included in judging.

The judge will use the following score card:

Accuracy/neatness of records/poster……30 points

Evaluation of cow/calf project………………30 points

Interview……………………………………40 points

Total points………………………………….100

Class 101D15 Beginner Herd Builder (1-2 years in this project)
Class 101D16 Advanced Herd Builder (3 or more years in this project)
Section F: Feeder Pen Project

Rules

1. All pen of three animals must have been ear tagged and weighed at the county weigh-ins held in December of 2019. Four may be weighed in.

2. The 4-H record 4H-228 WS must be complete in regards to feed fed and all other expenses. Exhibitors must complete the information regarding appraised sale price and profit on the project.

3. Complete records, showing purchase price or starting appraised price, starting date on feed, records, scale ticket or bill of sale if calves were purchased, complete feed record, etc., and a final profit figure, must be turned in at the fair office by 10:00 a.m. on Thursday.

4. Cattle will not be displayed at the county fair. In their place, each exhibitor is to create a poster that will be displayed at the fair. This poster must include exhibitor’s name, club and age and how many years in the project. Also include your goal and what was learned. Exhibitor may add extra information and pictures as desired. Content and neatness of poster will be included in judging.

The judging committee will use the following score card:

- Accuracy of Records: 30 points
- Profit or Loss: 40 points
- Neatness of Records/Poster: 10 points
- Uniformity of grade on cattle in pen: 10 points
- Interview: 10 points
- Total Points: 100 points

All feeder pen exhibitors will be interviewed Thursday during fair to determine the Champion and Reserve Champion pens.

5. A qualified judge will appraise the pens at weigh-in. They will give their best estimate as to quality grade, yield grade, and selling price of each animal. Their prices will be used by the exhibitor in determining profit or loss on the project and to complete 4H-228 WS.

Classes

- **Class 101B6**  
  Beginner Feeder Pen of 3 Cattle (1-2 years in this project)
Class 101B7  Advanced Feeder Pen of 3 Cattle (3 or more years in this project)

Special Awards – Section E: Feeder Pens

Tama County Cattlemen’s Association will make cash awards to winners in this Division. The exhibitors of these pens will be recognized and receive their cash awards at the annual Tama County Cattlemen’s banquet.

The Fair Association will give a banner/trophy for the Feeder Pens of 3 with the highest rate of gain. The rate of gain will be figured on the total pen not an individual.

Section G: 4-H Bottle Beef

Rules

1. This class is designed for 4-H’ers with NO other beef project. This class is limited to 4th -8th grades. Once a member shows a large beef project, they cannot return to the bottle beef project.

2. Any newborn or orphan calf, steer or heifer, dairy or beef that is calved between January 1 and before May 15, 2020 may be shown. All bull bottle calves must be castrated.

3. Calves must be identified by June 1, in 4honline including a photograph of the 4-H’er with the calf. An ear tag (farm tag) is required labeled with a number or name. Exhibitor may identify up to 2 animals, but is limited to a maximum of 1 calf to be exhibited. Only those animals identified in 4honline are allowed to be on the fairgrounds.

4. Calf must be bucket or bottle fed (no nursing).

5. Judging will be based on the 4-H’ers interview knowledge, how the 4-H’er handles the calf, the cleanliness and neatness of the calf, and the relationship between the 4-H’er and the calf (showmanship). Interview & book completion.

6. All calves must be free of warts, ringworm, or any other contagious or infectious condition. They will be checked in by the veterinarians just like all other beef.

7. Any animal shown in this class may not be shown in any other beef or dairy class during this year’s fair.

8. Classes will be broken by the age of the 4-H’ers.

Dairy/Meat Goats
Superintendent: Becky Posusta

Rules

1. General project department rules & livestock show policies apply in this division.

2. Exhibitors must certified through the Youth for the Quality Care of Animals (YQCA) by June 15, 2020.

3. All exhibitors must complete the Animal Care and Management Drug Disclosure Statement (Drug Affidavit) and present at check-in.

4. No Bucks allowed.

5. Entries must be owned by the exhibitor, and properly identified with tattoos or ear tags with their livestock ID’s in 4honine by June 1. Only animals identified in 4honine this year are allowed on the fairgrounds. If kids are born after June 1, the doe must be identified on the ID by June 1 and the Extension Office should be notified at the birth of the kid.

5. Tattoos of animals must be legible and must match livestock ID’s or they will not be allowed to show. All sexually intact goats must participate in the Iowa Scrapie program. All sexually intact goats must be identified with an individual Scrapie Herd of Origin identification tag or by an official tattoo registered with USDA (to register call1-866-USDA-TAG (1-866-873-2824). All tattoos should be well healed-no fresh ink.

6. All goats must be checked in with the Superintendent by their ear tag/s or tattoos before unloading. All market goats must be weighed as part of the check-in. See the dairy or meat goat sections for additional identification requirements for tagging, tattooing and weigh-ins.

7. Only wood chips or wood shavings are to be used for bedding.

8. All animals must be appropriately clipped and washed with neatly trimmed ears, tail and legs. Animals will be checked at check in and a decision will be made as to whether they are eligible to show.

9. Goats with any evidence of ring worm, draining abscesses, foot rot, sore mouth or any other contagious disease will not be allowed to remain on the show grounds.
10. All goats must have a minimum of 4 feet on the ground in the show ring at all times. Lifting feet off the ground or placing them on any support or altered ring surface is not acceptable. Exhibitors will receive one warning if they are found lifting or slapping goats. Second offenses will result in automatic exhibitor disqualification from the goat show.

**Dairy Goats**

1. All registered goats must have tattoos and matching registration papers to show superintendent at check in. Unregistered grade goats must be dairy type animals and properly identified with ear or tail tattoos or a Scrapie and 4-H Ear Tag. If a 4-H ear tag will be used as part of the identification, the animal must be brought to the May weigh-in to have the tag placed. Please be aware that the Iowa State 4-H Show only allows tattoos as a form of identification for Dairy Goat exhibits.

2. Exhibitors are limited to **two** entries to each class.

3. Entries **must be disbudded or dehorned**.

4. All animals must have entire body uniformly clipped excluding a tuft at the tip of the tail.

6. Entries must be taught to lead and show with a collar.

7. The age of the animal will be computed as that age on the day of the show. Check the birth dates (month, day and year).

8. Does, 24 months of age or over which have never been freshened, shall not be shown.

9. The show will be judged according to the ADGA Dairy Goat Score Card for does and showmanship. (See ADGA Judge’s Handbook.)

10. Be prepared to tell judge the doe’s age and date last fresh and how many times freshened.

11. 4-H’ers must take responsibility for caring for and grooming their own animals. See livestock rules.

5. All doe goats to be exhibited must have the official Scrapie Flock Id tags from the state (1-886-873-2824). Wethers do not need the official Flock Id Tag. A picture of the goat must be emailed to jhulme@iastate.edu by June 1, 2020.

6. Any animal shown in this class may not be shown in any other goat class during this year’s fair.

7. Classes may be broken by the age of the 4-H’er.

**Class 107D2** Bottle Goat Class
Division III: Horse and Ponies
Superintendent: Tessla Calvert

Rules

1. General project department rules & livestock show policies apply in this division.

2. All exhibitors must complete the Animal Care and Management Drug Disclosure Statement (Drug Affidavit) and present at check-in.

3. Animals must be identified in 4honine by June 1. Photos are required for State Fair exhibitors. Only horses identified in 4honine may show.

4. All 4-H and FFA horse exhibitors must attend an educational meeting (provided by the horse committee) before exhibiting at the 2020 fair.

5. The veterinarian will check horses on entry day.

6. 4-H and FFA members are responsible for their own tack, feed, and bedding. Clubs will be assigned tack stalls.

7. Stalls must be cleaned each day and kept clean and neat throughout the day. Horses will be part of Herdsmanship.

8. Horses may only be exercised in the horse show ring. They are to be lead to the ring and a parent or adult must supervise the exercising.

9. Horses will remain in their stalls throughout the day, except on show day and during exercise periods.

10. Horses may only be ridden by the exhibitor, not another 4-H/FFA member or friend. No riding double.

11. No horses will be permitted around the other buildings or livestock.

12. Members must clean out their stalls after the horses are released on Sunday.

13. Signed lease forms must be filed in 4honline before June 1, if there is a lease arrangement. Only riding or driving horses are eligible for lease; horses in halter, or conformation classes, cannot be leased and must be owned by the exhibitor. A new lease must be signed each year.
14. Horse project animals can be identified by more than one 4-H member provided the members are all 4-H members and are siblings. Sibling definition includes brother, sister or step-siblings with one common parent/guardian. The same animal(s) cannot be identified by one sibling in 4-H and another sibling in FFA.

**Horses identified by family members cannot enter the same class.**

| Absolutely no riding outside the ring, except when going to your classes on show day. |

**Rules and Guidelines for Showing**

1. Refer to “4-H Rules and Regulations for Equine Shows in Iowa” for rules and regulations for specific classes and equipment. Go to [www.extension.iastate.edu/4h/projects/horse](http://www.extension.iastate.edu/4h/projects/horse) [4-H 551C]

2. Stallions more than 12 months of age are not eligible to show.

3. If there is doubt whether an animal is a horse or pony, the committee in charge of the show will decide. Horses are animals over 57”, ponies are 57” and under.

4. **Dress Code:**

   Arm bands or chevrons must be worn by all horse exhibitors.

   **A solid, plain, front button or snap long sleeved, collared shirt of any color (including white)*, blue/black jeans, hat and boots. Hard-soled shoes or boots are considered safe and appropriate. No chaps allowed. English/Hunt same as western with English hunt hats if possible. 4H’ers and FFA members may wear their 4-H/FFA T-shirts on **Saturday only** instead of the long sleeved white shirt for timed events.

   * The following is prohibited: personalized logos or embroidery, zippers, sheet or lace fabric, embellishments or bling of any kind including, but not limited to sequins, rhinestones, chains, etc.

   Riding helmets are **required** for 4-H youth participating in all mounted and cart classes. They must wear an American Society of Testing Materials (ASTM) and Safety Engineering Institute (SEI) approved head gear with chin strap and properly fitted harness while mounted and riding or driving. Judges will not penalize exhibitors for wearing headgear.
Iowa State Fair, Iowa State University and the Tama County Fair make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

5. Tack code: Western saddle, bridle and bit; either romal or split reins. Western tack is required for all classes except English and games classes. Junior horses (5 years and under) may use bosal, snaffle or shank less bit. Hackamores (either mechanical or leather bosal), nose bands, tie downs, or shank less bits are permitted only in games classes.

4-H Pets

1. 4-H pets must be identified in 4honline by June 1. Only those animals identified in 4honline are allowed to be on the fairgrounds.

2. All pets should come on a leash, in a box, cage, or bowl.

3. No wild animals or ferrets. It is illegal under Iowa law to capture or keep any game or fur animal. No SWINE including pot bellied/Vietnamese pigs.

4. Rabbits may be exhibited in either the pet or rabbit show. Rabbits shown in the pet show go home after the show and do not remain at the fair.

5. There are no housing facilities on the fairgrounds for pets. Pets should arrive on the fairgrounds prior to 5:00 p.m. on Tuesday. The show will begin at 5:00 p.m.

6. Pets will be evaluated with verbal questions from the judge on health, nutrition, grooming, behavior and housing. All exhibitors must be prepared to explain the above areas to the judge in regards to their pet.

7. Included with each pet should be a complete Pet Care Report/Story, written by the 4-H member, telling the care and feeding of the pet. Pictures may also be included. These will be available at the Extension Office and mailed to all entries the beginning of July. This Pet Care Report is to be brought to the show and given to the judge.

8. Participants are limited to one entry per class.

9. All dogs and cats must have a current rabies vaccination certificate. Please show this to the superintendent.

**Class 181A1**  Cats  
**Class 181A2**  Other animals

Division VII: Swine
Superintendents: Jason Gienger and Samantha DeWitt

1. General project department rules & livestock show policies apply in this division.

2. Exhibitors must certified through the Youth for the Quality Care of Animals (YQCA) by June 15, 2020.

3. All exhibitors must complete the Animal Care and Management Drug Disclosure Statement (Drug Affidavit) and present at check-in.

4. All swine must be tagged with a 4-H tag and entered in 4honline by June 1. Photographs must also be uploaded by June 1 (4 photos – left ear and right ear (with a picture of the tag, left side and right side). An exhibitor may identify 15 pigs.

5. All animals must be inspected by an accredited veterinarian and have a Certificate of Veterinary Inspection (CVI; or health paper) issued within 7 days of the show. The vet will also test for ractopmaine (paylean).

6. Upon arrival of the Tama County Fair, the fair vet will do a trailer inspection in the parking lot prior to unloading. The vet will also review and confirm CVI. Throughout the fair, the fair will do random tests on swine for ractopamine.

7. An individual may exhibit no more than six hogs, two groups containing three market pigs, regardless of whether they are a member of both 4-H and FFA.

8. Any combination 1-6 is allowed with a maximum of 4 pigs shown as individuals.

9. All swine must originate from a herd or area not under quarantine and must be individual identified with a 4-H ear tag.

9. There will be two divisions: “Barrows” and “Gilts”. Individual classes within these two divisions will be evenly divided according to fair weights.

10. No breeding swine will be permitted at the 2020 Tama County Fair.
11. No testing for pseudorabies is required for swine originating from a Stage 5 county. All of Iowa is Stage 5.

12. If exhibitors use bedding it must be wood shavings. Absolutely no straw will be allowed.

13. There will be a weigh-in at the fair for all hogs. Exhibitors will be expected to know the ear tag number of each hog when entering. **Ear tags must be cleaned prior to weigh-in.** If you have a pig that has lost a tag, you can read your ear notches to identify the pig. If the exhibitor knows the number, weigh-in will take less time.

15. Exhibitors are expected to bring their animals to the fair weigh-in in a reasonable state of cleanliness. Ear tags must be clean.

16. Hogs cannot be clipped, clipped hogs will not be shown.

16. There shall be no coloring agents, powder or oil of any kind used on hogs. The use of either is strictly prohibited. Hogs cannot be clipped. Pigs in violation will not be allowed to show.

17. Carcass animals must be shown in the regular live show. Carcass animals will be placed according to sex—barrows and gilts placed separately. Ribbons will be awarded to carcass animals in these two categories. All swine show participants will be encouraged to be present for scan results following the show.

18. Carcass placing will be based on dollar value of lean gain per day on test. Automatic disqualification are: live weight of less than 200 lbs., loin muscle area between the 10th and 11th ribs less than 4.5 square inches, back fat of 1.3 inches or more. If a carcass meets these requirements, entries will be evaluated for backfat and loin muscle area at the 10th rib. Ranking will be on either standardized fat-free lean gain per day on test (LGOT) or on a Pork Value representative of a packed grid and lean value gained per day.

19. ALL check in paint numbers MUST be legible on all pigs upon entering the show ring.

20. All exhibitors are responsible for the removal of their pigs at the end of the fair. The Tama County Fair and Livestock Association will not provide a market for the 2020 Tama County Fair.

- 6th thru 10th place  $ 3 each
GENERAL EXHIBIT RULES for DIVISIONS VIII-X

1. Exhibit classes are broad categories. To plan exhibits, 4-H’ers are encouraged to use hot sheets, project guides, manuals and program materials to determine goals and learning experiences. Some project manuals include specific exhibit suggestions and procedures. An exhibit can represent a part or all of learning involved in the respective project or program.

2. Exhibits that do not comply with the class description, size guidelines, copyright restrictions, safety and approved methods will be disqualified and not put on public display.

3. Exhibitors in 4-H classes are not eligible to exhibit in similar department of the FFA divisions or vice-versa.

4. Exhibits previously entered into an FFA Ag Science Fair or any other FFA event or competition may not be entered in any 4-H exhibit class.

5. **Conference Judging is for the MEMBER ONLY.** Leaders and parents may by-stand in the background and watch. Assuming a leader, parent or another member enters the exhibit, the exhibit will be set aside until such a time as it can be judged. A parent, leader or other 4-H’er MAY NOT conference judge for another 4-Her’s exhibit.

6. Eligible exhibits are an outgrowth of work done as a planned part of the 4-H’ers participation in 4-H projects or programs during the current 4-H year.

7. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program. Each member must write up their own goal, what they did as part of the project and what they learned. The conference judging for a group project will include the entire group at the same time.

8. The 4-H’ers goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, workmanship and techniques, general appearance and design. Exhibitors will receive written evaluation comments on the exhibits and a blue, red, or white exhibitor’s ribbon. Refer to exhibit class evaluation rubrics for detailed evaluation criteria in each class. Rubrics are located on each 4-H project page at [www.extension.iastate.edu/4h/exhibit-tip-sheets](http://www.extension.iastate.edu/4h/exhibit-tip-sheets).
9. A written explanation, audio recording, or video recording is to be included as part of each exhibit. The exhibitor should respond briefly to the following questions about the exhibit:

   a) What did you plan to learn or do? (What was your exhibit goal(s)?)
   b) What steps did you take to learn or do this?
   c) What were the most important things you learned?

   *Check for additional requirements in exhibit classes for food and nutrition, photography, visual art, home improvement and clothing classes.

10. 4-H’ers who have completed 5th grade through 12th grade (or that equivalent) in 2019 are eligible to exhibit at the Iowa State Fair. Exception: Group exhibits from an entire club may include 4th grade members.

11. All Entry Tags for these divisions will be available on Fair Cleanup Day or from your leader after this day.

12. Each item in an exhibit must have a label securely attached. Each item in an exhibit must be labeled with the following: county, class number and exhibitor name.

13. Due to security, we discourage 4-H’ers from sending items that have special meaning and historical value as the exhibit or part of an exhibit. The Tama County Fair and ISU Extension and Outreach will use diligence to ensure the safety of articles entered for exhibition after their arrival and placement, but will not be responsible for damage or loss by accident, fire, theft, etc.

14. If the exhibitor chooses a display to illustrate what was learned:

   a) Posters may not exceed 24” x 36” in size
   b) Chart boards, graph boards, project presentation boards, model displays, etc., may not exceed 48” x 48” in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
   c) Display boxes may not exceed 28” x 22” in height or width and 12” in depth.

15. Endangered and threatened plants and animals (includes insects), or songbird feathers and nests may NOT be used in any exhibit. Game animals legally taken are acceptable. Live
specimens of noxious weeds or invasive species are NOT permitted in any exhibit. Dried specimens are acceptable to use in exhibits.

16. Copyrighted materials and designs may not be used in an exhibit that is presented as original work by the exhibitor. Exhibitors must include permission from the copyright holder/owner when using copyrighted materials. Exhibitors must give proper credit to the original sources of all materials/designs used in exhibits. (See also special rules for Visual Arts and General copyright information for 4-H’ers).

17. Non-livestock exhibits selected to go to the Iowa State Fair that are larger than what will fit in a car, should work with the Tama County Extension and Outreach Office to make arrangements for transportation. It is the exhibitor’s responsibility.

18. All judges' decisions are final.
Design Elements and Art Principles
*See class for specific rules

Ask at the Extension Office for publications on the use of Design Elements and Art Principles or find online https://store.extension.iastate.edu/product/464

Basic Elements of Design:

Color – Refers to the name of the color such as green or red. Value tells the lightness or dullness of the hue. Colors opposite each other are complementary colors.

Texture – The feel of the surface such as smoothness or roughness, or the look of the surface such as shiny or dull.

Line – The edge or boundary of an object. Lines can be horizontal, vertical, dotted, zigzag, curved, diagonal, fine or bold. Lines show directions, divide a space and communicate a feeling.

Shape or Form – Shapes are made by connecting lines. Words like circle, square, triangle, or free-form are words used to identify shapes. Shapes are two dimensional where forms are three dimensional. Forms may be balls, cubes, or pyramids. A drawing is a flat shape.

Space – Is the area between and around objects. The space around objects is often called negative space. Space can also refer to the feeling of depth.

Principles of Design are how the elements (line, shape, color, texture and space) are put together.

Balance – The placement of visual weight to create a feeling of balance. Balance may be formal, informal, or radial.

Proportion – Refers to the relationship between one part of a design to another or to the whole. It is a comparison of sizes, shapes and quantities.

Unity – The feeling that all parts of a design belong together. Lines and shapes that repeat each other show unity. Colors that have a common hue are harmonious. Too much unity can sometimes be boring.

Emphasis – The point of interest in a design. Emphasis is the quality that draws your attention to a part of a design. Some ways to create emphasis are using contrasting color, using different or unusual lines, making a shape very large or very small.

Rhythm – Rhythm leads the eye from one part of the design to another part, creating a movement through repetition of a pattern or color.
Division VIII: CREATIVE ARTS

Class 10350  Visual Arts
An exhibit that shows learning through original art, exploration of an art technique, or study of any other visual arts topic

Visual Arts Special Rules

1. Exhibits made from kits or preformed molds will not be accepted. Exception: Preformed molds (greenware, whiteware) may be used to provide the appropriate surface for a process technique or application of original design.

2. If the exhibit is a finished art object, the source or inspiration of the design, design sketches, or other process for creating the object and design must be included. For additional information see the Visual Arts and Design Elements & Art Principles Exhibit Tip Sheets at https://www.extension.iastate.edu/4h/exhibit-tip-sheets

3. If the exhibit is a finished art object information must be included explaining the application of design elements and art principles used in create of the work.

4. Original works of art must be a creative expression of a design unique to the artist, or represent a significant modification to an existing design to make a new and original statement by the artist.

5. Exhibition of derivative works created by a 4-H’er is prohibited without the written permission of the original copyright holder/owner. Use of copyrighted or trademarked designs, images, logos, or materials in 4-H visual arts exhibits is prohibited unless written permission has been obtained from the copyright or trademark holder/owner. For additional information, see 4-H Exhibit Copyright information at https://www.extension.iastate.edu/4h/visual-art.
Class 10320  Photography – An exhibit, either photo(s) or an educational display that shows learning about photography from choosing a camera to modifying your photo. Still photos only, not video.

**Limit of 4 individual pictures and 1 series.**

**Photography Special Rules**

1. Photographs may be either black and white or color. They may be processed from negatives, slides, or digital cameras and computer manipulation programs. Photographs must have been taken since your county fair of the previous year.

2. Photographs should be a minimum of 4” x 6”. Finished size (including mounting/matting) of single photographs may not exceed 11” x 14”. Exception: Panoramic photos must not exceed 24” in length.

3. All photographs must be printed on photographic paper.

4. Mounted photos can be (a) flush-mounted [no board showing] on mounting board, or (b) with mount borders [window mat or flat mount directly on board]. Exhibitors may cut their own mounting boards, use ready-cut window mats or have matting done professionally.

   * 4-Hers are responsible for design decisions such as border, color and size. **Framed photographs (including floating frames) will not be judged.**

5. Non-mounted photos may be exhibited in a clear plastic covering.

6. A series is a group of photographs or slides [3-5] that are related or tell a step-by-step story. Photographs must be mounted together in story order or sequence. Finished size of individual photographs in a series should not exceed 6” x 8”.

7. Digitally altered photos should include a copy of the photo before changes.

Division XI: Fashion Revue, Clothing Selection and $15 Challenge

Sunday, June 28, 2020
Traer Public Library
531 2nd St., Traer

The Iowa State Fair Awardrobe Clothing Event will take place on Thursday, August 13, 2029 at the Iowa State Fairgrounds Youth Inn.

General Rules

1. Tama county 4-H members will be conference judged on June 28 at the Traer Public Library.

2. All participants must take part in the rehearsal at fair and the Tama County Fair Style Show in order to advance to the Iowa State Fair. Blue, red and white ribbons for entries in the county contest will be distributed at the Tama County Fair Fashion Show.

3. Each youth may only participate in the 4-H Awardrobe Clothing Event at the Iowa State Fair with one entry in one class per year. However, youth may be selected to participate multiple years for any given class, even if they participated in that class in previous years.

4. Each county may send the following number of participants in each class to represent their county, selected from each of the county’s events:

a. Fashion Revue Class: Four participants total with no more than two (2) participants with an entry in any given category (athletic wear, formal wear, everyday wear, costume)

b. $15 Challenge Class: Three participants total with no more than one (1) participant with an entry in any given category (athletic wear, formal wear, everyday wear, costume)

c. Clothing Selection Class: Three participants total with no more than one (1) participant with an entry in any given category (athletic wear, formal wear, everyday wear, costume)

5. The categories in each class are simply for entry limit purposes. All entries in each class will be judged together.
6. Participants must be in the senior 4-H designated level (completed grades 9-12 in 2020)

7. Outfits or accessories which will be worn during the State 4-H Awardrobe Clothing Event may not be entered as another 4-H Iowa State Fair exhibit.

8. Participants must bring the garment or outfit they purchased or created, and accessories, to the State 4-H Awardrobe Clothing Event.

9. You must attend the Awardrobe Event if you are selected to represent Tama County, or forfeit future eligibility.

10. Participants should submit only the materials requested for each class (report form and photo – for ALL classes - plus a receipt for $15 challenge). If additional materials are sent with the entry or brought to the conference judging, they will not be considered.

11. If selected for the Iowa State form, participant entry forms must be uploaded by July 31, 2020.

12. Tama County Extension Office will pay the $30 registration fee for participants at the Iowa State Fair. If a member chooses not to attend after the registration is due, the member must pay that fee.

**Class 721   Fashion Revue**

The purpose of this category is to encourage the sewing of a personal garment or outfit. Garments do not have to be perfect to advance.

1. Consideration is given to fit, color, style, suitability, attractiveness, quality of construction, stage presentation, and required care.

2. Youth participants will model a garment or outfit they constructed, hand-knitted, machine-knitted, or crocheted during the current 4-H year.

3. A garment or outfit consists of one to three pieces such as, but not limited to, party clothes, tailored suits, vest, slacks, shirt, skirt, active sportswear and/or coats.

4. Blouses, shirts, and sweaters are usually considered as garments. If they are used to complete an outfit, they may be constructed or selected.
5. All other accessories and undergarments may be constructed or selected.

**Class 722 4-H Clothing Selection**

The purpose of this category is to select and/or purchase an outfit that represents the 4-H’ers goal or intended use for the selected outfit.

1. Judging is based on fit, color, style, suitability, attractiveness, quality and construction features, stage presentation, required care, and cost comparison.

2. There is no consideration in the judging on the amount spent, only in the process of recordkeeping and reflection on the cost of the individual items as a part of the process.

3. Outfits may be purchased at a department store, boutique, online store, sidewalk sales, retail shops or mall stores. Outfits may also be purchased at garage sales or other second hand venues with a total price of over $15. Outfits may be gifts, hand-me-downs, relative or friend’s modern or vintage clothing, or existing personal clothing, as long as the 4-H’er actually selected the item as part of this specific outfit for the stated purpose.

4. Home-sewn clothing that was not sewn specifically for the participant are acceptable, such as purchases from a used clothing store.

**Class 723 The $15 Challenge**

This category is designed to expand the 4-H member’s shopping experience to shopping venues emphasizing recycling, reducing and reusing. Outfits must be purchased at a garage sale, consignment store, goodwill, Salvation Army or similar place.

1. Online venues are allowed, must be second-hand in nature. Shipping and handling is not included in the total calculations.

2. Traditional shopping venues may not be used, regardless of a low regular or sale price. Hand-me-downs or clothing as gifts do not qualify, but may be entered in Clothing Selection if 4-H member selected the items to meet a specific purpose/goal.
3. Fifteen dollars is the purchase price limit including tax. However, some second hand stores and venues do not typically charge sales tax.

4. Receipt(s) for every item included as a part of the calculated total must be submitted with the entry. A garage sale receipt can be a piece of paper with the name of the location such as “Jane Doe garage sale”, date, amount paid, and signature of person selling at the garage sale. If the outfit was free at a garage sale, “free” can be listed on the report form and on the receipt. Failure to provide receipts will result in a reduced evaluation.

5. An outfit consists of major clothing pieces such as a shirt and pants or a dress. Shoes, undergarments and accessories are not included in the $15 purchase price limit.

6. Alterations are permitted to achieve a desired look or fit.

7. There are no additional considerations for an outfit that cost less than $15.

8. The outfit pieces should be purchased to meet the 4-H’ers goal or intended use for the purchased outfit, and the 4-H’er should have had an experience in choosing shopping alternatives, evaluating fit, quality and construction features, price and cost comparison.

   Special Recognition at the Iowa State Fair

All Awardroble Clothing Event participants will receive a green participation ribbon presented at the public fashion show held at the Youth Inn Thursday, August 13, 2020.

The top five (5) entries in each class (Fashion Revue, Clothing Selection, $15 Challenge) will receive a $25 award. Special recognition will be presented by the Central Iowa Sewing Guild to an individual(s) who exhibits outstanding sewing skills in the Fashion Revue Class. The Iowa State University College of Human Sciences’ Apparel Merchandising and Design Program will present an “On Trend Award” to one participant whose garment incorporates this year’s clothing trends. One inspiring participant (must have been selected as top five in class), and who has expressed an interest in furthering their education in the area of textiles and clothing, hospitality management, or consumer sciences will be awarded a $500 scholarship to the Iowa State University College of Human Sciences’ Department of Apparel, educational Studies, and Hospitality Management.
All Communication Exhibits (Presentations, Working Exhibits, Share the Fun and Extemporaneous Speaking including Clover Kid Communication) will be given at County Communication Day, Sunday, June 28 at the Traer Public Library.

The purpose of the Communication Event program provides opportunities for 4-H youth to develop their personal communication skills by sharing talents, knowledge or information with others. The events provide a series of developmental experiences for different age levels.

**General Communication Event Program Rules & Regulations**

1. 4-H’ers who have completed 5\textsuperscript{th} grade thru 12\textsuperscript{th} grade (or that equivalent) in 2019 are eligible to participate at the Iowa State Fair. Exception: Share-The –Fun and Extemporaneous Speaking – see event rules for age guidelines.

2. Educational Presentations and Working Exhibit may be given by one or more 4-H’ers. Teams consisting of youth in mixed grades will be entered in the class of the member in the highest grade level (i.e. a team with a 5\textsuperscript{th} grader and an 8\textsuperscript{th} grader must be entered in the intermediate/senior class).

3. Topics selected by the 4-H’er(s) should be an outgrowth of his/her 4-H experience(s). Topics should be appropriate for presentation to a general audience.

4. Participants in the 4-H Communication Programs are expected to wear appropriate clothing representative of the 4-H Youth Program and/or the topic of the presentation.

5. 4-H’ers must use sanitary and safe procedures and methods at all times. Educational Presentations and Working Exhibits involving food must follow established food safety guidelines.

6. **All participant are expected to comply with all copyright/trademark regulations. Copyrighted material may not be distributed without permission.**

7. Tama County Extension Office will pay the $12 registration fee for participants at the Iowa State Fair. If a member chooses
not to attend after the registration is due, the member must pay that fee.

**Educational Presentations**  
**Class 11101  Junior (5-6th grades)**  
**Class 11102  Intermediates/Senior (7-12th grades)**

Purpose: Provide an opportunity for 4-H’ers to demonstrate communication skills by presenting knowledge, information, or a process to an audience in order to gain a desired response.

1. To be eligible for the Iowa State Fair, Educational Presentations must be given at a local club meeting before being entered at the county level.

2. Six educational presentations could be selected to represent Tama County at the State Fair.

3. The suggested lengths for county presentations are:  
   - Juniors (5-6 grade) must not exceed 15 minutes  
   - Intermediates/seniors (7-12 grade) must not exceed 20 minutes  
   Presenters will be verbally told to “STOP” when they exceed the time limit.

4. All presentations given on June 28 will be awarded blue, red or white ribbons. An announcement of State Fair presentations will be made at the end of the day. Ribbon placing and ribbons will be given at the Tama County Fair during Fun Night.

5. 4-H’ers may participate in one Educational Presentation per year at the Iowa State Fair.

6. Presentation content must be the original work of the presenter(s). Extensive paraphrasing from other sources is prohibited. Use of brief quotations or excerpts of from other work(s) is permitted provided the source is identified.
Working Exhibits

Class 11201  Junior (5th-6th grades)

Class 11202  Intermediates/Senior (7th -12th grades)

Purpose: Provide an opportunity for 4-H’ers to communicate, interact with, and teach an audience in an informal and experiential way.

1. Four working exhibits could be chosen to represent Tama County at the State Fair.

2. All participants will receive blue, red and white ribbons.

3. 4-H’ers may participate in one Working Exhibit per year at the Iowa State Fair.

4. Club members must bring their own supplies and equipment.

5. Time Limit: Junior Working Exhibits (5th & 6th grade) will be scheduled for a 25 minute period. Intermediate/Senior Working Exhibits (7th-12th grade) will be scheduled for a 45 minute period.

Class 11301  Share the Fun

Purpose: Provide an opportunity for 4-H’ers to share their skills and talents before an audience purely for the sake of enjoyment.

1. Eligibility: 4-H’ers who have completed 5th grade through 12th grade (or that equivalent) in 2020. Exception: If the Share-the-Fun involves a whole club, the following criteria must be applied to determine if the club can be entered in the Share-The-Fun Program at the Iowa State Fair:
   
   - At least 80% of the performing group must have completed 5th through 12th grade in 2020.

2. Share the Fun performances must not exceed eight minutes in length.

3. Skits, songs, stunts, short one-act plays, dance, and other entertainment will be acceptable. All performances must be appropriate for presentation to a general audience.

4. Three Share the Fun Exhibits could be selected to represent Tama County at the State Fair.
Class 11401 Extemporaneous Speaking

Purpose: Encourage the development of communication skills by providing an opportunity to think, organize thoughts, prepare a speech, and respond to questions when given a limited amount of preparation time.

1. Participants must be senior 4-H'ers – completed 9th through 12th grade (or that equivalent) in 2020.

2. Two Extemporaneous Speakers could be selected to represent Tama County at the State Fair Program format:
   - Thirty minutes before the program, each participant will draw three of the available topics, selecting one to speak on. The selected topic will not be available to the other participants in the speaker’s assigned room. The general nature of the topics will relate to 4-H. The other two topics drawn but not chosen will be returned to the available topics for the other participants.
   - A preparation room is to be used with one participant per speaking site admitted initially and one additional participant per speaking site admitted each 15 minutes as the program progresses. A participant may not leave the preparation room until it is time to speak, nor may a participant receive help from a parent, leader, other adult or any other youth. A program official will assist participants with the time requirements.
   - All reference material will be screened by a program official on the following basis:
     - Participant may bring his/her own books, magazines or news clippings for reference during the thirty minutes of preparation.
     - Reference material must be printed material such as books or magazines (cannot be notes, outlines or speeches prepared by the participant or another person for use in this program).
     - Some relevant reference material will be available in the preparation room. This material will consist of historical material related to the 4-H program.
     - Each speech shall be the result of the 4-H’ers own efforts using approved reference material that a participant may bring into the preparation room. Plain 3 x 5 note cards will be
provided for each contestant in the preparation room for use in delivering the speech. If notes are used, the 3 x 5 note cards provided must be used in delivering the speech.

- Only notes made during the preparation period may be used.
- Each speech shall be not less than four but no more than six minutes with five minutes additional time allowed for related questions, which shall be asked by the judge. The participant will be shown time cards in an ascending order (1, 2, 3, 4, 5) by the time keeper. “Stop” will be said at six minutes.
- The program timekeeper will introduce each participant by name and the county he/she represents. The participant will be expected to introduce his/her speech by title only.
- Participants are not permitted to use any props, gadgets, posters or audiovisuals of any sort.

4. Speeches will be evaluated using the following criteria:
   a. content related to topic
   b. knowledge of the subject
   c. organization of material
   d. power of expression
   e. voice
   f. stage presence
   g. general effect
   h. response to questions

5. A judge’s critique/conference with each participant will be included as part of the program.

After Fair Clean-up

All Clubs have a responsibility to clean up the fairgrounds on Sunday morning. Non-livestock exhibits and livestock will be released upon the completion of clean up as determined by the Fair board President.

**ALL CLUBS** are responsible for their own booths and stalls. Move booth dividers and tables as directed by superintendents, remove stall cards, clean stalls and pens, pick up trash around your area. All clubs are expected to help clean up trash throughout the fairgrounds including parking lot, show ring, around buildings, etc.

**On Sunday morning, one leader/representative from each club/chapter, must come to the fair office to receive their club/chapters clean up instructions. The list below is an idea of your responsibilities.

For all questions concerning the State Fair, consult the “4-H Department—Iowa State Fair 2020 Premium List.”

If you have a project selected for state fair, a letter of instructions will be attached to your project before county fair ends. Look for it and return your state fair exhibits to the office by the due date. Non-livestock exhibits selected to go to the Iowa State Fair that are larger than what will fit in a car, should work with the Tama County Extension Office to make arrangements for transportation. It is the exhibitor’s responsibility to work with the office in transporting and packing your projects.

1. Health and Accident Insurance cover 4-H participants and leaders (not Extension Personnel) who are registered at the 4-H Headquarters Office. Your report must be filed with the Insurance Company as soon as possible but not more than 30 days after the accident.
2. The State Fair management will endeavor to protect participants from injury. The Iowa State Fair will not be held responsible for any accident, damage or loss. Should any accident occur, prompt attention is available at the First Aid Station maintained on the fairgrounds with a physician in charge.
3. The Iowa State Fair management will use diligence to insure the safety of animals or articles for exhibition after their arrival and placement but will not be responsible for damage or loss by fire, theft, etc.
4. 4-H exhibits at the Iowa State Fair are entered at the risk of the exhibitor. The 4-H department of ISU, in cooperation with the Iowa State Fair Board, accepts exhibits and will exercise due care to protect them. However, the 4-H department and Iowa State Fair Board cannot accept responsibility for loss or damage due to the conditions imposed by large crowds, the arrangement of the buildings in which displays are housed and the great number of exhibits.

What were the most important things you learned as you created your poster?

Where else (besides the fair) do you plan to display your poster to share your message?
Poster Exhibit Entry Criteria

**Audience**
- Did you consider the following characteristics of your audience as you prepared your poster?
  - Age
  - Urban or rural background
  - Background knowledge of theme
  - Ethnic background
- Where else (besides the fair) can you display your poster to communicate your message to your intended audience?

**Message**

Headline, body copy
- Is your message brief and direct? Have you used only key words or phrases to send one message?
- Have you researched the theme enough to support the headline with accurate body copy and appropriate visuals?
- Is the headline large enough or positioned on the poster so that it grabs the audience’s attention? (On a 14 x 22 inch poster, the letters of the theme should be 1 ½ to 3 inches high and ¼ to ½ inch thick.
- Is the lettering size, style and color easy to read? (Body copy letters should be ¼ to 1/3 the height of the title letters.)

**Visuals: pictures, drawings**
- Does the visual appeal to your audience?
- Does the visual reinforce or carry through the message of your theme?
- Is the visual original, simple, compelling, to the point?
- Does not include any copyright design or material.
- Is the visual proportional to the size of your poster, headline, and body copy?

**Layout**
- Does the poster look too crowded? (If less than 20% of the poster is open space, your poster may be too crowded.)
- Does the poster have a strong center of interest?
- Are the headline, visual and body copy (the three elements) balanced? (Layout balance is achieved by positioning the headline, visual and body copy and using blank spaces round those elements.)
- Does the poster use color, texture, shape and size in a pleasing combination?
- Can the poster, as assembled, withstand long periods of display?

**Overall Poster Appearance**
Does your poster attract attention, focus interest on the theme, sell your audience on taking action?
