Note from the CYC

Hello, everyone!

I am excited to show you what we have coming up this month, and this newsletter is to be short and sweet! There are many opportunities to grow and learn this month, and with most of them being virtual they are more accessible than ever. I encourage you all to take these opportunities and gain as much as you can from them.

As you know I am also continuing my education with Iowa State University. With that, I will be working remotely Mondays through Thursdays, and in the office Fridays and Saturdays. I am always an email away, and if you have any questions please feel free to contact me!

Sincerely,

Adelyda Ebersole
