ANIMAL ID

All livestock **must** be identified in 4HOnline for eligibility to exhibit at county fairs and the Iowa State Fair **by May 15**. This includes beef, dairy cattle, dairy goat, dog, horse, meat goat, pets, sheep, swine. Sign-in to v2.4honline.com to ID animals before **May 15**. **All Rabbit and poultry** must be identified in 4honline by **July 1st**.

Exceptions: Market Beef - February 1

Please note: this does NOT enter your animals into fair classes (this is done on Fair Entry). Animal ID on 4HOnline simply makes them eligible. **See also: section on Fair Entry.**

YQCA

If you plan to exhibit beef, dairy cattle, dairy goat, poultry, rabbits, sheep, and/or swine projects at county or State Fair, you need to complete YQCA training yearly. To show at Van Buren County Fair, complete **by July 1st**. <https://yqcaprogram.org/>

FAIR ENTRY

VAN BUREN COUNTY FAIR

To exhibit any 4-H/FFA project (including livestock/animal projects, Clothing Event and Communications), exhibitors **must** complete entries between **June 1 - July 2**. Scratches can be made at fair check-in.

Animals can be changed for registered classes as long as they have been ID'ed in 4honline and follow the proper requirements (ie- weighed in if market). To exhibit Static Exhibits Pre-Entry intentions are made on www.FairEntry.com and are due by 11:59 p.m. the Sunday before static judging day. This is not an exhaustive list of static projects, but pre-entry will streamline the process and allow entry tags to be pre-made for exhibitors. Additions, changes or deletions can be made to all pre-entered static projects during judging on Tuesday.
