

2023-2024 Award Nomination

You may nominate yourself, or another 4th-12th grader (as of the 2021-2022 4-H Year)

We will select 1 Winner for each from these nominations, You can only win this award once

Due October 8th by 4:30 pm

Helping Hands Award- was designed for the 4-H member exhibiting selflessness and willingness to help other members with projects. This person would have aided in the teaching or education of new skills. This person would have also been willing to help a new member or an old member even if they did not know the person in the beginning. This person would have not only helped the other person with a new skill but also provided encouragement and support to the other person.

Helping Hands Nomination (First and Last Name) please write legible:

Spirit Award- is for a 4-H member that has exhibited above normal enthusiasm, spirit and excitement for the 4-H program. This member may not be the one that wins the award or gets the trophy but still gives a 100%. This member shows good sportsmanship, the willingness to learn new skills and is willing to try even if they have no experience in that area. This person may need the help of others & accepts help graciously, but is also willing to help others in return. This person will not be heard constantly complaining and accepts change with more grace than the normal person. This person is willing to encourage others even if it is in direct competition with them.

Spirit Nomination (First and Last Name) please write legible:

Mentoring Award- is an award for any 4-H member that has aided, taught or demonstrated skills and/or qualities to a younger member. This could have been done directly or indirectly by teaching, helping or setting a good example by not only teaching but also practicing those teachings in the presence of all members. The member may have also been practicing leadership and/or overall good citizenship qualities in the presence of younger members as well.

Mentoring Nomination (First and Last Name) please write legible:
