

Wapello County 4-H Clover Corner

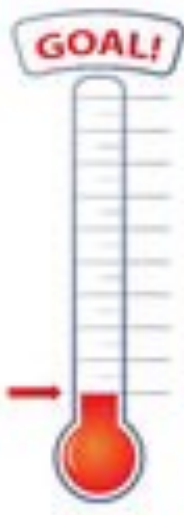

Hello Clover Kids! April Clover Kids

This month Clover Kids will be learning about the parts of a seed and what they need to grow in our Sensational Seeds lesson.

Did you know that seeds have parts that help them grow into plants? Seeds also need sun, soil, water, and air to grow into plants. Clover Kids will be using several hands on activities to learn about Sensational Seeds.

4-H CLOVER KIDS

Let me help your kids find a new experience, work on their communication skills, while helping me reach my personal goal of 100 Clover Kids showing at Expo. This is such a great experience for your child, to talk to a judge about their projects while learning life skills!

John Deere is helping me reach my goal by offering the 1st 100 Clover Kids that let me know they would like to show at Expo a FREE Clover Kids t-shirt to wear to show. LET MRS. DUFF KNOW BY MAY 1 TO GET YOUR TSHIRT. All Clover Kids that show will have their name on this cute shirt. Showing projects will happen on Monday, July 10.

Here is a picture of the Clover Kids table so you can see some of their projects.

Clover Corner Continued...

Barnyard Palooza will be held on Saturday, April 29 for anyone wanting to show animals at Expo or anyone who wants to learn more about animals & showing. Mrs. Duff will be there from 2:30-5:30 to answer any questions and give out paperwork.

SAVE THE DATE: 3RD GRADE CLOVER KIDS GRADUATION WILL BE HELD ON SATURDAY, JULY 8 DINNER FOR YOUR FAMILY WILL BE AT 5 WITH OUR PROGRAM BEGINNING AT 6PM. THIS IS A FUN NIGHT TO HONOR OUR CLOVER KIDS MOVING UP IN 4-H. OUR HIGH SCHOOL SENIORS WILL BE HONORED AS WELL. A SAVE THE DATE CARD WILL BE GOING ON TO REMIND YOU CLOSER TO TIME.

To Make the Best **BETTER**

This month while talking about Seeds we are going to plant a Sugar Snap Pea seed. Your child could use this as an Expo Project, they could show photos of how the seed started in April then what it will look like in July and hopefully get to bring to Expo some of their sugar snap peas that they were able to grow.

Dog project starts April 16, please let Mrs. Duff know if your child is interesting in participating in this program. It is an 8 week program meeting on Sunday afternoons at the Expo grounds. Your child would show their dog at the Dog Obedience and Dog Agility during Expo. Your child must go to 4 of the trainings to show. If you have any questions contact Mrs. Duff or Cindy Emery at 641-682-5491

**ALL ANIMALS THAT WILL BE SHOWN AT EXPO
MUST BE REGISTERED ONLINE BY MAY 15.
CONTACT Cindy Emery or Lisa Duff with any questions.**

**Be sure to LIKE our 4-H Facebook page
for all of your Clover Kids information.
Day camps will be released on our page
first. Look for those soon!!**

4-H PLEDGE

I pledge my **HEAD** to clearer thinking,
my **HEART** to greater loyalty,
my **HANDS** to larger service,
and my **HEALTH** to better living,
for my club, my community,
my country, and my world.
