2025 4-H 202

Iowa 4-H - Animal Identification, Weighing, and Exhibiting Requirements for County, State and Interstate Shows. This publication has two purposes: (1) to summarize regulations relating to exhibiting animals at 4-H shows, and (2) to provide additional suggestions for staff members and county program committees as they plan 4-H shows. It is the expectation that all 4-H shows will comply with the regulations in this publication. Shows may have rules that are more restrictive but not less restrictive than state rules. <https://store.extension.iastate.edu/product/194>

Nikki Witt, Natalie Kopsieker, or Kayla Emery

When referring to 4-H in writing form, please remember that 4-H must always have the hyphen in between the 4 and the H. Also, another great tip is 4-H must be on the same line, not the 4- on one line and the H on another. 4-H is © copyright and it must be used in this manner.

Use of ISU Trademark

Are you planning to use an Iowa State trademark in your 4-H project for the county or state fair? Here's how you get permission to show your project! Iowa State's trademarks are very popular, and students will often want to use them in 4-H projects for their county fair. In order for the fair to show and judge your work, they require a letter of permission from ISU. Fill out the form located at <https://trademark.iastate.edu/4-h-request>. Allow 3-5 business days for a response, in which an electronic version of the letter will be sent to your email. If you'd rather have a paper copy you may request. It is important that this letter of permission be shared with the judge and be placed with your exhibit to be displayed.

Exploring Design Elements and Art Principles

Being able to identify the design elements and art principles is important to know when filling out the Exhibit Explanation Sheet for county fair in the areas of Visual Art, Sewing and Clothing and Home Improvement. This publication can be found at <https://store.extension.iastate.edu/product/464>

Exhibit Explanation Help Sheets

Are you struggling on how to complete "Exhibit" sheets that are required for all static exhibits? If you answer yes, please check out the following resources available from the Extension Store. Both have wonderful tips and tricks. "Preparing Youth for the Fair" <https://store.extension.iastate.edu/product/16154> "Tips for Writing 4-H Exhibit Goals" <https://go.iastate.edu/KYBGB3> Exhibit sheets can be typed and is highly suggested if your project is selected to go to the State Fair.

T-shirt order information will be available soon!"**

We hope this letter finds you well. We are writing to invite your business to participate in the upcoming Wapello County Expo on July 19th, 2025. We are reaching out for support through donations or participation in our *Celebrity Show* at 2:00 PM.

We would love to have someone come out and represent your business. For a \$100.00 donation you will be entered in the competition of the summer! You are welcome to dress up in your business merchandise or choose a fun costume for the show! This is a fun way to add personality to your participation and showcase your business in a creative way. You can choose to "show" a sheep, goat, pig, cow, poultry, or rabbit at the event. You will be paired up with a Wapello County 4-H or FFA Member. They will be your assistant in the ring as you "show" the animal and be briefly interviewed. This is a wonderful way to be involved and support the agricultural spirit of our community.

Alternatively, if you are unable to participate directly, your business can still contribute the \$100, and we will find a local celebrity to fill the spot on your behalf. It's a great way to show your support and be involved in the event without needing to participate in person.

Your donation and participation will help ensure the success of the event and bring the community together for a memorable experience. The show is limited to 30 participants. Half of the donations collected will go to the Wapello County Expo Board for continued improvements. The other half will come back to the winner's charity of choice. The winner will choose a local non-profit of their choice to donate the money to.

For more information or if you would like to donate or participate, please contact Nikki Witt at 641-344-3392 or Clint Witt at 641-344-3333.

Thank you for considering our request. We look forward to seeing you at the Wapello County Expo on July 19th!
