Greetings!

This year’s theme
Strive for GOLD—
That is what we did!

This year was very unique. But despite all of the differences, we pulled it all together to make the best of what we had, and WE were successful! Thank you to all those who supported the 4-H program and the volunteers that made it all happen throughout the 2020 Wapello County Expo.

Kudos to those youth that continued to complete and turn in projects and participate in the static judging and the animal project shows. This shows that even in struggling times you as 4-H’ers continue To Make the Best Better!

A special thank you to our Expo Board, Extension Council, & our Regional Director for allowing us to have our “taste” of Expo. Because it is truly what we love, how we connect, and where we make the best memories.

4HOnline 2.0 is Coming!

ENROLLMENT AND RE-ENROLLMENT
for 2020-21 4-H NEW YEAR

Looking toward the new 4-H Year, we need to begin thinking about re-enrollment. The 4HOnline enrollment system is in the process of being updated this fall. This technology update is to help with easier navigation and accessibility, and to include capabilities that we currently do not have. Because of this update, enrollments and re-enrollments will be delayed. As of today, we are unsure of an exact date. We are hoping for the first of October. Please be patient as we transition to this new system.

*Membership fees this year are:
$35 for the first member and
$17.50 for each additional family member

If you have any questions, please contact Cindy
