

Compliance Report

Iowa State University Extension and Outreach is available to all families, regardless of race, color, national origin, gender, religion, disability, political beliefs, sexual orientation, and marital or family status. We must have a record that all Preschools comply with this requirement. The reason for this request is based on two federal laws. The Civil Rights Act of 1964 says we cannot support programs for, nor cooperate in supporting programs with any public or private agency, organization, or group that discriminates on the basis of race, color, or national origin in its membership requirements or in any services offered. Furthermore, it is inconsistent with the Title IX of the 1972 Education Amendments for the Iowa Cooperative Extension Service to provide significant assistance to any public or private agency, organization, or group that discriminates in its requirements or in any services offered on the basis of gender. Please complete this form and return it to ISU Extension and Outreach, Warren County, 909 East Second Avenue, Suite E, Indianola, Iowa 50125.
