

Project Preparation Day

Saturday, July 8, 2023

Where: The Extension Office

Time: 9 a.m. - noon

Need help
with those
goal sheets?

Can't figure out
what class those
projects go in?

Need some
suggestions on
how to improve
your project?

Then come to the Project Preparation Day
and get your projects evaluated by a
judge, ask questions, learn something
new, and get ready for the fair!

If you are interested in this event, please be sure to reserve a time slot by July 3. Judging will be done in 15-minute intervals and a judge will be there to answer questions at all times!
