

# Photo Mounting Day

**Tuesday, July 12, 2022**

Although photos for the Washington County Fair do not need to be mounted, any to be considered for the Iowa State Fair must be mounted. We do offer help with this process on Photo Mounting Day with the traditional mount on mat board in several different colors. Volunteers will be available to help on this special Photo Mounting Day. Due to the large number of 4-H members enrolled in photography, **please come at the time corresponding to the first letter of your last name if at all possible.**

Remember, all photography exhibits need a Photography Exhibit Label (write-up). These will be available on photo mounting day or print as many as you need from

<https://www.extension.iastate.edu/washington/files/documents/Photo%20Exhibit%20Label%20May%202019.docx>. This is the same form that will be required of any photos selected for the Iowa State Fair.

See a completed form [sample here](#) or on the fair forms webpage.

**All photos must be pre-registered in Fair Entry <http://washingtoncounty.fairentry.com> by July 13 with a detailed description.** Help sheets are available for this process at the Fair Forms webpage. You are also welcome to complete this step at photo mounting day while at the Extension Office. Your entry tags will be printed for you and available at check-in on judging day, **July 16**.

**Judging time during the fair is from 8:30 a.m. to 2:00 p.m. in the upstairs of Dallmeyer Hall on the fairgrounds on Saturday, **July 16**.** Members will be given a number upon arrival, and called in order.

Remember:

- Photographs should be a minimum of 5" x 7". 5" x 7" size is a standard photograph size and the slightly larger size allows for a better evaluation.
- Any photos to be considered for the Iowa State Fair must be mounted and/or matted.
