OBJECTIVES FOR THE COUNTY FAIR

COUNTY FAIR OBJECTIVES:

TO PROVIDE AN OPPORTUNITY FOR 4-H'ERS TO

- Demonstrate, learn, and apply practical, university-researched methods of production, management or marketing of accomplishments.
- Continue life skill development in the areas of self-concept, decision-making, communication, learning to learn, coping with change, citizenship, and leadership.
- Measure their progress and skills against individual goals and accepted standards.
- Participate in a variety of program opportunities beyond the county level.
- Gain personal satisfaction, meet new people, share ideas and learn to work cooperatively.

TO PROVIDE AN OPPORTUNITY FOR THE PUBLIC TO

- See an updated comprehensive image of Iowa's Youth and 4-H Program.
- View a showcase of accomplishments of 4-H'ers.
- Learn new ideas from a variety of 4-H projects and experiences.

The Washington County Fair is a youth event, with safety of exhibitors and exhibits a top concern. Exhibitors are expected to be cooperative, courteous and positive 4-H representatives, using appropriate behavior and language. All 4-H'ers are forbidden from bringing in or consuming alcoholic beverages or tobacco on the fairgrounds. The public is not allowed to smoke in any building. Violation of these rules may result in loss of premiums, awards, honors and exhibition privileges. Further action may be taken if necessary. Any report of violations must be in writing and signed. All decisions will be made by Extension Council.

GENERAL RULES AND INFORMATION FOR EXHIBITORS

1. All exhibits will be under the direction of the Department Superintendent. The Washington County Fair Association, Extension staff, and 4-H volunteers will use diligence to ensure the safety of all animals or articles entered for exhibition, after their arrival and placement, but under no circumstances will they be responsible for any loss, damage, or injury.
2. Classes and competition are open to projects and exhibits owned by youth enrolled in Washington County 4-H Clubs or Vocational Agricultural Departments in Washington, Keota, Mid-Prairie, IMS, and Pekin school districts or by special arrangement.
3. Member must be in good standing in his/her 4-H Club or FFA Chapter to be eligible to exhibit. (See General Rule 12). The last year members are eligible to show is the summer following high school graduation.
4. Identification reports for livestock projects must be on file in the Washington County Extension Office by May 15. (FFA members will complete the 106 id form. 4-H members must have livestock entered into their 4hOnline accounts.) The only animal not needing identification reports are poultry. (Weigh-in dates must be met for market beef, market lambs, commercial ewes, meat goats, dairy wethers and swine).

Joint identification of same animals by more than one member of the family is not permitted.

4-H or FFA member may not nominate or show the same animals in 4-H or FFA at more than one county fair.

5. Unless otherwise noted, junior members are 4th, 5th, and 6th grade; intermediates are 7th, 8th, 9th grade; and seniors are 10th, 11th, 12th grade. All grades have been completed as of the previous school year.
6. It is intended that all State Fair rules and county fair rules be compatible. But in no case will the State Fair rules override or supercede the county fair rules at the county fair.
7. Blue livestock entry cards are due on July 1. Entries must be on time to make pen and stall assignments, stall cards, and entry lists. Non-livestock exhibitors will make entries on judging day (**Saturday, July 16**). Exhibitors will receive one (1) 4-H Exhibitors Pass for fair entry from club leaders at their June club meetings.
8. Entry Fees - Must accompany club entries: There will be a standard \$3.00 entry fee for each 4-H and FFA member entering an exhibit. Leaders will turn in fees with fair entries by July 1. Any late entries will be charged \$1 a day.
9. Premiums - All completed entries will be awarded a premium of \$2.25 per exhibit. All premium money will go to the local treasury, with each club determining if it will retain the money. The exception is awards given for fashion revue, educational presentations, extemporaneous speaking, working exhibits, and livestock judging which will go to the 4H'er.
10. Exhibitor attire: white 4-H/FFA T-shirt, white shirt, or white blouse and jeans (no holes) or slacks. Dairy members may wear white trousers. *Tank tops are not acceptable for showing.
 - Graduating 4-H members will be allowed to wear gray 4-H Sr. polo to exhibit.
Sponsored by: Witthoft Farm Supply
11. **Exhibitor Attendance** - All exhibitors must be present for judging (livestock and non-livestock). Exceptions would be in cases of injury, serious illness, death in the family, active military duty or high school sanctioned state baseball or softball tournament play (as a team member or immediate family only); as these conditions are out of the 4-H'ers control. If any of the above exceptions occur, the livestock project may be exhibited by an active Washington County 4-H member. Superintendents must be notified of substitutes before the day of judging. In the cases listed above, non-livestock projects would not have conference judging, but a ribbon would be given and could be eligible for State Fair if only it meets ALL requirements as it is judged that day.
 - a.) If an exhibitor has multiple species exhibiting at the same time & the classes overlap, a substitute 4-H member may exhibit one specie for the 4-H'er. The superintendent must be notified of the substitution exhibitor.
12. Members are expected to keep complete accurate project records. Fair premium money will be paid after records have been given to leaders. 4-H members' attendance at club meetings is

expected. Any member missing more than 3 times without legitimate excuse will be ineligible to exhibit at the fair.

13. All protests of any nature **MUST BE IN WRITING AND FILED WITH THE DEPARTMENT SUPERINTENDENT FROM WHICH THE COMPLAINT ARISES**. Such complaints will be given due consideration by the superintendent, 4-H Committee, and the Fair Board.
14. Overnight camping is allowed for 4-H families of Washington County in the designated campground, through a sign-up process. The campground is operated by the Washington County Fair Association.
15. No exhibits may include firearms without prior notice and permission given by the Extension Office.

IOWA YOUTH CODE OF ETHICS

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition.
5. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violative drug residue.
6. If any animal requires medical treatment while at the fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.

7. My animal's appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the premium book of the fair or exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise.
11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair or exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use.

I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand, and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in this premium book.

LIVESTOCK PRODUCTS DIVISION

GENERAL RULES:

1. Youth participating in the livestock division understand the bio-security and physical hazards that could affect livestock projects and other livestock on their family farming operation as a result of participating in 4-H animal projects and taking any projects home after the fair. Those participating in Washington County 4-H and/or FFA ASSUME the RISK of participating.

2. No livestock should be on the grounds before 3:00 p.m. on Sunday, **July 17** without prior approval of fair board members and department superintendent/4-H staff.
3. All livestock exhibits must either be in place designated by department superintendent by 10:30 a.m. on Monday, **July 18**, by time noted below, or the beginning time for department weigh-ins, whichever is earlier.

4. According to the State Vet, all sheep and goats exhibited at the county fair **must** have an official USDA Scrapie ID tag in its ear. This rule is in accordance with the Iowa State Fair and the USDA. Lambs and goats not having the Scrapie ID tag will not be exhibited at the county fair.
5. Livestock not being sold will be released Friday, **July 22** between 6:00 a.m. -8:30 a.m. or following the auction on Friday, **July 22**. Exhibits removed prior to this time without permission of department superintendent will forfeit premium money.
6. Registration papers on purebred animals must be checked by department superintendent on fair weigh-in day. Registration papers must be in the name of the exhibitor, parent, family,

or farm name, showing logical relationship. If not registered, written evidence from the Breed Record Association must be presented, showing that registry application has been made. For Washington County Fair exhibition only, market beef steers exhibited in breed classes require a minimum of a signed affidavit by the producer verifying the steer may be registered.

7. All exhibitors must supply feed and care for their exhibits. Barns will be inspected regularly for herdsmanship. See “Herdsmanship Contest” for specific details. Manure must be disposed of in the area provided by department superintendent. **Be sure it is free of wire and paper. Empty feed sacks should be placed in the large dumpsters and not trash cans or barrels.**
8. Any animal showing evidence of artificial means being used to remove or remedy physical defects of conformation shall be disqualified from competition.
9. A fair vet will visually check all lambs **BEFORE** the lambs may enter the barn. Any lamb detected to have Club Lamb Fungus or other health issues will not be allowed to enter the barn or exhibit at the county fair. All market lambs and commercial ewes must be slick sheared before vet inspection at check-in on Sunday night.
10. All 4-H and FFA livestock projects (with the exception of poultry and young rabbits) must be owned (exception - see Horse Department), managed, and cared for by the exhibitor and identified by May 15. By the time of any weigh-ins, the animals must be cared for by the 4-H'er. Projects must be fed separately from other family livestock.
11. All market beef, breeding beef, bucket bottle, swine, sheep, dairy cattle, dairy goat, market goat, rabbit, and poultry exhibitors are **REQUIRED** to be FSQA certified to exhibit at the County Fair and State Fair. The certification may take 2 forms depending on age: attend a class or test. Contact the Extension Office with questions.
12. Outside assistance in fitting and grooming is allowed if the 4-Her is present and involved in the process when not in the show ring.

**2016 OFFICIAL HEALTH REQUIREMENTS
FOR EXHIBITION OF LIVESTOCK AND POULTRY AT THE
WASHINGTON COUNTY FAIR**

Each species will have an assigned fair veterinarian.

Fair veterinarian will check all animals on the opening day of the fair, weigh-in day and/or before the animals are allowed to enter the project barn.

No official health certificates will be required on livestock or poultry exhibited at a County 4-H and FFA show, but livestock or poultry must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Each county fair **MUST** have an official veterinarian. Quarantined animals or animals from quarantined herds cannot be exhibited.

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESSSES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

SWINE

Swine exhibitors must sign the “Animal Care and Management Disclosure Statement.” This form will be available at fair weigh-in.

All hogs shown at the Washington County Fair will have the opportunity to go directly to slaughter. Pigs must be documented to sell with superintendent Monday at check-in. See superintendents with questions.

PSEUDORABIES REGULATIONS:

Iowa has now moved to a stage 5 status for the Pseudorabies Program. This now eliminates the need for 4-H’ers/FFA members to test their herds prior to the Washington County Fair and the requirement to vaccinate county fair pigs.

CATTLE AND SHEEP

Cattle and sheep exhibitors must sign the "Animal Care and Management Disclosure Statement" concerning BSE in cattle and sheep. This form will be available at fair weigh-in.

POULTRY AND BIRDS

All poultry exhibited must come from a U.S. Pullorum-Typhoid clean or equivalent flock, or have had a negative pullorum-typhoid test within 90 days of public exhibition (test must have been performed by an authorized tester). A certificate showing proof of purchase from NPIP participating hatchery of those poultry that were tested within 90 days prior to show is required.

DOGS AND CATS

LIVESTOCK SALE/AUCTION Friday, July 22, 9:00 a.m.
Superintendent.....Keith Murphy

The exhibitor shall be responsible for enrolling the project in the auction with their department superintendent or in the Extension Office by Noon, Thursday, July 21. No livestock will be added after that time.

1. Cattle, sheep, goats, rabbits, poultry, and swine champions, will sell in that order, starting at 9:00 a.m. These rotate each year.
2. Maximum to be sold in each species is as follows:
 - Champion Market Swine
 - 5 entries of rabbits/youth (2 lots)
 - 5 entries of poultry/youth, with limit of 1 entry per class (2 lots)
 - 5 market lambs/youth (2 lots)

- 2 market goats/youth
 - 2 head of market beef/youth (Sale order is determined by ear tag number. Champions and first-place calves in each class shall be sold first.)
3. **All rabbits, poultry, market goats, and beef being sold must be listed at the Extension Office by Noon, Thursday, July 21.** Cancellations must be reported to the superintendent by noon on Thursday. (All cattle not being sold at auction must be listed with department superintendent by 2:00 p.m. Thursday.)
 4. Market beef and sheep will be sold based on weigh-in weight on check-in day.
 5. A \$1.00 Beef Check-off fee will be charged for each beef animal sold in the auction. This fee will be paid by sponsor *Michael Huston with Mycogen Seeds*.
 6. All livestock entering the sale ring must be sold with the exception of Swine. Each club member is responsible to lead or place animals in stalls or pens as directed by department superintendent after auction.
 7. All 4-H'ers are to wear proper exhibitor attire during auction (see page 2).
 8. Exhibitors must be present and with livestock in the ring during the auction in appropriate 4-H clothing.

SWINE MARKETING PROCEDURE

Hogs will be sold on a Grade & Yield basis. Superintendent & packer will determine base price. Insurance and check-off will be deducted from the check. The scanning fee will be deducted for each animal scanned. *Trucking fees are donated by Jarrod Holmes with Holmes Livestock Logistics.* Hogs will be tattooed and tagged at weigh-in Monday morning to identify Tyson sold hogs. Load out time will be posted on Wednesday. **Because of severe price discounts for lightweights, pigs weighing less than 220 pounds should not be brought to the fair.**

DEPARTMENT 101 - MARKET BEEF

SuperintendentPat Schneider

Committee Doug Colbert, John Colbert, Lori Long, John Durst Jr., Dave Erwin, Leon Greiner, Jim Schneider, Lyle Sexton, Andrew Schneider, Dustin Schneider, Matt Schneider, High School FFA Advisors, Directors of the Washington County Cattlemen's Association

RULES AND REGULATIONS

1. See General Rules and Health Requirements.
2. **No ordering of extra stalls for tack, etc. The department superintendent will assign tack stalls to each club.** All beef must be in those stalls by Monday at 8 a.m. unless noted with permission from superintendent.
- 3 a) Members may show a maximum of 3 individual market beef animals.
- b) Any market beef may also be entered in the carcass beef division.
- c) A maximum of 2 head of market beef calves may be sold in the auction. All beef being sold in the auction need to be listed at the Extension Office by noon Thursday. Animals not being sold must be identified by 2:00 p.m. on Thursday to the department superintendent.
- d) All market beef must be weighed between 8:30 a.m. and 10:00 a.m. Monday. Calves will be dismissed from the barns for weigh-in by the beef committee.

4. Entry is open to steers or heifers properly enrolled. Animals must have been identified and weighed at an official 4-H weigh-in held in December.
5. A **minimum weight of 950 lbs.** is required for market beef. Calves not meeting this requirement will be shown in a special lightweight class. These light calves will not be eligible for championships, but will receive ribbons, premiums, and can be sold in the auction.
6. There are 7 separate classes for market beef animals. These will be designated on the Fair Entry blue cards due July 1.
7. Champions will be selected for each of the Market Beef Classes.
 - **Market Steer - Breed divisions**
 - a. Must have a breed certificate/registration paper showing breed, sire name, and sire registration number *or*
 - b. Must have a signed affidavit from producer verifying steer may be registered.
**a or b will be checked at fair weigh-in.
 - d. Minimum of 8 head needed for weight break in class. No minimum number to have a breed class.
 - **Market Steer - Crossbreed**
 - **Market Steer - Produce:** Produce of beef heifer or cow project in a previous year. (Enter class 101 10 or breed class, they cannot be entered in both classes.)
 - **Market Steer/Heifer - Bucket-Bottle Calf:** Minimum of 6 Bucket-bottle calves in both market steer and market heifers are needed to make these classes. Less than 6 will be put into the All Others Class. *Returning Bucket Bottle calves must have been shown in previous year by the same exhibitor.*
 - **Market Heifer:** Heifer is not eligible for breeding classes (enter in class 101 30)
 - **Dairy Steer Class**
 - a) Open to any dairy steer showing 100% dairy characteristics (50% or more characteristics, as determined by department superintendents may also be eligible.)
 - b) Limit of 3 dairy steers per exhibitor.
 - c) Steer can be a returning bucket-bottle calf or a purchased steer.
 - d) Calves will be weighed in and tagged with market beef animals at December weigh-in.
 - e) Calves will be weighed in with market beef animals at the county fair and ADG will be figured.
 - f) If numbers of entries require a breakdown, classes will be divided by:
 - 1) Large Breed (Holstein, Brown Swiss)
 - 2) Other Breeds (Jersey, Guernsey, Ayrshire)
 - 3) Crossbred
 - g) Calves will be eligible for auction; with each exhibitor still limited to 2 calves total in auction.
 - **Share-A-Calf**
 - a) Requires pre-registration with the Extension Office in November.
 - b) Partnership is made with a cattle producer who provides a calf to the 4-H'er at December weigh-in where price is set per pound.
 - c) 4-H'er cares for animal, exhibits animal, sells animal, and pays producer.
 - **Single Source Steer Class**
 - a) Participants must register by November 10 to the Extension Office with a \$500 deposit made to Washington County Extension. This deposit is nonrefundable.

- b) Participants can have one calf in this class that will count in their limit of 3 market calves for county fair exhibition.
 - c) Calves will be pre-conditioned with implants and vaccinations before December weigh-in.
 - d) Participants are required to pay the balance at the December weigh-in. Calves will be purchased at approximately 600-650 pounds at current market value which will be an approximate total cost of \$1200-\$1600.
 - e) Calves must be halter broke and shown in the Single Source Steer class during the market beef show. Winners will be eligible for the Grand Champion drive and calves may be fit with adhesives and/or paint in the Grand Champion drive, however, fitting is not required.
 - f) Calves must also be entered in the Carcass Class which in past years has a \$15 fee due at scan time (Monday of fair).
 - g) Participants will be encouraged to attend the educational field trip (date TBA) to help build knowledge in beef production and build contacts within the beef industry. Examples: feed lot tour, cow calf operation, packer tour, sale barn.
 - h) At the start of the show it will be explained by a Washington County Cattlemen member how this class is unique.
 - i) Cash prizes will be given by Washington County Cattlemen as are donated by sponsors.
 - j) Other specifics will be decided as the class develops with the assistance of a sub-committee and Washington County Cattlemen.
8. Any of the animals entered in one of the 8 Market Beef Classes may also be entered in the beef carcass division. Exhibitor shall pay for any scanning costs at time of scan.
 9. All market beef must show evidence of having been de-horned for safety of exhibitors. No calf will be allowed in the show if any horn or scur is longer than 2 inches, measured from base to tip. For safety reasons, no calves with nose rings will be shown.
 10. The judge is **expected to use Rate of Gain** considerations in class placings. Rate of gain cards will be worn by the exhibitor when the calf is in the show ring.
 11. A **minimum Rate of Gain** is required for market beef. Heifers must gain 2.2 pounds per day and steers must gain 2.4 pounds per day. Calves not meeting this requirement will not be eligible for champion, but will receive ribbons, premiums, and can be sold in the auction.
 12. Rate of Gain will be calculated on all market beef. Purple award Rate of Gain ribbons will be awarded to the top 15 calves.
 13. See Livestock Sale/Auction.
 - a) A \$1.00 Beef Check-in fee will be collected for each beef animal sold in the auction. This fee will be paid by sponsor *Michael Huston with Mycogen Seeds*.
 14. It is **recommended** all market beef be tied in stalls with no more than 2 feet of rope and have neckties. **Also, cattle should not be tied outside until after 8:00 p.m. so general public can view animals in stall area.** No feed bunks allowed for safety reasons.
 15. Tie-out space is available to all members south of the cattle barns under the trees. Calves must be in the barns from 8 a.m. – 8 p.m. each day, but are allowed at the tie-outs otherwise. These spots are not assigned, but taken at a first come, first serve basis once they are set up (usually done the Wednesday evening before fair, weather permitting). Members are allowed only 1 spot per calf and should be marked with member's name printed on card/cardboard

attached to the gate with wire. There should be 4 calves per gate. You are not allowed to move or rearrange spots of others. You are responsible for removing all garbage and signs at the end of the week.

16. **Blocking chutes are allowed in the barn only on show day.** Chutes should be removed from barn before & after that day.
17. All fans in the beef barns must be securely attached to the head boards or side braces that are not within reach of the public walk ways or alleyways.
18. The 2nd time an animal gets away from the exhibitor in the show ring due to not being able to handle it; the animal will be tied to a gate in the corner and is not eligible for 1st or 2nd in class. It is at the discretion of the beef committee to not tie the animal in the corner if they feel it is not the exhibitor's fault.
19. **Beef Showmanship:** Participation in showmanship is open to all exhibitors on a voluntary basis. There are 3 age divisions. Those wishing to participate must sign up by time announced on show day. Exhibitor must show their own project. See Showmanship section of book.

RULES AND REGULATIONS

1. See General Rules and Health Regulations. Heifers not meeting health requirements will be sent home.
2. **No ordering of extra stalls for tack etc. Each club will be assigned tack stalls by the department superintendent.**
3. Tie-out space is available to all members south of the cattle barns under the trees. Calves must be in the barns from 8 a.m. – 8 p.m. each day, but are allowed at the tie-outs otherwise. These spots are not assigned, but taken at a first come, first serve basis once they are set up (usually done the Wednesday evening before fair, weather permitting). Members are allowed only 1 spot per calf and should be marked with member's name printed on card/cardboard attached to the gate with wire. There should be 4 calves per gate. You are not allowed to move or rearrange spots of others. You are responsible for removing all garbage and signs at the end of the week.
4. Beef heifers will be shown in classes according to age in breed divisions, as determined by superintendent. Heifers must have been born in calendar year prior to fair (Sept 1, 2014.-Dec. 31, 2015).
 - Yearling born September 1, 2014 to December 31, 2015
 - Cow and calf, no age limit, must have suckling calf at side, or any 2-year-old with calf. (Cow must have been a previous heifer project of that member.) Limit 2 per exhibitor.
5. A card listing animal's date of birth will be worn by exhibitor. Heifers will not be weighed, but must be checked in north end of the cattle barns on Sunday, 7:30-9:00 p.m. No feed bunks due to safety reasons.
6. Purebred, Recorded (State Breed Association Rules) and Commercial Breeding Heifers may be shown. Papers will be checked by superintendent on entry day for Purebred or Recorded animals. See General Rule for Livestock Division.
 - **Purebred Heifers without proper papers matching tattoo will be shown in commercial heifer class.
 - **Commercial heifers must have an ear tattoo and be identified on Livestock Enrollment form or 4-H member's 4hOnline account.
 - ** No minimum head requirement for breed divisions.
7. Heifers must be owned by exhibitor by May 1.
8. Heifers shown in this division cannot be shown in any market beef class or sold in beef sale. All beef heifers and steers from each club will be stalled together. **An exhibitor may show no more than 4 entries. No more than 3 of the animals may have been purchased. Others must be produce animals. An exhibitor may have no more than 2 entries in the cow-calf class.**
9. Beef heifers or cows that are the produce of a 4-H or FFA beef heifer project can be entered in Produce Class (103 08) or a breed class. They cannot be entered in both classes. Calves in current cow/calf projects do not qualify.

10. Any Bucket-Bottle calf returning as a breeding heifer will be recognized in the class as such. Returning Bucket Bottle Heifers must have been shown in the previous year by the same exhibitor.
11. All Champions will compete for Supreme Champion Breeding Heifer.
12. All cow/calves will show in one class regardless of breed. They will not compete for breed championship, but a champion cow/calf will be selected.
13. The 2nd time an animal gets away from the exhibitor in the show ring due to not being able to handle it; the animal will be tied to a gate in the corner and is not eligible for 1st or 2nd in class. It is at the discretion of the beef committee to tie the animal in the corner if they feel it is not the exhibitor's fault.
14. There will be a separate showmanship division for beef heifer exhibitors immediately after the beef heifer show. There will be 3 divisions. Exhibitor must show their own project. See Showmanship section.
15. By May 15, 4-H members must identify animal through 4hOnline account. FFA members must identify pigs on the 4-H 106LS Livestock Identification Report.

GENERAL RULES AND REGULATIONS

1. See General Rules and Health Requirements.
2. Project open to 4-H & FFA members of all ages.
3. Any newborn or orphan calf steer or heifer, dairy, beef, or crossbred **calved between January 1-April 30, 2016, must be purchased and in possession of member within 2 weeks of birth**; identified with a tag and identified on Livestock Identification Report (106LS) or in 4-

H member's 4honline account by May 15. No bulls allowed. Calves need to be castrated by May 15 with a knife or banded.

4. Calf must be bucket or bottle-fed. (No nursing permitted after 2 weeks of age.)
5. An exhibitor may identify up to 3 animals, but is limited to a maximum of 2 calves exhibited at the fair. These are eligible to be shown only in the Bucket-Bottle Calf Class.
6. Entries will be weighed at fair livestock scale immediately following the market beef Monday morning.
7. Calves will be shown on halter. Depending on the number of entries, superintendents reserve the right to divide entries into classes. There will be three separate age divisions for members.
 - **Interviews will be scheduled between the exhibitor and judge on Saturday before fair.
Juniors (grades 4, 5, 6) will turn in Bottle/ Bucket Calf workbook 4-H 390. Only one book per exhibitor is required. Intermediates and seniors (grades 7-12) will turn in Bucket Calf Project Record Book Worksheets. All of those forms are available at the Extension Office.
 - **The live judging will take place on Wednesday, during the fair starting at 3:30 p.m. and will be based on showmanship and weight for age (breed and sex differences taken into consideration).
8. Judging will be based on:
 - What member has learned about care and raising of calf.
 - The fitting and showing of the calf (according to beef or dairy guidelines) with emphasis on what member has learned. (Grooming of calves will not be used as criteria in judging).
 - General health, condition, and management of the calf and 4-H'ers knowledge of this area.
 - Average daily gain adjusted for breed and sex differences will be considered.
 - A complete record sheet.
 - Interviews will be conducted on Saturday, July 16 (schedules will be sent out after July 1). Books are due at that time. If members are not able to attend the interview, they will lose the interview points only.
9. All Bucket Bottle Calves must be dehorned. No calf will be allowed to show if any horn is present. Contact veterinarian or bucket bottle superintendent if you have questions.
10. Members may keep animals for breeding, show in market class the following year, or sell privately.
11. Intermediates & Senior members will compete in separate drives if class numbers are appropriate.
12. By May 15, 4-H members must identify animal through 4hOnline account. FFA members must identify animals on the 4-H 106LS Livestock Identification Report and have on file at the Extension Office by May 15. For official id purposes, calves must have an ear tag or heifers can be tattooed instead.

RULES AND REGULATIONS

1. See General Rules and Health Requirements
2. **According to the State Vet, all goats exhibited at the county fair must have an official USDA Scrapie ID tag in its ear. This includes all goats. This rule is in accordance with the Iowa State Fair and the USDA. Goats not having the Scrapie ID tag will not be exhibited at the county fair.**
3. Limit of two entries in each class per exhibitor. No more than a total of 6 head may be shown.
4. For breeding does, there must be a minimum of three entries to make a class.
5. Removal of horns on the fairgrounds is NOT permitted. Females or does may or may not have horns. Those with horns should be blunt tipped for safety reasons. If a doe is registered with a certain breed association, check with breed standards for that breed. Keep in mind that if showing in other open shows, their rules or standards maybe different than the Washington County Fair.
6. Meat goats, and dairy wethers, born on or after November 1 of the previous year.
7. Meat & dairy goat wethers should be uniformly clipped 3/8 inch length or less above the knee and hock joints to include the head, excluding the tail, **prior** to arrival on the grounds.
8. Commercial meat goats and dairy wethers must be weighed and tagged at county fair weigh-in date. A maximum of 10 may be nominated. Breeding does must have 4-H tag or permanent tattoo.
9. Meat & dairy wethers must have been castrated by county fair weigh-in date in May.
10. Check-in for wethers will be from 3 p.m. – 3:45 p.m. on Sunday afternoon. All does and dairy goats must be in the barn and checked-in with superintendents by 7 p.m. Sunday evening.
11. Exhibitors may select one of their two wethers to enter into the Rate of Gain class. The top 5 will be recognized.

12. By May 15, 4-H members must identify animal through 4hOnline account. FFA members must identify goats on the 4-H 106LS Livestock Identification Report and on file at the Extension Office by May 15. **Birth dates must be identified for all meat and dairy does when entered to 4hOnline.**

DEPARTMENT 171 – SWINE

Superintendents..... Bruce Kaufman, Ryan Gerot

Swine Committee.....Jayme Sieren, Tom Hora, John Carter, Tim Marek, Shane Brinning, Parents, Volunteers, Directors of the Washington County Pork Producers Association

RULES AND REGULATIONS

1. See General Rules and Health Requirements.
2. Recommend that all pigs in this division be farrowed after December 25 of the previous year.
3. **All pigs must be individually earmarked and each individual mark recorded through the 4-H member's 4hOnline account by May 15. FFA members must have the Livestock Identification Report 4-H 106LS turned into the Extension Office by May 15.** The maximum number of pigs to be identified is 32.
 - a) All swine projects must be marked in both ears according to Standard Ear Marking System (right earmarks identify the litter and left earmarks identify the individual pigs in the litter).
 - b) Pigs should be earmarked within 7 days after birth or within 7 days after being selected or bought as feeder pigs. Swine with fresh ear notches or without ear notches will be ineligible to show. **Decision to be made by swine superintendents.
 - c) Animals with the same ear notches cannot be entered by more than 1 member of a family.
4. As space allows, it will be the goal that each swine exhibitor has two stalls. Please work with your club to decide who needs two stalls for pigs and how tack space will be shared.
5. Limit of two (2) entries each in Production Barrow, Market Barrow, Market Gilt, Breeding Gilt, Purebred. Limit of one (1) entry in Pen of 3.
6. There will be 2 divisions of market barrows and market gilts, but an exhibitor can enter only one division for market barrows and one division for market gilts. Those two divisions are:
 - a) Home Raised
 - b) Purchased
7. Individual Production Barrows will be scanned for back fat and loin eye area, then ranked according to NPPC guidelines for lean gain per day.
8. Pigs will be individually weighed on Monday morning of fair after the 7:45 a.m. exhibitor meeting. **REMINDER all exhibitors and/or family must be present at this meeting for special directions, fair paperwork and procedures for the fair.** New in 2015: This meeting will be held in the show barn, so exhibitors/parents may be seated and ready by 7:45.
9. **REMINDER All pigs will be ear tagged Monday morning at weigh-in for official ID purposes mandated by the State. Two colors will be used to mark Tyson pigs vs. non-terminal pigs. Pigs must be identified at Monday's weigh-in if they are going to Tysons or not. State Fair Swine with a DNA tag will not be tagged at fair IF they are non-terminal with the DNA tag.**
10. Weight classes will be determined by the superintendents. Due to price reduction, pigs weighing under 220 & over 300 pounds should not be brought to the fair.
11. All pigs shown at the Washington County Fair will have the opportunity to go directly to slaughter. **REMINDER** Any pigs being sold to Tyson's and hauled on the truck directly from the fair grounds, **must be decided by the 4-H'er at weigh-in on Monday morning and documented with the superintendent at weigh-in Monday morning.** All pigs on that

trailer will be covered under a one-time hauling insurance. That fee will be taken from the 4-H's hog check in August.

12. The movement of all swine following the county fair must be reported to the Iowa Department of Agriculture & Land Stewardship through the Iowa Swine Exhibitions Reporting Form under 2012 Legislative changes. **If pigs are NOT going to Tyson's on the fair truck, the exhibitor must complete a Non-Terminal Form and return to the Extension Office by Wednesday at 7 p.m.** This form will include the seller's and buyer's address and other contact information. The exhibitor, parent, buyer and/or seller must take responsibility not to transfer disease from the fair to a swine production site. It is recommended pigs returning from fair (non-terminal shows) should be isolated from other pigs at the farm. Work with your veterinarian to establish an isolation plan.
13. All pigs clipped for exhibition must have a **minimum** hair length of 1/2."
14. All pigs will be sold on a live weight basis.
15. **Swine Showmanship:** Participation in Showmanship is open to all exhibitors on a voluntary basis. There are 3 grade divisions. See Showmanship section of book.
16. **SULFA RESIDUES:** Fair pigs may be tested at the slaughter plant for "sulfa residues." It is extremely important that all fair bound pigs NOT BE FED OR EXPOSED TO MANURE OF PIGS FED ANY SULFA CONTAINING FEED or TREATED WITH SULFA MEDICATIONS to prevent possible illegal residues in the pork meat. Please help reduce the industry "problem" of illegal drug residues by following withdrawal requirements.
17. Production Barrow Division Guidelines
 - A) Exhibitors may nominate a **maximum of 6 barrows** at the production county weigh-in in March. Pigs entered in the production division must be weighed/tagged by committee during the Saturday weigh-in. The Iowa State Fair nomination process still requires entry through a separate ISF DNA collection/tagging process which is separate from the county weigh-in. Call the Extension Office for more information about the ISF nomination process.
 - B) No barrows over 45 pounds at weigh-in will be accepted. Pigs must be ear-notched and castrated prior to weigh-in (no exceptions).
 - C) The swine committee will **strictly enforce** the market weight range of 220-300 pounds for all market swine entries; exception is that production barrows will be allowed to surpass the 300 pound maximum and still be eligible for class entry and show due to the rate of gain feature in production divisions.
18. Single Source Commercial Swine Class
 - A) Participants must sign up by March 1 with the Extension Office, and pay a non-refundable 'deposit' (\$10 per head).
 - B) Participants can purchase up to four pigs from the county's single source producer but show a maximum of three. Entrants in the class will not be eligible to show any other pigs in the Washington County 4-H swine show. Exhibitors are also responsible for the extra pig purchased that does not come to the fair.
 - C) Pigs will be ear tagged and vaccinated by producer. The producer will keep them until the first of May when weather is more favorable for small pigs. Members will pick them up from a location determined by producer and Extension
 - D) All pigs will be selected and distributed to youth randomly by drawing tag numbers.
 - E) Price will be set according to market value the day of pick up. Participants will pay the balance after the fair regardless if the animal exhibits at the fair.

- F) All class participants will show in the Single Source Commercial Derby Class which will require a scan and fee (approx \$8 each). All scan scores will be averaged together and the average used in the overall scoring.
- G) Participants will be required to attend the Know Your Swine Session using “Your 4-H Market Hog Project” booklet provided by the Extension Office prior to weigh-in. Pork Producers will highlight specific sections as they see fit but especially Early Care and Management, Facilities and Equipment, and Feed. All 4-H’ers would be welcome to attend this educational session.
- H) Interview will take place before fair with Pork Producers regarding material from booklet and the overall experience.
- I) Derby is 45 pts. Show ring is 10 pts. Interview is 45 pts. = 100 pts.

Swine Exhibitors may show a **maximum of 6 head** at the Washington County Fair with a **maximum of 2 per division.** Those divisions include:

- Home Raised Gilts OR Purchased Gilts
- Home Raised Barrows OR Purchased Barrows
- Production Barrows
- Purebreds
- Breeding Gilts

Pigs shown in the production (derby) division cannot be shown in the Pen of 3. The composition of the Pen of 3 shall include purchased barrows, home raised barrows, market gilts, breeding gilts or purebreds.

Production barrows that were nominated on **March 19**, but not shown in the production barrow division may be shown in the purchased or home-raised market classes but are subject to the guidelines of the market division (i.e. youth nominates 6 barrows for the production division; the other 4 barrows not shown are eligible for the market classes according to the market division guidelines).

Guideline Clarifications:

- Definition of a **home raised barrow & gilt**: Barrows and gilts that are from sows/gilts bred and farrowed on the exhibitor’s farmstead. All other barrows & gilts including those from feeder pig coops or sow coops would be considered purchased.
- Exhibitors may show production barrows only if they choose to do so.
- Home raised barrows/gilts and purchased barrows/gilts will **not** be scanned. Only production barrows will be scanned for completion of the “lean gain per day” calculation.

Single Source Commercial – Class 171 10 (Limit of 3 entries and no other pigs in other classes)

- a) Must be nominated, tagged and weighed at producer’s farm identified by the Extension Office and entered in the member’s 4hOnline account by May 15
- b) Will be judged with a combination score of on hoof, interview, and derby average.
- c) Will be scanned and lean gain per day of age calculated and an average used in scoring
- d) Top 10 overall will be ranked live in each division
- e) Minimum weight is 220#, no maximum weight limit due to performance component

Production Barrow – Class 171 20 (Limit of 2 entries)

- a) Must be nominated, tagged and weighed at the designated county weigh-in.

Superintendents..... Dave Birney, Ted Greiner & Todd Schmitz

Project Leader.....Duane Sprouse

Committee..... Parents and Volunteers

RULES AND REGULATIONS

1. See General Rules and Health Requirements.
2. **According to the State Vet, all lambs exhibited at the county fair must have an official USDA Scrapie ID tag in its ear. This includes all sheep. Lambs not having the Scrapie ID tag will not be exhibited at the county fair and sent home.**
3. Only lambs dropped after January 1, of the current year are eligible to show.
4. County Fair market lambs and commercial ewe lambs must attend the designated weigh-in in May to receive 4-H ear tag and be weighed. It is suggested that individual market lambs or production lambs weigh no more than 75 lbs at weigh-in. Those animals will be entered into 4hOnline by Extension staff. A maximum of 15 may be nominated. Commercial ewes must also be tagged on county weigh-in day and date of birth must be recorded.
5. By May 15, 4-H members must identify non weigh-in animals through 4hOnline account. FFA members must identify animals on the 4-H 106LS Livestock Identification Report and have on file at the Extension Office by May 15.
6. **Lambs will be weighed starting at 4:00 p.m. on Sunday.** ALL LAMBS must be weighed and checked in Sunday evening from 4:00 p.m. – 6:00 p.m. A fair vet will visually check all lambs **BEFORE** the lambs may enter the barn. Club lamb fungus will be the major checking point. Any lamb detected to have club lamb fungus will not be allowed to enter the barn or exhibit at the county fair. All market lambs and commercial ewe lambs must be slick sheared before the vet inspection at check-in on Sunday evening
7. All market lambs and commercial ewes must be sheared within one week of county fair.
8. All lambs must have been castrated and docked.
9. **Tack stalls** will be assigned by superintendents. Required bedding is wood shavings that must be provided by 4-H'er.
10. Individual lambs will be divided into weight divisions by sex with a champion and reserve picked in each division. Lambs shown in market classes cannot be shown in breeding classes.
11. Each exhibitor is limited to a maximum of 6 market lambs to show and/or sell at the auction. NEW in 2015: If an exhibitor is showing 6 individual market lambs, one **MUST** be a production lamb. Production lambs are only required of exhibitors bringing 6 lambs. More than one production lamb is allowed up to 6. Production lambs cannot be shown as an individual market lamb or as a commercial ewe. These production lambs maybe go in one of the following two classes. Both classes will have champions eligible for Grand Champion drive

Production Lamb Class (based on rate of gain and live performance)

Carcass Class (based on carcass scan and live performance). Lambs will be scanned at a cost following July County Fair weigh-in coordinated by the department superintendent. A carcass formula used by the Iowa State Fair will be used to determine boneless retail cuts produced per day on test.

12. After Grand Champion Market Lamb is selected, the top 12 market lambs will be announced. (This will be the top lamb from every market class.) These exhibitors will receive premium cash awards.
13. Rate of Gain: The top 10 market lambs in rate of gain will be recognized and receive ribbons. (No premiums in this class) There is no minimum rate of gain required; however, rate of gain stickers will be worn by exhibitors for the production lambs/carcass lambs and taken into consideration by the judge.
14. All purebred must show proof of dam and sire registration. All breeds may be exhibited. See registration requirements in General Rules. All purebred and commercial breeding sheep must have been lambled by member or purchased by May 1.
15. A separate class for white face/speckled face market lambs will be held and will be eligible for Grand Champion drive. Speckle face class must have speckled face characteristics; final determination by department superintendent.
16. Breeding Sheep Classes, limit of 2 entries in each. Ewes must have date of birth recorded. Entries in these classes are not eligible for auction
 - Purebred Yearling Ewe
 - Commercial Yearling Ewe
 - Purebred Ewe Lamb
 - Commercial Ewe Lamb
17. All lambs must be shown to be eligible for the auction.
18. Showmanship: Participation in showmanship is open to all exhibitors. Showmanship will be the last classes in the sheep show. NEW in 2015: Once an exhibitor has won champion in their age division, the following year if they are still in that age division, they will show in the Top Gun Showmanship Drive instead of their age division class. This Top Gun class will be made of all previous showmanship champions until they move into the next age division. In 2015, the champions from 2013 & 2014 will be in the Top Gun class if they are in the same age division as the year they earned champion. See showmanship section of this book for other standard showmanship rules.
19. If showman has more than 1 animal in a class, assistant showmen must be approved by the department superintendent prior to the show. Those eligible to show must be county 4-H or FFA members that are within the age guidelines.
20. Feeder Class (Pen of Three)
 - a) Four feeder lambs may be weighed and ear-tagged with special tags on county weigh-in day. Three lambs may be exhibited. (These lambs are in addition to the market lambs weighed-in). Suggested maximum weight is 75 lbs. All lambs will be castrated and docked.
 - b) Feeder lambs are to be sheared on or before June 1, so as to assure a #1 pelt at show time. Feeder lambs will be shown in the wool and as they come out of the feedlot. (No extra grooming necessary).
 - c) Feeder lamb pens will be located in one section of the sheep barn as directed by the department superintendents.

- d) Feeder lamb judging area will be announced by the department superintendent prior to the show.
- e) Feeder pen entries will be placed on an index (1/4 on records, 1/4 personal interview (conducted in the pen), 1/4 rate of gain, and 1/4 on live placing).
- f) Feeder lambs will not be eligible for auction. Feeder lambs are released after the show.
- g) Feeder lambs are not eligible for rate of gain, individual market class or production class.
- h) All Sheep Department health requirements apply.
- i) Feeder lamb pens will be weighed immediately following market lamb weigh-in.

21. Premier Sheep Exhibitor.

Purpose: To recognize 4-H sheep exhibitors who can articulate their understanding about the future of the animal industry, their knowledge of animal production and showmanship.

DEPARTMENT 121 - HORSE & PONY

Superintendents..... Gale Whitacre

Committee..... Jim Hotchkiss, Deb Kleese

RULES AND REGULATIONS

1. See General Rules and Health Requirements. Specific horse rules have been based off the “Rules and Regulations for Equine Shows in Iowa”(4-H 511C). This can be viewed at <http://www.extension.iastate.edu/4h/projects/horse>
2. 4-H/FFA member may own horse, use a family horse, or horse owned by someone else. It is recommended the member must manage the horse at least 75 percent of the time during the project year. Leased horses must attend 2 workouts at a minimum in June and July with the horse.
3. By May 15, 4-H members must identify horses through 4hOnline account. FFA members must identify horses on the 4-H 106LS Livestock Identification Report and have on file at the Extension Office by May 15.
4. Attendance: Exhibitors must have attended at least 2 project workouts to be eligible to show.
 - a) Horse and Pony 4-H Club members are required to attend six meetings from January - July.
5. No health certificates will be required. Horses will be inspected after arrival on grounds. They should arrive between 8 a.m. and noon on Monday of the fair and be checked with the superintendent at the barn. It is recommended that animals be vaccinated for distemper encephalitis.
6. **Members are required to stall horses, except mares with foals, in the horse barn throughout the fair. Exceptions may be granted by the horse department committee only for hardship cases if they are presented to the project leader in writing before July 1.**
 - a) **Mares and foals may be brought in for show day only. However, these must be checked in with the superintendent 1-hour prior to start of the horse judging.**
 - b) No tack stalls will be permitted, but will be distributed to clubs as available.
7. Horses will be judged on Tuesday, starting at 8:30 a.m. with senior showmanship followed by halter and trail classes. Judging of pleasure and performance classes will begin approx. at noon.
7. During the fair, up to and through the time of the Horse & Pony show, only 4-H'ers and family members will be allowed to prepare animals for the show. Disqualification from class will result if leaders observe otherwise.
8. NEW in 2015 update to uniform: Exhibitors will be limited to standard 4-H uniform of solid, plain, front button or snap long-sleeved, collared shirt of any color and jeans. No fancy western outfits. Hard-toed shoes or boots should be worn. 4-H armbands must be worn on

the upper left arm or a 4-H chevron can be worn on the upper left chest. (To exhibit at the State Fair, read through 4-H 511C for stricter requirements on dress code per breed of horse.)

9. Exhibitor is responsible to see that entries are entered in proper classes.

10. Equestrian helmet policy

a) 4-H youth are required to wear American Society of Testing Materials (ASTM) and Safety Engineering Institute (SEI) approved protective headgear with chin strap and properly fitted harness at all times during all 4-H related events. Examples would include, but are not limited to, county workshops, specific 4-H classes in open horse shows, practices, trail rides, drill teams, fairs, parades, etc. Approved headgear must be worn when mounted and riding and driving-every time, every ride.

b) All horse exhibitors are required to read and sign the “Waiver of Rule, Acceptance of Risk of Injury, and Hold Harmless Agreement.” This must be on file before exhibiting.

c) At any time during the Washington County 4-H Horse Show class, the 4-H superintendent and staff will check a participant's equestrian helmet for proper standards. Individuals found to be wearing an unapproved or defective helmet will not be permitted to participate in the activity until a proper helmet is acquired. Extension staff, volunteers, or Fair Board will not be held responsible for accidents or injuries.

11. Age and class base dates are as follows:

a) Foal born in current year (mare optional)

b) Yearling born in 2014

c) 2-year old born in 2013

d) 3 years and older - born in 2012 or before

e) Trail Performance & Pleasure Class - no age limit

12. There will be 5 different categories in the halter division

a) Ponies 50 inches and under

b) Ponies over 50 inches and under 57 inches

c) Light horses 57 inches and over

d) Mules, donkeys, and burros

e) Draft Horse - (Heavy Horse)

13.a) A member is limited to four (4) separate halter class entries. Member may have two entries in a halter class, but still may not exceed the four entry limit for halter classes. If there is an extra entry in one class, it must be exhibited by another 4-H or FFA member registered with Washington County. A member is limited to six (6) entries in performance classes, and one (1) entry in trail class. The same animal may be entered in one or more than one class.

b) Members will be limited to a maximum of 4 animals exhibited at the fair. A team entry will count as 1 animal.

c) Halter classes with 3 animals or less entered may be combined at discretion of department superintendent.

d) Mules, donkeys, and burros are eligible for all performance classes.

14. The trail performance class will be shown under saddle (with the exception of miniatures) and will include 6 to 10 obstacles, such as: bridge, gate, pull load, log, mail box, serpentine, etc. Entrants may be asked to walk, trot, and lope both ways of the ring. Events will have a time limit per entry. Mules, donkeys, and burros are eligible for the trail class.

15. Stallion colts over one year of age are not eligible to show.

16. Pleasure class will be shown under saddle at walk, trot, and lope in both directions. Judging will be based as follows:
- Performance of horse and rider - 80%
 - Conformation - 10%
 - Dress and appearance of equipment - 10%
17. Western horsemanship class will be judged as follows:
- Scoring - Hands - 15%
 - Seat - 15%
 - Equipment - 15%
 - Suitability - 5%
 - Performance - 50%
18. There will be two-skill level class in Western Pleasure and Western Horsemanship. Members will be tested at summer project meetings to determine eligibility. Level 1 will be juniors, first year intermediate members or first year showing in Horsemanship. Level 2 will be 2nd year intermediates and older.
19. Liberty Class (miniatures only). Liberty is demonstrating the natural beauty of the miniature horse. Horses are to be judged on style, grace, animation, gaits, presence, and ease of catching. The liberty horse is expected to perform at both a canter and a trot.
- a) It is the Steward's responsibility to time Liberty classes and to be in possession of a stopwatch.
 1. The Steward should be in the same location as the Judge to adjudicate the class.
 2. Timing will begin when the halter is dropped, not when the music starts, and the show announcers will announce TIME when the 1 ½ minutes performance time has ended to signal the exhibitor that they can begin the catch.
 3. Continue to time the catch.
 4. When the 2 minute catch time has elapsed, the show announcer will announce TIME to signal the end of the catch if the animal has not been caught.
 5. If the catch is not completed in the 2 minute allotted time frame, the exhibitor is disqualified.
 - b) Only the exhibitor and one assistant will be allowed in the arena with the horse. Whips and shaker bottles are allowed but touching the horse with aids or hands will result in disqualification.
 - c) Only the exhibitor can touch the horse during the catch. The horse must be caught and haltered by the exhibitor only within 2 minutes or be disqualified. The assistant may not touch the horse at any time. There will be "No Baiting" (no use of hay, grain, clickers, etc) of Liberty horses during the catch or the horse will be disqualified.
 - d) Music is required.
 - e) No deliberate interference with the horse from outside the ring. Announcement is to be made prior to the class to specify that no outside assistance is allowed.
 - f) All horses entered in the Liberty class must be at least one year old.
 - g) Exhibitor and assistant should wear appropriate, tasteful attire. A safe costume or theme outfit is allowed for exhibitor and assistant only. The horse must be shown natural, no costume, no glister, no ribbons.
 - h) If the entered horse falls during its performance the entry is disqualified.
 - i) Entry will be disqualified if horse leaves the ring during the competition or catch time.

DEPARTMENT 150 – RABBIT

Superintendents..... David Moeller

Committee..... Larry Hough, Kris Moeller, Laurie Pemberton, Bill Blum, Paul Anders, Mike Todd

RULES AND REGULATIONS

1. See General Rules and Health Requirements.
2. Any one exhibitor in any one class may show no more than two entries. Limit of 1 entry in Market Pen of 3 class. There is a maximum total limit of 16 entries. Pen of 3 counts as 1 entry. The Single Fryer counts as one entry.
3. **Market Pen of Three & Single Fryer** – Meat pens shall consist of three rabbits, all of the same breed and variety. Pen of 3 individuals may not be shown in other classes. Broken meat pens must also be of the same variety. A meat pen does not necessarily have to come from the same litter. A single fryer is one rabbit and CAN come from the Pen of 3. The age limit for both the market pen of three and the single fryer are 10 weeks. Minimum weight 3 pounds each. Maximum weight 5 pounds each. All rabbits must be weighed in the presence of the judge or at check-in. These rules are in accordance to those listed in the American Rabbit Breeders Association Book of Standards.
4. Bucks and does will be classified according to age (Juniors-under 6 months; Seniors-over 6 months). 4-Class Rabbits (smaller breeds, fur breeds, fancy breeds) will be judged separate from 6-Class Rabbits (larger breeds, meat type). NEW in 2016: Each breed in its respective

- class will have one rabbit selected as Best of Breed. Best of Breed in each respective 4-Class and 6-Class breed will compete for Grand Champion and Reserve Champion. Champion 4-Class Rabbit and Champion 6-Class Rabbit will then compete for Overall Grand Champion.
5. Cages will be furnished and set up by the fair. Members are responsible to bring their own feeders and waters.
 6. Exhibitors must clean cages and alleyway in front of cages daily and at the end of the fair.
 7. It is required that all rabbits shown be tattooed in the left ear for positive identification-**No Exceptions.**
 8. There will be 3 showmanship awards based on grade divisions presented to the exhibitors that do the best job handling their rabbits and themselves to and from the arena and during the judging.
 9. Rabbit exhibitors may sell a maximum of 5 entries (in two lots) at the Friday Livestock Auction. **Sellers must register at the Extension Office by Thursday noon. All sale rabbits should be at the show ring 15 minutes before the start of the sale. Exhibitor may enter the sale ring only twice. You may sell more than one entry per time in the ring; however, it will be sold as a total lot.**
 10. There is no crossbred rabbit class. If you have a crossbred rabbit it should be entered in the single fryer class.
 11. Rabbits are evaluated based upon American Rabbit Breeders Association Book of Standards, not by age or size.

4-H & FFA HERSDMANSHIP CONTEST

RULES AND REGULATIONS

1. Club livestock exhibits will be judged twice daily by a variety of community judges. Clubs will be graded by department based on: cleanliness of alleys, stalls and pens, arrangement of exhibit, appearance of animals, and presence of courteous exhibitors. These duties should be divided and shared by club members showing that species.
2. All stall cards should be in place before the first judging of herdsmanship on Monday afternoon.
3. Clubs will not be judged on show day for that particular livestock department until at least 1 hour after the livestock show ended.

4. **AWARDS:** *Top clubs are figured by specie averages. The Washington County Farm Bureau will present \$75, prorated, to the top clubs in herdsmanship in each livestock department. \$75 will be presented to the top five clubs with highest overall average.*

4-H Building Exhibits

What is an exhibit?

Exhibits may be any item, which is the result of work done in that project, or may show an
idea learned by the 4-H'er. When a 4-H'er exhibits ideas or information learned, this may be
done through posters, banners, an actual product, report, notebook, model, or small display
designed to teach. Audiocassettes and videotapes may be used if members provide playback
equipment and extension cords.

This department is open to youth who are participating in 4-H Youth Development Programs conducted by Iowa State University Extension or FFA youth who have met all general rules.

All exhibitors are responsible to read and comply with the Washington County Fair 4-H General Exhibit Rules, 4-H General Rules and Regulations, and all 4-H department exhibit class rules and regulations.

General Exhibit Rules

1. 4-H'ers who have completed 4th grade through 12th grade (or that equivalent.) are eligible to exhibit at the Washington County Fair. 5th grade and above will be eligible for state fair selection.
2. Eligible exhibits are an outgrowth of work done as a planned part of the 4-H'ers participation in 4-H projects or programs during the current 4-H year. Exhibits can be done by an individual or group and may represent all or part of the learning in the project or program.
3. Exhibits that do not comply with the class description, size guidelines, copyright restrictions, safety and approved methods will be disqualified and not put on public display.
4. If the exhibitor chooses a display to illustrate what was learned:
 - Posters may not exceed 24" x 36" in size.
 - Chart boards, graph boards, project presentation boards, model displays, etc., may not exceed 48" x 48" in size. Maximum size is determined by measuring the flat (unfolded) dimensions.
 - Display boxes may not exceed 28" x 22" in height or width and 12" in depth.
5. Endangered and threatened plants and animals (includes insects), or songbird feathers and nests may NOT be used in any exhibit.
6. Copyrighted materials and designs may not be used in an exhibit that is presented as original work by the exhibitor. Exhibitors must include permission from the copyright holder/owner when using copyrighted materials. Exhibitors must give proper credit to the original source of all materials/designs used in exhibits. (See also special rules for Visual Arts and general copyright information for 4-H'ers.)
7. The 4-H'er's goal and applicable exhibit standards will form the basis of the evaluation process. Evaluation criteria will include demonstrated learning, workmanship and techniques, and general appearance and design. Exhibitors will receive written evaluation comments on the exhibits and a blue, red, or white Iowa State Fair exhibitor's ribbon. Refer to Iowa 4-H Exhibit Tip Sheets detailed evaluation criteria in each class. Tip Sheets are located on each 4-H project page at <http://www.extension.iastate.edu/4h/projects>
8. A written explanation, audio recording, or video recording is to be included as part of each exhibit. The exhibitor should respond briefly to the following questions about the exhibit:
 - What did you plan to learn or do? (What was your exhibit goal(s)?)
 - What steps did you take to learn or do this?

- What were the most important things you learned?
- ***Check for additional requirements in exhibit classes for food and nutrition, photography, and visual art classes.
9. When application of design elements and art principles must be explained (in any project where design decisions were made), the following guidelines shall be used:
 - a. Members in grades 4-6 are responsible for using a minimum of one design element within their exhibit. Youth must explain how the specified element is used in the exhibit. While not evaluated or given a higher ribbon placing for using more than one element, youth may discuss additional elements used in the exhibit.
 - b. Members in grades 7-8 are responsible for using a minimum of two design elements within their exhibit. Youth must explain how the specified elements are used in the exhibit. While not evaluated or given a higher ribbon placing for using more than two elements, youth may discuss additional elements used in the exhibit.
 - c. Members in grades 9-10 are responsible for using a minimum of one art principle and the element or elements used in the selected principle. Youth must explain how the element or elements are used to illustrate the selected principle. While not evaluated or given a higher ribbon placing for using more than one principle, youth may discuss additional principles and corresponding elements used in the exhibit.
 - d. Members in grade 11-12 are responsible for using a minimum of two art principles and the elements used in the selected principles. Youth must explain how the elements are used to illustrate the selected principles. While not evaluated or given a higher ribbon placing for using more than two principles, youth may discuss additional principles and corresponding elements used in the exhibit.

Design elements are line, shape, form, color, and texture. Design principles are balance, proportion, rhythm, emphasis, and unity. Information on elements and principles of design for visual art can be found at: <http://www.extension.iastate.edu/Publications/4H634.pdf>

10. All judges' decisions are final.
11. Each item in an exhibit must be securely labeled, including the name of the class number, club name and exhibitor's name.
12. Exhibits will be entered and judged on the Saturday before Fair. Each 4-H'er is to enter his/her own exhibits and hear the judge's comments. All exhibits must remain in place until **Friday, July 22** between **8:00 a.m.-2:00 p.m.** Each club must collect its own exhibits. Extension staff will not be responsible for articles left after 2 p.m.
13. If a 4-H'er has set a goal(s) that could be accomplished by both a classroom assignment and an outgrowth of a 4-H project goal, the school exhibit is eligible for fair. It is important that a pre-determined goal has been set. Evaluation criteria and exhibit guidelines for each opportunity may be different and the 4-H'er should prepare accordingly.
14. There is no limit on the number of exhibits per class unless otherwise stated, but each exhibit must show a new learning experience as defined by member's goal with each project. State Fair selections will be limited to a 1 project maximum per 4-H'er in each of the following categories: 1 Family Consumer Science, 1 Creative Arts (this includes photography), and 1 Science/Ag. Communication posters do not count in this 3 project limit.

15. Entry tags must be securely attached to all exhibits. Those tags are available at the Extension Office or at June club meetings.

16. Exhibits may be free-standing or contained in a display box (See size limits)

17. Items selected for State Fair, which do not fit easily into a car, will be the responsibility of the exhibitor to deliver and pick-up from the State Fair at the assigned times.

18. Due to security, 4-H'ers are discouraged from sending items that have special meaning and historical value as the exhibit or part of an exhibit. The Washington County Fair and Iowa State University Extension & Outreach-Washington County, will use diligence to insure the safety of articles entered for exhibition after their arrival and placement. However, they will not be responsible for damage or loss by accident, fire, theft, etc.

19. Projects made from kits will not be considered for the Iowa State Fair

All General Rules and Rules for Communication Division apply. Read carefully.

Purpose-

Encourage the development of communication skills by providing an opportunity to think, organize thoughts, prepare a speech, and respond to questions when given a limited amount of preparation time.

****Extemporaneous speaking contest will be following educational presentations on Wednesday prior to the start of the fair.**

Extemporaneous Speaking Rules

1. Participants must be senior 4-H'ers - completed 9th through 12th grade (or that equivalent) in **2015-2016** school year.
2. Program format:
 - a. Thirty minutes before the program, each participant will draw three of the available topics, selecting one to speak on.
 - The selected topic will not be available to the other participants in the speaker's assigned room. The general nature of the topics will relate to 4-H. The other two topics drawn but not chosen will be returned to the available topics for the other participants.
 - b. A preparation room is to be used with one participant per speaking site. A participant may not leave the preparation room until it is time to speak, nor may a participant receive help from a parent, leader, other adult or any other youth. A program official will assist participants with the time requirements.
 - c. All reference material will be screened by a program official on the following basis:
 - Participant may bring his/her own books, magazines or newspaper clippings for reference during the thirty minutes of preparation.
 - Reference material must be printed material such as books or magazines (cannot be notes, outlines or speeches prepared by the participant or by another person for use in this program.)
 - Some relevant reference material will be available in the preparation room. This material will consist of historical material related to the 4-H program.
 - d. Each speech shall be the result of the 4-H'ers own efforts using approved reference material that a participant may bring to the preparation room. No other assistance may be provided. Plain 3"x5" note cards will be provided for each participant in the preparation room. If notes are used, the 3"x5" note cards provided must be used in delivering the speech.
 - e. Only notes made during the preparation period may be used.
 - f. Each speech shall be not less than four but no more than six minutes with five minutes additional time allowed for related questions, which shall be asked by the judge. The participant will be shown time cards in an ascending order (1, 2, 3, 4, 5) by the time keeper. "Stop" will be said at six minutes.
 - g. The program timekeeper will introduce each participant by name and the county he/she represents. The participant will be expected to introduce his/her speech by title only.
 - h. Participants are not permitted to use any props, gadgets, posters or audiovisuals of any sort. A podium will be available.
3. Speeches will be evaluated using the following criteria:
 - a. Content related to topic.
 - b. Knowledge of the subject.
 - c. Organization of material.
 - d. Power of expression.
 - e. Voice.
 - f. Stage presence.
 - g. General effect.

AMATEUR CAKE DECORATING CONTEST

Judging: Monday, July 18, 5:00 PM

Important Notes:

Cakes must be brought to the north end of Commercial Exhibit Building by 4:45 on judging day.

Open to all age groups & all age groups compete together.

Cakes will be displayed during the fair in a cooler. The number of displayed cakes is dependent on how many are entered and space available.

Rules:

1. Cakes in this competition may have a “County Fair” theme or a "RAGBRAI" theme for the 2016 Washington County Fair.
2. Cakes in this competition should be decorated with approximately 90% edible items.
3. Cakes can be any shape and any number of layers and flavors. There is no height limit.
4. Frosting: Icing or fondant may be used. Ganache, meringue, and other types of icings are acceptable. Be aware that the humidity of the fair can drastically alter your frosting’s behavior. All icing used must be made by the contestant, with the exception of fondant.
5. The inside cake portion itself may be made of any edible material. Please provide picture before you decorate (of the cake only, not the contestant). Example: Cake, rice crispy material, etc. Cakes will not be judged on taste.
6. All parts of the cake portion must be edible, with exception of plastic plates, pillars and supports for tiered or “sculpted” cakes.
7. Contestants will need to bring their own decorating tools, extension cord, equipment and other supplies to set your cake up. You will not be decorating cakes at the fair.
8. Contestants should be prepared for possible high temperatures and high humidity within the competition area.
9. Contestants must provide a brief description of your cake’s theme, and the process in which you decorated it, on an index card of any size.
10. Contestants will not be identified by name or town. Any contestant who indicates their own name or town on the written portion of the index card will be disqualified. If the name of your town appears on your cake, so must the names of the other towns in your county.
11. Copyright material such as the ISU Cyclone, or Iowa Hawkeye insignias must have written permission provided with your write-up.
12. Cakes will be judged on the following criteria:
 - a. Creativity and Uniqueness
 - b. Reference to the theme
 - c. Use of color and frosting
 - d. Written process detail
 - e. Edible percentage
 - f. Overall display

The decisions of ALL judging panels are final. The Washington County Fair reserves the final judgment on all matters pertaining to this contest.
