Extension programs are available to all without regard to race, color, national origin, religion, sex, age, or disability.

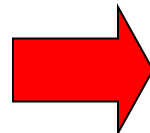

- **GREAT** project area for livestock exhibitors to learn more about their species
- **GREAT** place for beginning showman to meet others who show
- **GREAT** project for 4-H'ers who live in town and aren't able to show livestock but want to work with and learn about livestock

LEARN TO:

- Understand livestock body structure
- Be an articulate & confident speaker
- Work with a team
- Make decisions
- Defend your decisions with reasons

**4-H'ers &
Parents**
