

Beef Weigh-In Tips

Kalona Sale Barn
December 12, 2020, 8:30 a.m.—11 a.m.

Before Weigh-in:

- Must be enrolled in 4-H for the year in 4hOnline at <https://v2.4honline.com>
- Read 4H 202 - <https://store.extension.iastate.edu/Product/194>
- Prepare forms <https://www.extension.iastate.edu/washington/page/member-info>
 - **Pre-scale form** (this will help your family be prepared with all information in one place to assist at the chute/scale. Those filled out correctly at the chute will be entered in the drawing!!)
 - **Breed Steer Affidavit** (optional: if showing at county fair only in breed class with no plans to register animal)
- Prepare facilities at home for calves
- See unload map on the bottom of this sheet

During Weigh-in:

- Please be socially distant from other family units. All are strongly encouraged to wear cloth face coverings.
- Unload calves. Have a family member with calves at all times and know which calves belong to who for what class (pre-scale form should include all of that info).
- In the barn there is an alley for families with state fair calves and an alley for county fair only calves. Move calves accordingly.
- Stay calm. If you are calm, your animal will be calm. Remember this is a new environment to them.
- After crossing the scale, family calves will be penned together. Family go into the scale house office to pay bill and get copy of paperwork.
- Single Source Steer participants report to scale house office to draw your calf number.

After Weigh-in:

- File forms in record book for future reference.
- **NEW NEW NEW** Families will enter weigh-in data to member 4hOnline accounts. Must be verified by Jan. 31. Staff will verify information as correct.
- Complete annual YQCA online certification by June 1. Use 4hOnline login credentials to yqca.org
