What is the State 4-H Council up to?

Brought to you by the State 4-H Council Communication & the Arts committee

We have been busy utilizing our ambassador roles across the state this past month! We have helped with speaking at county 4-H awards ceremonies, 100-year celebrations, leading Clover Kids groups, service projects and much more! Each council member serves 1-5 surrounding counties in addition to our own as part of our leadership role as State Council members. Additionally, several of us had the opportunity to attend the National 4-H Congress in Atlanta, GA over Thanksgiving break. We participated in workshops, community service, networking and cultural events with 4-Hers from 43 states across the nation. Finally, in early December we will be participating in a Youth-Adult Partnership training in December to learn about strengthening these partnerships so we can better work, promote, carry out, and communicate with others in our roles and beyond.
