November Greetings! As thoughts of “Thankfulness” fill the mind please consider who in our 4-H family has sacrificed of their own personal time to be a help to you. Would you consider sending a hand written note to express your sincere appreciation to a club or project leader. Or maybe you could give them a card at the awards ceremony or read something about them in their honor. They don’t do what they do for a “Thank You” but how very encouraging it would be!

STATE 4-H NEWS

4-H Enrollment affects 4-H Accident Insurance Coverage

It’s important to get enrolled as soon as the new 4-H year get’s underway. 4-Her’s do have a minor accident insurance policy that is purchased on their behalf as members while attending meetings or scheduled 4-H events. The event must be on “Extensions” calendar ahead of time and only applies to “current” members while at 4-H meetings, hay rides, trash pick ups, etc. The policy is a limited one but would help with the cost should a 4-Her need to go to the ER, etc. So please, if you haven’t done so already go online and enroll or re-enroll. If you need assistance or need our office to enroll your child we would be glad to help.

MISSION STATEMENT

4-H EMPOWERS YOUTH TO REACH THEIR FULL POTENTIAL WORKING
LEADERS TO DECIDE—“ANONYMOUS” DONATION

Recently an envelope containing a card and $100.00 was left in our office with a note saying to put toward enrollment or camp fees. We would like you leaders/mentors to decide how this should be designated. Keep in mind we have regular 4-H clubs and Independent 4-Hers who are mentored.

Some Possibilities Could Be To:
- Have a drawing among members for 4-H Camp Fees
- Divide among clubs and Independent Members
- Put towards a Summer Day Camp
- Please let us know your ideas!!

CLUB VOLUNTEERS & LEADERS

Just a quick reminder to leaders to please forward their club programs and 4-H Compliance Report forms on to me and a thank you to you in advance! Also, thanks to those who already have!

LEADER TRAINING

Dear Leaders; It is my goal to make the required training as painless as possible however, for new volunteers one face to face training is required in the first twelve months. The Fall session has passed but alas! There is a second chance February 1st. Annual trainings are also required for all other volunteers. Please see the leader letter for the schedule or give a call to Extension.

COMMUNITY SERVICE PROJECT IDEAS

“YOU HAVE NOT LIVED UNTIL YOU HAVE DONE SOMETHING FOR SOMEONE WHO CAN NEVER REPAY YOU”

Bring Holiday Cheer—You could seriously make someone’s day over the holidays. Your group could go Christmas Caroling at Care Centers, Murphy’s Place or Senior Housings, etc. Or have each club member pick someone in the community that they

Want to bless, make some cookies and with your list in hand and a smile on your face (don’t forget the smile), you could bring such joy to someone who may be suffering or lonely. It does our Senior Citizens so much good when they see a young person.
