Dear Families,

A new 4-H year is now upon us. What an exciting time of year it is as we start planning for a new year and new projects to do. This is especially an exciting time for me as I get to start out the year fresh from the beginning.

There are a lot of things I am looking forward to trying to do this year for 4-H. One of my main goals for this year is to recruit, recruit, recruit! If you know of friends or family that are not in 4-H now but would like to be please have them contact me. Enrollments and meetings are starting soon so now is the time to get started.

Let’s work together and make the 2015–2016 year the best ever!

Connie Guffey, CYC
