GREETINGS 4-H FAMILIES!

Patty Warren here—Your new Wayne County Youth Coordinator. I am excited to take on this position as well as challenged by all it entails. I have always been a fan of 4-H and have participated in many Iowa State University Extension programs & workshops over the years.

Where else can you have fun and learn something valuable all at the same time? This is where a child or young adult can have many different experiences trying things that may lead them down the road to a life long career or beloved hobby. As a bonus great memories are made along the way.

I am here to serve you and your family so please don’t hesitate to call the Extension office Monday—Thursday 8:00—4:30.

A “Big” thanks to Deb Ewing for all her years of serving 4-H families in Wayne County!!

Patty Warren, CYC

COMMUNITY SERVICE PROJECTS

Do you or your club need help finding ideas for a community service project? Well look no further—have we got some ideas for you:

Corydon Nursing & Rehab—Host a birthday party for residents. Just pick a month during the year that you or your club would like to bring a decorated cake, cupcakes, homemade pies, etc. and help serve the residents as you make some new friends. Maybe even sing some songs or put on a skit. Just call Paula @ 872-1590 to sign up.

Prairies Trails Museum of Wayne County—Projects include cleanup for the grand opening in the spring, weeding the flower garden etc. Contact Brenda @ 872-2211.

Wayne County Extension has purchased a building to house all “Arms” of Extension however, the building needs some renovating & clean up before moving into it. Would your club be willing to help???

4-H PLEDGE

I PLEDGE MY HEAD TO CLEARER THINKING, MY HEART TO GREATER LOYALTY, MY HANDS TO LARGER SERVICE, AND MY HEALTH TO BETTER LIVING, FOR MY CLUB, MY COMMUNITY, MY COUNTRY, AND MY WORLD.

LEADERS CORNER

CLUB PROGRAMS
Due to liability issues we do need to receive club programs for each club. We need to know when and where each club meeting is and if you are having any special activities such as road side cleanup, sledding party, etc. If I have notice of the special activities here in the office then our 4-H insurance helps cover accidents plus we will need to know if we need to take out event insurance. We understand however that plans can and do change.

LEADER TRAINING
All new volunteers are required to attend a multi-region new volunteer training within the first 12 months of being screened and approved as a 4-H volunteer. Also, all current volunteers are required to attend an annual training. We will have webinar training available as well as a live web cast coming up in October. I will be in touch with all leaders when that is arranged. Please contact Patty at Wayne Extension to make arrangements for leader/volunteer training by webinar.

COMMUNITY IMPROVEMENT GRANTS

2013 DuPont Pioneer Grant Information
Applications are available for Community Improvement Grants through the Iowa 4-H Foundation. 4-H Clubs are encouraged to apply for “seed money” to help them get started on community projects. The brochure, information and application are available on the web at:

Www.extension.iastate.edu/4h/pioneergrants

Applications and support letters for fall 2013 grants are due in the Wayne County Extension office by October 15th, 2013. The advance submission date to counties allows county staff time to make comments on the club applications. These comments are very important to committee members who review the applications and make funding decisions.
