

RULES AND REGULATIONS - 4-H BEEF GAIN PROGRAMS

WEST POTTAWATTAMIE COUNTY

1. **Market Steer and Market Heifers ---> Rate-of-Gain**

All calves entered and weighed by January 15th will automatically be entered. The gain is figured from weighing date to fair weight.

2. **Market Steers and Market Heifers ---> Rate-of-Gain per day of age**

Calves entered and weighed at the December weigh-ins and with certified statements of age from breeder (form W.P. 100) turned into the office by May 15 may participate in this program.

3. **Breeding Grade and Registered Heifers ---> Rate-of-Gain per day of age**

This performance testing program is similar to the Iowa Beef Improvement testing program. Heifers must be weighed December 15th to January 15th. The calves will be weighed again about 150 days after the first weighing and weighed again at fair time. Certified statement of age from breeder (for W.P. 100) must be turned into the office by May 15 for grade heifers. For purebred heifers, the member or parent can sign.
