

# Wayne Casson 4-H Award

The 4-H award is in memory of Wayne and his love for helping the 4H program wherever he could whether it was with the grandkids, the local clubs, or bidding up that apple pie at auction. He was always encouraging and felt everyone deserved a fair shot. This award is to be presented to future leaders that will continue that pride in the 4H program. It is available to any graduating senior who is an active member in the West Pottawattamie County 4-H program regardless of how they are continuing their education.

Nominations are due on or before **July 15th** to the West Pottawattamie County Extension Office, 126 E. Broadway, Ste. 2, Council Bluffs, IA 51503 or emailed to [jenvin@iastate.edu](mailto:jenvin@iastate.edu).

In the recommendation, please include a maximum two-page description of the senior being nominated. Paint a picture of the senior and why they should be chosen. Such items to be included are: 4-H involvement, community service, school activities, and leadership potential based on the five State of Iowa 4-H outcomes: leadership, citizenship, communication, knowledge, and life management skills.

Submitting a nomination does not guarantee an award.
