Birds are expected the first week of May.

You will receive advance notice of the date and time to pick up your birds.

4-H/FFA Member's signature _____

Class 24010 - Broiler Project Class

The Broiler Project is an opportunity for a 4-H or FFA member to gain valuable experience in raising chicks to broiler-weight through partnership with a local sponsor. Sponsors will be sought by Poultry Superintendents for the 2019 fair. The sponsor will buy the chicks and the 4-H/FFA member raises the chicks and presents the best three birds to the sponsor as payment for the opportunity. 4-H/FFA member is responsible for whatever is necessary to raise the chicks to healthy broiler weight and processing of the birds. Failure to participate in the broiler class at fair will require members to pay full sponsorship fee to their designated sponsor.

1. Participants must submit registration form the Winneshiek County Extension Office by March 1 to purchase birds. All birds will be purchased from the same hatchery and will be available for the exhibitors to pick up in May.
2. Participants will receive 15 birds and exhibit 2 live broilers at the fair as a pen-of-two.
3. Birds purchased for this class cannot be exhibited in any other class.
4. Broiler Project entries are limited to one entry per exhibitor. A pen of two birds must weigh a combined minimum of 12 pounds.
5. Broilers will be judged on the following criteria: Cleanliness – 10 points; Meatiness of Breast, Thigh, and Drumstick – 45 points; Conformation of Body Structure – 25 points; and General Health and Freedom from Defects – 20 points. Total possible points: 100 points.
6. The project participant is required to get 3 birds dressed and delivered to the sponsor within two weeks of the Winneshiek County Fair.
7. Exhibitors may sell a pen-of-two from the Broiler Project Class at the Livestock Auction on Saturday.
8. Failure to participate in the broiler class at fair will require member to pay full sponsorship fee to their designated sponsor.
