

PLEASE NOTE – If the exhibitor wishes to sell their animal(s) for harvest, it is the responsibility of the exhibitor and/or buyer to contact each other.

There will be **no loadout process this year**. Transportation of the animal, locker availability, etc. are the responsibility of the exhibitor and the buyer. Not all exhibitors will be selling the animals represented in the virtual online Achievement Auction. Please contact exhibitors for details.

There is limited space at area lockers for Winneshiek County Fair animals. **When calling, please state this is a Winneshiek County Fair animal.**

If you are planning to **resell livestock**, there will be some places available to take those animals. Please contact them in advance, for availability. Please remember to be patient and kind. Their industry is under pressure, much like many lowans are experiencing because of COVID-19.
